WELLBEING AT WORK

CARRY, CONNECT & PROTECT

A young woman with dark hair pulled back, wearing a dark blue long-sleeved shirt with white polka dots. She is smiling broadly, looking slightly to her right, with her hands clasped behind her head. The background is a blurred indoor setting.

# EMPOWER YOUR WELLBEING.

Targus tech accessories consider your comfort, our planet and your pocket. We believe technology should empower you to live and work well, whether seamlessly collaborating with your colleagues and clients, staying connected with friends and family or taking your technology with you on your next adventure. Work in harmony with your devices and unleash your true potential.

**Together with Targus, you've got this.**

# Compatibility as Standard

Universal, backwards compatible, future-ready.

We empower you to make the right choices for your people and business with solutions that work regardless of device, operating system or location. Our compatibility promise gives you the confidence to buy once, and buy well.

OUR SOLUTIONS JUST WORK

### DID YOU KNOW?

Extending your laptop view onto 2 external screens can give you back 1.5 to 3 hours a day, that's **35% more productive**. Just don't forget the accessories!

# FREQUENT TRAVELLER

A woman with dark curly hair, wearing a white sleeveless top, is sitting at a wooden table in a cafe, working on a laptop. She is looking at the screen with a focused expression. On the table in front of her is a white coffee cup on a saucer, a glass of iced coffee, and some papers with charts. The background is a blurred cafe interior with other people sitting at tables.

**2 out of 3 people now work remotely** at least part of the time, rating coffee shops and client locations among the top spaces to work away from home (from newest research data).

## ON THE GO SET UP: LAPTOP

### SECURITY LOCKS

Targus's unique Universal Lock means one lock will work on ANY device, with a lock slot.

**DEFCON® Ultimate Universal Serialised  
Combination Cable Lock**

ASP96GL-S

## BLUE LIGHT FILTERS

- Reduces 45% blue light exposure, minimising eye strain
- Anti-reflective coating blocks screen glare for optimal clarity
- Matt finish helps reduce the appearance of fingerprints or smudges

## HOW EXPOSURE TO BLUE LIGHT AFFECTS YOUR BRAIN AND BODY

- By disrupting melatonin, blue light from screen time **RUINS SLEEP** schedules
- A poor night's sleep caused by smartphone or laptop light can make it **HARDER TO LEARN** and **IMPAIR YOUR MEMORY**
- People whose melatonin levels are suppressed and whose body clocks are thrown off by light exposure are more prone to **DEPRESSION**
