When there is teamwork and collaboration, wonderful things can be achieved

Dear Members,

As we gather to celebrate the radiant festival of Diwali, I am filled with immense pride and joy to address you through this special edition of Team Spirit Magazine 2024. This year has been an exceptional year for our Club, marked by numerous achievements, events, and milestones that have truly exemplified our spirit of unity and excellence.

Firstly, it is with great pride that I am happy to inform you that our dream of getting FSI Potential released for the Club is achieved. Our entire Plot reservation now stands modified from "Recreation Ground" to "Sports Complex / Gymkhana" thereby releasing Rs. 14 Lakhs Additional FSI for our club. I congratulate one and all for this historical achievement of the last two decades and look forward to a new era at the club from today.

I would be remiss if I didn't acknowledge the pivotal role played by our leadership team. A special note of thanks goes to CA Sanjay Maloo, our Honorary General Secretary, and Sunil Kabra, our Honorary Treasurer in the management of the club. Their unwavering support, financial acumen and strategic guidance have been instrumental in steering our club towards greater heights.

I extend my heartiest congratulations to our very own Chirag Shetty for achieving the remarkable feat of becoming World No. 1 in Badminton. Chirag, your dedication, skill, and perseverance have not only brought glory to our club but have also inspired countless aspiring athletes across the nation. We wish that the youth of GSC feels greatly inspired and motivated to create many more World No. 1 in various sports creating a spot for the Club in the global map. We are immensely proud of your achievement and wish you continued success in your future endeavours.

The past year has been an example to our club's ability to organize and execute grand events with unparalleled success. GSC GM Ranga Rang Holi, 2024 was a vibrant

celebration of colours and camaraderie, bringing together members of all ages in a joyous festivity. GSC GM Half Marathon, 2024 showcased our commitment to fitness, community engagement, with record participation and enthusiasm from runners across the city.

Our culinary events, the Mango Festival 2024 and the Wine and Craft Beer Festival 2024, were gastronomic delights that celebrated the rich flavours of our region and beyond. These events not only tantalized our taste buds but also fostered a sense of cultural appreciation and social bonding among our members.

The success of these mega-events would not have been possible without the tireless efforts of our dedicated Chairmen and Chairpersons, their innovative ideas, meticulous planning, and flawless execution have set new benchmarks for excellence. I extend

my heartfelt congratulations to each one of you for your outstanding contributions.

As we reflect on our achievements, it's crucial to emphasize the importance of fitness and health in our lifestyle. The increased participation in our sports facilities and fitness programs is a positive indicator of our members' growing health consciousness. I urge each one of you to continue prioritizing your well-being, for a healthy body nurtures a healthy mind and spirit.

It brings me great pleasure to note the changing lifestyle patterns among our members. The formation of various sub-committees has not only increased participation in club activities but has also fostered a sense of ownership and belonging. Diverse sub-committees like Cricket, Badminton, Indoor Sports, Health Club, Educational Initiatives, Food & Beverages, Religious Events, Ladies Wing, Cultural Events and many more have enriched our club life and strengthened our community bonds.

The inauguration of renovated facilities viz. Lawn Tennis, Om Peace & Harmony Yoga Centre, Otis Lift, Ladies Toilet and the introduction of innovative events throughout the year have added new dimensions to our club experience. These initiatives reflect our commitment to evolving with the times while preserving our rich traditions.

Renovation efforts are currently underway at the club, focusing on upgrading the changing room and wash room facilities in the Badminton area. Additionally, plans are in motion to renovate the Pistol Shooting Area, Multipurpose Hall, "Flavours" Veg. Fine Dine & Bar at 2nd Floor, A Block Membership Office, CCTV Surveillance

Room, enhancing the club's amenities for its members. To boost revenue, the club has processed membership transfers, allowing new members to join and enjoy the improved facilities at GSC. The membership transfer scheme for new members is closed and awareness campaign for Ward Membership Scheme with easy instalments, for the benefit of the children of the existing Life Members, is in full swing as the Life Membership Fees is going to increase substantially from November 1, 2024.

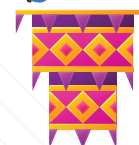

As we look ahead, I am filled with optimism about the future of our club. The continued support and active participation of our members have been the driving force behind our success. Your enthusiasm, suggestions, and constructive feedback have been invaluable in shaping our policies and programs.

In conclusion, I want to express my deepest gratitude to each and every member of our club. Your love, support, and trust have been the cornerstone of our achievements. As we celebrate Diwali, let us renew our commitment to excellence, community service and personal growth.

May the coming year bring new opportunities for us to serve our members better, to create more memorable experiences and to strengthen the fabric of our club community. Let us continue to work together, support one another and strive for greater heights.

Thank you for your unwavering support and trust. Together, let us make the coming year even more spectacular and fulfilling.

Good governance is the art of putting wisdom into action

Dear Members,

As we approach the joyous occasion of Diwali, it is with great pleasure and a sense of accomplishment that I address you through this special edition of Team Spirit Magazine 2024. As your Honorary General Secretary, I am delighted to share with you the remarkable progress and achievements of our club over the past year.

I extend my warmest Diwali wishes to all our members and their families. May this festival of lights bring happiness, prosperity, and new beginnings to each one of you. Let the spirit of Diwali illuminate our lives and strengthen the bonds within our club community.

I would like to express my heartfelt gratitude to our esteemed President, Dr. Vinay Jain, and our Honorary Treasurer, Mr. Sunil Kabra, for their unwavering support, guidance from time to time and visionary leadership. Their visionary leadership and unwavering dedication have propelled our club to unprecedented levels of achievement and member contentment.

It gives me immense pride to congratulate our very own Chirag Shetty on his extraordinary achievement of becoming World No. 1 in Badminton. Chirag's success is not just a personal triumph but a source of inspiration for all our members, especially our young athletes. This accomplishment underscores our club's commitment to nurturing world-class talent.

I would also like to extend my congratulations to all our chairmen and chairpersons for organizing a series of successful events that have been nothing short of smashing hits. Their dedication, creativity, hard work has ensured that our club remains a vibrant hub of activity and engagement for all our members.

The smooth administration of our club is a result of collaborative effort and I must express my gratitude to Mr. Nandakumar Nair, Manager - Coordination, Ms. Deepa Salvi, COO and Mr. Vaibhav Manik, Deputy CEO. Their expertise and diligence have been crucial in maintaining the high standards of service that our members have come to expect.

In our pursuit of excellence, we have made significant strides in enhancing our human resources. The hiring of professional staff across various departments has elevated the quality of our services. I am particularly proud to note that our staff has demonstrated remarkable capability in

conducting mega events with a footfall of over 8,000 members & guests, ensuring smooth operations and achieving cent percent member satisfaction. To express our gratitude to the staff, this year we also conducted a musical night with Bhavin Shastri with the active support of our beloved President. All staff and vendors were invited exclusively with their families to enjoy one evening at GSC dedicated to their hard work and diligence.

In our ongoing effort to provide the best experience for our members, we have implemented several stringent policies to ensure safety and integrity of our club. We've engaged services with three established & professional security agencies that are given different assignments based on their competencies. These agencies are given specific task and training not only to ensure safety of the members & their family but also to be polite and humble with the members, who are the real owners of the Club. Thanks to the members' support and adherence to new rules, we've successfully restricted vehicle entry in such a way that only

members' vehicles are strictly allowed. This has therefore, greatly improved safer movement of children within the club. With no entry for outside vehicles, the club has significantly alleviated parking issues, ensuring better availability for our members and contributing to a more enjoyable club environment overall.

The housekeeping of the newly developed world class infrastructure of the club is challenging job and the club has decided to outsource these jobs to reputed housekeeping agencies. The club has distributed the housekeeping job of the entire club amongst 3 housekeeping agencies, who are working round the clock to ensure cleanliness, good odour and aesthetics of the club.

Communication remains a top priority for us. We have leveraged technology to keep our members constantly updated about club events and activities through WhatsApp messages, Digital Standees and LED Screens strategically placed throughout the club premises. This multi-channel approach ensures that you never miss out on the exciting happenings at our club.

Health and fitness continue to be the core values of our club and I am delighted to see how our innovative programs are triggering a positive change in the lifestyle of our members. From state-of-the-art fitness equipment to specialized wellness programs, we are committed to providing you with the best resources to maintain a healthy and active lifestyle.

In line with our commitment to nurturing talent, we have been continuing our sports scholarships to motivate our youth to consider professional careers in sports. This initiative not only supports budding athletes but also reinforces our club's position as a breeding ground for sporting excellence.

As we reflect on the past year, I am filled with gratitude for the trust and support you have placed in the management team. Your participation, feedback, and understanding have been crucial in implementing new policies

and initiatives. Looking ahead, we have exciting plans to further enhance your club experience. We are exploring new avenues for member engagement, planning upgrades to our facilities, and constantly seeking ways to add value to your membership. We understand that some decisions may have caused temporary inconvenience, but I assure you that every action is taken with the long-term benefit of our club and its members in mind.

It is with a heavy heart that we have had to suspend few memberships and impose fines for the misuse of life membership cards by non-members. Additionally, we have taken strict action against members who have used abusive language with our security personnel. These measures, though difficult, are necessary to maintain the decorum and exclusivity of our club. Our Special Thanks to Mr. Pradeep Sablok, Founder Member and Chairman – Disciplinary Action to conduct personal hearings of the erring members and suggest fair and impartial opinion for disciplinary action against them to the Managing Committee.

As we celebrate Diwali, let us also celebrate the spirit of community that our club embodies. The diversity of our membership, the range of activities we offer and the bonds we forge here are what make our club truly special. I encourage each one of you to participate actively in club events, to volunteer for sub - committees and to continue contributing your ideas for the betterment of our club.

In conclusion, I want to assure you that our club remains a beacon of community, sportsmanship and holistic well-being. Your engagement is the lifeblood of our club, and together, we can achieve even greater heights.

Thank you for being an integral part of our club family.

The art is not in making money, but in maintaining financial health

Dear Members,

As we usher in the festive season of Diwali, it is my pleasure to address you through this special edition of Team Spirit Magazine 2024. As your Honorary Treasurer, I am delighted to share with you the financial progress and achievements of our esteemed club over the past year.

First and foremost, I extend my warmest Diwali wishes to all our members and their families. May this festival of lights bring prosperity, joy and success to each one of you.

I would like to express my sincere gratitude to our visionary President, Dr. Vinay Jain and our diligent Honorary General Secretary - CA Sanjay Maloo, for their steadfast guidance and inspiring leadership. Their guidance has been instrumental in maintaining our club's financial health while pursuing our goals of growth and member satisfaction.

I am pleased to report that our club has witnessed significant financial growth over the past year. This achievement is an example of our collective efforts and the prudent financial management practices we have implemented. We have consistently adhered to the motto of **"NAYI SOCH NAYI DISHA"**, which has driven us to explore innovative avenues for financial stability and growth.

A special note of appreciation goes to our dedicated chairmen and chairpersons, along with their sub-committees, who have worked tirelessly to secure sponsorships from reputed brands for our mega events. Their efforts have significantly reduced the financial burden on our club while maintaining the high standards of our events. This approach not only ensures the success of our programs but also demonstrates our commitment to fiscal responsibility.

Sunil Kabra
Hon. Treasurer

We have strategically allocated resources to enhance member experiences, upgrade infrastructure and introduce new amenities, all while maintaining a healthy financial reserve.

I would like to extend my heartfelt gratitude to CA Dinesh Banka, Chief Financial Officer and the entire Accounts team for their meticulous work in maintaining the financial health of our club. Their expertise and dedication have been crucial in ensuring transparency, accuracy, and compliance in all our financial dealings.

In our commitment to financial integrity, we have implemented a stringent invoicing process. Every bill undergoes a rigorous checking and signing procedure through a well-defined hierarchy. This process begins with the responsible Assistant Manager, followed by the Head of Department, the concerned Chairman or Chairperson, the Honorary General Secretary, the CFO, the Honorary Joint

Treasurer, and our Internal Auditors. The final approval rests with me as the Honorary Treasurer. This multi-layered approach ensures that every financial transaction is scrutinized thoroughly, maintaining the highest standards of financial governance.

Our financial strategy has always been focused on balancing fiscal prudence with the need for continuous improvement and expansion of our club facilities. We have strategically allocated resources to enhance member experiences, upgrade infrastructure and introduce new amenities, all while maintaining a healthy financial reserve.

The success of our financial management is reflected in the stability of our membership fees, the quality of services we offer and the continuous improvements in our facilities. We have managed to achieve this without compromising on the quality of our events or the range of activities we offer to our members.

The Financial Management is key to our success and the club has intelligently invested surplus funds into Fixed Deposits and Nationalized Banks Perpetual Bonds giving average returns of 8% per annum as against 6% per annum during the past management. Our Investments in Fixed Deposits and Nationalized Banks Perpetual Bonds stood at Rs 131.22 crores as of 31st March 2024 as against Rs. 123.13 crores as of 31st March, 2023 despite renovation of club facilities.

It is with great happiness that I would like to mention that we have

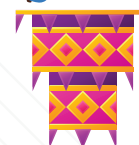

earmarked a fund of Rs. 5 crores for "Sports Development Fund" with an aim to award scholarships to the deserving club members in various sports from interest earned on the said fund. This serves as a great motivation to all those members, who are looking forward to build a career in sports.

Looking ahead, we are committed to exploring new avenues for revenue generation that align with our club's values and member expectations. We are also investing in technologies that will streamline our financial processes, enhance transparency, and provide members with easier access to their account information and transactions.

I want to express my deepest gratitude for your trust and support in our financial management. Your prompt payments, understanding of our policies and active participation in club events have been crucial in maintaining our financial health. I encourage you to continue this support and approach us with any suggestions or concerns you may have regarding our financial practices.

In conclusion, I reaffirm our commitment to serving the Goregaon Sports Club (GSC) better. **MEERA CLUB, MEERA ABHIMAAN.** We will continue to work diligently to ensure that our club remains financially robust, enabling us to provide you with the best facilities and experiences.

Sunil Kabra
Hon. Treasurer

It has been truly heartwarming to witness the consistent and enthusiastic engagement of our members in various seminars, workshops, and mega events throughout the year. Your active participation has breathed life into our club's vision of fostering a vibrant community.

The GSC GM Ranga Rang Holi celebration exceeded all expectations, featuring renowned artists viz. Mika Singh and Navraj Hans, making it our biggest and brightest Holi celebration yet. A musical Night by Kailash Kher on Republic Day also filled the air with symphony notes of patriotism and refreshment.

The overwhelmingly positive response has encouraged us to make this an annual tradition.

Looking ahead, I am excited to announce that we are committed to making our cultural events even bigger and better in the coming years. Our goal is to showcase the true essence of Indian culture while providing unforgettable experiences for our members.

Value beyond price, wisdom in every choice

Dear Members,

As we bask in the glow of Diwali festivities, I extend my warmest wishes to you all for a joyous celebration and a prosperous new year ahead. It is with great pleasure that I address you in this special edition, reflecting on our collective achievements and the promising future that lies before us.

Firstly, it's great pleasure to be part of an exceptional team led by the dynamic trio of Dr. Vinay Jain as President, CA Sanjay Maloo as Honorary General Secretary and Shri Sunil Kabra as Honorary Treasurer. Their visionary leadership has been instrumental in guiding our organization towards new heights of excellence and member satisfaction.

As the Hon. Jt. Secretary - I, I am currently involved with the club on an ambitious project to digitize the extensive collection of old records of our club. This massive undertaking is currently a work in progress, involving the careful scanning and electronic cataloguing of decades worth of documents, photographs, and other historical materials. Given the volume and fragility of many of these records, the process is both big and complex, requiring meticulous attention to detail and specialized equipment. The digitization effort aims to preserve the club's rich history, improve accessibility for members and staff, and ensure the longevity of valuable information. Despite the challenges, this initiative represents a significant step towards modernizing the club's operations and safeguarding its legacy for future generations.

In my role as Purchase Chairman, I take great pride in maintaining a vigilant oversight of all club purchases. Our department is committed to a rigorous process that ensures we obtain the best quotations while guaranteeing that all products procured meet the highest standards of quality at the most competitive prices. This meticulous approach not only results in significant cost savings but also minimizes waste, contributing to the overall efficiency of our operations.

The challenge of serving a large and diverse membership is one we embrace wholeheartedly. Every procurement decision is made with careful consideration of three crucial factors: quantity, quality, and cost. This triad forms the foundation of our purchasing strategy, enabling us to meet the varied needs of our members while maintaining fiscal responsibility.

Our aggressive analysis of market trends and vendor offerings has yielded impressive results. By leveraging our negotiation skills and market knowledge, we have consistently secured favourable terms that benefit our club financially without compromising on the quality of goods and services we provide to our members.

I am particularly pleased to note the cooperation and compliance demonstrated by our chairmen and chairpersons in adhering to the processes laid down by the Purchase Department. This collaborative spirit ensures a smooth workflow and contributes significantly to the overall efficiency of our club's operations.

Looking ahead, we remain committed to refining our processes further. We are exploring innovative ways to streamline our

procurement procedures, including the potential implementation of digital solutions that will enhance transparency and efficiency. Our goal is to continue delivering value to our members while adapting to the evolving needs of our club.

I would like to take this opportunity to express my gratitude to the entire Purchase Department team. Their dedication, expertise and tireless efforts are the driving force behind our achievements. Together, we will continue to uphold the highest standards of fiscal responsibility and quality assurance.

To our esteemed members, your trust and support have been invaluable. Your feedback and suggestions play a crucial role in shaping our strategies and improving our services. I encourage you to continue sharing your thoughts and ideas, as they are instrumental in our ongoing efforts to enhance your club experience.

In my role as Honorary Joint Secretary - II, I am deeply honoured to be part of the Governing Council led by our esteemed President, Dr. Vinay Jain, alongside CA Sanjay Maloo as Hon. Gen Secretary, and Shri Sunil Kabra as Hon. Treasurer. Their dynamic leadership and vision continue to propel our club to new heights of excellence.

We are proud to celebrate the consistent performances of Chirag Shetty and Simran Singhi at National & International Arena and Ketaki Thite and Kashika Mahajan at Maharashtra State Level. Their dedication to Badminton and medals, won by them continue to elevate the reputation of our club at National and International platforms.

I take this opportunity to congratulate our GSC Badminton team for winning the Runner-up position at GD Birla Tournament held this year.

In our ongoing efforts to promote inclusivity and diverse sporting interests, we organized a successful Ladies' Box Cricket Tournament. The enthusiasm shown by our women members was truly inspiring, and to encourage their spirit, we awarded medals to all the ladies participants. Building on this momentum, we are excited to announce upcoming events of "Ladies Throw ball" and "GBL Jr for Kids", further expanding our sporting calendar.

The Icon Cup was another highlight of our sporting calendar, with a unique twist that saw team names inspired by mythology. This creative approach added an extra layer of excitement and cultural richness to the tournament.

I am delighted to announce that the 6th edition GBL was a resounding success, made even more special by securing IDFC First Bank, as our first-ever Title Sponsor. This partnership marks a new chapter in the growth and prestige of our flagship tournament. The auction for this tournament has proved to be one of its grand kinds creating a unique imagery in the history of sports at GSC.

As in the past, this year also the DSO Inter School Badminton Tournament had been successfully organized at our Club. We also organized a Badminton Master's Tournament in association with BAMU in September 2024, wherein our members as well as other senior players participated from all over Maharashtra. This brought about great prestige and honour to the club. Further, we conducted Maharashtra State Senior Inter District Tournament in association with Maharashtra Badminton Association witnessing the participation of many talented State Badminton Players. Esteemed dignitaries like Mr. Shrikant Vad, Secretary- Maharashtra Badminton Association, Mr. Avinash Dharmadhikari, President - BAMU, our own Chirag Shetty and Coach - Mr. Uday Pawar graced the event with their iconic presence.

The success of our 21st Summer Coaching Camp, conducted during April and May 2024, was a testament to the enthusiasm of our young members and the quality of our coaching programs. The overwhelming response we received reinforces our commitment to fostering talent and promoting a healthy lifestyle among our youth.

Our foundation is always fair progress

Dear Members,

At the onset, I wish everyone a Happy Diwali and a prosperous New Year. As the Chairman of the Bye Laws, Disciplinary and Sports Development Board, it is indeed an honour to serve as a governing council member under the exemplary leadership of Dr. Vinay Jain, jointly with our President, CA Sanjay Maloo, our Honorary General Secretary, and Shri Sunil Kabra, our Honorary Treasurer and other Governing Council Members.

On a brighter note, I am delighted to share some exciting news from our Sports Development Board. It gives me immense pleasure to congratulate our youth who have been awarded Sports Scholarships in Badminton, Table Tennis, Swimming, and Squash. These young talents represent the future of our club and, indeed, of sports in our community.

We are delighted to inform you that GSC has earmarked Rs. 5 crore for the "Sports Development Fund" to enable the Sports Development Board to distribute Sports Scholarships, out of the interest generated from the Fund, to the most deserving sportspersons of GSC, who are on the journey to carve their path in sports.

The Members submit the sports achievements of their Wards to the respective sports departments. The Managers further scrutinise the said achievement with the coaches. After the coaches confirm the ranking of the achievement, the respective Chairman or Chairperson recommend the sports scholarship to the head of the Sports Development Board, which is further recommended to the Management and approved by the Managing Committee on case to case basis.

It is truly inspiring to witness the dedication and focus of these young athletes as they work tirelessly to carve out careers in sports. Their commitment not only brings glory to our club but also serves as a beacon of inspiration for their peers. We, as a club, stand committed to nurturing such talent and providing them with the support they need to excel on both National and International platforms.

I would like to address some critical matters that have come to our attention. We have encountered numerous instances of membership ID misuse. This behaviour not only undermines the integrity of our club but also compromises the security and exclusivity that we strive to maintain for all our esteemed members. In light of these incidents, I want to assure you that we have taken strict disciplinary action. Substantial fines will be levied on those found guilty of such misconduct.

I urge all members to exercise caution and discretion when introducing guests to our club. We have observed cases where guests overstay their welcome, spending long hours on the premises and, in some instances, misusing the privileges extended to them through your goodwill. While we value the spirit of hospitality, we must also safeguard the interests of our club and its members.

Pardeep Sablok
Chairman - Bye Laws, Disciplinary
& Sports Development Board

“It is truly inspiring to witness the dedication and focus of these young athletes as they work tirelessly to carve out careers in sports.”

Let us work together to maintain the security and safety of our beloved club. Your cooperation in this matter is not just requested; it is essential. By adhering to our guidelines and being mindful of our shared responsibilities, we can ensure that the club remains a sanctuary of comfort, leisure, and camaraderie for all genuine members.

As we move forward, I am committed to always look after the well-being of our club and the interests of its members. Our Club has a rich legacy, and it is our collective responsibility to uphold its values, enhance its facilities, and ensure that it continues to be a place where memories are made, friendships are forged, and excellence is pursued.

In conclusion, let us remember that the strength of our club lies in the unity and integrity of its members. As we celebrate this festive season, let us also renew our commitment to making our club a beacon of sportsmanship, camaraderie and ethical conduct.

Cards connect, volleyball unites: where leisure meets sport

Dear Members,

As we celebrate the festival of lights, I extend my warmest Diwali wishes to all our esteemed members and their families. May this auspicious occasion bring joy, prosperity and togetherness to your homes.

It is with immense gratitude and honour that I serve on the exceptional Governing Council led by our dynamic President, Dr. Vinay Jain, alongside our Hon. General Secretary, CA Sanjay Maloo, and our Hon. Treasurer, Shri Sunil Kabra. Their leadership and support have been instrumental in the success of our initiatives.

As your Chairman of Cardroom and Volleyball, I take great pride in sharing the achievements and smooth functioning of our facilities. The Cardroom, in particular, stands out as our highest revenue-generating facility. This success is an example of its popularity and the quality of experience we provide.

Our Cardroom has become more than just a space for games; it's a vibrant social hub. It brings me immense joy to see our senior citizens members frequenting this space. Here, they refresh their minds, engage in friendly competition and forge lasting bonds over card games. The laughter, camaraderie and mental stimulation witnessed in our cardroom epitomize the very essence of club life.

On the sporting front, I'm thrilled to report the success of our innovative Volleyball Premier League. This year, we added an exciting twist by using spaceship-related team names, injecting a dose of fun and creativity into the competition. The enthusiasm and participation from members were truly heartening, reinforcing the spirit of sportsmanship that our club embodies.

With 60 passionate participants in 6 teams giving their best performance, the GSC Volley Ball Premier League Season Five witnessed fierce competition and remarkable sportsmanship. In the end, Team Chandrayaan emerged victorious, clinching the championship and a cash prize of Rs. 50,000/-. Team Vikranta secured the runner-up position, taking home Rs. 25,000/-.

We also recently organized the Monsoon Volleyball League with Five teams, each named after nature's mightiest forces, clashed on the rain-slicked courts. Hurricane, Thunderstorm, Typhoon, Torrent, and Cyclone – these weren't just team names, but embodiments of the players' ferocious energy. As the final whistle blew, Team Typhoon emerged victorious, hoisting their hard-earned trophy skyward. Team Hurricane, though disappointed, stood tall with their runners-up award, their performance nothing short of electric.

The combination of cardroom activities and volleyball represents a perfect balance of mind and body engagement. While cards sharpen the mind and foster social connections, volleyball promotes physical fitness and team spirit. Together,

Satish Agarwal

these facilities cater to diverse interests and age groups, ensuring there's something for everyone at our club.

Looking ahead, we are committed to maintaining the high standards of our Cardroom and continuously improving our volleyball facilities. We're exploring new tournament formats, considering upgrades to our equipment and always open to suggestions from our members on how we can enhance their experience.

I want to express my heartfelt gratitude to all the members who participate in and support our cardroom and volleyball activities. Your enthusiasm and feedback drive us to do better every day.

As your Chairman, I pledge to always prioritize initiatives that contribute to beneficial living for our members. Whether it's through the mental engagement of card games or the physical exertion of volleyball, our goal is to promote a holistic approach to well-being and recreation.

Cricket: where passion meets performance

Dear Members,

As we welcome the festival of lights, I extend my warmest wishes to all our sports enthusiasts, GSC members, families, and friends. May this year bring you joy, success, and many exciting moments on and off the field.

It is a great honour to serve alongside our dynamic leadership team and our visionary President Dr. Vinay Jain. Their support and guidance have been instrumental in driving our cricket initiatives forward.

I want to congratulate all our members for the resounding success of the GSC GM Half Marathon. Your overwhelming support and participation made this event truly memorable. It's heartening to see our club come together not just for cricket, but for diverse sporting endeavours.

I'm thrilled to report that we've made significant strides in enhancing our cricket facilities. The renovation of our cricket ground has been a major achievement, providing our players with a top-notch surface that meets international standards. This upgrade not only improves the playing experience but also allows us to host more prestigious tournaments.

Speaking of tournaments, this year has been exceptionally vibrant for cricket at GSC. We successfully conducted an impressive array of events catering to various age groups and formats. The GSC T20 series, GSC T20 45+ Series, GSC 55+ Tennis Ball Cricket Series, GSC T10 League, and GSC T10 45+ League showcased the depth of cricketing talent within our club. These different series almost got more than 820 seasoned & passionate participants on the cricket ground. These tournaments not only provided competitive platforms but also fostered a sense of camaraderie among our members.

I am glad to inform you that our Club has emerged Winner in all the three formats – Open, 40+ & 50+ category at the Mumbai Club Cricket Championship (MCCC) - 2024.

Our GSC Cricket Team is currently placed in the "B Division" of Mumbai Cricket Association. GSC participates in all the affiliated tournaments of MCA including Dr. HD Kanga League, Police Shield, Purushottam Talim Shield etc. and has been involved amongst the top teams of Mumbai Club Cricket, with the aim of qualifying for the A Division of the Mumbai Cricket Association.

In our effort to promote inclusivity and team spirit among our staff, we organized the Staff Cricket Day. It was heartening to see our dedicated employees form internal teams and compete with enthusiasm. This event not only boosted morale but also strengthened the bonds within our GSC family.

A particularly proud moment for us was the participation of our women staff in Women's Cricket. This initiative underscores

Spirituality: the bridge between hearts and heavens

Dear Members,

As we celebrate the festival of lights, I extend my warmest Diwali wishes to all our dear GSC members and your families. May this auspicious occasion fill your lives with joy, prosperity and spiritual enlightenment.

It is truly a rewarding experience to serve on the Governing Council led by our visionary President, Dr. Vinay Jain, alongside the Hon. General Secretary, CA Sanjay Maloo and our Hon. Treasurer, Shri Sunil Kabra. Their guidance and support have been instrumental in nurturing the spiritual essence of our club.

As your Chairman of Religious Initiatives, I am committed to maintaining and enhancing the spiritual atmosphere at GSC. Our club is not just a place for recreation and sports, but also a sanctuary for spiritual growth and cultural celebration.

This year has been particularly significant for our religious initiatives. We had the honor of organizing the screening of the Ramlalla Pran Pratishtha ceremony. This event allowed our members to collectively witness and participate in this historic moment, strengthening our communal bonds and cultural heritage.

Another highlight of our calendar was the successful execution of the GSC GM Mega Holi 2024. This vibrant celebration brought together members of all ages, fostering a sense of unity and joy as we embraced the spirit of this colourful festival. The enthusiasm and participation from our members were truly heartwarming.

We also conducted an enlightening Ram katha, providing our members with an opportunity to delve deeper into the timeless wisdom of the Ramayana. These sessions not only enhanced our spiritual knowledge but also offered valuable life lessons applicable in our modern world.

It has been incredibly fulfilling to connect spiritually with our members and create an aura of peace and positivity within the club. The energy and engagement I've witnessed during our religious events reaffirm the importance of these initiatives in our community.

Looking ahead, we are exploring more diverse religious and spiritual programs to cater to the varied interests of our members. We are excited to organize our signature events like Diwali Pahat, Ek Shaam Tridev ke Naam and Ganga Aarti with Baba Gangaram ki Aaradhna for our members. We're considering meditation workshops, interfaith dialogues and cultural exchange programs to broaden our spiritual horizons.

I want to express my heartfelt gratitude to all the members

With the goal of increasing finance education and awareness amongst the members, we will be organizing seminars every alternate month. We recently conducted the Seminar on Capital Markets which was very happily received by esteemed members of the club to increase their financial knowledge pool.

Education is the passport to the future, for tomorrow belongs to those who prepare for it today

Dear Members,

As we celebrate Diwali and welcome the festive season, I extend my warmest greetings to my beloved GSC Family. May this period illuminate your lives with knowledge, joy and prosperity.

It has been an incredibly memorable experience working alongside our dynamic leadership team led by our visionary President, Dr. Vinay Jain, dedicated Hon. General Secretary, CA Sanjay Maloo and our diligent Hon. Treasurer, Shri Sunil Kabra. Their guidance and support have been instrumental in bringing our diverse initiatives to fruition.

At GSC, we recognize that our children are growing on the foundation we build for them. With this in mind, we organized a comprehensive 360-degree panoramic career counselling session. This initiative aimed to equip our young members with invaluable insights into various career paths, helping them make informed decisions about their future. The enthusiastic participation and positive feedback we received underscore the importance of such guidance in shaping young minds.

In our commitment to fostering a love for reading, we joined hands with the READ India mission to conduct the "Reading is Cool" event. This program not only promoted literacy but also emphasized the joy and importance of reading in personal growth and development. The engagement from our younger members was particularly heartening, signalling a bright future for our reading community.

The GSC Library stands as a beacon of academic excellence, proudly serving as a dedicated study sanctuary for approximately 130 students. Our thoughtfully designed space has consistently proven to be a catalyst for success, with our students achieving remarkable results and securing top percentages particularly in the CA field. The serene environment fosters focused learning, enabling students to excel in their academic pursuits with flying colours. Understanding the needs of modern learners, we have equipped our facility with comprehensive amenities including high-speed WiFi connectivity, convenient microwave facilities, and a coffee vending machine for those extended study sessions. Additionally, students can enjoy comfortable seating with plush sofas, secure their belongings in designated lockers, and study worry-free with installed spike guards ensuring uninterrupted power supply. This harmonious blend of comfort and functionality makes our library not just a study space, but a nurturing ground for future professionals.

I'm pleased to report that our club's network is expanding through new affiliations with reputed clubs across the country. These partnerships offer our members enhanced benefits and access to a wider range of facilities, truly extending the GSC experience beyond our premises. GSC is proudly affiliated with 67 prestigious clubs across the world.

One of our most popular initiatives continues to be our diverse Housie events. It brings me immense pride to share that we've been conducting a series of themed Housie nights, including Bumper Housie, Mango Housie, Holi Housie and Monsoon Housie, among others. The overwhelming

Embracing wellness and health - A journey towards a healthier GSC family

Dear Members,

As the ancient Greek philosopher Heraclitus wisely said, 'Health is Wealth.' This simple yet profound statement encapsulates the essence of our mission at the GSC Health Club.

Firstly, I extend my warmest wishes for a Happy Diwali and a prosperous New Year to all members of our cherished GSC Family. May this festive season bring joy, light and renewed vigour to your lives.

It's been an exciting year for us at the Health Club, marked by significant improvements and new initiatives. We've introduced a range of new equipment to enhance your workout experience and cater to diverse fitness needs. These additions reflect our commitment to providing you with a state-of-the-art facility that supports your health and wellness journey.

In our efforts to promote holistic health, we recently launched a salad bar in collaboration with Cookie Dough. This new offering aligns with our goal of encouraging balanced nutrition alongside physical fitness. Remember, a healthy body is built not just in the gym, but also in the kitchen!

One of our proudest achievements this year was the successful execution of the first-ever season of Gym Turf Cricket League (GTCL) on the terrace turf. The overwhelming response we received was truly heartening. It demonstrated the enthusiasm our members have for new, engaging ways to stay active and have fun while doing so.

We understand that Calisthenic and CrossFit training both offer a wide range of physical and mental benefits. Calisthenics, which uses bodyweight exercises like push-ups, pull-ups, and squats, enhances functional strength, flexibility, and endurance while improving overall body coordination and balance. It promotes muscle development and fat loss, making it suitable for all fitness levels.

CrossFit, on the other hand, combines high-intensity functional movements with varied workouts, building cardiovascular endurance, strength, and agility. It fosters a sense of community and competition, often leading to increased motivation. Both forms of training improve overall fitness, adaptability, and mental toughness while minimizing the need for specialized equipment. We have dedicated equipment and staff for the benefit of our members.

We are excited to enhance your wellness journey with the introduction of our new expert Dietician, Dt. Tareshi Dixit, offering

specialized nutrition consultations. Whether you're aiming for weight management, sports nutrition, or overall wellness improvement, our expert dietician's guidance can help you achieve your health aspirations. Members can schedule their transformative nutrition consultation at the Health Club. Take the first step towards your personalized wellness journey with professional dietary guidance that fits your lifestyle.

As we look to the future, I want to reaffirm my unwavering commitment to improving the health of our GSC Family. Our club is more than just a place to exercise – it's a community where we support each other in our wellness journeys.

In the coming year, we plan to introduce more innovative programs, continue upgrading our facilities, and organize events that bring our community together in the pursuit of health and fitness.

Every step you take towards better health is a step towards a better life. Let's continue this journey together, supporting and inspiring each other along the way.

Every step forward is a victory in itself

Dear Members,

As the great Table Tennis Player, Jan-Ove Waldner once said, 'The beauty of indoor sports is that they require intense focus and precision, yet they bring people together in a shared space of excitement and camaraderie.'

I wish you all a Happy Diwali and a prosperous New Year. It's an honour to serve as the Chairman of Sports under the dynamic leadership of our amazing leader, Dr. Vinay Jain - President. His vision and support have been instrumental in our achievements this year.

I'm thrilled to share the significant strides we've made in enhancing our indoor sports facilities. A heartfelt thanks goes to the Projects Team, led by Shri Bharat Gala, for the successful renovation of our Lawn Tennis court. This upgrade has revitalized the space, providing members with a superior playing experience. The Lawn Tennis Court has acrylic synthetic cushion court of 9 layers making it in par with international standards.

In response to the growing enthusiasm for Pickleball, we inaugurated a brand-new court dedicated to this exciting sport. This addition reflects our commitment to staying current with evolving sports trends and member interests.

Our Squash Homegala was a resounding success, bringing together players of all levels in a spirited competition that showcased the best of our squash community. Five teams, each named after iconic freedom fighters, competed fiercely for the championship title. The teams - Azad Thunderbolts, Bose Warriors, Sardar Mavericks, Bhagat Singh Blasters, and Jhansi Firestorm - embodied the spirit of independence and determination that characterized India's struggle for freedom. After intense matches filled with strategic gameplay, the Azad Thunderbolts emerged victorious, clinching the championship trophy. The Sardar Mavericks secured the runner-up position, demonstrating commendable skill and teamwork throughout the tournament.

We have conducting dedicated coaching in the Basket Ball and Skating sports. I am delighted to inform you that Billiards facility is now completely renovated to deliver new experiences to the members.

I'm particularly proud to congratulate our young stars

A TALE OF PERSEVERANCE: The Club's Journey to Re-designation Of Plot

In the bustling heart of Mumbai, where space is as precious as gold, stood our GSC with a dream. This is how that dream, born in 1983, finally came to fruition in 2024, forever changing the landscape of the club and the lives of its 27,000 members.

History

- In the year 1983, the Club had acquired the Land from State Government for the purpose of constructing a 'Sports Complex'.
- However, BMC had amended the Development Plan in 1993 imposing the reservation for Recreation Ground (RG) on the entire plot. Due to this, the Club got 0.15 FSI on the entire plot to be constructed on the 1/3rd plot of around 10.42 acres land while the 2/3rd portion should be used as Open Ground.
- This had happened around 20 years back and over the years, various managements from time to time had constructed additional facilities viz. Library, Reception, Food Court, Sports Offices, Washrooms, etc., to cater to the increasing needs of Members, which can be called as "Un-authorized Usage of Existing Construction".

The Saga of Re-designation Process

- In 2020, EP (Excluded Portion) No. PN 62 of DP 2034 was pending before the Urban Development Department (UDD) in which the BMC had proposed that the developed portion of the club's plot admeasuring 3.47 acres may be classified as "Club / Gymkhana" Reservation and the Open Ground (including Open Parking Lot) admeasuring 6.95 acres will be retained as Recreation Ground.
- It was decided to take steps to regularize the "Unauthorized Usage of Existing Constructions" by pursuing for clearance of EP and also utilize the additional FSI of 16,938.41 square metres for the development of various facilities on the said 1/3rd portion of the Club's Plot by paying the premium to BMC of Rs. 35.46 crores, if sanctioned before 31-12-2021 and Rs. 70.92 crores, if sanctioned after 31-12-2021.
- In this connection, 3 quotations were received from different Architects for Professional Consultancy Charges towards the said EP Clearance as under: -

1. M/s. Teearch @ 2 crores + GST
 2. M/s. Aakar Architects & Consultants @ Rs. 5 crores + GST
 3. M/s. Daisaria Associates @ 5 crores + GST.
- In the Governing Council Meeting and Executive Committee Meeting held virtually on 25th September, 2021, it was unanimously approved to appoint M/s. Teearch i.e. Senior Architect Mr. Tarun Motta (also Promoter Member) for liaison and co-ordination with Government Authorities and getting additional FSI for the Club by clearing EP Application at a tentative budget of Rs. 2 crores + GST towards his "Professional Consultancy Charges".
 - Thereafter in the 41st Annual General Meeting held on 24th October, 2021, the proposal was discussed on the payment of approved budget of Rs. 2 crores + GST as "Professional Consultancy Charges" to Mr. Tarun Motta for getting the aforesaid EP Application cleared and it was decided that payment should be released only after receipt of Sanction Letter by the Urban Development Department for the said EP Application. It was further decided in the 41st AGM that the aforesaid premium of Rs. 35.46 crores or Rs. 70.92 crores may be paid to MCGM in this regard.
 - It was also clarified in the Urgent Executive Committee Meeting held on 23rd May, 2022 that the said Rs. 2 crores is for the 1/3rd portion of the Club's Plot and the payment should be made only after clearance of EP remarks is done by the Urban Development Department (UDD).
 - However, due to some technical reason beyond the control of the Architect Firm, M/s. Teearch, the aforesaid Club's EP Application was rejected by the UDD on 12th September, 2022.
 - In the meantime on the advice of Architect - Mr. Tarun Motta, our Hon. General Secretary, CA Sanjay Maloo took written opinion from Senior Counsel, Mr. Milind Sathe on 2nd March, 2022 which stated that the Club has good chance of making representation to the UDD, State Government to re-designate the reservation on

the Entire Plot from "Recreation Ground" to "Club / Gymkhana / Sports Complex" considering the fact that the Land was allotted to Club for "Sports Complex" by the State Government and the BMC has erroneously put "Recreation Ground" on the Club's Plot in Development Plan – 1993 since BMC is subordinate body and cannot change the decision of the State Government regarding the use of the Club's Plot as "Sports Complex".

- Upon advice of Mr. Tarun Motta, Promoter Member & Club's Architect and considering the Legal Opinion obtained from Senior Counsel, Mr. Milind Sathe, the Management decided that the Club should grab this opportunity of converting the entire plot from RG to "Club / Gymkhana / Sports Complex" Reservation without any further delay and to which the Club shall also save on the MCGM Premium of Rs. 70.92 Crores as the Club will get FSI on the entire plot area of 10.42 acres without any considerable cost to the Club.
- Mr. Tarun Motta mentioned that the Club will have to incur some higher fees to save the said Rs. 70.92 Crores of MCGM Premium and also to get FSI on 10.42 acres instead of the earlier envisaged FSI on the developed portion of 3.47 acres.
- Thereafter, maintaining our perseverance and not to lose on additional FSI front, on the recommendation of the President, Dr. Vinay Jain, the Executive Committee Meeting held on 30th October, 2023 approved the formation of a FSI Committee consisting of 7 members with real estate background, viz. Mr. Shyam Katara (Convener), CA Sanjay Maloo (Hon. General Secretary), Mr. Sunil Kabra (Treasurer), Mr. Pravin Kothari (Hon. Joint Secretary - 1), Mr. Bharat Gala (Chairman – Projects) under the Chairmanship of Mr. Vinod Podaar, Vice President - I and the guidance of Promoter Member, Architect Mr. Tarun Motta authorising them to discuss with Local & Government Bodies to convert the reservation of the Club's entire plot from Recreation Ground to

"Club / Gymkhana / Sports Complex". Also, in the said Executive Committee Meeting, it was also discussed and approved unanimously estimated expenses @ Rs. 250/- per square feet towards "Professional Consultancy Charges" for Additional FSI, subject to the approval of Annual General Body.

- In the 43rd Annual General Meeting held on 17th December, 2023 it was discussed and unanimously approved that there should be upper cap @ Rs.250/- per square feet on a maximum additional FSI of 4 Lakhs square feet for the expenditure towards "Professional Consultancy Charges" for getting the reservation of the Club's entire plot changed from Recreation Ground to "Club / Gymkhana / Sports Complex" through M/s. Teearch, Authorised Liaison Architect of the Club and no charges should be paid to the Architect unless the formal approval is received from the UDD in this regard. It was further advised in the 43rd AGM that in case, the amount exceeds over and above the said amount, the Club should approach the AGM again for approval.
- It was thereby resolved in the 43rd Annual General Meeting held on 17th December, 2023 that M/s. Teearch, Authorized Liaison Architect of BMC, be appointed as "Consultant" for coordination and liaison with various concerned Government Authorities, on behalf of the Club, on Professional Consultancy Charges of maximum Rs.10 crores (excl. GST subject to deduction of TDS) for the additional FSI of 4,00,000 square feet calculated @ Rs.250/- per square feet, which shall be payable on successful completion of the work.
- The President requested Mr. Vinod Podaar, Vice President - I & Promoter Member, Architect Mr. Tarun Motta to take the lead and actively follow up with

MCGM and Urban Development Department, State of Maharashtra for modification of Existing Reservation of Recreation Ground to Club / Gymkhana / Sports Complex for the Entire Plot to enable club to get Additional FSI for the development of various facilities at the Club Premises.

- Consequently, as advised by the FSI Committee, the Club filed an application before the Urban Development Department, State of Maharashtra at Mantralaya for converting the reservation of the Club from Recreation Ground to "Club / Gymkhana / Sports Complex". In the Governing Council Meeting held on 29th January, 2024, it was informed that the UDD had advised the MCGM to submit a report to them on Club's land status. The MCGM, thereafter, submitted a report on 4th October,

2023 to the UD Department on the status of Club's land and in turn, the UD Department had advised the MCGM to release advertisement in the Newspapers inviting suggestions/objections for converting the reservation of the Club from Recreation Ground to "Club / Gymkhana / Sports Complex."

On the basis of the Newspaper Advertisement released by MCGM on 12th January 2024 in regional newspaper "Maharashtra Times" and in local newspaper "Mid Day English", two objections were received from General Public / Institutions and recorded thereof by MCGM.

- In the meantime, the Club has received a quote from M/s. Teearch, Authorised Liaison Architect,

for Rs. 6 Crores (Excluding GST) towards Professional Consultancy Charges for the services to be rendered for conversion of the Club's land ROS 2.6 to ROS 1.2 i.e. Club Gymkhana.

- Hence, as approved in the 43rd Annual General Meeting held on 17th December, 2023, the Club has gone ahead with M/s. Teearch's quote for the Professional Services to be rendered for conversion of the Club's land ROS 2.6 to ROS 1.2 i.e. Club / Gymkhana and shall make the payment to the M/s. Teearch only after the completion of work as discussed in the earlier meetings.

The Club Management

- The current Management had taken over the charge in February, 2020. They have always been committed to ethical practices and transparent financial management.
- All financial decisions are subject to stringent oversight and are always aimed at enhancing the Club's reputation / infrastructure for the benefit of all members.
- Their commitment to transparency is unwavering and scrutiny by any agency to enhance the trust and confidence of members on our management is always welcome.
- Any decisions regarding the allocation of funds for any project were made with the utmost regard for legality and the collective interest of our approx. 27,000 Life Members of the Club.

The Result

We are happy to inform you that our Club plot is now re-designated as "Sports Complex / Gymkhana" instead of "Recreation Ground" as per the Gazette Notification No.TPB-4323/C.R.132/2023/UD-11 dated 10th July, 2024. This re-designation now leads to a potential development of more than 14 Lakhs square feet on our Club's Plot.

As news of re-designation spread among the 27,000 Life Members, a wave of excitement rippled through the club. The management, true to their principles, welcomed scrutiny and saw this achievement not as an end, but as a beginning. They stood ready to build not just new facilities, but a legacy of transparency and member-focused development.

Nurturing Champions: The Sports Development Board at Goregaon Sports Club

The Sports Development Board was formed in 2021 by the visionary, **Dr. Vinay Jain – President** with an aim to promote Sports at GSC. Further under the chairmanship of **Shri Pardeep Sablok**, the SDB has become a beacon of hope and support for aspiring sportspersons. With a commitment to fostering sporting excellence, the SDB has been making significant strides in nurturing talent and providing scholarships to the deserving sportspersons of the Club.

Generous Scholarship Program

One of SDB's most impactful initiatives is its generous scholarship program. It demonstrates a commitment to sports development. The SDB awards an impressive sum of nearly 10 lakhs in sports scholarships every quarter. These scholarships are not mere tokens but substantial contributions aimed at supporting GSC members' wards, who have shown exceptional promise by competing at State, National, and International levels.

Recognizing Excellence Across Sports

The SDB's support spans a wide array of sports, recognizing excellence in various disciplines. Among the notable recipients is **Mr. Chirag Shetty**, who has been awarded for his outstanding achievements in Badminton at the International level. The SDB has also extended its support to other Badminton talents including **Ms. Simran Singhi**,

Ms. Kashika Mahajan, and Ms. Ketaki Thite. We also have Table Tennis stars **Mr. Chinmaiya Somaiya** and **Mr. Arnav Karnavar** who have received recognition for their prowess, while Squash players **Mr. Mitansh Jain, Ms. Mehak Gupta** and **Mr. Rudra Lakhani** have also been awarded for their remarkable performances. The Swimming duo of **Ms. Aanika Bhatia** and **Ms. Aarya Bhatia** have been beneficiaries of SDB's support, highlighting the diverse range of sports encouraged at GSC.

A Significant Boost: The 5 Crore Sports Development Fund

In a move that underscores its long-term vision for sports development, the club has earmarked an impressive Rs. 5 crores for the Sports Development Fund with an aim to award scholarships to the deserving club members in various sports from interest earned on the said fund. This substantial allocation demonstrates GSC's commitment to creating a robust sports ecosystem and supporting its sportspersons in their pursuit of excellence.

Inspiring Careers in Sports

We have been receiving innumerable applications from various GSC Sportspersons from various sports disciplines at different levels, which further indicates the success of sports promotion initiatives taken by the SDB.

SDB's initiatives go beyond financial support; they serve as an inspiration for young members to consider sports as a viable career option. By recognizing and rewarding talent, the SDB at GSC is playing a crucial role in shaping the future of Indian sports.

Gratitude from Champions

The impact of the SDB's efforts is perhaps best reflected in the words of our champions, themselves. Both Chirag Shetty and Simran Singhi have expressed their heartfelt gratitude through touching notes, acknowledging the pivotal role played by the Club in their sporting journeys.

< **Chirag Chandrashekhar Shetty**

I proudly attribute a significant part of my journey in Badminton to my formative years at Goregaon Sports Club, of which I am a Life Member. It has been not just a Sports Facility; but a cornerstone of my badminton career.

The support from the club's management, dedicated coaches has been instrumental in shaping my career. During COVID-19 restrictions and globally difficult times, GSC allowed me training access to the Badminton Courts as a special case.

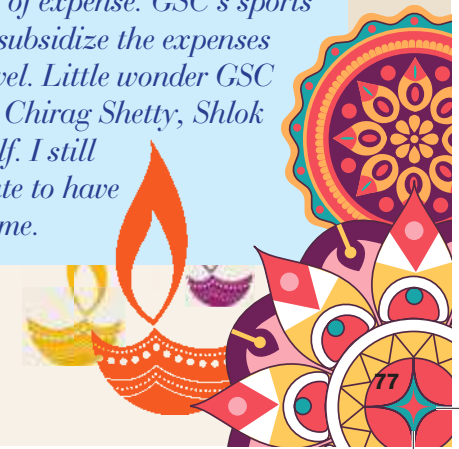

I express my gratitude to GSC for allowing me, my Coach Mr. Mathias Boe and my doubles partner Mr. Satwik Rankireddy to practice whenever I am in Mumbai. My Coaches, Mr. Uday Pawar & Mr. Anand Pawar also helped me for training at the Club.

I am proud of the club's holistic approach including Sports Development Board's initiative and guidance as it plays a crucial role for promoting the emerging players.

< **Simran Singhi**

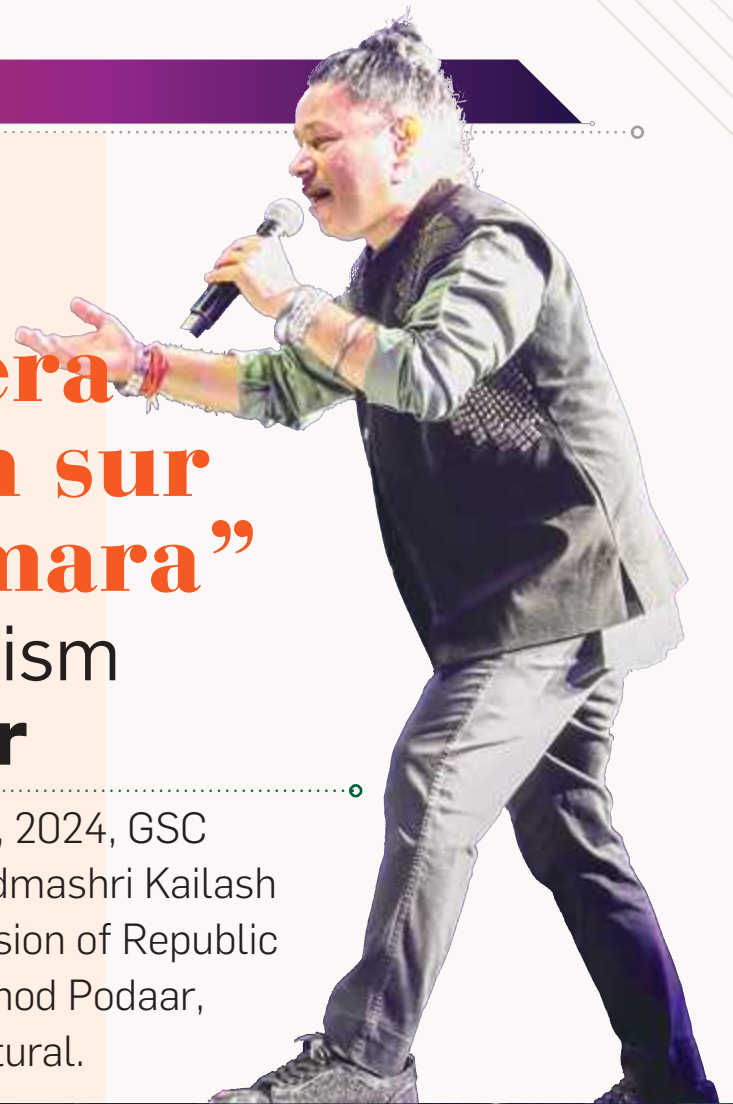

As a 22 year old International Badminton player from Mumbai, who has been in the Indian squad in 2 Uber Cups and 4 Badminton Asia Championships, I just cannot emphasize the role that GSC has played in the development and advancement of my game. Being a life member, I started playing badminton at the GSC courts when I was merely a 5 year old. Today, I have travelled over 40 countries and played over 60 international tournaments. This involves a great deal of expense. GSC's sports scholarship helps sportsmen like me to subsidize the expenses required to play sports at the highest level. Little wonder GSC has produced International players like Chirag Shetty, Shlok Ramchandran and to some extent myself. I still have a long way to go and I am fortunate to have a progressive club like GSC supporting me.

But it wasn't all solemnity. The rhythm shifted, and with "Saiyyan" and "Allah Ke Bande," the GSC grounds

As the night crescendoed, Kher delivered his pièce de résistance: "Maa Tujhe Salaam." The air crackled with electricity, goosebumps rippled through the crowd, and more than a few eyes glistened with tears.

This Republic Day celebration was more than just a concert; it was a symphony of patriotism, a harmonious blend of cultural pride and artistic brilliance. As the final notes faded into the starlit sky, one thing was clear: GSC had not just hosted an event; it had created a legend.

Joy of Childhood

*Childhood is the best phase of life
says my mother all the time;
Talking about her childhood memories
brings her joy everytime.*

*The love and affection that I get from
my family fills me with joy;
there is always excitement and anxiety
at the thought of opening every new toy.*

*Childhood is about feeling happy when
playing on the swing;
Looking at a plane in the sky and
wishing to fly without a wing.*

*Childhood is when I enjoy the rains
by singing and jumping in the puddles,
to get warm and cosy thereafter, I
get my mother's cuddle.*

*Childhood is all about being innocent,
happy and smiling for no obvious reasons;
For it is the most pristine and beautiful
of all the life's seasons.*

*It surely is a lot of fun to be a child
and enjoy the childhood while it lasts,
For the grown-ups are too busy with their
routine and always wanting to relive their pasts.*

Poetic Corner

I want to contribute my Gujarati Poem On India's T20 WorldCup 2024 Win.

સપ્તરંગી સપનાં સાકાર થયા, ભારત જીત્યો વિશ્વકપ ૨૦૨૪
વિજય ધ્વજ લહેરાતો, વંદે માતરમના સ્વર,
ભારત માતાના દીકરાએ કરી દીધું છે કમાલ !
ચરણ સ્પર્શ્યા ચંપકમણી, જગતમાં મયાવી ધૂમ,
કલાકાર ભવ્ય બન્યા, ખેલના ખિલાડી યા જઈ છે મૂમ !
સપ્તરંગી સપનાં, સાકાર થયા આ ખેલમાં,
ગર્વ થી છલકાતું હૃદય, સૌ કોઈ ખુશીઓના મેલમાં.
ધ્વજના રંગો બોલતા, જીત્યાનું સૌમ્ય સ્વપ્ન,
દેશભક્તિના ઝરમર ઝરણાં, ઉજળું થયેલું આ સપ્તાહ.
અવિરત મહેનતનો પુરાવો, ખીલેલાં પ્રસંગો છે મહાન,
ભારતના યુવો ને દેશે બતાવી દિધી દુનિયાને જાણ.
ઠર દીલમાં ઘડકતું ભારત, ખેલનું રાજ, વિશ્વકપ ૨૦૨૪,
એ ભારતનું ગૌરવ મહોત્સવ આજ.

The Golden Ray

*The sun shone brightly,
as the breeze moved swiftly.
There was a river passing through the plains,
as just ended had the endless rains.*

*There was not left any sorrow,
And the people and animals were good to go.
There was peace and prosperity again,
and for work had left the men.*

*At this pleasant early dawn,
Finally, the flood was gone.
The grief and agony was shoed away,
Making way for a GOLDEN RAY.*

The Moon: The Sun of the Night

*The sun sanked down,
as the moon arised,
The head had a crown,
the dark night had a shining lustre.*

*The glory of midnight had arised,
brought some friends along.
The gleam in everyone's eyes,
as the moon rose with the stars.*

*It rules through the night,
a cherry on top of the magnificent darkside,
helping and providing sight,*

*There shines every night, the Moon - The Sun
of the Night.*

The Spring

The alluring season of Spring had begun,
and not icy was the wind, not scorching the sun.
New flowers and leaves had appeared,
as the entire country looked cheered.

The birds elatedly chirped and the flowers bloomed,
it looked as though the entire country-side was gloomed.
The sun smiled and the butterflies fluttered,
as the wind silently uttered.

The cool air blew against my face,

as the squirrels round the tree began to race.
The fields, filled with grass and viridescen nature,
reminding it was finally time to begin a delirious new year.

Be the Silver Lining

*A monsoon afternoon it was,
I sat down,
As drizzling began and I, lost in
my thoughts,*

*As the clear blue sky turned
furious dark with frown.
As among the darkest of clouds,
Was a silver lining,
There comes in every sorrow
a rainbow,
To save you, it comes shining.*

*In every downfall there is,
a new door opens,
A new day, a new opportunity,
a chance that can make you
reach either
victory or the dungeons.*

*The choice is always yours,
Whether to be the dark clouds or
the silver lining to it,
So be the true you,
Never lose hope and make every
moment of your life lit.*

The day began with new hopes,
And The scintillating sun arose,
The yellow aurora reached my room,
It broke my slumber and made me gloom

Suddenly it began to thunder outside,
It made me exhilarated inside,
Soon It started to rain,
Which made me contemplate about our farmers gain

Farmers are the people who work day and night,
They strive for success with all their might,
They sow the seeds with the hope of rain,
Rains pour in acting as a remedy of their pain

The quintessential thing for flora,
They are totally dependent on it and so does the aquatic fauna,
Rains prevent us from stifling humidity,
They make the ground damp, increasing soil fertility

I saw sitting on the window pale,
The happiness of children playing in rain,
The potholes were filled with paper boats,
With children trying to make them float

The watercycle has undergone a change,
Because human actions have been unrestrained,
Trees are been exploited all the time,
Instead of planting them to life

Soon shall we all perish,
We shall only have memories to cherish,
For the earth will either be flooded or have drought,
Because of the treatment that environment has got

Still there is some time to rectify our blunders,
Saving water is one of the answers of our wonder,
Pollution of water should not at all occur,
Things for enriching our environment should confer

Let us all join hands,
And plead to save our land,
Our earth has given us everything,
Now it's our turn to protect it from shattering

पति-पत्नी एक बनाया गया रिश्ता...

पहले कभी एक दूसरे को देखा भी नहीं था...
अब सारी जिंदगी एक दूसरे के साथ ।
पहले अपरिचित,
फिर धीरे धीरे होता परिचय ।
धीरे-धीरे होने वाला हृदय स्पर्श,
फिर नोकझोंक....
झगड़े...
बोलचाल बंद ।
कभी जिद,
कभी अहम का भाव.....

फिर धीरे धीरे बनती जाती प्रेम पुष्पों की माला
फिर एकजीवता, दो शरीर एक आत्मा ।

वैवाहिक जीवन को परिपक्व होने में समय
लगता है ।
धीरे धीरे जीवन में स्वाद और मिठास आती है...
ठीक वैसे ही जैसे अचार जैसे जैसे पुराना होता
जाता है, उसका स्वाद बढ़ता जाता है.....

पति पत्नी एक दूसरे को अच्छी प्रकार जानने
समझने लगते हैं,
वृक्ष बढ़ता जाता है,
बेलें फूटती जाती हैं,
फूल आते हैं, फल आते हैं,
रिश्ता और मजबूत होता जाता है, धीरे-धीरे
बिना एक दूसरे के अच्छा ही नहीं लगता ।

उम्र बढ़ती जाती है, दोनों एक दूसरे पर अधिक
आश्रित होते जाते हैं, एक दूसरे के बगैर
खालीपन महसूस होने लगता है ।

फिर धीरे-धीरे मन में एक भय का निर्माण होने
लगता है,

“ये चली गई तो मैं कैसे
जिऊँगा.....??

“ये चले गए तो मैं कैसे
जीऊँगी.....??

अपने मन में घुमड़ते इन सवालों के बीच जैसे,
खुद का स्वतंत्र अस्तित्व दोनों भूल जाते हैं ।

कैसा अनोखा रिश्ता...
कोन कहाँ का और एक बनाया गया रिश्ता ।

The Rise of Marathons in India:

A Cultural Shift Towards Fitness

In recent years, India has witnessed a significant surge in Marathon participation, reflecting a growing awareness of fitness and a shift towards a more active lifestyle. This trend has spread across major cities and smaller towns alike, with events ranging from full marathons to fun runs attracting participants of all ages and backgrounds.

The popularity of Marathons in India can be attributed to several factors. Increased health consciousness, the rise of social media showcasing fitness achievements and the growing middle class with disposable income for leisure activities have all contributed to this phenomenon. Moreover, corporate sponsorships and celebrity endorsements have helped to elevate the profile of running events, making them more appealing to the masses.

Major Indian cities like Mumbai, Delhi, and Bengaluru now host internationally recognized Marathons that draw thousands of participants annually. These events not only promote physical

fitness but also often serve as platforms for charitable causes, further increasing their appeal and social impact.

The Marathon culture has also given rise to numerous running clubs and

communities across the country. These groups provide support, training, and motivation for aspiring runners, fostering a sense of camaraderie and making the sport more accessible to beginners.

Goregaon Sports Club: Nurturing the Marathon Spirit

Contributing to this active culture is the Goregaon Sports Club (GSC) in Mumbai, which has been organizing the GSC GM Half Marathon for the past two years. This event has quickly become a significant fixture in the local running calendar, attracting participants from across the city and beyond.

The GSC GM Half Marathon offers various distance categories, catering to runners of different skill levels and fitness goals. By hosting this event, Goregaon Sports Club has not only provided a platform for seasoned runners to test their limits, but also encouraged newcomers to embrace the sport.

Through careful organization, community engagement and promotion of a healthy lifestyle, the GSC GM Half Marathon exemplifies how local institutions can play a crucial role in nurturing India's growing Marathon culture. As the event enters its third year, it continues to inspire more individuals to lace up their running shoes and join the Marathon movement sweeping across the nation.

The Power of Sports: Boosting Mental Health and Well-being

Goregaon Sports Club (GSC) exemplifies how local institutions can promote mental health through sports. By offering a wide range of sporting activities and organizing various tournaments, GSC has created a vibrant community centered around physical fitness and mental well-being.

The club's diverse offerings cater to different interests and skill levels, ensuring that everyone can find an activity that suits them. From tennis and swimming to cricket and badminton, GSC provides numerous opportunities for members to engage in regular physical activity and reap the mental health benefits associated with sports.

By hosting tournaments and competitions, GSC not only motivates members to stay active, but also fosters a sense of community and healthy competition. These events create opportunities for social interaction, skill development and personal growth, all of which contribute to improved mental health.

GSC's commitment to promoting sports goes beyond just providing facilities. The club often organizes workshops and seminars on the importance of physical activity for mental well-being, educating members about the holistic benefits of an active lifestyle. This approach helps create a culture that values both physical and mental health, encouraging members to make sports an integral part of their lives.

Through its comprehensive approach to sports and wellness, Goregaon Sports Club plays a vital role in influencing strong mental health in its community, setting an example for how sports organizations can contribute to overall well-being.
