

Kubbi

Specification

BISLEY

Kubbi is a perfect stowage solution for the modern workplace.

Lock away your personal belongings for the day in one of Kubbi's cosy compartments. Tailored to suit you with a variety of cube combinations, including open display cube compartments, Kubbi gives you the room to build and tailor your workspace.

With storage at the heart, Kubbi connects your space and can be used as a stylish and useful room divider, all without building any walls. Dual facing, Kubbi can act as a standalone piece, or you can choose to create larger configurations by connecting several units together.

Features

Levelling feet are included as standard.

There are no visible shelf positions on the open compartments for a clean, sleek finish.

Oversailing doors on each storage compartment create a neat design and add to the unique 'checkerboard' effect of Kubbi.

Available in a range of configurations with a variety of lockable storage and display compartments.

Available with AB or mechanical M3 locks as standard, with the option to upgrade to smart, hard-wired locking.

Available in 45 laminate finishes across all our palettes, with the option to mix and match finishes for a 'checkerboard' effect.

All doors feature soft close hinges.

Made in the UK.

Five-year warranty.

Benefits

Dual-facing – Kubbi is a beautiful and functional space divider, with access to lockable storage and open display compartments from either side.

Flexible – There is a choice of five dual-facing configurations available to ‘mix n match’, giving you the flexibility to create exactly what you need.

Secure – Kubbi’s personal storage locker compartments come with individual AB or M3 locks as standard, keeping personal belongings safe whilst in the workplace.

Connected – Easily connect multiple Kubbi units together to create longer runs of storage and display space, dividing your workspace exactly as you need.

Sleek – Kubbi has been designed with oversailing, soft-close doors for a sleek, premium finish.

Customisable – With a breadth of laminate finish options, you can create an elegant addition to your workspace. Choose a single, all over finish, or opt for differing carcasse and closure finishes, creating a smart, ‘checkerboard’ look.
