IN 2024–2025, OUR COMMUNITY ONCE AGAIN SHOWED WHAT IT MEANS TO LIVE THE LORETO SPIRIT. PHILANTHROPY AT LORETO NORMANHURST IS NOT ONLY FINANCIAL—IT’S ALSO THE TIME, TALENT, AND COMMITMENT SHARED SO GENEROUSLY BY MANY. FROM THE EX-STUDENTS’ AND PARENTS’ ASSOCIATIONS TO OUR SCHOOL BOARD, SUBCOMMITTEES, AND THE COUNTLESS PARENTS, ALUMNAE, AND FRIENDS WHO VOLUNTEER, YOUR CONTRIBUTIONS ENRICH EVERY STUDENT’S EXPERIENCE.

Philanthropy is a way of life at Loreto Normanhurst — it’s who we are. This year, we built on that proud tradition by launching our revitalised philanthropy program: the Infinity Fund.

Grounded in the belief that a Loreto education has enduring impact, the Infinity Fund strengthens our commitment to growth, compassion, and courage. It unites our giving under three renamed priority areas:

- Equity Scholarships (formerly Bursaries)
- First Nations Scholarships (formerly Indigenous Scholarships)
- Building Initiatives (formerly Building Fund)

These priorities reflect our mission to ensure access, celebrate diversity, and create spaces where learning thrives. With the community behind us, the Infinity Fund is shaping a future where every gift creates lasting impact.

A highlight this year was the start of construction on our new Boarding House, opening in Term 2, 2026. This vibrant facility will provide a warm home for boarders and shared spaces that foster connection and collaboration.

We were proud to publicly launch the name of this new home: McCabe House, in honour of Sister Ellen Bruno McCabe ibvm — one of the pioneering Loreto Sisters who arrived in Australia with Mother Gonzaga Barry in 1875 and helped establish Loreto Normanhurst in 1897 as a boarding school for country girls. This announcement was especially meaningful as we celebrate 150 years of Loreto in Australia, honouring the legacy of those who laid the foundations of our mission.

This year we also held our inaugural Giving Day, themed One Gift, Infinite Possibilities. It united students, parents, alumnae, past and former parents, staff, and friends in a shared mission. Together, we raised \$361,040, with every dollar matched by major donors. More than the total, it was a celebration of connection, generosity, and the power of education.

In closing, I would like to introduce you to Rebecca Curran, who joins us as our new Director of Advancement. Rebecca brings extensive experience in development, alumnae engagement, and philanthropy, and is herself a proud Loreto Kirribilli alumna. She will lead our advancement strategy and community engagement, and we are delighted to welcome her to the Loreto Normanhurst community.

Thank you for standing with us. Through your generosity, time, and spirit of service, you embody what it means to be part of the Loreto Normanhurst community.

THE LN INFINITY FUND: OUR NEW PHILANTHROPY IDENTITY

This year, Loreto Normanhurst launched the LN Infinity Fund—a new philanthropic identity that unites our key areas of need:

- Equity Scholarships – opening doors to a Loreto education.
- First Nations Scholarships – empowering young First Nations women.
- Building Initiatives – creating spaces that inspire and connect.

Whether you support scholarships or building projects, your gift creates opportunity, drives progress, and builds connection. The name Infinity reflects the ripple effect of giving—each gift shapes lives far beyond our school gates.

Already, the Infinity Fund is strengthening our culture of giving. It offers families and supporters a clear way to connect their generosity with our mission of compassion, justice, and leadership.

GIVING DAY 2025

ONE GIFT, INFINITE POSSIBILITIES

OUR FIRST-EVER GIVING DAY WAS A POWERFUL CELEBRATION OF GENEROSITY, WITH STUDENTS, STAFF, PARENTS, AND ALUMNAE ALL COMING TOGETHER TO SUPPORT THE FUTURE OF LORETO NORMANHURST.

Funds raised from the day will underpin the next 5-10 years of the School's 30-Year Master Plan. The next priorities include a new technology precinct, a purpose-built music precinct, expanded general learning areas and repurposing the spaces in the current Boarding School.

A RECORD-BREAKING DAY

This year's Giving Day welcomed 340 first-time donors — more than half of all supporters on the day. Their generosity, combined with the loyalty of 331 returning donors, reflected a culture of giving that is both expanding and enduring.

Donor range: Gifts spanned from \$1 through to \$50,000, ensuring every contribution, no matter the size, was valued.

Alumnae reach: contributions came from graduation years spanning 1955 to 2024, showcasing 70 years of Loreto connections.

Community groups: Current Parents gave the largest collective total, Former Parents recorded with an 88% retention rate, while New Parents demonstrated exciting growth with nearly 100 gifts averaging \$171 each.

COMMUNITY-LED CALL CENTRE

In the Operations Centre, alumnae, current parents, and past parents volunteered alongside students and staff across six calling shifts. Together, they connected with hundreds of community members — making calls of thanks, sharing progress, and keeping spirits high. This collaborative effort built a sense of ownership and pride that extended far beyond the dollars raised.

STUDENT INVOLVEMENT

Students gave the day its heart. From early morning announcements to milestone celebration videos, their energy inspired donors. At recess, the entire school came together for the Giving Day Dance — with Principal, Marina Ugonotti, and Deputy Principal, Lynn Long, leading from the balcony as students danced to Harry Styles’ ‘Treat People With Kindness’. To mark the launch of our new philanthropic brand, students formed a human Infinity Knot around the school—symbolising the boundless ripple effect of generosity.

EQUITY & FIRST NATIONS SCHOLARSHIPS

THIS YEAR WE WERE DELIGHTED TO AWARD FOUR NEW FULL EQUITY SCHOLARSHIPS, ADDING TO THE GROWING NUMBER OF STUDENTS SUPPORTED THROUGH THIS VITAL PROGRAM. ON AVERAGE, 33 STUDENTS ARE SUPPORTED EACH YEAR, WITH AN INVESTMENT OF APPROXIMATELY \$25,000 PER STUDENT.

The program is sustained through the generosity of our community and the commitment of the School:

- \$525,000 annually from community philanthropy and donations
- \$325,000 annually from School funding
- \$850,000 total each year, enabling transformative educational opportunities

UNDERSTANDING DISADVANTAGE AND NECESSITOUS CIRCUMSTANCES

It's no secret that education transforms lives. We believe that with the right opportunities and support, students with a Loreto Normanhurst education can transform whole communities. When you give through our Equity Scholarships you create a lasting positive impact on generations to come.

Equity Scholarships exist to ensure that a Loreto education is available to students who would otherwise be excluded due to genuine financial hardship. For many recipients, disadvantage means:

- Families facing severe financial stress or unemployment
- Students from households experiencing health, social or community disadvantage
- Circumstances where parents or carers simply cannot meet the cost of school fees, boarding, or essential learning opportunities

Importantly, 85% of our Equity Scholarship recipients come from geographically challenged areas, including regional and remote communities where access to quality secondary education is limited or non-existent.

Each year, the circumstances of every scholarship recipient and their family are reviewed and reassessed to ensure ongoing need. New scholarships are only awarded to students entering Year 7 as part of their enrolment process, making this program distinct from the fee relief that the School has provided to current families at different times of need.

Equity Scholarships apply only to tuition fees, ensuring that financial barriers do not prevent capable and deserving students from accessing a Loreto education.

"As Chair of the Bursary Committee, I am continually inspired by the generosity of our community and the tangible difference it makes in the lives of our students. This year's efforts have ensured that more young women can access the exceptional education that Loreto Normanhurst offers, regardless of financial circumstances. On behalf of the Bursary Committee, I extend my heartfelt thanks to all who contributed."

SUPPORTING LORETO GIRLS, ACROSS GENERATIONS

"At Chartwells, we believe that education flourishes when students are supported in every aspect of their school experience — from nourishing meals to inspiring spaces for learning and community. Our partnership with Loreto Normanhurst has always been about more than catering; it's about being part of a vibrant community that nurtures the whole student.

That's why we have made a year-on-year pledge to both Building Initiatives and Equity Scholarships. We are proud to help create facilities that will serve generations of Loreto girls, while also opening doors of opportunity for students who might not otherwise have access to a Loreto education.

For us, this is about more than financial support — it is about standing alongside Loreto in building an inclusive, inspiring future for every student."

**PROUD SUPPORTERS OF
LORETO NORMANHURST'S FUTURE**

"As part of the Class of 1975 Giving Circle, I am proud to join with 10 alumnae from my year in contributing \$1,000 each over six years towards supporting a First Nations Scholarship at Loreto Normanhurst. For the past three years, this collective effort has helped provide one young woman with the opportunity to thrive through education — something that can truly change the course of her life.

What makes this so meaningful is not just the financial support, but the solidarity it represents. By standing together as alumnae, we are helping to break down barriers that too often limit opportunities for First Nations girls. We know that when these students complete their schooling, they are more likely to pursue further study, meaningful work, and leadership roles within their communities.

For me, the Giving Circle is a beautiful expression of our Loreto spirit — women supporting women, across generations. It is a small contribution individually, but together it creates something powerful: the chance for a young Indigenous woman to fulfil her potential, and to carry her knowledge and strength back to her community."

Helen Payten
CLASS OF 1975

“As President of the Ex-Students’ Association (ESA), I am proud that we are now in the second year of our three-year commitment to support a student from Year 7 through to Year 9. Funded by alumnae membership fees and other sources of income, the ESA is committed to giving back through scholarships and initiatives that connect and strengthen our Loreto community.”

Jane Parker (née Anderson) (Class of 1984),
President of the Ex-Students’ Association

MARIA'S STORY:

"I'LL ALWAYS BE PROUD TO BE A LORETO GIRL"

IN OCTOBER 2024, LORETO NORMANHURST ALUMNA MARIA TREACY SHARED HER STORY TO A GROUP OF THE SCHOOL'S MOST GENEROUS SUPPORTERS AT A BOARDROOM LUNCH EVENT IN SYDNEY.

Maria was just 12 years old when she left her hometown in Broome, WA, to join Loreto Normanhurst as a boarder. It was a big leap for a young girl from the country — but one that would change the course of her life.

Maria graduated in 2020 as a school leader, but her journey was shaped by years of growth, friendship and opportunity in the Loreto boarding community.

Crucially, Maria's journey was made possible by a First Nations Scholarship — something she spoke about with heartfelt honesty.

Maria is currently studying a Bachelor of Education.

THE FARRELL FAMILY FOUNDATION & THE SAMANTHA MAR SCHOLARSHIP

THE SAMANTHA MAR SCHOLARSHIP WAS ESTABLISHED BY THE FARRELL FAMILY FOUNDATION IN MEMORY OF SAMANTHA LOUISE MAR (CLASS OF 1993), A MUCH-LOVED LORETO NORMANHURST ALUMNA WHOSE LIFE WAS DEFINED BY COMPASSION, ACHIEVEMENT, AND A DEEP SENSE OF SERVICE. SAMANTHA EXCELLED ACADEMICALLY, WAS ACTIVELY INVOLVED IN SPORT, AND LATER PURSUED A CAREER IN PSYCHOLOGY AND GLOBAL BUSINESS BEFORE HER SUDDEN PASSING IN 2003 AT JUST 27 YEARS OF AGE.

To honour Samantha's legacy, the Farrell Family Foundation created a perpetual scholarship awarded every six years to a Year 7 student of high academic potential who also demonstrates leadership and a commitment to extra-curricular and social justice activities — qualities that reflect Samantha's own spirit.

One such recipient is Sophie Wills (Class of 2016). Empowered by the opportunities of her Loreto education, Sophie has gone on to make a remarkable contribution to her community as a registered paramedic and founder of the Community Defib Project. Based in her hometown of Wisemans Ferry, the initiative has dramatically improved community access to life-saving defibrillators, securing \$35,000 in funding and building a model of grassroots health leadership.

Sophie's impact has been recognised with the NSW Ministry of Health's Healthier Communities Award in 2020 and as Highly Commended Young Woman of the West by Western Sydney University in 2021. Her achievements embody the vision of the scholarship: to empower young women to use their education not only for personal success, but to serve and transform the world around them.

Through the Samantha Mar Scholarship, the Farrell Family Foundation ensures that Samantha's legacy continues to inspire. It is a gift that honours the past, empowers the present, and will shape the future for generations of Loreto students to come.

“The Samantha Mar Scholarship was established so that Samantha's values of compassion, courage, and commitment could live on through future generations. Its perpetual nature means that every six years, a new student begins a journey that honours Samantha's life and carries her legacy into the future.”

Cathy Sertori

COMMUNITY EVENTS & FUNDRAISING

TWO MUCH-LOVED ANNUAL EVENTS — THE CITY COUNTRY MOTHERS' LUNCH AND THE SPORTSMEN'S LUNCH — ONCE AGAIN BROUGHT OUR COMMUNITY TOGETHER IN BLENDING FRIENDSHIP, CELEBRATION, AND MEANINGFUL FUNDRAISING.

The City Country Mothers' Lunch was a joyful occasion that bridged our rural and urban families, raising \$11,000 in support of the school's Equity Scholarships. Beyond the funds, it was a chance for mothers from across the state to share stories, strengthen connections, and celebrate their common bond as part of the Loreto community.

The Sportsmen's Lunch was a highlight on the fathers' calendar, combining camaraderie and generosity. With the support of raffles, auctions, and sponsors, the event raised an outstanding \$100,000 for Equity Scholarships, ensuring more students are able to access the life-changing opportunities of a Loreto education.

Together, these events reflect the dual strength of our community — the generosity to make a real difference for students, and the spirit of connection that keeps our Loreto family strong.

THE 2024 SPRING FAIR – A COMMUNITY TRIUMPH

THE 2024 SPRING FAIR, PROUDLY RUN BY THE PARENTS' ASSOCIATION OF LORETO NORMANHURST (PAL), WAS A JOYFUL CELEBRATION OF OUR COMMUNITY AND AN OUTSTANDING SUCCESS. WITH THOUSANDS OF VISITORS FILLING THE SCHOOL GROUNDS, MORE THAN 70 STALLS AND ACTIVITIES IN FULL SWING, AND ENDLESS SMILES FROM STUDENTS AND FAMILIES, THE DAY SHOWCASED THE VERY BEST OF THE LORETO SPIRIT.

Together, we raised over \$100,000, with standout results from the car raffle, chocolate wheel, retail stalls, and sponsorship support. These funds will go directly towards providing new features and facilities for our current students, ensuring their learning environment continues to grow and thrive.

Thank you to PAL, our generous sponsors, tireless volunteers, and every member of the community who made the day possible. The 2024 Spring Fair was more than just a fundraiser — it was proof of what we can achieve when we come together.

SPRING FAIR

LOOKING AHEAD: 2026 AND BEYOND

THE YEAR AHEAD WILL BE ONE OF EXTRAORDINARY MOMENTUM FOR PHILANTHROPY AT LORETO NORMANHURST — A TIME TO DEEPEN OUR CULTURE OF GIVING, LAUNCH BOLD NEW INITIATIVES, AND BRING TO LIFE THE VALUES THAT DEFINE OUR COMMUNITY.

UNITY CIRCLE CAMPAIGN

In 2026, the Unity Circle Campaign will enter its third phase, building towards the official opening of the Boarding House at the start of Term 2. This next stage will focus on consolidating leadership gifts, broadening participation, and ensuring that the campaign reflects the spirit of unity across our community.

BUILDING THE ENDOWMENT: EQUITY SCHOLARSHIPS

In 2026 we will launch the Loreto Normanhurst Endowment for Equity Scholarships. This fund will provide long-term sustainability for our Equity Scholarships, ensuring that future generations of students can access a Loreto education regardless of their financial circumstances.

PLANNED GIVING AND BEQUESTS

Further work will also be undertaken to grow Planned Giving and Bequest programs, inviting alumnae, parents, and friends to leave a lasting legacy. Through personalised conversations and the development of recognition opportunities, these programs will build enduring support for the school's future.

ALUMNAE AND COMMUNITY ENGAGEMENT

2026 will also see enhanced alignment with our alumnae and broader community, creating more opportunities to connect, celebrate, and contribute. Whether through Giving Circles, community events, or tailored initiatives, these efforts will strengthen bonds across generations.

2026: THE YEAR OF FELICITY

Above all, 2026 will be celebrated as the Year of Felicity. Rooted in the Loreto value of joy, well-being, and the fulfilment of potential, this theme will guide our philanthropic focus. By framing fundraising around Felicity, we will connect the generosity of our community to the school's commitment to nurturing every student's ability to flourish.
