Chapter 1 What is Love?

A. Scan and Watch the following video and stop it at 1:54

Question 1 Is this Love at first sight or Love at first smell?

Question 2 Can we fall in love with all 5 senses?

Question 3 Have you ever been in love? If so, how did you fall in love? What kind of love was it? Describe the feeling using all your senses:

B. Scan and Watch
the following video:

Question 4 How can Love become an obsession?

Question 5 Do you believe in soulmates or twin flames?

A Chinese Proverb says, "An invisible red thread connects those who are destined to meet, regardless of time, place, or circumstance. The thread may stretch or tangle, but will never break."

Question 6 What do you make of this?

C. Love is 'blind'

Question 1 Read the prompt and write your story.

Your character is blind. She has just started dating a guy. He is not blind. He invites her to his apartment for the first time. While she is there, she notices various clues that tell her he is probably in another relationship.

Write a story describing the apartment as vividly as possible from the blind woman's point of view. Keep in mind that she cannot see, so you must focus on sound, smells, touch and taste without any visual details.

Question 2 Which color is love for you? Which smell is love for you? Which song is love for you? Which book is love for you? Which movie is love for you?

Question 3 If you are in love, write him or her a love letter here using all 5 senses:

D. Can love be deceiving?
