THE SUSCIPE OF CATHERINE MCAULEY

My God, I am yours for time and eternity.
Teach me to cast myself entirely
into the arms of your loving Providence
with a lively, unlimited confidence in your compassionate, tender pity.
Grant, O most merciful Redeemer,
that whatever you ordain or permit may be acceptable to me.
Take from my heart all painful anxiety;
let nothing sadden me but sin,
nothing delight me but the hope of coming to the possession of You,
my God and my all, in your everlasting kingdom.

ACADEMIC RECEPTION

Family members are invited to come forward to take pictures of their graduate during the Presentation of Degree Candidates.

Steven G. Chapman, BS

FRIEND OF MERCY COLLEGE OF HEALTH SCIENCES

Steven G. Chapman is the retired President and CEO of Ruan Transportation Management Systems, one of the largest privately owned transportation services companies in the United States, with over \$1.2 billion in annual revenue, 260 locations across the country, and over 5,500 employees.

Following his graduation from Drake University in 1973 with a Bachelor of Science in Marketing and Economics, Steve worked in a marketing capacity for Trans World Airlines.

He joined ITAGroup in 1974 as the Manager of Group Operations. In 1977, Steve was selected as Vice President and became a member of the Board of Directors. He was promoted to Executive Vice President in 1986 and became President of the company in 1990. He was named CEO in 1995 and Chairman of the Board in 2004.

Steve has always believed in the importance of community involvement. As a graduate of the Des Moines Leadership Institute, he was elected to their Board in 1986. He served for six years as a Commissioner for the Iowa Development Commission, the youngest person ever appointed to this position by a Governor of Iowa. He also chaired the Greater Des Moines Partnership and Greater Des Moines Committee. One of his proudest achievements was serving as Chair of the MercyOne Board of Directors for over 10 years.

In 2000, Steve was honored with the Entrepreneur of the Year award for Iowa and Nebraska and was inducted into the Iowa Business Hall of Fame in 2004. Most recently, Steve was named a Sage Over 70 for his contributions to the community throughout his career. Due to his strong belief in supporting the community, he has also been an active volunteer fundraiser for United Way of Central Iowa and was the Chair of the annual campaign in 2006, raising \$22.5 million.

Steve currently serves on the boards of directors of Per Mar Security Services, MercyOne Iowa Heart, and Ruan Corporation. He is a member of the Bishop's Council for the Diocese of Des Moines. Steve Chapman grew up in Bettendorf, Iowa. He and his wife Melissa reside in West Des Moines, Iowa, and have two grown children.

The Catherine McAuley Award for Professional Excellence honors alumni and friends of Mercy College of Health Sciences for their lifetime achievements to their professions, their service to their communities, and their efforts on behalf of Mercy College of Health Sciences.

NURSING **RECOGNITIONS & AWARDS**

Pinning

The tradition of graduates receiving a pin commemorates the completion of students' formal nursing coursework and the beginning of their professional careers as nurses. It is an important milestone in every nurse's journey and symbolizes the hard work and dedication shown as students in their classrooms and in their clinical experiences. The Mercy College Nursing Pin unites all graduating nurses with those who have come before them and serves as a reminder of their time at Mercy College of Health Sciences, as well as their lifelong commitment to serve their patients with the College's Core Values.

Spring 2024 nursing degree candidates will receive nursing pins as they cross the Commencement stage. Fall 2023 graduates received their pins prior to today's ceremony. Summer 2024 degree candidates will receive their pins upon completion of their degree requirements at a ceremony this summer.

DAISY Award

The DAISY (Diseases Attacking the Immune System) Foundation was established in memory of Patrick Barnes, who passed away in late 1999 following a long hospital stay. In Patrick's honor, the Foundation established The DAISY Award, which recognizes extraordinary nurses for their compassionate care toward their patients. In 2010, the Foundation also established the DAISY Award for Extraordinary Nursing Faculty to honor the contributions faculty make to the future of the nursing profession.

TRADITIONS OF COMMENCEMENT EXERCISE

TRADITIONS OF **ACADEMIA**

Many of the traditions surrounding academic ceremonies—such as inaugurations and commencements—can be traced back to the Middle Ages, when universities were first formed. Gowns and regalia, for example, were common forms of dress for academics during the era. Today, participants wear colorful gowns, cords, and stoles to signify their alma maters and highest degrees received. The current traditions of academic garb and similar symbols reflect the continuity and strength of higher education in today's culture. Two symbols particularly important to Mercy College of Health Sciences are the Mace and Presidential Chain of Office, both of which are displayed in the Office of the President throughout the academic year.

TRADITIONS OF THE **CHAIN OF OFFICE**

The tradition of a chain of office goes back to the civic life of communities during the Middle Ages. Upon his investiture, the new mayor of a town was given a chain of medallions. Each medallion represented the individual guilds of the town, linked together and working for the welfare of the community. In medieval universities, the chief official—or rector magnificus—held authority similar to that of the mayor in civil society. Thus, he, too, was honored with a chain of office. Rather than the guild medallions, however, the academic chain of office consisted of the insignia of all of the colleges of the university.

Today, Mercy College of Health Sciences' Presidential Chain of Office represents a similar unity of departments and programs. The medallion at the end of the Chain of Office is the Mercy College Seal, the unifying emblem which embodies the history and foundation of the College. Open book medals spaced along the length of the Chain are engraved with the Core Values of the institution: knowledge, reverence, integrity, compassion, and excellence.

TRADITIONS OF THE **MACE**

Maces were clubs used primarily by medieval military officers during times of war. In more peaceful times, the mace came to represent the power of leadership and the pride of nations. Colleges and universities have adopted this symbol for their own purposes, using the mace in important ceremonies and institutional installations. It is carried at academic processions not only to bring an authority to ceremonial occasions, but also to symbolize the unity of vision and pride of purpose in the institution.
