MAX BID

- The Max Bid is the highest amount you have bid on a lot and is only visible to you. Until someone bids above it, you are the Winning Bidder. You can edit your Max Bid at anytime.
- Our Auto Max Bidding System ensures that if another bidder places a bid below your Max Bid, they will be instantly outbid until you reach one increment higher than your max bid.

INDIVIDUAL LOTTING

- Most of the lots in our auctions have different closing times and are subject to their own time extension, not affecting other lots' closing time.

GROUP LOTTING

- Group Lotting means that several lots are bundled together and share the same closing time.

- Group Lots can be identified by the thin gray outline surrounding them, and **GROUP (## Lots)** in the top left corner.

Note: Each lot within the group can be sold at a different price and/or to a different buyer

TIME EXTENSION

If a bid is placed in the last 2 minutes of the close time, the countdown will automatically reset to 2 minutes to ensure everyone has time to bid.

WATCH LIST

You can save the lots you're interested in by clicking the "watch" button or on the star icon ★ next to the lot number. By activating "watch" on a lot, you will be notified of any changes or updates.

WINNING BIDDER

When you are the Winning Bidder, your bid will be bold and blue with your Max Bid to the right and WINNING displayed over the lot.

JUMP THE BID

Click or tap the Jump The Bid button immediately or at anytime to implement your Max Bid as the current bid, displayed to all bidders.

BEING OUTBID

If you are Outbid, you will still see your last bid with the new current bid to the right, and OUTBID displayed over the image.

If your bid matches the current Max Bid, your bid and the current bid will be the same, but you will still be outbid.
