About the Civida Housing Foundation

The Civida Housing Foundation (CHF) is a registered charity dedicated to supporting Civida, the largest provider of affordable housing in Northern Alberta. Each year, Civida helps more than 23,000 people, from newcomers and seniors to families and students, find safe, affordable homes and rent assistance.

Building resilient, thriving communities

CHF goes beyond shelter, creating opportunities for Edmontonians to pursue post-secondary education, access essential services, and build meaningful community connections. Building bridges between people and possibilities, CHF helps communities thrive.

With approximately 1 in 50 Edmontonians relying on Civida for safe, affordable housing, supporting CHF means strengthening a more inclusive, resilient Edmonton, where everyone has the foundation to build a better future.
