

ACCOUNTING | BUSINESS | ENTREPRENEURSHIP

Accounting / Business / Entrepreneurship

Accounting opens doors in every kind of business. It can be the foundation to become a Certified Public Accountant or a partner in an accounting firm. Accounting skills are in high demand and the world of accounting has become increasingly dynamic.

Business Administration will enhance skills in current jobs and assist in career advancement opportunities. It also provides the necessary fundamentals to obtain your Bachelor of Applied Science degree at CWC or transfer. Get a foundation in business that will allow the flexibility to find work in a setting or industry that fits personal career goals.

Entrepreneurship enhances skills to develop, launch and grow new business ventures. Develop a solid foundation in the entrepreneurial mindset through strengthening managerial and leadership skills. Be able to evaluate opportunities, manage risks, utilize market research, perform financial analysis and create or transform a business.
