Dear Supporters and Friends,

Thanks to your continued support, this past year has been a true testament to our unwavering commitment to alleviating and preventing suffering.

This year, the Compassion Without Borders staff and volunteers were able to reach over 9,000 animals in need. We launched our Home for Hope clinic and shelter project in Mexico, a dream over twenty years in the making! Together, we continue to make huge strides in creating a world where every animal is valued and protected.

The economic aftershocks of the pandemic, coupled with a severe shortage of veterinarians, have underscored the critical need for affordable veterinary care, and the crisis of animal homelessness has reached alarming levels. These post-pandemic shifts are presenting us with the most pressing demand for rescue and rehabilitation we have seen in over a decade.

All of this has ignited a surge of collective compassion and innovation within our organization, driving us to work harder than ever to do all we can to help.

As we look to the future, we are so excited about the opportunities and challenges that lie ahead. Compassion Without Borders now has 40 staff and 175 volunteers across California and Mexico, who share our commitment to compassion and to expand our reach and impact. With your support, we hope to rescue, treat, rehabilitate, and adopt out 10,000 animals in 2024!

Thank you for being part of our journey and for your continued support. Together, we can continue to make a difference for animals in need.  
With gratitude,

With Deep Gratitude,

## Home For Hope

**This year marked a significant milestone in the realization of a long-held dream. After two decades of operating from borrowed and makeshift spaces in Mexico, we successfully initiated the construction of our very own state-of-the-art Home for Hope facility, featuring a shelter, veterinary clinic, and spay/neuter center.**

**Our new facility embodies the essence of hope, empowering us to extend our assistance and healing on a much larger scale. This paves the way for us to expand and elevate the services we provide, enabling us to more effectively address the root causes of animal homelessness and neglect, while also expanding our capacity to save more animals in need.**

**Home for Hope's successful launch reminds us that with unwavering determination and a passionate community of supporters, even the most ambitious dreams can be realized.**

# HIGHLIGHTS

## Is a Verb

### Access to Care

This past year has posed significant challenges for animals in terms of accessing vital veterinary care. The economic aftermath of the pandemic, exacerbated by a shortage of veterinary services, has led to a crisis situation, underscoring the urgent demand for our free and low-cost clinics. Now, more than ever, these clinics play a pivotal role in ensuring the well-being of our beloved animal companions.

Thankfully, our veterinary teams on both sides of the border worked harder than ever to meet that need, providing these services to 8,000 animals in need. This critical resource plays a huge role in keeping animals out of shelters and in the homes with the families who love them.

## Fresno Medical Cases:

### Lifesaving Partnership to Save the Most At-Risk Animals

For over 10 years, Compassion Without Borders has been committed to reaching the most vulnerable animals in California's Central Valley, where shelter overcrowding and euthanasia rates are very high. We partner with shelters in the area to take in their more challenging medical cases, which is a very meaningful way to save animals that are truly at risk.

Animals like sweet Reggie, who came to us after being severely mauled. She was covered in wounds, had a painful compound fracture in her leg, and her ear had been torn off. After months of care and multiple surgeries, Reggie fully healed and found a home where she is the absolute apple of her adopted mom's eye. Reggie is thriving, and we are thrilled to see her so adored after enduring such hardship

# LOVE + CARE + COMPASSION = TRANSFORMATION

## MILLIE:

Millie was found on the streets of Mexico as a puppy with severe wounds and burns all over her body. Despite her condition, she was a loving, happy girl from day one. Today, she is absolutely adored and living a wonderful life in Wine Country in California.

# TEAM WORK MAKES THE DREAM WORK

Our staff is now 28 people strong north of the border in California, with an additional 12 team members south of the border in Puerto Peñasco, Sonora. This dynamic group of animal loving professionals are everyday heroes who work tirelessly to make the world a better place for animals and the community.

We are also enormously grateful to our over 175 volunteers and foster families, whose love, boundless love, dedication, and passion for our mission fuel everything we do.
