Terms & Conditions

A Provisional booking will be held for a maximum of two weeks from the date of enquiry. Following this a non-refundable deposit of €2,000 is required, which may be paid in one or two installments, payable in cash, personal cheque, bank draft or bank transfer.

These terms and conditions are relevant to the specified year stated on this brochure and may change from year to year.

Package prices are confirmed at the time of booking however, in the event of an increase in the VAT rate prior to your wedding reception, the agreed price of your package will be altered accordingly. Prices include a service charge and room hire and are valid for wedding receptions booked for the stated year.

All-inclusive wedding packages booked on Fridays, Saturdays and Public Holidays are applicable to minimum numbers subject to season and availability.

Your choice of menu and all final details are requested at least 2 months before the wedding day. Final numbers must be given 72 hours in advance of the wedding date. This will form the basis of your account. This number will be the minimum that the hotel will charge to the wedding account.

Ballygarry Estate recommends that the sit-down time for the main meal should be no later than 6pm. This is to get the maximum benefit from entertainment later in the evening.

It is hotel policy not to accept wedding gifts. These will be directed to a member of the bridal party.

There is a safety deposit box provided for security in the Bridal Suite. Access to this will only be given to a person designated by the wedding couple.

Wine is not permitted to be brought into Ballygarry Estate for consumption with the meal, similarly alcoholic favours are not allowed.

Each wedding reception must partake in a Starter Course, Soup Course, Main Course, Dessert with Tea and Coffee.

Ballygarry Estate reserves the right to refund deposits in circumstances where a booking is made by a third party or under false pretenses.

Twenty rooms are offered at the wedding rate to the wedding couple for the night of the wedding. The couple is responsible for naming these rooms and arranging for the named guests to contact the hotel with relevant details i.e. address/contact number(s) and credit card details to secure the reservation. Any rooms unnamed or not guaranteed with a credit card or a deposit paid will be automatically released back to the hotel 4 weeks prior to the wedding date. If additional rooms are required, the next available rate will be offered subject to season and availability. Please note that while discounted room rates are offered to the wedding couple, there are occasions when room rates will be available at a lower price on the internet. The wedding couple may not personally guarantee bedrooms as a no-show can cause embarrassment for either party.

It is the responsibility of the wedding couple to hold rooms for their wedding reception. It is advisable that this is done at the booking stage.

Ballygarry Estate does not permit the use of Fireworks, Chinese Lanterns, Portable Dance floors, Confetti, or Bubbles due to insurance implications. Similarly, all third-party vendors must hold adequate insurance coverage for their occupation and provide proof of this.

While your deposit will be deducted from your final account, it must be noted that your deposit is taken to secure your preferred date, meaning this date cannot be given to any other enquiry. This, along with the work of the hotel team in preparing for your Big Day, means that in the event of cancellation, deposits are non-refundable.

Management reserves the right to request full pre-payment for any wedding or event scheduled to take place on its premises.
