### THE STORY OF KLIPDRIFT

The farm gave Klipdrift its name, and a neighbour's brave deed gave it a spirit of generosity that stuck. When the first golden drops were distilled in Robertson at 8:02 p.m. in 1938, a pair of neighbours decided that life had improved because they were now friends.

That smooth South African liquid gold has been part of our tables, braais and big

nights ever since, shared with people who know how to make an evening worthwhile. Gold Between Friends.
