Dear Friends,

On behalf of the Board of Directors, Advisory Council, and staff, I would like to welcome you to our Annual Have A Heart Valentine's Day Fashion Show & Luncheon! Thank you, from the bottom of my heart, for your support of the Area Agency on Aging of Broward County (AAABC). Your generosity allows us to fulfill our mission of empowering Broward seniors to live independently with dignity and respect and age gracefully in their own homes.

MY  
LOVE

Happy Valentine's Day! In the spirit of the day, I ask that you take a moment and consider how you can open your heart to one (or more) of the 476, 486 seniors that call Broward County home. One of my favorite quotes is by a famous American sculptor Anne Truitt that says "Love is the honoring of others in a way that grants them the grace of their own autonomy." I can't think of a more appropriate quote for us today to honor our seniors.

Seniors give generously of their time, talent and dollars. Giving doesn't only extend to external places, organizations or people. Seniors also give to their families and provide emotional support and friendship for each other, the younger generation, and more.

Sit back, relax, and enjoy the fun of our fashion show! The amazing fashions, which were generously provided by Macy's, sure do look wonderful on our show-stopping models. Thank you to our fun-loving models for strutting their stuff down the runway! Thank you to our generous sponsors and donors for showing compassion and support for Broward's senior population.

Thank you for spending your Valentine's Day with the Area Agency on Aging of Broward County!

Sincerely,

*Charlotte C. Mather-Taylor*
