TOUCHSTONES – TRANSITIONS – TRANQUILITY

The City of Santa Clarita is proud to present “Touchstones – Transitions – Tranquility” by local artist Frank Rock at The Main in Downtown Newhall. This exhibition will run from October 30 through November 28, 2023 with a reception on Thursday, November 16 from 7:00 p.m. to 10:00 p.m.

Frank Rock’s artistic journey began at an early age, evolving from sketches and drawings to his current passion for creating wide-open skies and light on water. With a calling to bring joy through his art, Rock’s work reflects his lifelong commitment to the craft.

Drawing inspiration from photographs and his own visions, Rock’s unique approach transforms each piece into a distinct and soulful creation. His art often incorporates natural movement, capturing the essence of wide-open skies and the play of reflective light.

Over the years, Frank Rock has left an indelible mark on the local art scene, adorning the community with his murals, including those in Downtown Newhall, the hospital tower, and life-size grizzly bear embellished with historical figures and cyclists.

“Touchstones – Transitions – Tranquility” is an opportunity for the public to experience the artistry of Frank Rock, whose work has brought vibrancy and color to our community. This exhibition promises to be a testament to his dedication and artistic evolution.
