GRINDING WHEELS

With grinding wheels from United Abrasives / Sait, you can remove more stock with less wear than when you use cut-rate wheels made from cheaper materials.

CUTTING WHEELS

Our higher quality, industrial grade cutting wheels last longer and cut more efficiently than other wheels on the market.

WIRE BRUSHES & CARBIDE BURS.

We offer a variety of wire brushes for various applications, along with carbide burrs for grinding, shaping, deburring and weld bead removal.

COATED ABRASIVES

United Abrasives / Sait coated abrasives are always made with premium materials so that you have the durability and efficiency you need to get the job done for a vast range of appli
