WELCOME

The Alzheimer's Association, Florida Chapters, serves all 67 counties in our beautiful state. We offer education, outreach, and support to everyone facing Alzheimer's and other dementias within our community, including individuals living with the disease, caregivers, professionals, families, and community members. Our commitment extends to advocating for the needs and rights of those confronted with Alzheimer's disease and promoting essential research towards treatment, prevention, and ultimately, a cure.

We provide programs through various formats: virtually, by telephone, on-demand, and in person. Most of our programs are offered at no charge, with some exceptions for professional programs. Additionally, we tailor programs for specific groups such as civic organizations, chambers of commerce, companies, and more. Please reach out to your local Program Manager to arrange a private and personalized program for your group or to invite us to your local event or health fair.

Volunteer with the Alzheimer's Association

Volunteers play a crucial role in positively impacting the lives of those facing Alzheimer's and dementia. By volunteering with the Alzheimer's Association, you become part of a dedicated network working to combat this devastating disease, honor loved ones, and provide care and support to those in need. Learn more at volunteer.alz.org.

Explore Various Opportunities:

- Community Educator
- Support Group Facilitator
- Community Connector
- Awareness Champion
- Alzheimer's Advocate
- Brand Ambassador
- Walk to End Alzheimer's Committee
- The Longest Day Committee
- And more!

INFORMATION & SUPPORT

Welcome to ALZConnected®

ALZConnected is a dedicated community where people with Alzheimer's, their caregivers, and others affected by the disease can share answers, opinions, ideas, and support. Learn more at alzconnected.org

Care Consultations

Living with mild cognitive impairment, Alzheimer's disease, or other dementia profoundly impacts multiple generations. Each person has a unique role, spouses, siblings, children of all ages, and friends—all contributing to the care team. This journey demands careful consideration, strategic planning, and above all, a well-thought-out plan.

Care Consultations from the Alzheimer's Association can help you to:

- Navigate difficult caregiving decisions and family issues.
- Assess current needs and anticipate future care challenges.
- Develop an effective care plan and problem-solve barriers.
- Receive supportive listening in a confidential, nonjudgmental environment.

Our professional staff has the knowledge to guide you through a variety of topics. People reach out for many different reasons. Not sure what to ask or where to start? That's okay, too. Just give us a call and we'll guide you from there. The service is free and is at no cost to you.

Consultations are available several ways:

- **Phone:** Call 800.272.3900 for 24/7 support; use 711 for TRS operator.
- **Live Chat:** Access via the green button on our website, available 8 a.m. to 8 p.m. ET, Monday to Friday. alz.org/help-support.
- **Online Form:** Fill out a [form](#) for assistance, with a response within 24 hours.

Build an Action Plan with ALZNavigator™

Whether you're a caregiver, a person living with dementia, or someone concerned about memory loss, find the support you need with ALZNavigator. Just answer a few questions about your situation and ALZNavigator will guide you to the resources and tools you need today and throughout each step of the disease — all in one place. alz.org/alznavigator

VIRTUAL PROGRAMS

VIRTUAL SUPPORT GROUPS

When you're facing difficult times, having a good support network you can turn to for advice and encouragement may help you feel connected and give you a sense of belonging and purpose. Connecting with others like you virtually may help put your own experiences living with the disease in perspective, and provide you with the support and encouragement necessary to move beyond your diagnosis. Call the 24/7 Helpline for instructions on how to log into the virtual meeting.

Caregiver Support Groups

- 1st & 3rd Tuesday, 10:30 a.m. ET
- 2nd & 4th Tuesday, 10 a.m. ET
- 2nd Tuesday, 7 p.m. ET
- 3rd Tuesday, 3 p.m. ET
- 3rd Tuesday, 6 p.m. ET
- 3rd Thursday, 12:30 p.m. ET
- 4th Monday, 5 p.m. ET
- 4th Thursday, 9:30 a.m. ET
- 4th Saturday, 3:30 p.m. ET

Caregiver Support Group in Spanish

- 1st Thursday, 12:30 p.m. ET
- 4th Thursday, 5 p.m. ET

Caregiver of People with Younger Onset Dementia

- 2nd Wednesday, 7 p.m. ET

We have topics under the following categories:

Caregiver Resources

Learn strategies to help you care for your loved one living with Alzheimer's or other dementia.

Brain Health & Warning Signs

Identify the warning signs of Alzheimer's, learn how to reduce your risk and more.

The Empowered Caregiver

This education series teaches caregivers how to navigate the responsibilities of caring for someone living with dementia.

Latest Research

Discover the latest advancements in Alzheimer's and dementia research.

Community-Specific Resources

Understand how to work with specific communities including those with intellectual and developmental disabilities, deafness or hard of hearing and more.

En Español (Spanish Language Videos)

BRAIN BUS

Rob Harris
Program Manager

The Brain Bus raises awareness of Alzheimer's and related dementias and addresses the benefits of early detection, early diagnosis, brain health and risk reduction. With two mobile units and virtual offerings the Brain Bus is able to travel throughout Florida.

Heike Accorsi
Trilingual Program Manager

The Brain Bus is sponsored in part by State of Florida Department of Elder Affairs and the Area Agency on Aging For Southwest Florida.

COMMUNITY ENGAGEMENT

Keith Gibson

Sr. Director, Community Engagement

561.414.2365 | kgibson@alz.org

Although African Americans are more likely than Whites to have Alzheimer's or another dementia, studies show that they are less likely to have a diagnosis. And delays in diagnosis mean that African Americans, Hispanics and others are not getting treatments when they are most likely to be effective at improving quality of life.

Community Forums

As the American population ages and becomes increasingly more diverse, we are committed to identifying and addressing barriers that may prohibit members of these diverse communities from receiving important Alzheimer's diagnosis, treatment and resources.

Coming soon

- Aging with Pride Summit 2025
- African American Community Forum, February 2025
- Minority Health Forum, April 2025

Thank you to OurFund for their generous support.

THE INTERSECTION OF IDD AND ALZHEIMER'S

Katie Fahrenbruch

Director, Community Engagement

850.696.0814 | kafahrenbruch@alz.org

Individuals with **Down syndrome** have a higher than **90% lifetime risk** of developing **Alzheimer's disease**.

Diagnostic and Quality Care Summits

Our learning objectives are to create a better understanding of Alzheimer's disease, recognize symptoms, receive an accurate diagnosis, manage symptoms, and access resources. These events will be hybrid for maximum access.

Save the Date for Summit

- Jacksonville - March 18, 2025
- Orlando - March, 20, 2025
- Broward - March 21, 2025

Join our Summit Planning Coalitions

- Jacksonville - January 7, 3pm ET
- Orlando - January 8, 3pm ET
- Broward - January 10, 3pm ET

Family Support Group for IDD/Down Syndrome & Dementia

- 4th Tuesday, 6 p.m. ET
- 4th Monday, 5 p.m. ET

The Exchange

A place for people with IDD, their families, and their providers to come together to learn about IDD and dementia, brainstorm resources, and explore strategies

- 3rd Tuesday, 3 p.m. ET

Goal Writing Collaborative

Come together to brainstorm the need for dementia specific goals for individuals with IDD and their support plans.

- Thursday, January 16, 2 p.m. ET

Thank you to generous funding from the Golisano and WITH Foundations.

FOR PROFESSIONALS

HEALTH SYSTEMS AND MEDICAL PROFESSIONALS

Continuing Education on Alzheimer's and Dementia

The Alzheimer's Association offers continuing medical education on Alzheimer's and dementia, including free CE options. These resources help physicians, radiologists, neurologists, nurses, advanced practice nurses, physician assistants, psychiatrists, social workers, pharmacists and other clinicians to remain current in this fast-changing field.

The Alzheimer's and Dementia Care ECHO® Program for Health Systems and Medical Professionals

Project ECHO Series helps improve health outcomes and reduce care barriers. [Read the blog post](#) by Judi Lux. She describes how Project ECHO has enhanced her work as a medical social worker in an underserved rural area.

essentiALZ® Training and Certification for Community-based and Long Term Care

The essentiALZ offers an affordable, all-in-one opportunity for new and experienced professional care workers. Program benefits include:

- Convenient learning through a self-paced, three-hour curriculum.
- Practical training based on the gold standard for quality care.
- Recognition of knowledge through essentiALZ certification and [continuing education credit](#).

This comprehensive training covers five topic areas including the basics of Alzheimer's and dementia, person-centered care, assessment and care planning, activities of daily living, and communication changes and dementia-related behavior. [Learn more](#)

PUBLIC HEALTH SPOTLIGHT

For public health students, educators and professionals, A Public Health Approach to Dementia is a free, online, interactive curriculum featuring videos, knowledge checks and next steps. Each module also includes a downloadable instructor guide with learning objectives, a list of relevant competencies, teaching aids such as case studies, test questions, video resources and additional learning activities. [Learn more.](#)

FOR RESEARCHERS

RESEARCH

Scientific Conferences

The Alzheimer's Association offers year-round opportunities for the scientific community to network and learn about Alzheimer's and dementia research. Events include the Alzheimer's Association International Conference® (AAIC®) — the world's largest meeting dedicated to advancing dementia science — and a variety of in-person and virtual conferences, symposia and other events. [Learn more.](#)

Welcome to the ISTAART Community

The Alzheimer's Association International Society to Advance Alzheimer's Research and Treatment (ISTAART) is a diverse global network of scientists, clinicians and dementia professionals. Members of this professional organization share common goals: the pursuit of knowledge, collaboration and breakthroughs to advance the research and treatment of Alzheimer's disease and other dementia. When you join ISTAART, you'll have the opportunity to connect with colleagues worldwide, explore avenues for networking and mentorship, and stay on the leading edge of scientific advancements. [Learn more.](#)

MEET OUR RESEARCH CHAMPIONS

Keith Gibson
kgibson@alz.org

Lyndsey Taylor
lctaylor@alz.org

Stefanie Wardlow, M.A.
swardlow@alz.org

Our Research Champions provide high-level updates on the latest in Alzheimer's and dementia research and the Association's role in driving and leading global research initiatives. In addition, they network with Florida researchers and bridge the gap between science and the community. To schedule a virtual or in-person presentation please email one of the above staff members.

CREATE YOUR OWN FUNDRAISER AND OUTSHINE THE DARKNESS OF ALZHEIMER'S.

The Longest Day® is the day with the most light – the summer solstice.

Join us to fight Alzheimer's through a fundraising activity of your choice on a day that works for you.

The funds you raise advance the care, support and research efforts of the Alzheimer's Association®.

2025 Alzheimer's

Rally in Tally

MARCH

10 & 11

Join advocates across the state as we share our stories and meet with legislators to discuss priorities including funding for the Brain Bus, critical respite services, and legislation to establish a statewide public awareness campaign. To learn more email jbraisted@alz.org.

JUNE 8-10, 2025

The Alzheimer's Impact Movement (AIM) Advocacy Forum is the nation's premier Alzheimer's disease advocacy event. Volunteer advocates from across the United States come together to make the case to federal policymakers to advance policies to improve the lives of all individuals affected by Alzheimer's and all other dementia.

ADVANCING THE SCIENCE: THE LATEST IN ALZHEIMER'S AND DEMENTIA RESEARCH

Request a presentation by the Alzheimer's Association®

Today, nearly 7 million Americans are living with Alzheimer's — an escalating health crisis that affects many in our community. At the same time, significant progress in Alzheimer's research has led to advancements in diagnosing, treating and preventing dementia.

Request Advancing the Science presentation to learn about the latest in Alzheimer's research, and how the Alzheimer's Association is leading the way toward a world without Alzheimer's and all dementia.

Click to send an email request for a free virtual program for your group, civic or community organization.
