OUR VISITORS

Stotfold is a small country town with a population in the region of 9,000. It is situated in the county of Bedfordshire but being near the North Herts border. The first recorded football in the town was 1904, however it is certain that the game was played for a number of years before that. In those early 1900s, Stotfold sides played in the Biggleswade and District League.

This was followed by a spell of nearly 30 years in North Herts Football. The first record of a trophy being won was 1911 when Potton were beaten 1-0 in the Biggleswade and District Championship. Stotfold FC was officially founded after WW2 in 1946. In 1951 we joined the South Midlands League Division 2 and in 1953 were promoted to Division 1. Up until 1965 our home ground was located at Hitchin Road Recreation Ground and the club then purchased and developed a meadow named Roker and the ground was aptly named Roker Park which we occupied for 54 years. The club remained in the South Midlands League for over 30 years winning promotion to the Premier League in 1955 and winning the championship in 1980. Phil Pateman took over from Ian Allinson stepping up after managing the reserves to League champions and Beds Intermediate success. During 1998-2001 under his charge the club won The Beds Senior and Premier Cups, UCL League Cup, and the Hinchingsbrooke Cup. The club also reached the last 32 of the FA Vase and the 3rd Qualifying Rd of the FA Cup. Phil stepped down to become Chairman in 2001. The early 2000s saw challenging times for Stotfold Club after gaining just 11 points from 17 league games and some heavy defeats in season 2006/7. A partnership of Ian Allison and Ian Donnelly took over and with the club staring relegation in the face, Ian recruited several senior players and the club hauled themselves out of the bottom two, winning 8 of the last 10 games. During the summer of 2007, the squad strengthened further, culminating in the most successful season in the club's history. Both first and second team squads won their respective league and county cup competitions, (the first club and to date only one to do so), with the second team under John Philbin remaining unbeaten in the league.

The 2010s saw the club move back from the United Counties League to the Spartan South Midlands League in 2010/11. In season 2012/13 Gordon Bickerstaff stood down and Steve Young was appointed as Manager supported by Roy Ryall. After another poor start the first team secured a respectable mid-table position. Steve promoted from within the club, Michael Parkin and Matt Endersby stepping up. The first team turned their season around from being 3rd from bottom of the SSML Premier Division with just 18 points at Xmas, to three cup finals and a semi-final place in another. They also moved away from the foot of the table with a further 29 points in the second half of the season. The mid 2010s presented a challenge and following Steve's resignation in January 2015, Rob Bates stepped up and he managed to mould a team to stave off relegation from the Premier League and finish a creditable 16th.

Revised plans were drawn up when an offer to build 60 properties on Roker Park was accepted in return for a stadium being built for us. The club completely restructured with a merger of Senior & Junior clubs with an ongoing program of inclusive

football for a Charter Standard Club comprising of more than 60 teams and 700 participants. So, to the 2020s success off the field being as important as on it. In this regard we were delighted that our former player Luke Gregson agreed to be our manager after a wonderful spell at Baldock. He bought with him Jim Sterling and rebuilt the side. After a slow start the Eagles went on a fantastic run of form winning 14 consecutive league games and seemingly nailed on for promotion before Covid-19 null and voided the season. However not before we won the Beds Senior Trophy beating Stevington 2-0 in the final. Despite, the disappointment 2020 marked a landmark for the club when we moved to our New Roker Park JSJ Stadium. The £2M Step 4 facility opened its doors on Feb 8th with a home game against Shefford & Campton, and a crowd of 644 witnessed a super game with the Eagles winning 5-3.

After 20 years as club chairman Phil Pateman stepped down at the end of season 2020/21 with his vice-chairman of some 4 years Rob Parkin agreeing to take on the role of chairman. We started the new 2021/22 season full of optimism having been re-structured off the field and in the re-structured Division 1 under former players Brett and Paul Donnelly. Joining Brett's management team is UEFA B licence and FA Coach mentor Eddie McLoughlin. The management team are completed by Michael Parkin (Goalkeeping coach), Ryan Jefferies (Physio) and Roy Ryall with Jon Little, Sean Lyness and Darren Clarke looking after the Development/U18 sides. The season saw unprecedented success with the first team winning Division 1 and promotion back to the South Midlands Premier Division, the Development team winning Division 1 of the Beds County Football League and promotion to Premier Division and the U18s winning the Nemean Division of the Southern Counties Southern Floodlit League.

We started season 2022/23 with the same management teams for the first and development teams and the club had their first ever Women's team under the management of Tom Olney and Becca Lightfoot playing in the Beds and Herts Women's Football League. A new management team of Stuart Lopez and Scott Cretton took over the U18 team. Unbelievably the first team secured back-to-back promotions finishing runners up in the SSMFL Premier Division and winning the play off at Dereham Town 2-0. The women's team secured promotion to the Premier Division of their league in their first season.

Season 2023/24 saw the 1st team play at step 4 in the Southern League Central Division 1 for the first time in the club's history. In a tough league we were delighted to finish a very creditable 7th. The Development team finished runners-up in the Beds County Football League, gaining promotion to Spartan South Midlands Division 1 a great achievement for a club to have teams at step 4 and step 6. The Women's team finished third in their first season in the Premier Division and the U18s finished third in the Delphian Division. Sadly, we saw Brett and Eddie move on to take over management roles at Hitchin Town towards the end of the season. We thank them for all the success they brought to the club.

Season 2024/25 starts under the new 1st team management of Paul Donnelly, Callum Donnelly and Ryan Frater with Malcolm Lay as coach and Louis O'Neill as goal keeping coach. The Development and Women's teams remain under the same management, but the club has taken the decision not to run an U18 team due to pressure on the pitch.

IN last Sunday's NLP, we spoke exclusively to National League CEO Mark Ives to look deeper into the national 3UP campaign, officially calling for a third promotion spot into the EFL.

Backed by all 72 member clubs at Step 1 and 2 after years of planning, the proposal officially calls for a change in regulations from the current two-up system and has received widespread support from the Non-League game.

But, as we've also heard this week, the campaign has also come up against some fierce opposition and there is a lot of convincing left needed to be done if EFL clubs are to vote in favour of the proposal at the EFL's AGM this June..

Ives spoke passionately the logistics behind the campaign but also warned that unless the matter is addressed now, it risks being kicked down the road for more years to come.

"Why now is a really important question," he told The NLP. "Everybody is aware we've been having conversations privately with the EFL. They've been very constructive, very amiable conversations.

"Then we have the Independent Football Regulator coming in. Whilst there are debates ongoing at the minute between the parliamentary houses and, potentially, up to 400 suggested amendments to the Bill that are being discussed, what is sure is the regulator is coming into play.

"That brings in another dynamic from an EFL point of view because the EFL are saying while they're supportive in principle of this issue, they cannot take this forward until the other footballing matters are dealt with – the current discussions between the PL and the EFL over the wider distribution of monies. That's a matter for the PL and the EFL, that's not a matter for us.

"We do not see them as being interdependent to the issue of three-up. If you think about them not being able to deal with anything until the matter is resolved between the PL and the EFL, which would potentially mean the regulator, the backstop and everything else kicking into play."

The National League's plea came after a wide-ranging BBC Sport interview with EFL chairman Rick Parry back in November when he accepted the need for change, commenting: "we have to acknowledge the need to look downwards as well as upwards".

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

But as columnist Chris Dunlavy warned in our sister paper, The Football League Paper, last Sunday, finding support from EFL clubs will be far from easy.

“It’s only natural to ask why turkeys would vote for Christmas, and in the short-term it’s a logical argument. Nobody wants to make themselves more vulnerable to relegation,” Dunlavy writes.

“So precarious are finances throughout the EFL, however, that all but the biggest clubs could become a basket case, practically overnight. Remember Bolton, or Derby?”

“There’s also a lot of money in Non-League, meaning the clubs who come up - like Stockport and Wrexham - tend to push the incumbents down.

That makes relegation at least a reasonable possibility for the majority of EFL clubs and means three-up, three-down is very much in their long-term interest.

“Unfortunately, that’s not how people operate. Which is why, without legislative intervention or a financial sweetener, the National League’s 3UP campaign is a non-starter.”

Shrewsbury Town manager Gareth Ainsworth agrees.

Speaking on BBC Radio 5 Live Sport’s 72+ EFL podcast last week, the former Wycombe Wanderers gave a rather damning indictment of the proposal, while voicing his annoyance at being unable to compete financially with wealthy clubs coming from Non-League such as Wrexham, Notts County and Chesterfield.

Ainsworth said: “Obviously, we’re not going vote for it. Who in the right mind in the EFL will be the vote for, you know, three down, three up?”

“But that National League, believe me, very strong. And often the team that do come up. They compete well.

“And I think that’s a big argument point for them saying, look at your records, look at your Chesterfields of yours, look at your, you know, Stockports, you know.

“They’ve all kicked on, but it could kill some really, really big league teams. You know, you Oldhams and your Torquays. They’ve really found it difficult getting back in.

“Should we not look after our teams that you know, we keep going on about the teams that are struggling. We should look after our pyramid better.

“And the teams if a team just can’t keep up financially, but no other reason than the other teams have got billionaires coming in a million is that we it’s not fair that they just sink out the league and out of obscurity.

“So my argument would be, yes. These teams have done well, but have a look at the money that they’ve had invested in them as well.”

CLUB HISTORY

Buckingham Football Club is a football club based in Buckingham, Buckinghamshire, England. Formed by a merger of Buckingham Athletic and Buckingham United in 2023, they are currently members of the Spartan South Midlands League Division One and play at Stratford Fields.

The club was first formed in 1933 as **Buckingham Juniors**, but it was three years before a ground was found, allowing the club to enter the Brackley and District League. When they got their ground, it was originally called Timm's Meadow, before later becoming Stratford Fields. In 1939 the club adopted **Buckingham Athletic FC** as its name. It then took the club 27 years to win its first trophy when in 1960–61 they won their first trophy, the North Bucks League Shield.

In 1965 they applied and was accepted to the Hellenic League where they played in Division 1 finishing a creditable mid-table position in their first season but also won the Berks & Bucks FA Junior Cup. Their success continued and in 68/69 was promoted to the Premier Division after finishing Division runners-up.

The late 60's brought about some good success for the whole club with the Youth, Reserve and First teams all picking up trophies with the First winning the Buckinghamshire Senior Cup for the first time.

After a steady decline in fortunes in 78/79 the club returned to the North Bucks League and it wasn't until the mid-80's that further success was achieved.

This was the start of a successful period for the club and after winning the North Bucks Premier League title they moved to the South Midlands Division 1 in 1985 winning the league at their first attempt, losing only 3 games throughout the season.

However, success came too quickly, and the ground facilities were not ready for promotion to the Premier Division so they had to remain in Division 1.

The following season they were once again knocking on the door of the Premier League as they finished runners-up but a last minute hold up on planning permission once again stalled promotion. However, promotion was achieved the following year when they did the league and cup double and with correct ground grading in place the club was promoted to the Premier League for the first time.

Throughout the 90's all the teams in the club consistently won trophies

Club History continued

although the highest the first team achieved in the Premier League was in 97 when they finished 5th.

The late 90's the club struggled financially, and they made a very difficult decision to drop out of the top flight and they were placed back in Division 2. A level of stability was brought about the club and in 2003 they were promoted back to Division 1.

Once again ground grading held the club back as in 2004 they finished runners-up in Division 1 and promotion back to the Premier league was denied.

Since 05/06 a huge amount of work has taken place to upgrade the clubhouse and football facilities but unfortunately success on the field has been sparse.

In 2023 Buckingham Athletic started talks with Buckingham United to bring the two clubs together with the sole purpose of having one senior football team in the town.

Buckingham United FC were formed in 2011 with the sole aim of providing local grassroots football. This began as a single Sunday side playing in Deanshanger due to a lack of local facilities. After the first season the club moved to Tingewick but it was not until 2016 when the club finally moved into Buckingham to the new Lace Hill Sports and Community Centre. The club joined the North Bucks and District League before joining the South Midlands League Division Two in 2019. Here the club grew quickly providing grassroots football across various levels and abilities which peaked with eight teams by 2021, this included Saturday First and Reserves, Sunday League A & B sides, Veterans, Ladies along with an Under 21s and Under 18s.

The club reached many cup finals across the teams including winning the North Bucks and District League Division One shield in 2018. In the final season under Buckingham United the ladies side really gave the club a wonderful finally winning the Northants Premier Division Title and League Cup double.

As a result of many meetings between the clubs, both Buckingham Athletic & Buckingham United formally agreed to pass the motion to combine both clubs, creating Buckingham Football Club, which now has one of the largest offerings of adult football in the region with a structured youth pathway with our strategic partners Moretonville Junior FC.

This is not an end to Buckingham Athletic or Buckingham United, this is very much a continuation in the story of these clubs and football within the town. The history of which won't be forgotten.

The ultimate aim of combining the clubs is to provide the town with a sustainable non-league football club by sharing resources, passionate volunteers, and great sporting facilities. A club with the aim of pushing up the pyramid while also providing structured football for the community, maintaining the fun and enjoyment of the game that everyone loves.

FROM THE CHAIRMAN

Good evening everybody, if you are reading this then it means that the weather has eased enough for our groundsman, Colin Howkins, to get onto the ground and do enough to get the game on.

Well done to Colin as I know how incredibly frustrating it has been for him over the last few weeks.

If you receive the monthly newsletter then you will have read that we are planning a sizeable refurbishment not just on the club house but pitch side as well.

Although we are at an advanced stage we are still looking for feedback on how we can improve the facilities to make your experience with us better when you visit us.

We are doing this by ways of a very quick survey, which is very easy and quick to complete, we would really like your input into this and hope that you will take part and promise it will only take a few minutes to complete. If you go to our web site, facebook page or Twitter feed (X) you will find the links that will take you to the form for you to complete.

If you don't receive our newsletter and you are a member then it is probably because we don't have your email address, if you would like to be added to our distribution list, even if you are not a member, then email us on admin@buckinghamfc.co.uk.

On tonight's game I am sure this will be a very highly contested game - Stotfold Reserves sit just one place above us with only 2 points separating the teams.

Good luck to Scott and the lads enjoy the game.

CLUB LIFE

Supporting Our Social Events

Are you aware we are still holding regular social events at the club and although all have been well attended there have been tickets to spare.

Dry January is now over so come out of hibernation and enjoy a night of great music at Buckingham FC. Next up is the I'm Every Whitney tribute act which takes place on Saturday February 22.

Tickets are still available but they are selling **fast** so if you fancy a great night out with all those Whitney classics then get your tickets NOW!

Last year we had tribute acts for Adele, Fleetwood Mac, and Tom Jones, Elvis and the brilliant Soul Man who appeared at the club in December.

All of these events were well received by those attending and in 2025 we have already booked Gary Barlow and more slots will be booked as the year goes on.

Along with that we have a very popular Disco Bingo event which we try to hold every couple of months and although it is a free event entry you will need a ticket due to its popularity. Next Disco Bingo is on Saturday March 8.

If you are interested in any of our social evenings then you can buy tickets online at our [ticket store](#).

We also host the brilliant and entertaining "Buckingham Live Sessions" formerly the Buckingham Acoustic Club. It's a great environment for all kinds of talent to take the stage and a great opportunity for you to come along and enjoy the entertainment on offer.
