Turnbull Equine Productions makes no representation or warranty with respect to any animal and the buyer must look solely to the designated consignor for recovery of any damage by reason of the failure of any representation or limited warranty.

SECOND – The highest bidder will be the buyer, and if any dispute arises between two or more bidders, the horse in dispute will immediately be offered again for advance bids. If there is no advance, the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer reserves the right to decline any and all bids made by parties who have defaulted in former purchases or by any person whom, in his judgment, are not responsible bidders. NINTH – It is the consignor's responsibility to notify Turnbull Equine Productions, in writing prior to the sale of all unsoundness of any kind known to the consignor. Any unsoundness not listed in the catalog will be announced at the time of sale. **The buyer has the responsibility to examine horses before bidding.**

TENTH – The consignor has the responsibility to inform Turnbull Equine Productions, of the fact that the horse is a bleeder, a cribber, a cryptochid or has been nerved or foundered, or has any vices or unsoundness to include defects of the eyes, navicular disease, ring bone, or any cosmetic alteration or enhancement to include false tails. TATER TOT

2022 Dappled Palomino Mini Horse Gelding 32 Inches H

The search for your toddler's beginner pony stops here! An amazing little guy that has proven safe for the tiniest of handlers & riders, time and time again! Tater Tot rides on the leadline, independently, & bareback! He is a 3 yr old, gelding pony, standing 32 inches, and has a gorgeous chocolate dapple palomino coat. A frosty mane & a long, flowing tail....this little guy is gorgeous! I have so many great things to share about Tater Tot, I don't know where to start! Jasper is my son, he will be 2 yrs. old February 1st. He is able to take Tater Tot from his stall and lead him out. Tater Tot patiently waits until Jasper asks him to move forward. When Jasper stops, Tater Tot stops. He truly babysits Jasper while I do barn chores, I trust him that much. Tater Tot just walks and waits on the next cue, I feel he knows Jasper is just learning. If a child knows how to steer and stop...well even if they don't, they can ride him. If he doesn't understand a rider's cue, he just stops and waits. He naturally has a more whoa than go style. For a more experienced child, Tater Tot is happy to trot and lope if asked. He isn't just a "ride around the house pony". He Loads in and out of the trailer. Rides easily with the big horses. Tater Tot also trail rides. He confidently follows along behind mom & dad's big horses, zero issues. Crosses bridges, water, and downfall. A great confidence builder and a great teacher. He stands quietly while they learn how to catch, halter, tack up, pick up his feet and clean them out. Tater Tot has undergone desensitization training. He isn't spooky, kids carry flags on him, wave & drag tarps, bounce the ball. He is exposed daily to dogs, traffic, farm equipment, atv's, other livestock! He's easy to catch, stands for all tasks, stalls, or turns out in a mixed herd. Tater Tot is a once in a lifetime opportunity. He has a very gentle, loving, & loyal personality. He would make an amazing therapy animal. Tater Tot is sound, healthy, hardy, & safe! He comes with all necessary paperwork required for transport. We work with a reputable hauler & can ship anywhere nationwide! Meet & greet and test rides welcome. Contact Jamie for more information at 270-772-1706

Combs Quarter Horses - North Carolina

TEDDY*2012 Haflinger Chestnut Mare 13.1h*

Talk about cute! This pony is broke just like dad's big horse. He's just pint size! Teddy will ride western, bareback and English. He has a great one hand neck rein, he moves well off of your leg, he's got a great little trot and lopes the cutest circles you could ask for! With his easy stop and go with the flow attitude he's the kind you'll love for raising the kiddos! Sweet, loving disposition and easy to catch. No pony-tudes for the guy. He's quiet and easy going. Teddy will also lope around the barrels and pop over little jumps. He's helped move the cows in the feed yards and he's a trail blazing fool! He will even pony behind the big horses! Teddy has wonderful ground manners. He's great for washing, grooming, saddling and loading. He also stands quietly for the vet and farrier. He sells with a certificate of soundness and vaccinations. This is such a cool little pony that you're sure to fall in love with when you get him home! For more information on him contact 662-542-6776

TKOW Horse Company - North Carolina

WAYLON*2020 Sorrel Quarter Type Gelding 13.2 H*

Meet Waylon! 5yr old quarter type gelding. Like the song goes, "Just a good old boy", he is a good ole soul! Take him to the ranch shows or out on the trail, either way he is ready to perform. He is like driving a horse with power steering, point him with one hand and he will go! Have some fun throwing a rope or kicking a ball around with him. He turns around, goes over bridges and logs, pulls logs, crosses water, and will go through tall brush on the trails. If he is in the pasture, tap the gate and he comes right to you! A 12 yr. old boy rode him all fall and winter! This cute little guy has the temperament and talent for a good starter show horse for a 4 H Project or Open Show horse. He is ready to give a youth rider or adult the confidence and enjoyment they are looking for. Stands 13.2 hands, sound, no vices. Sells with radiographs, pre-purchase exam, certificate of soundness, proof of vaccinations, and vet certification stating his age. Contact Kevin at 336-963-1178 for more information.

BOB*2018 Red Roan Pony Gelding 41 inches*

Bob is a 7 year old, beautiful red roan gelding pony that stands 41in. He is stout, chunky and just a little hunk. Bob is a dream pony, gentle enough for any level rider. He has a wonderful trot and a beautiful smooth lope for a pony of his size. This pony rides around just like Daddy's big horse! Bob will cross any obstacle and has competed in several trail and obstacle courses. Even winning first place! Bob has perfect stall manners and is also well behaved in turnout with other horses and livestock. Always first at the gate, Bob loves attention from everyone! He stands great to be bathed, clipped, groomed, tacked and for the farrier. Bob loads and hauls great. We can't say enough good things about this sweet guy and we are proud to offer him. Safe, sound, no vices. He will sell with a current negative Coggins. Pre-purchase exams are welcome at the buyer's expense and he can be tried by appointment only. SPEEDY

2014 Welsh Cross Buckskin Gelding 11.6 H

Speedy is an 11 year old 46.5 inch tall Welsh Cross pony. Speedy has been with us since 2023. He's up to date on vaccinations, deworming and coggins. Speedy has been an excellent trail partner. Rodeo and horse shows are not new to him. He has been used at youth rodeos for a 5 yr. old as a goat throw, pony barrels, and poles. Kids ranging from 5 to 12 handling him. Intermediate riders are best suited for Speedy. The reason being that he has had some sour issues and will try to take them back to the barn. With beginners that could make them uncomfortable unless they are confident riders. Once he is confident in making him ride out, then the ride is smooth just like in these videos. Beginners can ride him in a pen under a coaches supervision. Speedy has never offered to kick, bite or buck. He can be ridden out alone or in a group. Ditches, creeks, bridges, logs, or steep terrain and mud are no problem for him. Excellent trail pony! Stops, backs, walk, trot, and lope on cue. Best of all he neck reins. He gets along with other horses and barn animals. He does not mind being trimmed, or clipped with clippers. He also does Trick or Treating for fall festivals. Totes the buckets or bags full of goodies. This is a great little guy looking for a great little kid. He sells with a Pre-purchase exam, certificate of soundness, and vaccinations. Gus is an 8 year old Friesian/Paint cross gelding. He is registered with the Friesian Sport Horse Registry. Gus stands 16.2hh, and has a personality as big as his size. Gus loves people and likes attention. I started Gus in my program when he was a 2 year old, and I purchased him from his breeder about 2 years ago. I love the fact that I know everything about his past, and his breeder and I are his only two owners. Gus was used as a trail horse mostly before I bought him, and he has been on a lot of over night camping trips. He ties on a tie line with no issue, and also will stand well in a tie stall. Since I purchased Gus, I put a lot of finish work on him, worked on a lot of obstacles, and put more trail miles on him. He is a very versatile gelding, and he will excel in anything that his new owners choose. As well as a great trail mount, he would also make a lovely show horse. He would do well in English events (has been popped over some small jumps), he's a beautiful mover and would excel in dressage, western dressage, or even ranch classes. I would say that Gus needs an intermediate rider because he is a big powerful horse. He is not hot or silly, but has a forward gaits at the trot and canter. He has been ridden with quarter horses and gaited horses on the trail. Whoever buys Gus will be getting an awesome partner! He sells with Radiographs, certificate of soundness, and vaccinations. "Cash" is a young gelding with his whole life ahead of him. His athleticism, breeding, talent, and foundation have him on track to become your next ranch, rope, or barrel horse star. He has been extensively trail ridden and rides like that older seasoned trail horse. Crosses water, fallen logs, handles rough and uneven terrain with ease. Rides great in a large or small group of riders and is comfortable with traffic, dogs, farm machinery, and livestock. Other than the numerous state parks he has visited, Cash has been hauled to jackpots and sortings to see the sites. He loads good and has always been well mannered. His laid back temperament and disposition has allowed our youth riders to do a lot with him. He is great in the barn, stands quiet for grooming and tacking up and good for the farrier. Cash has not been pushed, but has a great foundation and is a perfect safe option for someone wanting to put their own stamp on their horse's training and get a horse they can have for years to come. 15**BOONE***2015 Bay Quarter Type Gelding 15 H*

Boone is a wonderful 10 yr. old, 15h gelding. Boone has been a using ranch horse his whole life. He will gladly go out and do a days work or just walk down the trails taking in the scenery. I don't think there will be much of anything this gelding hasn't seen or done. Excellent ground manners, saddles up and rides off quietly. Stands quietly for the vet and farrier and he enjoys bath time. Very gentle and easy walk, jog and lope. Backs up quiet and correct. Easy stop and great fast or slow turn around. You can turn him on and off like a light switch. He will get up and go for an experienced rider or he will go slow and steady for the less experienced riders. He's got a smooth jog and a really nice smooth lope. We've ridden him bareback and western. And of course went over the little jumps. Absolutely nothing bothers him. Gets along with mares and geldings in the pasture. Literally will self-load! Just point him and he jumps in the trailer. He also hauls to new places and minds his manners. He sells with a certificate of soundness and vaccinations. Not enough great things to say about this gelding. For more information contact 662-542-6776

I'm excited to introduce you to PS U Kick Start My Heart. He is a 2020 stunning BAY ROAN gelding. "JOHNNY" stands 15hh and weighs around 1300lbs. He has almost perfect conformation. This guy has a huge personality. Always aiming to please, and safe enough for any level rider. He's most definitely a barn favorite. If Johnny's stunning looks are not enough, his pedigree should be. He's sired by the 5x Congress & multiple AQHA World Champion, VS FLATLINE & out of an AQHA point earning mare, by the famous Willy Be Invited. He is the perfect family/all around horse. He literally can do it all from trail riding, ranch/reining, english, and so much more. This gelding is cool, calm, confident, and a lot of fun to trail ride. JOHNNY absolutely loves the trail obstacles; tarps, bridges, whips, guns fire. "He was born broke & quiet." J.B. is not only a great western horse, but he rides english as well. He has started going over small 2 foot jumps. He will excel in Equitation, Eventing, Dressage, Hunter Jumpers, Horsemanship, Ranch Riding, Trail Competition, Queen Contest, Ranch Trail, Roping and many other events. This gelding is broke like a show horse but has the mind of a seasoned ranch horse. JOHNNY neck reins with the slightest of ease and lopes off from a stand still while getting his leads every time. He also leg yields, side passes, yields his hind quarters, and works a gate. He will even ride around in just a halter and snaffle bit. "I have never ridden a smoother horse!" JOHNNY has the smoothest transitions and feels like riding on a cloud. He is always aware of his feet & hits the ground softly. JOHNNY is safe enough for any level rider. Before coming to Pleasant Valley Equine, he had the same owner/breeder his entire life. This gelding has been very well cared for. He has zero buck, rear, or stupidity about him. Cinch him up tight with time off, and he's the same horse you last rode. This gelding is very, very safe and you will feel very comfortable on him. JOHNNY is great with other horses, and will literally catch "YOU" in the field, stands tied, and is great for the farrier. He loads, hauls, etc. perfect. JOHNNY makes mounting simple. He will side pass over to a log, mounting block, or picnic table with just a snap of your fingers. JOHNNY is 100% sound in every way. Don't miss your chance to own this handsome gelding. JOHNNY sells with recent radiographs and a certificate of soundness from a licensed veterinarian. He's UTD on vaccinations, dental & five panel tested N/N. Buy with total confidence. I am KCS Buckshot, but they call me Pretty Ricky. I was born in South Dakota on June 8th, 2020. I live on a farm in West Tennessee now, doing ranch things. Every day after breakfast I get dressed in a saddle and a bridle and go out to help make things happen. I am a brave horse, nothing scares me. I can climb mountains, cross creeks, rope cows and I even let a tall man stand on my back and crack a big rope, they called it a bull whip which is confusing since I am not a bull. When the girl dresses me, she takes me around three barrels to see how fast I can go without hitting one. One day, she came over with a different saddle and bridle and let me jump over some trees, I am rather good at it. I have gone to other places that have trails and obstacles that were easy for me. I can open and close any kind of gate which helps keep those pesky cows where they belong. There are different people that ride me, I can bow down for the shorter ones to get in the saddle because I am tall and handsome. Sometimes the man and the woman will ride me at the same time when they are feeling smoochy, I do not mind, they even trust me with a new little baby. I have a dream of being a pickup horse for the Rodeo because I am strong and could help get those cowboys off safe. If horses were superhero's I would be The Hulk because he is the strongest of all, except he is green, I don't want to be green. I hope I can be on TV one day. I have been told that my great grandfather had his own show with a Cowboy named Roy Rogers, they called him Buttermilk, I am glad they don't call me that. I am glad they call me "Pretty Ricky." Pretty Ricky comes with a Pre-Purchase exam, Certificate of soundness. If you would like to hear more about him contact 731-307-7203

Gunner is a 2018 model, AQHA registered mare. She stands 14.1 H tall and is built like a tank. We bought her from the family that raised her, and she has fit well into our program. My 14 yr. old son, Paull, has exposed her to everything you can imagine, and says she is a joy to ride!!She has also been ridden by small children and always takes care of them. She can be ridden by almost anyone in the family. She has great ground manners and will stay in a stall or outside and has no bad habits. Gunner neck reins, side passes, and also has a slow spin. She is good with tarps, whips, ropes, flags, other farm animals and machinery. She also does obstacles, crosses water, mud, bridges, and anything you might encounter on the trail. She can be ridden bareback and bridleless. She has been ridden in state parks in NC, SC, and VA and is good in traffic. She had 8 months of professional cow horse training as a 3 year old and has been used around cows. Not much bothers Gunner, and she would make a perfect step up horse for a youth rider! She has good feet and is also a very easy keeper! She loads, ties, bathers, and clips well. She stands good for the farrier, will go barefoot, but has a new set of shoes for the sale. Gunner sells with a pre-purchase exam and a certificate of soundness and vaccinations. Don't miss out on this GREAT mare!! DM Boondoc Lenas, affectionately known as Modelo, is a stunning 2019 model AQHA palomino gelding standing 15.1h. Many people say their horses have done it all and seen it all, but this is no exaggeration with Modelo. Originally started as a reiner, Modelo confidently executes a reining pattern and would excel in the ranch reining or amateur reining classes. He has easy spins, and changes, and a good sliding stop. I have hauled him to multiple ranch shows and have competed in ranch pleasure, ranch reining, and various cattle classes on him. Outside of the show pen I have sorted and doctored cattle on him, pasture roped off him, and used him as a turn back horse while sorting buffalo. He is very cowy and will absolutely cut a cow and work the flag. This past summer, I used him on the thoroughbred racetrack in Miami, FL as a pony horse. He is well used to bright lights, loud announcers, and just general commotion. I have also exposed him to mounted shooting. I have completed many course patterns on him and he has never bobbed or shied away from the targets or gunfire. I have also enjoyed teaching him various liberty tricks and exercises. Modelo will pick you up off a mounting block, gate, tree stump, picnic table, etc. Out on the trail, Modelo is quiet and confident. He crosses water, logs, ditches and other trail obstacles easily. He doesn't mind to lead or follow or to go out alone or with others. Modelo is a Cadillac to ride. He effortlessly moves off your seat and leg and has a sharp neck rein. Both his upward and downward transitions are smooth and his flying changes are natural. Modelo is light in your hand and has great natural carriage. While he has a lot of buttons and finesse, he is still suitable for timid or beginner riders. My young nephews, ages five and seven, have successfully piloted him around the arena; loping circles on him and chasing cows. Modelo turns out in a group of geldings during the day and stalls at night. Gets along with other horses well and is in the middle of the pecking order. He is up to date on all his vaccinations and had his teeth floated this past fall. He stands quiet for the farrier, and loads and hauls well. Modelo is sound and does not require any maintenance or specialty shoeing. He sells with A Certificate of Soundness and vaccinations. If Modelo sounds like the horse of your dreams, then contact Trace to make a time to meet him at home or at the sale. 219-964-8030

Fox has come from our breeding program at Roux Performance Horses. He demonstrates the kind of horses that we raise, and Fox checks off all the boxes. Conformation, temperament, athletic ability, beauty, and he is very easy to get along with. Not to mention lots of eye appeal and soundness. Fox excels in the arena and on trails. He has been on many trail rides in state parks with the boys during school breaks, he is very sure footed on any terrain. He handles all the creeks, ditches, and water that are part of trail riding. We have taken Fox out on the trails with lots of horses and he also ridden out by himself. He is the same horse each time. Fox has a year of reining training. He has a very good handle and easily maneuvers spins, stops, side passes, and backing. He has had lots of outdoor experience doctoring and sorting cattle. Throwing the rope off of him, dragging, stopping and pushing cattle are every day events for him. We also used Fox to pony and halter break colts on him last fall. So, if you are looking for that handsome horse that has all the buttons, breeding, temperament and training, Fox could be your horse! Sells 100% sound. Starlight is a 2021 model, AQHA registered marae. She stands 14.3 H tall. We have owned her since she was 4 months old and she was started right! My niece, Mary Kaye, has been riding her and has gotten along well with her. She has great ground manners, will stay in a stall or outside and catches easily. She is good with tarps, whips, ropes, farm machinery and other farm animals including cows. Starlight does obstaacles, crossses water, mud, bridges, and is good with traffic. She also neck reins, side passes, has a slow spin and can be ridden bareback or bridleless. She has been ridden in state parks in NC, SC, and VA. Starligt is very athletic, and rides great in the arena! She knows a few tricks, and also does a little liberty work. She will load, bathe, clip, and tie, also. She has a new set of shoes for the sale, but can go barefoot as well. If you are looking for a performance horse prospect, Starlight is the mare for you. She sells with a pre-purchase exam and a certificate of soundness and vaccinations. For more information call or text Jeff at 9880-581-1444!

While he is a true ranch horse, very skilled in all aspects of ranch work, he loves having an owner spend time with him and giving him all the attention. Cruise is athletic and well broke with all the bells and whistles. He easily side passes, great back, big stops, turnarounds, plus will rope and work a cow. If ranch work isn’t your cup of tea he is an exceptional trail horse that we have trusted very beginner riders with: riding down the trail, rode through town, and in big creeks. CLYDE

2021 Sorrel Cross Bred Gelding 16H

Clyde is a four year old, 16 hand tall, sorrel gelding with a flaxen mane and tail. We bought Clyde as a yearling and started him when he was a two year old. He started easily and by the time he was a three year old, he was behaving like a five or six year old. He has a great mind and Clyde handles the rope very well. We have been using Clyde on a cattle ranch to check the health of all the cows. He ropes in the pastures, and will rope both ends, he heads and heels. He is used to opening and closing a lot of gates throughout the pastures. He will move off leg pressure, he picks up his correct leads and has a good handle on him. We have hauled Clyde to state parks to trail ride and camp. He does great in rough terrain and goes through water willingly. He hauls great, loads and unloads easily and calmly, he also stands good for the farrier. You can catch him anywhere, no matter how big the pasture is! He drops his head to take the bit, side passes to the mounting block to pick you up and will drop you off too. You can leave him off work for weeks, then bring him in and go riding. No tune-up required; Clyde stays the same. Neighbor kids help us in the summer and they all rode him and got along great with him. We guarantee him sound. If you have any questions or better yet, want to come and take him for spin, give us a call. Marlin 260-463-1616

He will speed up for the experienced riders or he will go slow and steady for the more relaxed riders. Rocky had spent countless hours out riding on the ranch and cruising the trails. He will do the gathering, sorting and pasture roping. Or he will gladly go stroll along out on the trails. He sells with a certificate of soundness and vaccinations. Absolutely no silliness to this guy. He's a very "go with the flow" kind of gelding. His smooth jog and lope with a great neck rein and brakes make him a joy to ride every chance you get! DOMINIC

2019 Quarter Horse/Gypsy/Percheron Gray Gelding 14.3 H

Dominic is just plain handsome to look at! He is a half Quarter horse, 1/4 Percheron and 1/4 Gypsy Vanner. His sharp, dapple gray color and flowing thick mane and long tail, complement his good looks and have him standing out from a group! Dominic has a cute face and kind eyes showing off his easy going disposition. He stands 14.3 hands, just the perfect size for loads of fun! He has been a pleasure to work with... mostly being ridden under western saddle, but also has experience with English riding. He stands patiently to tack up and lowers his head to bridle. Dominic is great in the arena, walking, trotting, loping, and he gracefully picks up both leads. He side passes and half passes and has also done some jumping. The bullwhip and tarp as well as other distractions are nothing new to Dominic as he places his trust in his rider. We also ride him on the road a lot, exposing him to traffic and new sights and sounds. Dominic is trained to drive as well. He looks and performs equally well under harness, we typically hitch him to our carriage as you can see in the video. He has been driven single and double and does great either way. Dominic stands for the farrier and is currently wearing size one shoes. He is up to date on his shots and de-wormer. He sells with a Certificate of Soundness, proof of Vaccinations, and Veterinarian's certificate of age. If you have any further questions about this beautiful boy or would like to come meet him prior to the sale, please reach out to Eddie at 330-365-6443. You will be glad you did.

Cowboy is awesome family trail horse. Safe enough for any age rider that can sit the saddle, handle the reins, and kick. He has more whoa than go. Super soft trot nice steady lope. Been ridden on the trails in Bankhead National Forest along with all over our farm, pathed trails and free forming trails. Making our way thru the trees, crossing water, downed trees and logs. He loves to play with the big ball. Carries the flag. We've ridden him thru a local hometown on the streets between the buildings on the railroad tracks across a wooden covered bridge. Nothing bothers him or scares him. Great demeanor. Easy going. Loves kids. Would make someone an awesome WTL candidate. The more he's ridden the better he rides and shows. When we purchased him he had been turned out running in the pasture not touched for several months. He was easy to catch load haul, stands for farrier, bathes, grooming no bad habits issues or holes. Gentleman all the way. Kind eyes good mind solid foundation. He'll be in the trail competition. He sells with a Pre-purchase exam, Certificate of Soundness, and Vaccinations. RC Sadie Bartender, affectionately known as, Gasket, is a 2018 model AQHA gelding standing 15.3h. If you're looking for a talented and incredibly trustworthy horse with a ton of heart, grit, and personality, look no further. I have owned Gasket for the last two years and everywhere I have gone, he's gone with me and everything I've done, he's done with me. For the last year, I worked as an outrider on a race track in Miami, FL and Gasket was my go-to catch horse. I've trusted him to run down and catch powerful loose thoroughbreds all while keeping me safe. Being on the track he is used to loud speakers, start gates banging, massive crowds of people, loud music, track alarms, and any other commotion you can think of. When we're not working, Gasket and I have caught loose wild cattle, trailered to many team sortings, headed steers, sorted and turned back buffalo, and trail rode many miles. I also taught Gasket mounted shooting patterns and have had a lot fun. He is completely gun broke. I have also ridden him in our local Fourth of July parade. He was completely unphased by any of the traffic, flashing flights, poppers, sirens, and fireworks! Gasket is an incredibly safe, quiet and completely trustworthy horse. My young nephews fight over who gets to ride him and while he will get up and go with me, he happily plods around the arena with the kids. I have trusted him to take care of my mom when she's taken him on weekend camping trips where she enjoyed being able to cruise down the trail with a cold drink and not a worry in the world. Whether you ride seven days a week, seven days a month or seven times a year, Gasket will always be the same horse whenever you swing your leg over him. While Gasket can be all fun and games, he is properly trained and very well broke. He has a true neck rein and rides off your seat and leg. Very well broke through his sides, has a lot of bend, and good lateral movement. He rides light in your hand and travels in the bridle nicely. Gasket is incredibly forgiving which makes him great to learn on. You don't have to be an expert rider to get along with him, just get on and have fun. Gasket has a huge personality and is very in your pocket. Walk out to the pasture and whistle, he comes running. Gasket is out during the day in a small group of other geldings and stalls at night. He is UTD on all his vaccinations, had his teeth floated this fall. He is sound with no required maintenance. He stands for the farrier and loads and hauls well. He sells with a certificate of soundness and vaccinations. Gasket is one of the best horses I have ever owned and I did not make the decision to part with him lightly. Horses like him are one in a million and not easily found or replaced. The most important thing to me is that he goes to a home that will care for him well, treasure his companionship, and enjoy him as much as I have. Contact Trace at 219-964-8030 to know more about Gasket.

"Harrison" looks like he just rode off the pages of a romance novel. With his long flowing mane, shiny dark coat, chiseled beautiful head and large soft eyes, you can see why we call him Mr. Romeo. He is a double registered AQHA/ APHA 15.1 hand brown gelding that almost looks black. He is very well bred with many great champions on his papers. We have extensively shown him in the ranch riding and ranch events this past year and he has won many classes and judges have loved him. Beautiful, natural, classy mover that can easily go to the top with the right rider. He is talented to do the all around, has been ridden English as well and would make a beautiful western dressage horse. He hauls great and is quiet at the shows and standing all day tied to the trailer. His disposition and demeanor make him an excellent fit for youth and amateur riders. Harrison has been on his fair share of trail rides and has always enjoyed himself. He is the sweetest guy in the barn, gives kisses, and actually wants attention. Having a barn full of girls, he gets lots of grooming time and pampering that he just loves. WYATT*2011 Quarter Type Chestnut Gelding 15. H*

This gelding I LOVE!! Wyatt is a wonderful 14yr old 15 hands, chestnut gelding. He has been a using ranch horse his whole life. He will gladly go out and do a days work or just walk down the trails taking in the scenery. I don't think there will be much of anything this gelding hasn't seen or done. Excellent ground manners, saddles up and rides off quietly. Stands quietly for the vet and farrier and he enjoys bath time. He will also stand for a mounting block. Very gentle and easy walk, jog and lope. Backs up quiet and correct. Easy stop and great fast or slow turn around. You can turn him on and off like a light switch. He will get up and go for an experienced rider or he will go slow and steady for the less experienced riders. Both of my girls have ridden Wyatt. They both said he's got a smooth jog and a really nice smooth lope. They have ridden him bareback and western. And of course, went over the little jumps and rode by the construction. Absolutely nothing bothered him. Gets along with mares and geldings in the pasture. Literally will self load! Just point him and he jumps in the trailer. He also hauls to new places and minds his manners. Not enough great things to say about this gelding. He sells with a certificate of soundness and vaccinations.
