# Dr. John H. Orange

1946-2023

*Professor, U.S. Army Vietnam War Veteran*

Dr. John Henry Orange Jr., Ph.D. (Beta Nu, 1965) entered the Chapter Invisible on September 11, 2023. Brother Orange was born in St. Louis, Missouri on December 20, 1946. He began his educational journey at Sumner High School in St. Louis. He continued his journey by earning an Associate of Science in business administration at St. Louis Community College, a Bachelor of Science in mathematics at Washington University, a Master's in Business Administration at St. Louis University, and a Doctor of

Philosophy in decision sciences at St. Louis University.

He was initiated into the Beta Nu Chapter of Kappa Alpha Psi fraternity at Harris Teachers College in St. Louis in 1964. He served as president of the Scrollers Club from 1964-65, captain of Ship Chaos as Dog Rebel in 1965, and Strategus from 1965-66.

While the Vietnam War was a raging source of controversy and conflict, it did not deter Brother Orange from joining the U.S. Army in 1966. He completed basic training at Ft. Leonard Wood, Missouri and advanced training at Fort Ord, California and Aberdeen Proving Ground, Maryland. He became a superior welder and quickly became an U.S. Army military welding instructor and achieved a rank of Specialist 4. During 1967-69, he fought bravely in the Vietnam War with the 4th Infantry Division at Pleiku and the 32nd Medical Depot in Cam Ranh Bay.

Brother Orange came to Trinity University in San Antonio, Texas in 2009 as the Assistant Director, Office of Institutional Research until 2014. He became the Director of Prospect Research for Alumni Relations and Development, 2014-2020. During the Fall 2022, he became a visiting assistant professor in the Department of Finance and Decision Sciences. He was the consummate scholar, researcher, and dedicated professional.

His Christian roots began at a very early age in the Methodist church. He was a devoted member of St. Philip's Episcopal Church for the past 25 years and he served on the Church Vestry in leadership positions many times during his tenure.

He was a faithful member of the St. Louis (MO) Alumni Chapter 1978-80 and a member of the San Antonio (TX) Alumni Chapter, 2009-2023 where he served as the chairman of the Senior Kappa Affairs Committee from 2018-20.

Brother Orange was preceded in death by his beautiful daughter, Tisha Iceola Davis, and he is survived by his Silhouette of 54 years, Carolyn (Sigma Gamma Rho Sorority, Inc); his children, Traci Lynn Hodges, Timothy John Orange, and Teresa Alma Orange; his five grandchildren and his beloved sister Johanna Smith.

## Dr. Leonard E. Lawrence

1937-2023

### *Psychiatrist, Retired U.S. Air Force Veteran*

Retired U.S Army Veteran and Child Psychiatrist Dr. Leonard E. Lawrence, M.D. (Alpha Chapter, 1956) entered the Chapter Invisible on November 22, 2023. Brother Lawrence was born in Indianapolis, Indiana on June 27, 1937. He graduated from Indiana University and received a medical degree from Indiana University's School of Medicine.

He was initiated into the Alpha Chapter of Kappa Alpha Psi as a freshman at Indiana University in 1956. He later served as Polemarch of Alpha Chapter and had many fond memories of living in the Kappa House. He was personally mentored by Founder Dr. Guy Levis Grant as an undergraduate.

After graduating from medical school, he served as a child and adolescent psychiatrist in the U.S. Air Force, eventually reaching the rank of Lieutenant Colonel. He later joined the medical school faculty of the University of Texas Health Science Center in San Antonio. He reached the rank of Associate Dean, and upon retirement, he was designated as Professor Emeritus. He served as President of the National Medical Association and as Chair of many boards of directors, including the United Way of San Antonio and the Texas Youth Commission.

He was a Life Member of Kappa Alpha Psi and a member of the San Antonio (TX) Alumni Chapter in the Mighty Southwestern Province. He was also a member of the Knights of Peter Claver and a Charter Member of the Gamma Phi Boulé of Sigma Pi Phi Fraternity where he served as Sire Archon, Regional Sire Archon, and as a Board member of the Boulé Foundation. He was a dynamic mentor to many students nationwide whom he helped achieve excellence in medicine, education, and many other career fields.

Known widely throughout the community, he truly believed in the powerful effects of service, leadership, and compassion. A stalwart of activism, Brother Lawrence worked tirelessly to ensure that societal inequities were not swept under the rug, rather they were addressed in the forefront. He carried out this task from the Texas Youth Commission board room, and the lectern in a university to the community. He spent many years guiding young minds as a professor. It is no surprise that one of his enduring legacies is as a teacher; academia and scholarship were pillars of what he believed was essential for communities to grow and thrive. Thus, he will forever carry the title "*Professor Emeritus*."

He is survived by his Silhouette of 61 years, Dr. Barbara Lawrence (Alpha Kappa Alpha Sorority, Inc.) and his three children: Dr. Courtney Lawrence, Dr. Michael Lawrence, and David Lawrence along with his five grandkids, and his dear sister, Lynda Browne, known colloquially as "Aunt Sue".

Earl L. Campbell, a dedicated figure in San Antonio's educational realm, made history as the first African American central office educator within the San Antonio Independent School District. Hailing from Tillotson College, presently known as Huston-Tillotson University in Austin, TX, Mr. Campbell exemplified a profound belief in the transformative potential of education. He ardently championed the notion that a robust educational foundation empowers students to redefine the course of their futures.

DOING THE MOST GOOD

We see the heartbreaking effects of poverty, homelessness, and hunger every day. But, most importantly, we see the people who desperately need support and compassion. For us, it is impossible to turn a blind eye to suffering. Last year in San Antonio, The Salvation Army served 241,685 meals to the hungry and helped 51,879 people and families with nights of shelter.

This Summer we ask you to open your hands and your heart. And give.
