Overview

A comprehensive, **ICF Level 1** leadership development programme designed for senior leaders, entrepreneurs and executive teams.

The 'LCI Diploma – Coaching for Leaders' can be completed in two distinct parts.

Empower your people. Strengthen your culture. Build your future.

Programme Focus

PRACTICE

Master the coaching and leadership skills

BUILD TEAM STRENGTH

Develop your teams and a pipeline of future leaders

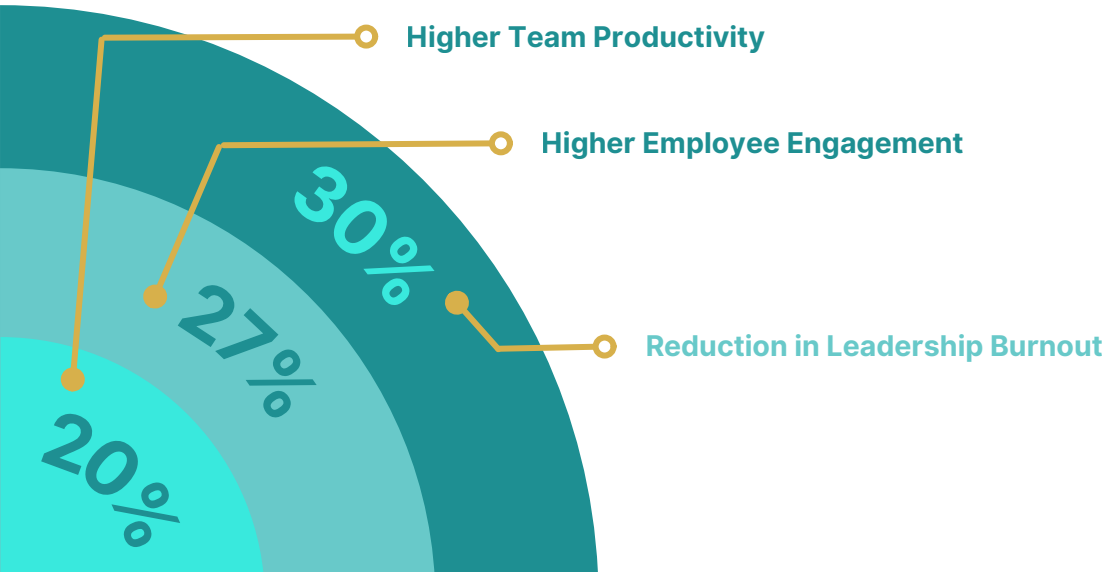

SCALE

Realise the ambition of the business, scale and grow

Why this Diploma is Different

- ✓ We develop leaders from the inside out
- ✓ A diverse ICF-accredited faculty with specialist credentials
- ✓ Optimising growth with flexible, AI-driven learning experiences
- ✓ A community of cross-industry peers with diverse perspectives
- ✓ Transformational learning through LCI's LeaderCoach Toolkit
- ✓ Mentor Coaching for sustainable mastery to ICF standards

**The results
speak for
themselves!**

Through the LCI Diploma - Coaching for Leaders, you will:

Master Leadership Through Practice

The Diploma's design ensures leaders coach, are coached, and observe coaching, gaining a 360-degree understanding of leadership development

Experience Holistic Leadership Development

Leaders transition from personal mastery in Part 1 - LCI Foundation, to strategic, organisational impact in Part 2 - LCI Practitioner.

Be a Business-Ready Leader

Graduates are equipped with effective skills to lead teams, drive profitability, and sustain organisational growth.

Enhance Strategic Impact

Become a leader who is capable of scaling businesses without sacrificing wellbeing or performance.

Drive Cross-Functional Collaboration

Businesses benefit from leaders who foster psychological safety, innovation, and cross-functional collaboration.

Lead Cultural Transformation

Build a coaching culture that drives the development of an organisation with healthy leadership pipelines and high-value creating teams.

Diploma & Recognition

- ✓ This course is facilitated with international coaching standards (ICF) and best practice in mind
- ✓ You will receive our 'LCI Diploma - Coaching for Leaders' on successful completion of both Foundation and Practitioner. For participants who complete the Foundation only, you will receive our LCI Certificate in Coaching for Leaders

Additional Benefits

- ✓ Network and share in the wisdom of other Leaders and Managers
- ✓ Get mentored one-to-one and in small groups by qualified experienced coaches
- ✓ Get quiet time away from your day-to-day role for your own personal and professional growth

"Say less, ask more and change the way you lead forever"

Why Develop your Leaders & Managers?

BENEFITS

- ✓ Enhances communication.
- ✓ Workload shared more evenly.
- ✓ Employee morale and engagement increases.
- ✓ Top talent eager to join.
- ✓ Good people stay longer.
- ✓ Cultivates a robust leadership and management pipeline.
- ✓ Promotes more informed decision-making and problem-solving.
- ✓ A culture of creativity and innovation emerges.
- ✓ Investment in people sends a powerful positive message.
- ✓ The vision and ambition of the company is more easily realised.

DOWNSIDES (OF NOT DEVELOPING)

- ✗ Undeveloped leaders can become the chokehold on the business.
- ✗ Top talent choose elsewhere.
- ✗ Your best people leave.
- ✗ The next layer of leadership becomes sparse or 'empty'.
- ✗ Too many decisions rest on the shoulders of too few.
- ✗ Poor communication sucks the oxygen out of the business.
- ✗ Greater potential for burnout, exhaustion and increased human error.
- ✗ Increased employee apathy and poor work atmosphere.
- ✗ People and teams go backwards.
- ✗ The business stagnates – momentum evaporates.

Testimonials

“If you are a business owner, leader or manager and especially if you are involved in the development of people then this course is a must for you.”

David Murrin

Regional Technical Manager, RNLI

“Our top team are using the key coaching and leadership skills to drive the next phase of innovation and business growth. I highly recommend this programme.”

Fergus Brennan

MD, Brennan’s Pharmacy Group

“What makes this course stand out from other coaching courses I’ve attended was its focus on the practical application. I was inspired and excited each day to immediately try new coaching techniques with my project team and peers and can honestly say it has improved our interactions immensely in such a short space of time. James and the facilitators are knowledgeable, experienced, and gifted coaches, and their facilitation, along with the guest speakers enhanced the learning experience hugely.”

Sarah McCartan

Learning Program Management, PayPal

“I cannot recommend this course highly enough, as this was by far the best course I have ever attended in my over 25 years involvement in both Business and Sport”.
