A Smart Choice

Whether you're searching for the perfect benchtop, doors, or cabinetry interior, the range is grouped by application to make it easy to select the right option.

We've simplified the range for easy decision-making. From whites to black and lots more in between, we offer the most popular colours, stone patterns and woodgrains that'll answer almost any project brief or space.

For more advice, the Formica Project Guide makes choosing the right layouts and colour schemes easy.

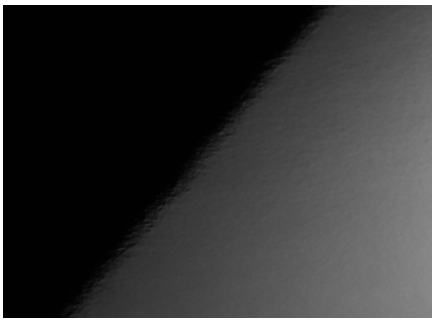
Formica Finishes

Create a smart look with Formica's range of decorated surface materials. Choose from a variety of textured finishes that suit any style, from high gloss to grain. Learn more about our finishes below.

VELOUR

A highly durable, multi-purpose low sheen finish, velour is used as a finish for Benchtops.



AR PLUS

A high gloss finish for moderate use applications that requires a little bit more care and maintenance. AR Plus is primarily used as a Benchtop laminate.

VELVET

A hard-wearing, soft to touch multi-purpose cabinetry finish, Velvet is used primarily in Doors & Panels, and Cabinetry Interiors.

PEARL

A smooth, lightly stippled, hard-wearing finish, Pearl can be used in Doors & Panels, and Cabinetry Interiors.

GRAIN

A hard-wearing, tactile, matte woodgrain texture, Grain is used in Doors & Panels.

GLOSS

An easy-care, semi-gloss finish, Gloss is recommended for use in Doors & Panels for a beautiful semi-gloss look.

NOTE: Not all finishes and decors are suitable for all applications. Please refer to the Technical Data Sheets at formica.com.au for full application and technical information.

Our new range of popular colours in solids, stone patterns and woodgrains will make design decisions easy. Strong, durable and low maintenance, Formica is the practical solution for delivering reliable results. Whether you're building or renovating, Formica is the smart choice.
