INTERACTIVE PRACTICE TOOLS

THE NOOSPHERE HEALING CHAMBER

Another tool available after completing the respective advanced training class is the Noosphere Healing Chamber. An experimental space that allows users to upload client images, voice recordings, and microscopic blood visuals. Utilizing the potent energy of the star tetrahedron, this virtual chamber is designed to produce targeted energetic effects in alignment with the intention of healing. Drawing inspiration from Lynne McTaggart and Nassim Hamein's teachings, it integrates principles reminiscent of Vacuum Engineering on a virtual scale, harmonizing with Collective Consciousness to amplify intentional healing.

THE QUANTUM EVALUATION WEB TOOL

One of the tools available after completion of the respective advanced training class is the Quantum Evaluation Web Tool. Drawing from traditional Taoist medicine, this web-based questionnaire features 100 questions aligned with the 5 Elements, facilitating a comprehensive baseline health analysis. Elevate your clients' well-being by inviting them to take this assessment, providing powerful insights for crafting personalized wellness plans and guiding them toward optimal health.

QOACH AI - FULL ACCESS

Meet Qoach AI, your new strategic business partner empowering you to design health protocols that are as dynamic as your clients' needs. Whether you're seeking a guiding light to kickstart your career or aiming to streamline your approach for greater efficiency, Qoach AI is your go-to solution for creating personalized wellness plans that deliver results.

QUANTUM AI
