On Our Cover...

... is **GRHRCH(3) UH Tarheels Drake Haulin Tonka**, a male Labrador Retriever. Owned by Jeremie Lovejoy. Photo by Mark Atwater.

"Tonka is the most well-rounded dog I have ever owned. Full throttle in the field but calm as can be in the house. Tonka is also the bat dog for the Down East Bird Dawgs in Kinston, NC. Tonka is a 3x Grand Hunting Retriever Champion in the field, but a hot dog-stealing champion at the ballpark."

Do You Want Your Retriever On the Cover?

We're always looking for cover photos for HUNTING RETRIEVER magazine. If you have a photo you feel is cover quality, please send it in. Following are the guidelines:

1. All dogs in the photo must be UKC registered.
2. Supply the following along with the photo - the owner's name, contact information and HRC membership number, dog's UKC registration number, and a short write-up.
3. If the photo was taken by a professional photographer, written permission to reprint must accompany the submission; for example, an email.
4. Vertically aligned photos are preferred. All photos must be in focus, of sharp resolution, and in color. Digital photos must be 600 dpi. Send your photos by mail to: HUNTING RETRIEVER Cover, 100 E Kilgore Rd, Kalamazoo MI 49002; email to: huntingretrievermag@ukcdogs.com; or via the UKC website, <https://www.ukcdogs.com/cover-dog>.

INHERENT RIGHTS AND POWERS OF UKC

**(Revised December 18, 2009)*

United Kennel Club holds and has reserved to itself certain inherent rights and powers in connection with conducting its business, registering litters, transferring registrations of dogs, licensing events, and awarding titles. These inherent rights and powers include but are not limited to the following:

United Kennel Club has the right to inspect all reports, scorecards and documents related to UKC events. Some, but not all, of the items subject to inspection are:

- a) scores;
- b) disqualifications of dogs for fighting or other reasons;
- c) errors by the recording person; and
- d) documentation excluded for any reason.

UKC reserves the right to correct any mistakes found during such inspection whether or not the document has the signature of a Judge or Club Officer.

UKC reserves the right to itself and in its sole judgement and discretion, to take such actions and impose such sanctions as would:

- a) Bar an individual from entering or participating in any way in any UKC licensed event.
- b) Bar an individual from transferring or registering any pups or dogs in that person's name (joint or full registration) or to any member of that person's family.
- c) Bar an individual from receiving Championship points for any dog registered in that person's name (joint or full registration).

By way of illustration, the following constitute some, but not all, of the situations calling for the above sanctions:

- a) Falsification or alteration of a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- b) Falsification or alteration of any reports of wins issued to UKC.
- c) Falsification or alteration of receipts issued by UKC Judges.
- d) Switching, wrongfully using or attempting to use a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- e) Selling or attempting to sell a dog with false or incorrect UKC Registration Certificate or Pedigree.
- f) Intimidating, threatening, or injuring a Judge, Club/Association member or official, event participant or spectator, or UKC representative.

The six illustrations given above are only by way of example and UKC reserves to itself its inherent right and power to impose such sanctions in any other circumstances deemed appropriate by UKC.

Any individual who is found guilty by a court of law of a crime involving dogs will be barred from United Kennel Club for an indefinite period. A person shall be considered guilty in a criminal proceeding if they are convicted by a judge, jury, or if they enter a plea bargain or other arrangement to plea to a lesser offense, or if their case is disposed of by any form of deferred adjudication; a person shall be considered guilty in a civil proceeding if they are held responsible or liable by a judge, jury, or if a compromised settlement is reached between the parties.

MEMBERSHIP INFORMATION

The Hunting Retriever Club is composed of individuals and clubs interested in the improvement of the retrieving breeds, in the training and testing of Hunting Retrievers, in the awarding of Championships to those dogs that pass the testing program, and in the fellowship, cooperation and learning that can take place when people and dogs, rather than competing with each other, are working together to reach mutual goals of excellence.

The hunts have been designed to closely duplicate actual hunting conditions and situations. The training aspect of the program and the four levels of competition allow dogs and handlers at all levels of experience to learn, improve and work toward Championships.

Your membership includes a year's subscription (6 issues) to *HUNTING RETRIEVER*, a membership card and a copy of the *UKC/HRC Rules and Guidelines for Hunting Retriever Tests*. Domestic rates (U.S. and possessions) are \$25 a year, \$30 a year for a family; (\$17.50 per year is designated for the magazine subscription.) Dues cover a 12-month period. Dues are to be sent to: Hunting Retriever Club, Inc., 100 E Kilgore Rd, Kalamazoo MI 49002-5584. Phone: (269) 343-9020.

Hi everyone, greetings from SW Arkansas! It certainly feels as though we are skipping spring and heading straight into summer this year, but we have been extremely blessed with rainfall recently; all of our

training ponds are full, and the fields have excellent cover.

The National Meeting in St. Louis is just around the corner, and I am looking forward to catching up with HRC friends I only get to see once a year. I am excited to announce three specific activities scheduled for Friday that should be outstanding.

First, Tracy Stubbs, a past Field Representative, former HRC President, and current International Grand Chairperson, will conduct a Judges'/Handlers' Seminar on Friday morning. Shortly after lunch, Garmin will provide an e-collar training session conducted by Tyler Patterson of Maple Ridge Retrievers. We will conclude the afternoon with a "Hunt Test 101" breakout session led by Kyle Krause, Cadet Odden, and Tammy Cobb, covering everything a club needs to know about hosting a test. Our Board of Directors meeting and annual banquet will follow on Saturday. Our goal this year is to learn, have fun, and enjoy the fellowship of our HRC community.

Additionally, I would like to highlight that the inaugural year of the Youth Handler Program concludes on May 31. We currently have roughly 77 youth handlers signed up for the program. All participants will receive an Avery handler's jacket courtesy of Purina. Furthermore, Garmin will provide an e-collar to the handler with the most points, and Huntsecretary.com will provide one "Free Run" to each of the top 10 points handlers. I am thrilled with the success of this program and deeply appreciate our sponsors for their support of our youth.

I Love HRC, the People, & the Dogs...

God bless you all.

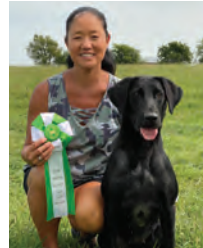

Pat Johnson, Vice President

Hello HRC family, I hope this finds everyone doing well. Hunt test season is in full swing across most of the country. As I write this, Rita and I are packing for the Spring Grand. It is always fun to see people I only get to see a couple of times a year, and meet new people as well. I am always humbled by the talent of the dogs running the Grand; they are the elite

of our program. With the hunt test season, we get out, train, run our dogs, and meet new friends and visit old friends. I have attended a few anniversary tests this spring; drove to Grenada, MS, for Southern Flight's 20th Anniversary, and made a trip to Kansas City, MO, for their 20th as well. The coolest one this spring was Lone Star, celebrating 40 years as a club. All the clubs did an outstanding job with their test, and it was an honor to judge while celebrating anniversaries with the club and other HRC members. Anytime a club celebrates anniversaries, it says a lot about the members and their dedication to the club. It has been great to see that the youth handler program is doing well, and the kids are getting involved with our sport and enjoying themselves. They are the future leaders of HRC, and the younger we get them

involved, the better HRC will be in the future. It is fun to see pictures in the club reports of them running their dogs and being able to watch them in person. Also, there have been a couple of ladies' seminars already this year, and it is good to see the women and young ladies getting involved. If mama is involved, then the whole family is. Hope everyone has a great spring training and running tests with their dogs. Always remember, while running our retrievers, to please always remember sportsmanship! Everyone, be safe traveling this spring.

Kristine Odden, Treasurer

Greetings from a calm, but deceptive Oklahoma! One week we may have beautiful spring weather, and the next day it's trying to destroy everything with torrential rain, baseball-sized hail, and tornadoes all around... So far, we have been lucky dodging them in our neck of the woods.

In the meantime, it's been a busy spring so far with working at our club's hunt test as well as judging at a couple of tests. It was such a joy to judge at both Lonestar HRC's 40th Anniversary test as well as Kansas City HRC's 20th Anniversary test. And how cool it was to have one of the original members of Lonestar's club run at my test. Of course, Mr. Larry Lauck and his pup did a great job, but it was also fun to listen to some of his stories from back in the early days of the club! It was also a privilege to judge alongside one of HRC's long-standing members, Arlene Gandy, at Lonestar's test.

The next few months will definitely keep me busy traveling to states such as Michigan for the Great Lakes' 40th Anniversary hunt test, Green Country RC here in Oklahoma, St. Louis for the National Meeting, South Dakota for Dakota HRC's test, and Minnesota for the Land of Lakes' Anniversary test. I'm looking forward to meeting new people, but also seeing friends that I get to see only a couple of times a year.

As of this writing, the Spring Grand is upon us, and while I won't be there in person, I will be cheering on the handlers in spirit. And I will enjoy all the photos posted on Facebook. Best of luck to everyone, and safe travels to and from the Grand.

As always, stay safe this summer and see you at the line, whether from the judge's chair or at a hunt test!

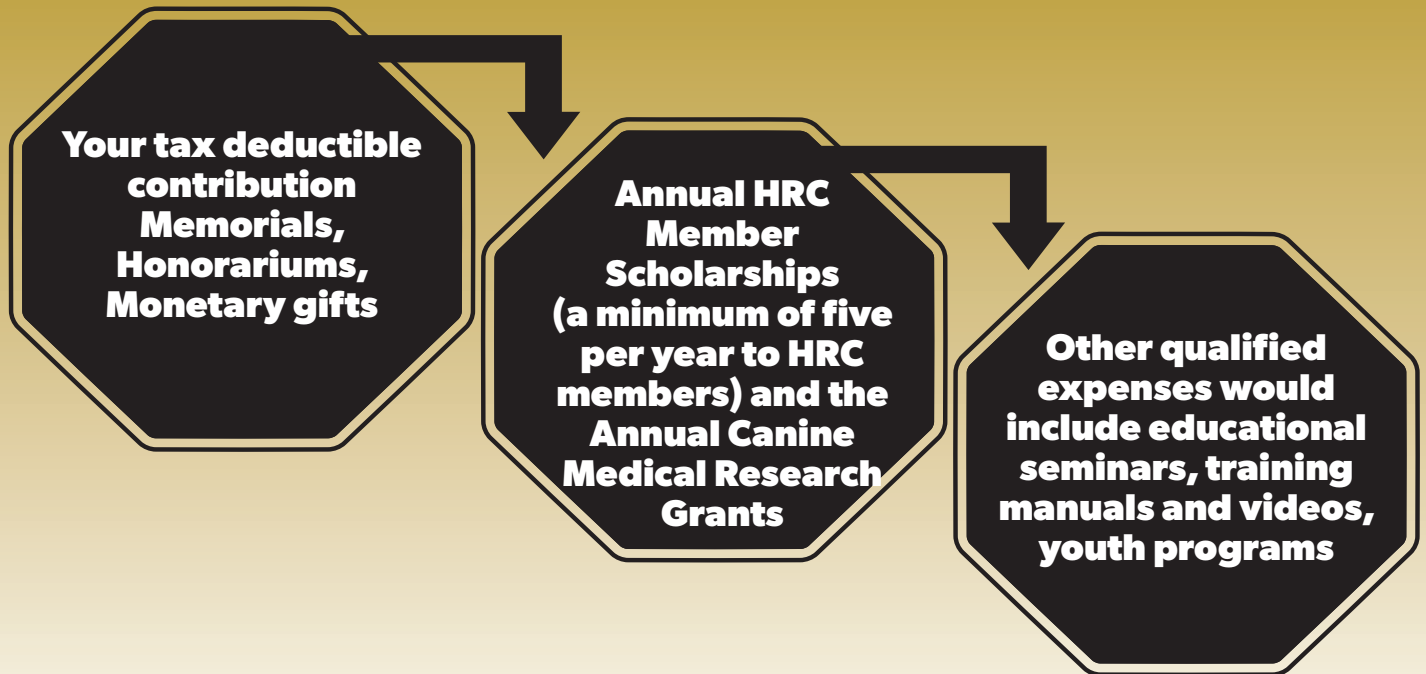

Blessings!

By the time our Finished retriever is a graybeard, we hope selection of order, whether a blind or a mark, comes as easily as following the 870 barrel to the next duck.

TRAINING TO SELECT ORDER OF RETRIEVES

Rich Carpenter | 22039 County Rd 9, Weldona, CO 80653 | rich@theriverbottom.com

Some time ago, I received an email from a friend. He and his wife had gotten involved in HRC and were trying to train their dogs to run Finished hunt tests as well as hunt at the Finished level. He was wondering if I could share some thoughts on selecting order of marks, as well as running poison-bird blinds.

I said I'd give it a rip, prefacing what I would suggest by saying that I like to teach order selection when the dog is young, and it is easiest then, as part of a normal learning flow. Like most habits, changing one that is firmly in place is a little harder, and just like the smoker who has quit cold turkey for three years, when all the environmental clues line up just right, will still reach to the pocket for a cigarette that's not there. All I'm saying is don't be totally surprised if, even once it's taught, if taught to an older dog, occasionally your dogs may start for the selected bird and almost immediately swerve for the one they would choose on their own. There are probably several ways to go at it with experienced dogs, but I think much of what I'd do with a young dog will apply as well. I see selection of order of marks to be very closely related to learning both coarse and fine lining and positioning for blind retrieves. To me, another important ingredient is getting the dog to understand that the retrieve order is always changeable.

Often, the biggest first step to getting a dog to select order is to get the dog to move from the self-selected first bird to retriever (usually the go bird) and look at another mark. The drills you do to position a dog for a blind are helpful. People do it in different ways, but one approach to moving the dog left and right to take a good line is related to the handler's verbal and non-verbal actions. For example, "Here" in the Lardy approach means the

Bright-eyed young pup says, "Hold my bowl of puppy chow. I think I got this selection of order thing!"

dog's head is to come to you. This is true with both a right-heeling and left-heeling dog, though in the first case it moves the dog's direction of view to the left, and in a left-heeling dog it moves it to the right. "Heel" rotates the dog's rear end closer to the handler's leg.

Along with the verbal cue or command, I train the dog to respond to, practice, and am consistent that whenever I say "Heel", my leg nearest the dog will move forward. This has a little psychological effect of "pushing" the dog away a little. Likewise, when I say "Here," I move my near leg back just a little to help pull. If this is not something you've taught your dogs, I'd start it with a leash for "here," and sometimes, if your arms are short, the old Mike Gould Power Bar is helpful for "heel," where you want to "push" the dog away. Actually, the bar can be used for both here and heel. It is just a wooden dowel (round, approx. 5/8 in x 3 ft) you'd buy at a hardware store or lumberyard. Get a small eye screw and a leash snap. Attach the snap to the eye screw and screw it into the end of the dowel after drilling a small hole to help keep it from cracking. Then I'd wrap some wire around and cover it with duct tape to help keep the screw from splitting the dowel.

Now you can use the bar like you would a leash, but unlike the cooked spaghetti of a leash, it's like uncooked spaghetti, and you can push the dog gently away. You may not need it, but with some dogs it can be handy. Also handy with a dog that heels, hugging your leg to where it's hard to walk.

Now I'd practice until both you and your dogs are dancing properly together, and the handler is leading in the dance.

With an experienced dog who has run a lot of 4- and 8-spoked wagon wheel drills, you might be able to dispense with the above way of beginning and go to the wagon wheel drill. You don't need a lot of space for this, and you can do it in your backyard. Mark your spots so you are always in the same spot for each dummy.

Well, on the way home with a new pup at eight weeks old, both handler and retriever are probably dreaming of the first bird and maybe a Started hunt test. Or dinner and a nap!

Right now, for the young retriever, selection is not yet an issue, but bringing it back might not be 100% reliable with an exciting, fresh pigeon.

For this purpose, I'd start with 4 dummies at 12, 3, 6, and 9 o'clock, and make them white dummies. Now face one of them with the dog at heel. Send to the dummy. When the dog returns, toss the dummy back to the same spot, then say "Here" or "Heel," and move the dog to the next bird, 90 degrees to the left or right. You want to be very alert here that you, as the handler, are using the "here" with leg moving back or "heel" with leg moving forward appropriately for the dummy you will pick up next. Repeat and pick another one. Sometimes move counterclockwise and sometimes clockwise. Sometimes move to the next one, and sometimes move 180 degrees. A lot of people will teach this accompanied by a "No" verbal command after they toss the dummy back, and the dog is looking at it, and before they say here or heel. If you do this, fine. If you don't, and want a verbal clue, I'd suggest using "Wrong" rather than "No," in that the dog isn't really doing anything wrong; it is just looking in the wrong direction, and you'd like it to put its radar back on scan mode.

When this is going good, I'd replace two of the dummies opposite each other with orange dummies. This is just a step toward helping the dog understand it doesn't necessarily go to what it's seeing at the moment.

Repeat the drill a few times, and then put out a white dummy at 1:30, 4:30, 7:30, and 10:30 for an 8-spoked wagon wheel. I'd leave the orange ones where they were, since the dogs are used to this and it's not really a full fine lining blind drill here, where you might make every other dummy orange and further out than the original 4.

When this is going solid, then I'd heel the dog and throw a wide double for the dog. Let's assume I'm running a left-heeling dog, and the order of falls is right to left. When it faces the left "go" bird, I'd say "Wrong," "Here" as I move

my left leg back, and turn to the right to face the memory bird. If the dog looks back at the go bird, I'd say again, "Wrong." "Here," if that doesn't work (which would surprise me if you've been drilling), I'd put a leash on and help the dog come around to face the correct bird. Send the dog to the memory bird first and watch closely in case it tries to divert to the go bird. If so, whistle, "no," call back to heel, and start over. I would NOT use the collar or really do any physical or even harsh verbal correction, just redo and gently but firmly get the results you want, if it takes 10 repetitions. Attrition is a powerful but gentle tool.

I think you'll find that, by doing this, following some good, solid performance on the wagon wheel, the dog will pick this selection up very quickly.

Now, before I'd go to the field and begin making things more tempting and complex with tighter marks and triples, I'd do a little of one of what I call "flannel board" drills that can help a dog be pretty suction-proof. I'd still be in the yard, but in a slightly different spot than the dog had sat for the wagon wheel.

Now, again, using only white dummies, I'd throw a set of short widespread triples in the back yard and end with either the right or left bird as the go bird. "Wrong" your dog off of that go bird (if you use a verbal cue) and "Here" or "Heel" to face the outside bird on the opposite side. If the dog veers back to go bird or center bird, then I'd say "No," "Come," and not re-throw, but set back up to the bird you want them to go to and try again. If the dog succeeds in getting the wrong bird, I'd quietly say "No," take it from the dog, replace it, and take the dog back to the line to do it right—no punishment, no collar, only the "No" and attrition. We are teaching and making reliable. Once it picks up the correct bird (dummy), let it pick up the remaining two in its choice of order.

When that works well, then select from an outside go bird to the center bird. When that is going smoothly in all combinations, then select both the first and the second bird for the dog, rather than letting them select.

Now, I'd prove this a little by making the go bird an actual bird, and the other two marks dummies. Again, if there are errors, "No" and call in and try again, or if the dog gets the bird, calmly take it from the dog, replace it, and start over. We don't want to get loud or make a big deal, as it isn't "NO, Mutt! You'll never get this bird!" We don't want to get the dog where it's afraid to get that bird; we're just showing the dog that we'll get all the birds, BUT we need to learn to do it in the order I choose.

A different flannel board drill is to throw that triple, then "wrong" the dog off the go bird and turn 180 degrees to send the dog to a while dummy blind that you planted before you came out. Again, just in the yard. (This is a blind in name only. Certainly not a cold blind. I

certainly belong to the school that says never run short cold blinds. This is a yard drill.) Then do this with a bird for the go bird and dummies everywhere else. When you run this blind, it's very important that when you've got the dog facing that way, you give your "dead bird" or "blind retrieve" verbal cue that it will be a blind. To me, it is very important to teach the dog that it's not about suction; it's not about getting this bird first. We'll get all the birds; we'll make a game of doing it in my order. It really helps take the suction out of it. For example, on the poison bird blind at a Finished water test that gave a lot of dogs grief, I didn't even "Wrong" or "No" my dog on it, just said "Heel," turned to my left to face the blind when she came back from the last mark facing the poison bird. I said, "Dead Bird" (my cue for a blind), and when I saw she'd locked in the correct direction, sent her with "Back." She never looked at the poison bird again and lined the blind. I'm convinced these little flannel board drills run when she was young, and frequently even after she has 800+ points, make selection on marks or poison-bird blinds old hat.

Back to selection of order, now, I'd go to the field and start easy and repeat what you did in the yard. Make the marks easy to find so the dog doesn't hunt long enough to affect memory, or open up the hunt to where it may get into another fall area if not handled. Again, I'd start with a wide double, then narrower. Then move to triples that are easy and later tighter. I'd also incorporate poison bird blinds part of the time, since that is so much related to the selection process.

I think you'll be pleasantly surprised that while this takes some time, it's relatively painless for you and the dogs, and they'll get pretty good at it in the field quicker than you think. Even in the field, on occasion, I'd have that go bird very short and visible and a real bird, while the rest of the marks are dummies. Or run a poison-bird blind past it before picking it up.

Now you'll want to work on this now and then in the field, but don't do a steady diet once you've got it down, or it can make marking deteriorate for a bit.

By now, if you can do it in the more exciting setting of the marks at a club training day, especially with birds, you'll be ready to use it in a test.

How do you use it? Well, clearly, the one way is when the judges tell you what order you will pick the marks up in. The rest of it is strategy and tactics. And part of the time, it is the attack, in all probability, that you need to take to succeed. In other situations, what may be right for my dog and me may be something different for the team of you and your dog. A couple of examples:

Example 1. Marking scenario is such that to have much of a chance to succeed, all handlers will need to employ the strategy of selection. First bird down is well off to

Selection of order of retrieve is not part of the agenda in Seasoned hunt tests. But it is a good time to begin addressing the skill for hunting, and when moving to Finished.

your right and plays no part in the selection decision. The second bird down is slightly to the left of 90 degrees from the first bird down and is short and in fairly open cover. Go bird is 30 degrees to the left of the second bird and 60 yards deeper down a chute in the cover, and very difficult to handle the dog to. The wind is blowing right to left perpendicular to a line running between the second and third birds. Now then, let the dog head to pick up the go bird first, and it's going to likely be a long day with no ribbon at the end. The dog will get a good start, wind the nearby #2 bird, and think, "Wow, I thought it was a little further, but, oh well." The dog picks it up and then, probably if it is a typical dog, will frequently go outside-outside (or it thinks it did) and turn to the first bird down. Now it comes back and lines up on the center bird of the tight #2 and #3 birds, and it's in trouble, as it is sure it already got the long left bird, and you have to handle, and the left bird is not a handling bird.

Solution: Go bird hits the ground, "Wrong," "Here" (if it's a left-heeling dog). Be certain the dog has bought into selecting the middle short bird and locked in, then send it. Now, let it get whatever it wants for #2 and #3. In all likelihood, it will pick up the go bird second and the first bird down as the memory bird. But it doesn't matter, as long as it knows what it's doing.

Example 2. Marking scenario that happens to hit a weak spot in your dog. Marks are thrown as follows: First bird down is the middle bird, thrown very short (60 yards). The second bird down is 40 degrees right of that bird and at 150 yards. Go bird is to the left of the short center bird and lands at 125 yards. This is the old classic field trial intended triple. It tends to affect a lot of dogs. It doesn't affect other dogs. But the effect on most dogs is that they pick up the long go bird, then they go back outside for a second retrieve and get the even longer right-hand bird. Now they come back, line up center, forget it is short, and blow way past it, and may have to be handled TO the

If we're lucky enough to shoot a double on ringnecks, the first bird down better be graveyard dead or we better be able to select order of marks. And quick!

mark. One mark down you'd rather not have.

Solution: When the dog faces the go bird, "Wrong," "here" (if it's a left-heeling dog), move to the center bird, ascertain the dog has bought your selection, and kick off to that short bird. Again, let the dog pick the order of the remaining two. Here, this is you as a handler knowing your dog. If I were running some dogs I've owned, I'd not select them, as they didn't have that particular weakness. If it were a dog with that weakness, I'd have selected or thrown out an anchor whistle if it had reached the area of the fall and there was a hot blind behind it. It's not uncommon for dogs to be suckers for the indented triple.

Lots of other scenarios, some that make selection smart for everyone, some that make selection smart if something is pitched to your dog's weakness. Some may just be bad luck of the draw, but not bad enough for a no bird. For example, my second bird down just misses the sandbar and is slowly drifting downriver. I'd better get it at least second, if not first, if I don't want a bunch of handling and maybe a bird I cannot get.

When to select generally in tests? My rule of thumb is that if I don't select, I will most likely pay a price I can't afford and not get a ribbon; I select order. If it is not critical to the result, I will not select, as unless a dog practices selection a lot, we run the risk of slightly

affecting marking by us messing with their retrieve plan. This can be true whether primary or secondary selection of marks.

Now, one more ongoing drill. I've started my last three retrievers on this early at the wagon wheel stage, and I do it at least once a week still. I will take half a dozen dummies (or toss in a bird if I have one), and put them in a line, spaced maybe 10 feet apart. Now I'll bring my dog, and we will heel beside the birds. We will heel right down the line over the birds. Now we will heel down the line, like in walking force fetch, and I'll tell it randomly to pick up a bird, replacing any we pick up. Now we'll heel backward beside the line of birds. Now we will figure 8 around the birds going down the line. Then we will move to the middle of the line of birds and maybe 30 feet off to the side, and I will throw a dummy right across the line of birds (dummies) and try to put it directly over one of the dummies and send the dog to the mark. It's all about "dummies are of interest only if that dummy is our current focus." Otherwise, they are part of the scenery. Then we finish by going to the other side of the line and picking a distance and position that will make the lines to the dummies tighter or wider, depending on the stage of training of the dog and our mood. We'll randomly pick a dummy, line to it, toss it back, and pick another one. The whole thing takes 5-6 minutes, is done in the backyard at home, but still reviews a lot of control, focus, suction, and selection issues that are kept fresh in the dog's mind and ready to use in the field or on the line at a test.

I hope this makes sense, helps, and isn't overly confusing. It can sure make life less stressful on the line when you are confident your dog will buy your plan of what to retrieve when, regardless of whether a mark or a blind.

And if you think about it a bit, you can come up with quite a number of scenarios in the duck blind where this makes the difference between you having a roast mallard or a coon having a duck dinner. And a truly Finished hunting retriever is why a lot of us are active in HRC Hunt Tests.

"Conceived by hunters for hunters"—our motto and has been our reality.

HONOR TO WHOM HONOR IS DUE[®]

MUD, MAYHEM, and MALLARDS

By: Lynne Frady

In the hunting world, there is a carefully manufactured myth. It is the story of the rugged hunter and his loyal canine companion. The hunter issues a crisp command. The dog executes it flawlessly. Both return home in a state of mutual respect.

This is fiction. Anyone who has ever invested four figures in a hunting retriever knows the truth. The line between the master and the servant is thin. In fact, the dog is the one running the show.

Let's dive into the interesting world of the Waterfowl hunter.

- **The \$3,500 Asset vs. the \$15.00 Dividend**

Let's look at the basic financial math of waterfowl hunting. You purchase a UKC-registered pup. You pay for health clearances, high-protein food, and specialized bumpers. You invest months of sweat equity with whistle commands and blind retrieves. By the time that dog is ready for the blind, you have a rolling \$8K asset sitting in your truck.

Then comes opening morning. A lone greenhead mallard drops into the decoys. You make the perfect shot, and your dog leaps into the icy water, executes a perfect line, and delivers the bird to your hand. You feel

a surge of pride! Then the calculation hits you. You just deployed a \$10K piece of high-performance machinery to recover a \$15 piece of wild poultry. If you factor in gas, ammunition, and gear, that duck costs more per ounce than premium Wagyu beef. Your retriever knows this. The look in his eyes as he hands you the bird says it all. "I did my job. Now, pull out the Little Debbie's and the ham sandwich you have stuffed in your lunch bag."

- **The Secret Cost of Truce: Vehicle Maintenance**

The financial bleed does not stop at the water's edge. The true indicator of who rules the relationship lies in the state of your truck. A hunting retriever does not merely ride in a vehicle. A retriever claims it through biological warfare.

After a morning in the marsh, your dog brings half of the swamp back into the cab. There is the wet-dog aroma that permanently bakes into the upholstery. There is a fine layer of dried mud coating the dashboard. There is the mysterious slime on the passenger-side window where a wet nose has been used for an art project.

Professional detailing after a heavy weekend can cost hundreds of dollars. Most hunters simply accept defeat. They drive a rolling marsh ecosystem because cleaning it

is a futile exercise. The dog has successfully remodeled your \$70,000 truck into a mobile kennel.

- **The Retail Expedition**

The ultimate test of your patience—and your wallet—happens the day you decide to treat your retriever like a human child and bring him along to the outdoor store to “choose his own gear.” You tell yourself it will be a bonding and social experience. You imagine him sniffing two different bumpers and politely nudging the one he prefers.

The reality begins the moment the automatic sliding door’s part. Your highly trained \$8K canine athlete immediately forgets every syllable of his obedience training. The scent of beef jerky, candied pecans, premium rubber floor mats, and the taxidermy mountain now on the wall hits his nose, and his brain short-circuits.

- **The Aslie of Destruction**

You attempt to navigate the dog training aisle with some semblance of dignity. You are holding a \$90 floating dummy launcher, trying to read the instructions, while your canine CFO uses his tail like a Weed Wacker to clear out the entire bottom shelf of duck calls. He spots a life-sized, motorized, spinning-wing mallard decoy on display. To him, this isn’t a hunting aid; it is a giant mechanical bird that needs to be retrieved immediately. He launches his 80-pound frame toward the display, forcing you to execute a tactical tackle on the polished concrete floor. You pull him away from the decoys only to find him standing in front of the training scents. Before you can intervene, he tipped over a bottle of concentrated, synthetic fox urine. He has already hit the floor in a full gator roll to coat himself in the aroma he considered cover scent.

- **The Financial Choice**

When it finally comes time to choose a new fetching toy, you line up three options on the floor to see which one he picks. You have a high-tech, aerodynamic orange bumper, a Dokken dead fowl trainer, and a cheap, generic plush mallard that squeaks.

Your highly intelligent partner ignores your premium hunting gear altogether and grabs a massive, overpriced, camo-patterned memory foam dog bed meant for a Great Dane. He drags it out into the main aisle and collapses on it. He refuses to move. The entire store is now watching you. You can either drag an 80-pound dog across the floor like a stubborn mule, or you can buy the \$200 bed.

- **The Checkout Humiliation**

You end up at the register, covered in sweat, holding a basket of items you didn’t know you needed and a \$200 dog bed, while your dog rests his chin on the conveyor belt. As the cashier rings up your total, which looks remarkably like a monthly truck payment, your retriever reaches over and licks the cashier directly across the face.

The cashier smiles and hands him a free biscuit. Your dog accepts it with the smug satisfaction of a corporate executive who just closed a major deal using your credit card. At least the dog biscuit was free, per se.

- **The Kitchen Table Negotiation:**

This brings us to the most difficult part of the hunting partnership: the spousal debrief. Every hunting season requires a complex justification speech delivered to your significant other regarding the household budget.

The conversation usually begins when a new premium dog vest, the latest e-collar, or a \$200 dog bed arrives at your home. “It’s an investment in safety. If the dog gets cold or injured, the vet bills will be astronomical. We are saving money by buying this top-tier gear.”

Your best four-legged fur-covered hunting buddy sits nearby, thumping his tail, fully aware that his gear wardrobe is now more expensive than your living room furniture. So, as you explain why the family sedan needs new tires, the dog absolutely required a custom molded, insulated kennel for the truck bed. You are no longer a proud hunter. You are a defense attorney representing a client who pays you in muddy handshakes and dead birds.

- **The Final Verdict**

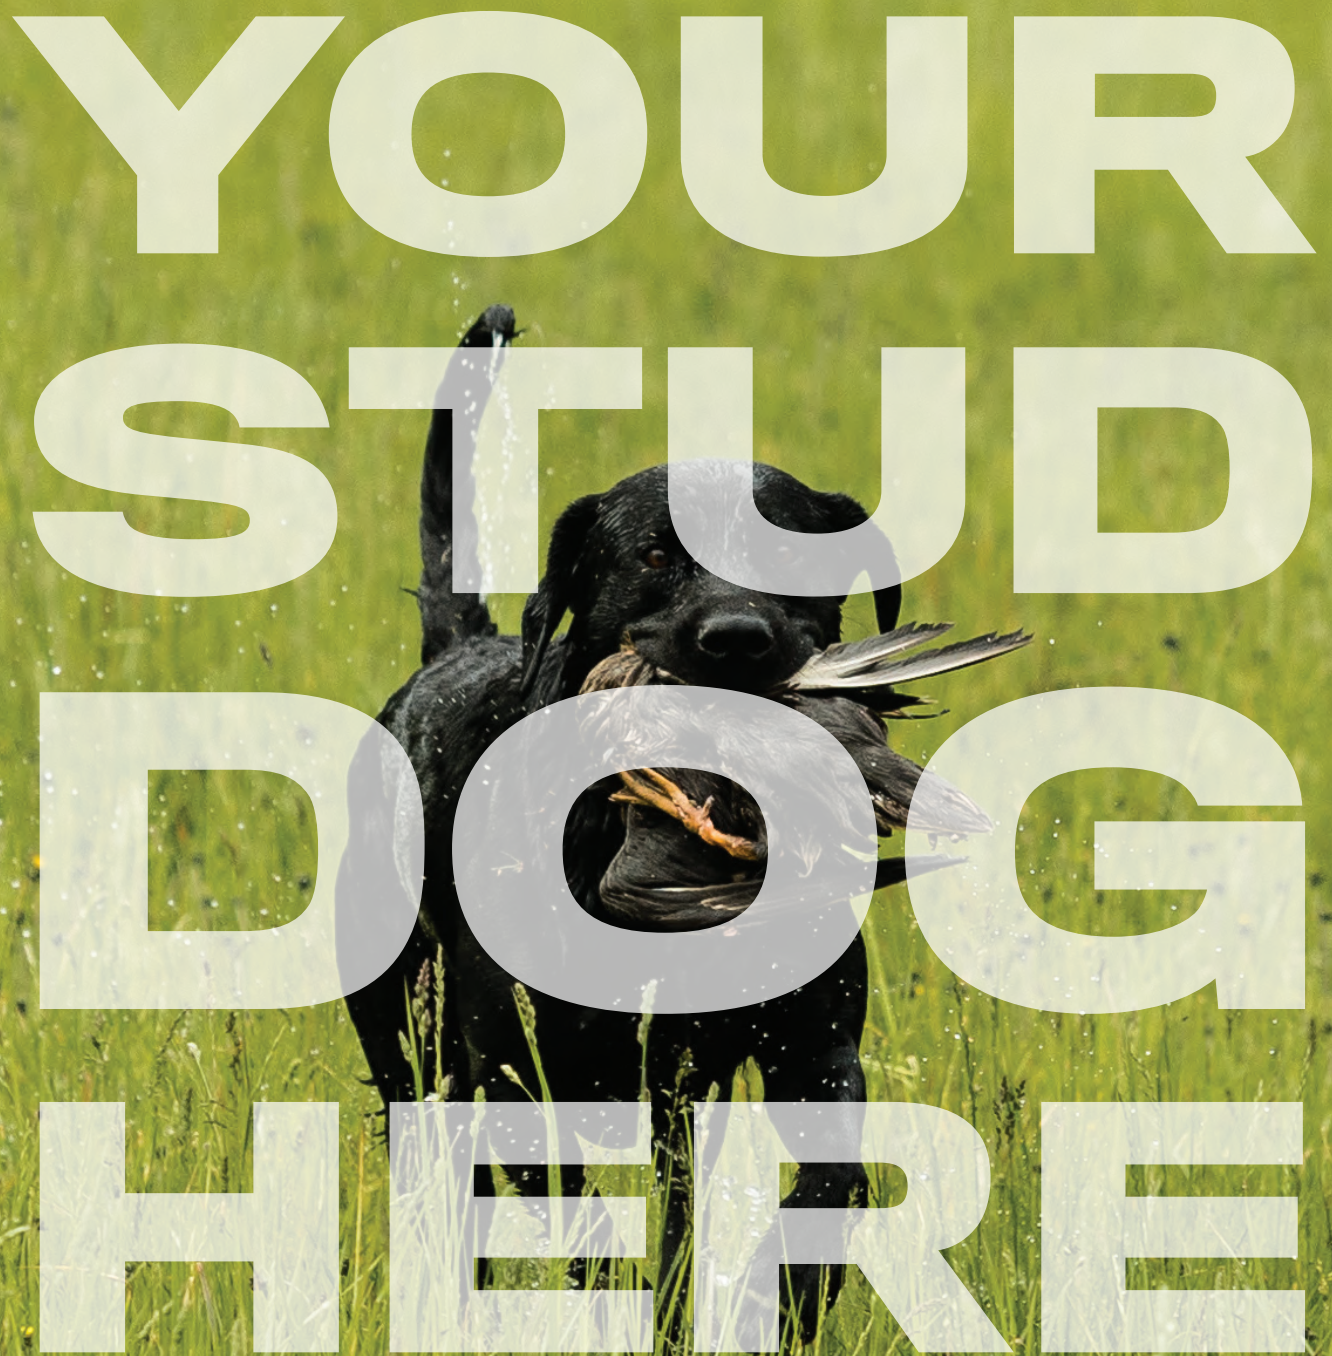

When the sun sets over the decoys, the power dynamic becomes clear. You are shivering, your coffee is cold, and your back aches from sitting on a bucket in your favorite hunting blind. You have on a hunting coat from 1998, and your waders leak. Your handsome, finely honed athlete slept on your expensive gear bag when the action was non-existent.

You drive home with your retriever curled up on the seat beside you, because it seemed a little too cold for him to ride in his new insulated kennel in the back of the truck, even with the \$200 memory foam dog bed inside. He lies there completely content, snoring like a Stihl chainsaw. You look at the mud, you think about your bank account, and you smile. The hunt was perfect, every retrieve was flawless, and you are coming home with your limit. This is when you realize you aren’t the boss. You are the chauffeur, the financier, and the personal chef to the most incredible retriever God placed on this earth. And you can’t wait to do it again next weekend!

Mud, mayhem, and mallards, our dogs take us on incredible journeys and places we could never imagine. It’s not wasted money; it is our therapy, an investment in our souls and memories that will endure time. Priceless!

Until next time, keep your nose in the wind!

A black dog is running through tall green grass, carrying a bird in its mouth. The dog is looking towards the camera. The background is a bright, sunny field of grass.

ATTENTION, ALL HRC CLUBS!

If you would like to have your club report included in the Region Reports section of HUNTING RETRIEVER, please follow these guidelines.

- First and foremost, be aware of the magazine deadlines. Each Public Relations Representative must observe the magazine deadlines, so make every effort to get your material to them well ahead of each deadline. They will need time to compile all the club reports into one document, so don't wait until the last minute to send or e-mail your information to them.

The deadline is the 15th of January, March, May, July, September and November (or the next business day thereafter if the deadline falls on a weekend or holiday). That is the final date the material must be into the magazine, therefore, ideally, all club reports should be received by the Representative no later than the 10th.

- Any club reports sent directly to HUNTING RETRIEVER magazine, bypassing the PR Rep, will be returned to the sender.
- If your club is not going to submit a report, be sure to let the Representative know so they are not waiting on it.
- Very Important! If you are emailing photos, please send each one as a separate

attachment, and please supply photo captions for each photo. Please don't embed the photos in your text document as this changes the values of the photos, making them unusable.

- Please don't alter the photos in any way - including changing the file size or the resolution, and cropping. Please remember that all digital photos will reproduce at the same resolution at which they were taken. A photo taken at a low resolution photo will remain "low res" even if it is "bumped up."
- Please furnish clear descriptions and/or captions for all photos.
- *If the photos were taken by a professional photographer, written permission to publish must have been obtained, and a photo credit must be included.
- Region Report Content Guidelines: The following can be included in the Region Reports: Hunt test descriptions; hunt test photos (group pass photos, for example); items that will be of interest to all national members; photos that relate to the report.
- Please proof all of your material before sending it to the Public Relations Representative.

Georgian Bay HRC – Submitted by Mike Masucci.

GBHRC has been a busy bunch! We recently held our UKC licensed shed trial with great success and a great opportunity to allow our members to work on “the hunt” with our hunting dogs. Members of our club will be busy in the coming weeks preparing our grounds for our July 12th test. With growing club numbers and a successful start to the year, Georgian Bay is off to the races. See you at our test!

Ottawa Valley HRC – Submitted by Bruce Hood.

Thursday evening training started up again in late April at Mount Pakenham. Returning members were happy to see each other and resume training after a long, snowy winter. We were also pleased to welcome new members Rob and Hilary Monico from Lake Ontario HRC, who are moving to the Ottawa Valley. Hilary is our new Secretary/Treasurer. The Club is training on land for several weeks until the water warms up and we can safely get the dogs swimming.

New Executive President Rod Stoddart, Vice President Jordan Sheldrick, and Secretary/Treasurer Hilary Monico.

Mount Pakenham.

Luther Marsh HRC – Submitted by Sue Snow.

We are only just into 2026, and our club has already been very busy! January brought our AGM, where a new executive board was elected: Dwayne Clark (President), Gerry Wickens (Vice President), Dave McClennan (Treasurer), and Sue Snow (Secretary).

February brought Luther Marsh sponsoring a Judges’ and Handlers’ seminar, and in early March, we held an upland training day for members and potential members. Club

members were able to put this training to the test on March 28th, with passes and titles being achieved at our annual Upland Hunt.

April brought another club training day focusing on marks and blinds, with the regular hunt season quickly approaching. The preparations have begun for our Regular Hunt, August 8th - 9th.

If you are interested in our training days or joining the club, please reach out to luthermarshhrc@gmail.com. Looking forward to seeing everyone throughout the year!

A cold day to train.

Judges’/Handlers’ Seminar.

The kids were so happy to find the birds.

Essex HRC – Submitted by Kevin Miller.

Wow! Where do I begin? Here at Essex, we just completed our May Hunt Test. Turnout was better than expected for an early spring test here in the North. Talk about some great dog work, not to mention some pretty fine handling from the handlers. It was good to see the teamwork between dog and handler.

Special thanks to the Judges for setting up some nice tests and to the club members for making the day a success. We could not have done it without everyone. Everyone had a great time. Even the weather was shining on us.

Hope to see everyone back in July for our Summer Hunt Test.

Dog running with a bird back from a mark.

Waiting on a mark.

Well done, good sir.

You got this!

You are blowing this away.

Atlantic Flyway Retriever Club – No report submitted. Robert Johnson, President, duckhunterrj@aol.com.

Backwoods HRC – Submitted by Marcus Bullock, marcusbullock22@gmail.com.

Hello HRC Family, with the Spring Hunt Test Season winding down, it has been nice to reflect on our club members' successes. Numerous Backwoods HRC Members competed on the HRC circuit and collected ribbons as a result of their hard work and training. Additionally, our club would like to give a sincere thank you to all who volunteered, participated, and competed in our Hunt Test this Spring. With the hotter months approaching in the Carolinas, we urge everyone to be safe and train diligently.

RJ Turner and Tuff picked up another Finished pass at CBSRC.

Congrats on your HRCH.

Lake Ontario HRC – Submitted by Mikayla Wilson.

Lake Ontario has started its training days, and they are doing really well. We are looking forward to the summer as we prepare for our annual hunt test.

See you all there!

Jeffrey Enos

Long Island Retriever Field Trial Club – Submitted by Jeff Lomanoca.

Long Island Retriever Field Trial Club is looking forward to a busy spring and summer season. After our usual Spring date was canceled due to our permit not being approved, we're excited to announce that our club has officially been approved to host an HRC Hunt Test on Saturday, June 27, and Sunday, June 28, 2026, at Otis Pike Preserve in Manorville, New York.

This event was added to our calendar after Hudson Highlands unfortunately had to cancel their test, and we're happy to help provide another HRC opportunity for handlers and dogs in our region. Entries and additional details will be available on HuntSecretary as we get closer to the event.

Our members have been active with training and running dogs in tests as our season has gotten underway. We've already had some ribbons and titles within the club. We look forward to seeing many familiar faces, new handlers, and hard-working retrievers in the field this year.

Granite State HRC – Submitted by Jeff Enos.

Jeff Enos has traveled to The Grand with Whiskey and John Truver's dog, Bene. Jeff delivered a litter of puppies to a buyer in Arkansas on 4/18, then did his pre-Grand training at Ace Acres in Arkansas for 3 weeks.

The club is holding our first training day on 5/17.

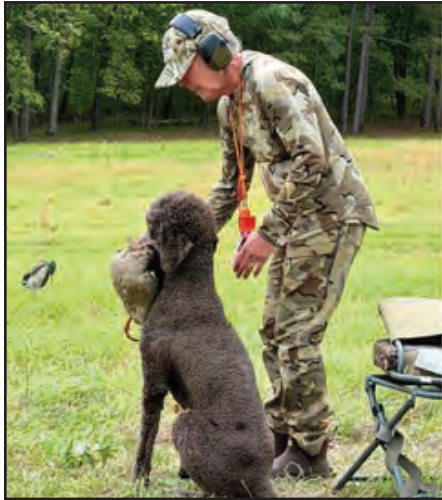

The club would like to welcome its new club member, John DiPerrio. John purchased a new Labrador puppy from Jeff, and we are looking for big things from him and his dog, "Chase," in the coming years.

Luke Whitley and a truckload of BHRC Ribbons. He went 100% with his crew of young dogs.

Collin Carlton and Ivey went 2/2 in Seasoned at BHRC.

Betty Cantey and her dog 'G' running Seasoned.

Joanne Smith running the Seasoned land series.

Long-time friend of the club, Tony Carlo, focused on the Seasoned land series.

Friends Don Garrett and Tracy Hayes share a moment of appreciation.

Will Sheftall's dog, Corvi, picked up her 2nd Finished pass at Cherokee Foothills.

Carolina Boykin Spaniel RC – Submitted by Josh Pope, Club President.

We would like to extend a heartfelt thank you to everyone who participated in our annual Hunt Test this past April. It was a fantastic event filled with great runs, plenty of camaraderie, and a well earned collection of ribbons. We are especially grateful to our judges and volunteers—this event would not be possible without your dedication, hard work, and countless hours of preparation.

As another successful year comes to a close, be on the lookout for our upcoming event schedule, which will be released later this summer. Thank you once again to all who helped make this year such a success. We look forward to seeing everyone back in the field for another great season.

Our Spring Hunt Test in Hodges was a great success, and we truly enjoyed a weekend filled with talented dogs, dedicated handlers, and great fellowship with friends old and new. We're already looking forward to our next hunt test coming up in November! Be sure to watch for announcements about upcoming training days and club events in the months ahead.

Congratulations to John and Kathy Cafiero on Alifair earning 500 points—a wonderful accomplishment and testament to their hard work and dedication!

We were proud to have a large group of youth handlers participate in our Spring Hunt Test youth event, where they showcased their skills while earning ribbons for their accomplishments.

Although the south is in a severe drought

situation, the weather has been perfect for training and running hunt tests. Some of our club members have been seen judging or running their dogs. Some handlers have been successful, and some may need a bit more training. But whatever the case, it has been a great spring to be out and about with your dog(s).

I would like to congratulate our Region 4/4A/4B field rep, Kevin Stewart, on his successful run at Low Country RC and reaching the 1,500 HRC point mark with his dog Rave. Rave is now a member of two elite Clubs. She is a Grand Hunting Retriever with enough points to be in the HRC Hall of Fame and is now a member of the 1,500 Point Club. Congratulations to both Kevin and Rave for the many devoted training hours spent, the traveling hours spent, and, of course, the money spent. But it is worth it!

Congratulations to our own Club Member, Drew Ellyson, and his dog, Cypress. They, too, reached a milestone at Low Country and passed both days to get Cypress's HRCH title. Cypress is a young dog with a lot of get-up-and-go! Something that Drew is not used to! The funny part of that day was that Drew took his title bath right on site, but without Cypress. She didn't know what to make of Dad jumping in the water and ran the other way.

Two other titles earned this spring were an SHR for Curtis (and Deborah) Hooks and Sprig. Deborah "overcame her fears" and ran Sprig for the third pass. It was her first time running a dog, and now that she has done it successfully, maybe she will try it again. Congratulations.

Final congratulations go to new club member Dylan Chandler and his dog, Ash. Don and I were fortunate to be at the same tests as Dylan this spring and to watch him and Ash go four-for-four for Ash's HRCH title. This is definitely a team that can go further if they choose.

Good luck to Don and Ali (who have done really well this spring) and Bobby and Wille (who have been working really hard with in-line retrieves) at The Grand.

Until next time, remember...Everyone thinks they have the best dog. And none of them is wrong.

Deborah and Sprig proudly display a third Pass ribbon.

Central Florida HRC – Submitted by Kelli Riggs, Club President.

The CFHRC has had a few changes to our Board of Directors since the last magazine. Congratulations to the following club members on their new positions: President—Kelli Riggs; Vice President—Erik Bluemke; Secretary—Sue Barnett; Treasurer—Hart Baker; and Director & Past President—Ray Caito.

The CFHRC held its Spring test in March and had a fabulous turnout. We had two Finished flights that were almost full, along with Started and Seasoned flights on both Saturday and Sunday. Day of entries really helped make the test a financial success. We thank our esteemed judges who put together some really interesting and fun tests. Our new Started judge, Bennett Sheltra, with her co-judge, Mike Orloff, really came up with some very creative Started tests that the handlers all raved about. We held our famous tailgate & raffle Saturday night, and all in attendance had a wonderful time. All in all, the test was a huge success! We are already in the planning stages for our Fall test.

The CFHRC is excited to announce that it will host a Judges' Seminar on July 18th, 2026, at the Caito farm in Groveland, Florida. The seminar will start promptly at 8:30 a.m. and will be held in an air-conditioned building. Lunch will be served to all attendees. The seminar is free, and everyone is welcome to attend. To reserve your spot, please reach out to Sue Barnett at Secretary@CFHRC.net.

Member Brags:

- Flat Coats Ryser and Edwin both earned Finished passes at the CFHRC Spring Hunt Test. This was young Edwin's first time stepping up to the line at a Finished test. Both boys are owned, trained, and handled by Kelli Riggs.

- Nova Scotia Duck Tolling Retriever, Reef, earned his Seasoned Title at the CFHRC Spring Hunt Test. Reef is owned, trained, and handled by Sue Barnett.

- Wendy Huntzinger and her golden puppy, Ruby Rae, earned their first two Started passes at our spring test.

- Walter Kennedy and his Golden Retriever, Flyer, passed both of the Finished tests at the CFHRC tests on March 21-22. That gave her enough points to earn her HRCH title. Officially, she is now HRCH Topbrass Frequent

Flyer.

- Ray Caito and his dog Traeger reached their 1,500 HRC points at the Midlands spring hunt test. Congratulations on this accomplishment!

Deer River HRC – Submitted by Billy Carey.

Deer River members are gearing up for the spring hunt test season and preparing for club training days. Deer River test weekends are always a great time, and we hope you will join us sometime in 2026. We have a lot of exciting events on the agenda for this year.

Tennessee River HRC – Submitted by Hannah McCurley.

Looking Forward to an Exciting Season with Tennessee River HRC. As the new season approaches, the members of Tennessee River HRC are excited and ready to welcome another year of great dogs, great people,

and great memories. Each season brings new opportunities to enjoy the sport we love, strengthen friendships, and celebrate the hard work of both handlers and their dogs.

Our club takes great pride in hosting events that bring together dedicated retriever enthusiasts from across the region. We are especially looking forward to seeing everyone at our upcoming April, July, and October Hunt Tests. These events are always a highlight of the year and give handlers and their dogs the chance to showcase their training, determination, and teamwork in a fun and supportive environment.

Of course, events like these don't happen without the incredible effort of many volunteers. From the judges and bird technicians to the workers, organizers, and everyone behind the scenes. Your dedication is what makes our tests run smoothly year after year. Tennessee River HRC is deeply grateful for the time, energy, and passion each of you brings to our club. Because of you, every event continues to be a success.

Beyond the competition, what truly makes our club special is the community. The friendships formed in the field, the shared knowledge, and the willingness to lend a helping hand are what make Tennessee River HRC such a welcoming place. Whether you are a longtime member or attending one of our tests for the first time, we are always excited to meet new people and welcome new faces into our retriever family.

As we head into the upcoming season, we encourage everyone to come out, bring their dogs, enjoy the camaraderie, and be part of another fantastic year with Tennessee River HRC.

Here's to great dogs, great friends, and another outstanding season ahead. We can't wait to see you at the line!

West TN HRC – Submitted by Jeremy Browning.

West Tennessee members just finished up hosting their first hunt test of the season. Thanks to all the handlers, judges, marshals, and bird techs for a successful weekend. Special thanks to the Pattersons for the use of their beautiful grounds at Maple Ridge Retrievers. We hope you will join us for a future West TN test.

Gun Creek HRC – Submitted by Kirk Keene.

At the time of this report, Gun Creek HRC is prepping for our spring test at the West KY WMA in Kevil. We are blessed to have such a wonderful place to host a test, and a huge shout-out to Tim Kreher and crew for all the work they do in keeping the WMA such a great place to train and hold retriever events.

The club will unveil new t-shirts at the spring test. This is the first time in several years we've had anything new to offer. I always enjoy seeing Gun Creek shirts on handlers whenever I'm out of state running events at other clubs. We appreciate all of you who have helped support our club with your purchases in years past.

Great Lakes HRC – Submitted by Phil Swedberg, President.

Hello again! We are only a week away from our club's 40th Anniversary back-to-back hunt test. We have a great weekend planned, and our club members always work hard, and of course, the dogs have a blast! We are thankful for the folks who founded our club and for those members who, throughout four decades, have kept our club active in HRC. Our club members will be heading to the Retriever Challenge in Northern Michigan for our weekend in June. We look forward to seeing our friends throughout the summer at tests throughout the Midwest!

Michigan HRC - Submitted by Caitlin Weller; Bob Zapalski, President.

Michigan HRC members are off to a strong start to the training season, focusing on sharpening skills and building consistency in their dogs. Several members are concentrating on pre-Grand training as they prepare for the challenges of competing at the highest level, while others have already found success at recent upland and hunt tests—showcasing the hard work put in over the winter months. The club's young dogs are also progressing well, developing solid foundations and working towards their first Started tests.

Members are especially excited about the club's new training grounds, which are already providing expanded opportunities to develop dogs at every level and will play an important role in future training and club events. As the club marks 40 years of training,

competition, and camaraderie, Michigan HRC is excited for the goals and accomplishments that lie ahead.

Ohio HRC – Submitted by Greg Emlinger, President.

Not too much to talk about here. Training is back in full swing, and everyone has been really busy. We have had several great training days already at Pioneer, Myzak Farms, and Leaping Waters. Test season is also starting to heat up. Keep your eyes open for our premium; we will hopefully get it posted soon. Going to be another great weekend—another great set of judges, Pioneer Camp, and of course, the potluck!

St. Clair Flats HRC – Submitted by Ken Frazee; Russell Dussett, Chapter President.

The start of 2026 brings optimism for our upcoming hunt test season and a reminder of much work to do. We resumed regular weekly club training this spring. Thanks to the great efforts of our club officers, we are back at Wetzel State Game Area. Securing and locating quality training grounds is so critical for each chapter. Our hunt test committee is gearing up to host our hunt test at the start of August. In March, several of us participated in the Great Lakes Upland Test. A fine group and test. Sean Houtekier's Louise earned his UHCH at this event. We are looking forward to seeing our fellow HRC members at future events this year.

WISILL HRC – Submitted by Maureen Shaw, President, Maureenshaw93@gmail.com.

At the beginning of April, WISILL hosted our annual Fun Hunt, which once again proved to be a valuable and enjoyable event. The fun hunt gives participants the opportunity to evaluate where their dogs are in a realistic hunt test setting prior to the start of the testing season. In addition to being a great training tool, the Fun Hunt also serves as an important fundraiser for the club, with proceeds supporting the Roger Davis and Paul Zellisko Honorary Scholarship Fund.

Regular club training has also kicked off, and it's been great to see members and their dogs making excellent progress. The dedication and consistency shown by our handlers continue to build a strong foundation for success in the months ahead.

WISILL was especially honored to have three club members selected to judge the 2027 Spring Grand. Congratulations to Tim Kingsfield, Len Gums, and Jim Caughey on this prestigious recognition. Being chosen to judge at the Grand level is a testament to their knowledge, experience, and commitment to the sport.

Looking ahead, we are excited to host our June Hunt Test in memory of Jerry D'Aprile and his dog, Chance. This special event will celebrate their many years of involvement with WISILL and their outstanding achievements. For those who may not know, Chance is the third-highest point dog in HRC history, an incredible accomplishment that reflects years of dedication and success.

We are sad to report that club co-founder Paul Zelisko lost his six-year battle with cancer.

We look forward to a successful test season and the opportunity to come together at upcoming events.

Arrowhead HRC – Submitted by Deann Zimmer; Jace Tramontin, President, mnretriever@gmail.com

In collaboration with the Minnesota Iron Range Retriever Club (MIRRC), we hosted an informal hunt test on May 2nd and an informal upland hunt test on May 3rd. We had 6 Started entries with 3 teams passing (Wade Samson with Rex, and Kelly Kosinski with Cheddar and YaYa). There were 13 Seasoned entries with 8 teams passing (Mike Madden with Hoss and Rose, John Thomas with Jettson, Deena Congdon with Ripp, Mark Ettl with Gert, Karen Vossbein with Chili and Hailey, and Vince Welk with Buddy) on Saturday. Thank you to Jace Tramontin and Chris Spikberg for judging. On Sunday, we had 7 Upland entries and 2 teams passed (Mark Ettl with Gert and Chris Spikberg with Hawkeye). Thank you to Cecil Epp and John Thomas for judging and for your patience with teaching the sport of UKC Upland tests, in which many of us had not previously had the opportunity to be involved. The weekend was a great opportunity for fellowship and training within a relaxed test environment. Thank you to all the volunteers and participants who came out to support the event.

Our Annual Regular Hunt Test is scheduled for August, with a banquet and raffle to follow on Saturday. Entries are open. We hope to see you there! There is nothing quite like Northern Minnesota in the summertime.

Green Country Retriever Club – Michael Bullen, President; Cheryl Blan, Public Relations, GreenCountryRetrieverClub@gmail.com; FB Page: Green Country Retriever Club.

Green Country Retriever Club is a group of retriever and dog enthusiasts who enjoy training, attending events, and hunting with our dogs, family, and friends. Our commitment to HRC is to give back to the sport and breeds that we love.

Spring Hunt Test season is in full swing. Club members have been out and about running/judging and working tests across Oklahoma, Missouri, Kansas, Arkansas, and Texas, putting in the hours, training, and giving back to the sport.

GCRC's commitment to HRC finds members Vernon Solis, Chad Harper, Jeff Wilder, and Jeff Bundy joining the judges pool as newly minted Started Judges. Recognizing members who have also taken the next step in Judging advancement, Nathan Atkinson and Beth Walizer as Seasoned Judges, with Lori Greer advancing as a Finished Judge. Congratulations to you all, and look forward to seeing you in the chair at the line.

South Arkansas HRC – Submitted by Troy Barrios, troy.barrios@uia-eld.com; Roger Morton, President, tenmor@suddenlink.net.

The weather in South Arkansas has been unusually cool for April and May. Training has been very pleasant with cool mornings and warm afternoons.

Several of our members ran in The Grand. Our president, Roger Morton, traveled with fellow trainers Charlie Green and Kevin Redman to offer his years of experience in running The Grand. Safe to say, running and judging dogs for over 35 years, he surely can give good advice.

We've seen several of our members with young dogs to train and litters for sale. Part of what's so special about HRC is the advancement of the breed. There's nothing more special than training a young dog of good breeding that's eager to learn.

Hope to see y'all on the road soon.
Happy training and safe travels.

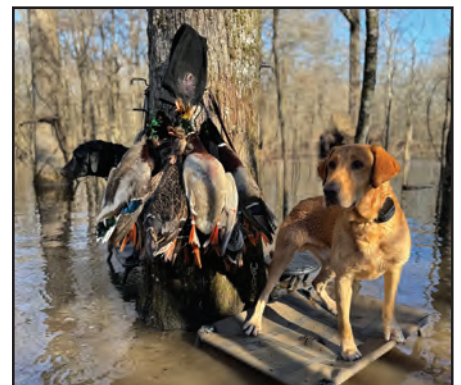

Luna and Jeff Wilder taking in the sights and sounds at training day.

We may be hunters and dog owners, but we take time to meet with our community. Club member Vernon Solis is Marketing Manager for ExxonMobil. He met with a group of students from the local high school for Career Day. Riverton Kansas High School works with Green Country as our Bird Techs during many events.

Most of the time, it is dogs and waterfowl. Our youngest club member, Miss Huntley Jo, took some time away from training to turkey hunt. She put in the practice needed, learning to use her shotgun, and on opening weekend, tagged her first turkey. Dad (Landon Ryser) is thinking there may be a Grand Slam in the future.

Sunflower Retriever Club – Lyle Hammerschmidt, President; Lori Greer, Public Relations; www.sunflowerretrieverclub.org; FB Page: Sunflower Retriever Club.

Greetings from the Sunflower State! Our members have been on the move—training, traveling, judging, and trialing across the region and beyond. Training days and members gathering to discuss dogs and techniques. Weather here has been up and down, cold to hot – windy and raining. Dorothy has visited some of our members’ areas since the last edition. We are glad that everyone is safe and healthy and has had little damage.

Several members have already been running tests in Oklahoma, Iowa, and Nebraska. Congratulations to those on their first passes and to those who are running and collecting points to achieve points titles. Congratulations and keep up the great work!

Team Lindsay for their first Finished pass.

Team Wes received their first Seasoned pass.

We would like to wish our members safe travels as they depart for the 2026 Spring Grand. Travel safely, thank you for your dedication and time, and good luck to those running dogs.

Pat and Rita Johnson; TJ and Lori Greer; and Marion Grace.

Looking ahead: We’re gearing up for our Fall Hunt Test – 10th Anniversary Hunt. If you’re near Great Bend, KS, come join us! We’ve got:

- Access to top-notch test grounds
- A huge raffle with great prizes
- A fun-filled banquet to celebrate our retrievers and handlers

Special thanks to the following members, as we will celebrate our 10th Anniversary this year.

Matt and Lindsay Mosher; Jonathan Sullivan; Shawn and Lori Perkins; and Tim Engle.

Whether you’re running dogs or just cheering from the sidelines, we’d love to see you at the line.

Stay connected: Follow us on social media and visit our website for the latest updates,

Keystone Lake Hunting Retriever Club – Chris Padden, President; Keyvynne Padden, Public Relations; FB Page: Keystone Lake HRC.

As KeyStone Lake HRC approaches our 1-year anniversary, it’s hard not to take a moment and appreciate just how far we’ve come in such a short time. Hosting our third hunt test in under 10 months is something we’re incredibly proud of, and this one was, without a doubt, a complete success.

Over the course of the weekend, we ran 260 dogs across two days, marking the largest entry our club has seen to date. From the first dog to the last, the level of talent, sportsmanship, and camaraderie was something special to witness.

One of the highlights this go round was watching the next generation step up through the Junior Handler Program. Seeing young handlers grow in confidence, handle dogs with precision, and represent the future of the sport reminds us exactly why we do this.

We’re also excited about the continued growth of our grounds. With new land being added to our existing setup, the future for the club and the experience we can provide just keeps getting better.

And of course, it wouldn’t be a KeyStone event without mentioning the food. The banquet and meals were once again a huge hit, and as one judge put it best: “If you didn’t stick around for the food, you missed out.”

As always, keep an eye on the KeyStone Lake HRC page for upcoming training days and announcements. We’re not slowing down anytime soon.

We look forward to seeing everyone again this fall for our next test.

Keystone Lake HRC, come for the test, stay

for the food. We put on an event that happens to have a hunt test incorporated into it.

North Louisiana HRC – Submitted by Andy White, President, andyw@leedwardsauto.com.

The North Louisiana Hunting Retriever Club hosted a successful Spring Hunt Test,

made possible by the dedication and support of our club members, judges, and handlers in attendance.

We would like to extend our sincere appreciation to Jeff Holley, Doug Attaway, Clint Farrar, Larry Little, Butch Gandy, and Arlene Gandy for their time and expertise in judging this event. Their contributions are essential to the continued success of our hunt tests.

We would also like to offer our congratulations to Noah Leach on achieving the title of HRCH GET ER DONE FINE AS WINE, a noteworthy accomplishment that reflects dedication and hard work.

Additionally, the club held a successful training day at Mr. Troy Ebarb's training grounds. We are grateful for the opportunity to utilize such outstanding facilities and appreciate all who participated.

By the time of this report, spring hunt tests will be over, but The Grand. Congratulations to all who got passes with their retriever. Training has continued for those preparing for the Grand. Good luck to those going to Kentucky!

Lake Charles Retriever Club had its annual crawfish boil. Good mud bugs and fellowship to all who came.

Have a great summer. See you in the Fall.

Pontchartrain Retriever Club – Submitted by Tyler Davis, President, phrcdogs@gmail.com.

Over the past several months, the Pontchartrain Hunting Retriever Club has continued to grow and thrive through successful events, member participation, and ongoing efforts to promote the sport of hunting retrievers. PHRC was also proud to participate in the Louisiana Sportsman Show this year and plans to attend again for the 2027 Louisiana Sportsman Show as we continue to promote the club and educate the public about hunting retrievers and hunt tests.

Our Spring HRC Hunt Test, held at the Bonnet Carré Spillway in Norco, Louisiana, was a tremendous success, and we are extremely grateful to all of the participants, volunteers, judges, marshals, and supporters who helped make the event possible. The club is already preparing for our 2026 Fall HRC Hunt Test, which will be held in August, and we look forward to another outstanding event.

Monthly training days will continue as we remain committed to providing opportunities for education, dog training, and fellowship among members. One of our primary missions as a club is to involve and encourage the younger generation, promote growth within the retriever community, educate handlers

at all levels, and preserve the traditions and values associated with hunting retrievers and hunt tests.

We are proud to announce the 2026–2027 club officers: President Tyler Davis, Vice Presidents Jennifer Cross and Ganetta Savoy, Treasurer Mathilde Danziger, and Secretary Alex Aucoin. Members and supporters are encouraged to stay up to date on upcoming events, training days, and club information by following the Pontchartrain Hunting Retriever Club Facebook page.

Amite River HRC – Submitted by Ron Lewis; Jeff Holley, President; www.amiteriverhrc.com.

Wow – 40 years and still going strong! What a busy spring it has been at Amite River HRC. We hosted our annual hunt test in March, which was special as it marked our club's 40th anniversary. The test grounds were great, and we had an enjoyable tailgate dinner. Special awards were given out in recognition of those who have been instrumental in our club's continued success over the years. Honorees recognized were Mark Evans, Ken Johnson, Bob McCall, and Charles Wyble. It was truly a memorable event, and I believe everyone had a great time. Thank you to everyone who helped make the event run smoothly. Special thanks to Pam Flotte and Kathy Terry for all of their work behind the scenes prior to the event.

We have had several well-attended training days, and we enjoyed a crawfish boil after our most recent training day in late April. Thank you to Jennifer and Brad Hopkins for letting us use their property, and to Mark Evans, Charles Wyble, and Gary Leblanc for cooking the mudbugs. Thanks to the Steve Riggins family for hosting a training day in March. We could not have these training days and events without everyone's help and the generous landowners who have allowed us to train dogs on their property.

Additionally, we have also hosted two SRS events in April and early May. Congratulations to all who participated, and special thanks to all those who helped make these events fun for everyone and a success for the club.

Now, after a busy spring, many are headed to Kentucky for the Grand. The Grand will be over by the time you read this – hope those who attended had a safe, fun, and productive trip.

We are headed into the warmer summer season. Hopefully, we will be able to schedule some training days in the coming months. When training, keep your dog watered and cool, and always be on the lookout for signs of heat stress!

You can follow Amite River HRC on Facebook for membership information, event news, meeting announcements, and scheduled training days. We encourage ALL club members to join in the fun and fellowship by participating and helping in any

way possible. Have a great summer!

Central Louisiana Retriever Club – Submitted by Mary Anne Sayer, masword@suddenlink.net; Scott Ducote, President.

In 2026, the Central Louisiana Retriever Club changed its Spring hunt test from February to April. This gave our hunters and duck dogs time to transition back to handlers and competition retrievers...WITH line manners.

In mid-April, we hosted Started and Seasoned flights that were about half-full and two full Finished flights. President Scott Ducote and member Damion Zaunbrecher expanded our test grounds with crawfish ponds serving as new water sites. Over the gusty weekend, our judges applied wind direction and blind placement for some interesting Finished water tests.

With about a month of pre-Grand training left, challenges like this benefit those entering the Spring International Grand in Kevil, KY, this May 16-20. Once all flights returned on Saturday, the next generation of HRC handlers had a chance to show off their young retrievers during our traditional Puppy Run sponsored by Delta Waterfowl. Puppy ribbons were earned by Layton and Jackson

Hartley, Brooklyn Fragala, and Blake, Clayton, and Kinlie Zaunbrecher.

Our club meetings are on the third Thursday of most months at 7 p.m. at 1889 Monroe Highway in Pineville. All retriever enthusiasts are welcome! CLRC will host another regular HRC hunt test weekend on August 22-23, 2026, at our Moreauville, LA, location.

Cajun Hunting Retriever Club – Submitted by Katina Hebert; Darrell Hebert, President, cajunhunter911@bellsouth.net

Cajun has been working on our next few tests that are coming up. On May 9th, we had a wonderful training day and club crawfish boil. We invited club members and also people who helped us put on our great hunt test. We had some very rainy days before the training day, so the grounds were a little wet. This made the small kids who came to the training happy to play in the mud puddles.

We want to thank all our great club members for all the hard work and time they put into making our test great.

Hope to see some of you for our October Fall test.

Greetings from Cowtown! We just finished our 30th Anniversary Hunt Test, and it was awesome. For Saturday, we had full Finished, Seasoned and almost full Started flights.

A big THANK YOU to all the handlers who chose to run their dogs at Cowtown. Not only did we have a lot of Started dogs, but we also had an unusually high number of dogs that Titled at Started, keeping our awesome Hunt Secretary, Natalie Hill, very busy making additional titled ribbons. Reflecting on our test, I am reminded of the team effort required for a great hunt test. First, Club members and Judges commit to working a full weekend months in advance and adjust to changes that happen along the way. Then, handlers commit their time and resources to attending your weekend test. Also included in this mix are your bird supplier, the landowner, the food service people, and waste management. It's almost like a small city in 3 days. A very big Texas THANK YOU to all who made this a great weekend. If you missed it, plan on being

there next year, the last weekend in April. Until next time, play hard and train harder!

Lonesome Dove HRC – Submitted by Courtney Prater; Patti Southerland, President; www.LonesomeDovehrc.org.

The Lonesome Dove HRC club recently hosted its annual Snake Clinic, which was a great success. We had approximately 70 dogs participate, making it one of our largest turnouts to date. Events like this are a great reminder of the dedication within our club to keeping our dogs safe, prepared, and performing at their best. A big thank you goes out to all of our club members who helped organize, run, and support the clinic—we couldn't do it without you.

As we head into the spring season, we also want to wish the best of luck to all of our members competing in the Grand. We'll be cheering on Kyle and Melissa Alldredge with Jimi and Cuervo, Glenda Mitchell with LeDoux, and Julianne Mitchell Compton with Malcolm. We're proud to have you representing the club and wish you all a successful and rewarding run.

Good luck to everyone, and we look forward to seeing continued success from our members this season.

Things are beginning to heat up here in North Texas. Hunt tests are winding down, and training is starting earlier in the mornings. We had a great training day in late April at club members Terri and Bob Thurmond's ranch. Their training grounds have so many options, and the technical water is perfect for any level dog. There was a great turnout, and we can't thank them enough for letting us train with them. We also want to thank the many club members who reached out to their U.S. representatives regarding HR 7567, the Farm Bill. Thankfully, the Greyhound Protection Act of 2025 provisions were removed from the bill. We can continue to responsibly train our dogs using traditional methods. Please stay educated and urge your representative to support the Rules Committee Print of Title XII of the Farm Bill.

North East Texas HRC – Submitted by Amie Kelly; Sharon Beall, President, sharonlabs@aol.com.

Northeast Texas Club members have been in full swing, from training pups to force fetch to technical water work and running Started Tests to participating in the 2026 Spring Grand. It never amazes me that, with all the running around and busy times, you can pick up the phone and call if you run into a training problem and need advice.

That is one thing that got me so interested in the HRC many years ago, the family atmosphere that it brings. Clubs are not just a Hi and Bye, they are, "We are here to help you if you need anything." I am a firm believer that this is what makes the HRC what it is. This is how it grew to the size it did. Besides the amazing dog work, the ability for amateurs to get together and train, learn, and help each other. If a professional trainer is available, they will come and provide training tips and answer questions.

I was having a conversation with a high school youth (I am a teacher) the other day, and they saw my pictures of my dogs in my classroom and my kennels in my truck. They began asking questions about what I did. I started to explain, and they became interested, but they were still not sure what it was when I said 'hunt tests'. That was not the first student who asked. So, I thought, nowadays things are different than when I became involved, and, as many of us did, the youth need and want to be shown what new things are before they try them. So, they fully understand what they are getting involved in. So why not bring in the Youth by showing them a demonstration and talking about what we do and what they can accomplish? I have seen this work; some clubs are doing it, and it works. We need to think about the ones coming up behind us.

Have you ever needed to train on technical water or water in general, and just didn't have a place? There's a place down the road, though, you just don't know much about it, and you are going to train there. HOLD UP! Before you let your high-flyer dog go flying in after a mark or blind, you need to make sure you know what is under the water first. There have been numerous reports of people having their dogs get injured by something under the water. Rather it be a stick, t-post, trot line, anything can be hidden under the water and is dangerous for our dogs that will do anything we ask of them.

So, before we ask them to jump somewhere, let's take just a little bit of time to check it out and make sure where we are asking them to go is safe. I would rather take a few minutes checking under the water than not and having something happen to the dog. We build all this time and energy to get our dogs to trust us, so why not make sure when we send them into water, they can trust us, and that it is safe?

Northeast Texas HRC wants everyone to have a great hunt test season!

Mount Rushmore HRC's members are busy preparing for our hunt tests, which are less than a month away. We have a lot of little jobs that need to be done, as well as training days, and property and equipment maintenance. Most of the grass is very short coming back from the fire, and the lack of moisture is not helping either; our splash water is not as plentiful as in previous years. In the last week or so, we have gotten some snow and rain, and hopefully those will continue, and conditions will improve. Member Josh Goeman from Goeman Gun Dogs came over and trained for a week, gave instruction, and shared his experience with other members who were able to train. Thank you, Josh, for all the help to other members. We look forward to another hunt test season in our region and the surrounding regions. We hope to see some of you, and good luck to all.

Platte Valley HRC – Submitted by Curt Lacey, President, Brighton, CO, curt.lacey@yahoo.com.

Platte Valley HRC started the hunt test season by hosting a Quad Upland Hunt Test on March 14th and 15th, which was a great success, with the maximum entries of 30 dogs in the first three tests and 28 in the fourth test. What's amazing is that all the entries were Platte Valley members, which shows PVHRC is a great supporter of the Upland Test, and we put on a great Pheasant Fry. Congratulations to Chris Lueddeke and Hank (Upland Title), Jane Evans Cornelius and Hettie (Upland Title), Jeff Miller and Jake (Upland Title), David Heldt and Stetson (UHCH Title), and Mike Phelan and Quinn (UHCH Title).

Platte Valley HRC's second hunt test of the year was a regular Hunt Test on April 25th and 26th, which had a great turnout. The real issue for this year's test was the lack/ or no water, which made the water tests a real challenge. The judges did a great job of putting together the water tests, but we used every holding blind we had just to get to the water, especially at the Finished level. PVHRC has held the April test at Indian Meadows Hunting Lodge for 25+ years, and I have never seen it that dry, which I feel will be the norm this year in Colorado. Congratulations to Dan Blevin and Rip (SR Title), Mason Milligan and Betsy (SR Title), Randy Harold and Dude (SR Title), Kylee Hartshorn and Maverick (HR Title), Brad Hjelm and Amber (HRCH Title), and Mike Disque and Jasmine (HRCH Title).

I want to start with a BIG THANK YOU to everyone who participated in the Southern Colorado HRC 40th Anniversary Hunt Test & Social. It was a great weekend, and we appreciate all the support! THANK YOU to Tim Boies (Hunt Chairman), Erik Brekke (Hunt Secretary), Chris Coppa (Club Secretary and Social Chairman Extraordinaire), Rod West (Club & Social Treasurer), and all of the SCHRC Club Members who helped to pull off such a great weekend! Last, but certainly not least, I want to say THANK YOU to all the Judges, Site Managers, Site Marshals, and Bird Techs who worked hard to make for a great hunt test weekend!

A quick history of the SCHRC:

The Southern Colorado Hunting Retriever Club was founded in 1985 in Pueblo, Colorado, by four retriever owners looking to bring retriever owners and hunters together to train retrievers and compete in Hunt Tests in the newly formed Hunting Retriever Club,

Salt Valley HRC – Submitted by CJ Bolan; Joe Giola, President, Union, NE, giola@windstream.net.

Salt Valley Training Day was a success, and we even managed to get into a meeting before we started throwing ducks. Our 20th anniversary hunt test is June 27 and 28; the banquet has moved down the parking lot to Beede's new clubhouse, with a lot more room than the lodge. Hope to see a good turnout for the test. We will have some commemorative t-shirts for sale.

Inc. organization. Dom Cingoranelli, John Rulapaugh, Walt Peterson, and Gary Vertrees had the same vision as national founder Omar Driskoll to establish clubs across the country to promote hunting retrievers, run realistic hunt tests, and better the hunting retriever breed. Omar Driskoll, in partnership with the United Kennel Club, officially formed the HRC organization in 1984. Southern Colorado HRC was one of the early clubs to join the new organization (CO-08). SCHRC had its first hunt test in March of 1986 at Lake Pueblo State Wildlife Area, with Omar Driskoll attending as a Finished judge. Currently, SCHRC is well represented by its members, having very good success in the early hunt tests of the year. Even though our organized group training days are coming to an end for 2026, club members are highly encouraged to continue training in smaller groups or even on their own, as consistent training throughout the year will not only allow you to build a better hunting partner in the fall but will also allow you to progress through the hunt test ranks more efficiently. Good luck to everybody who is running at other hunt tests throughout the summer. We are rooting for your continued success! Again, thank you to everyone who attended the Southern Colorado HRC 40th Anniversary Hunt Test & Social!

Tracy Predmore and Dove Creek's Smokin' Little Atta Girl "Attie" with two Started passes during the SCHRC 40th Anniversary Hunt Test weekend. Congrats, Tracy and Attie!

Tom and Carol Hants enjoying the festivities of the SCHRC 40th Anniversary Hunt Test Social. Congrats to Tom and Heavy Shot Ammo Hants "Ammo" on their Started pass on Saturday!

Matt Brekke and Colorado Prairie's Saving Grace "Gracie" with two Started passes during the SCHRC 40th Anniversary Hunt Test weekend. Congrats, Matt and Gracie!

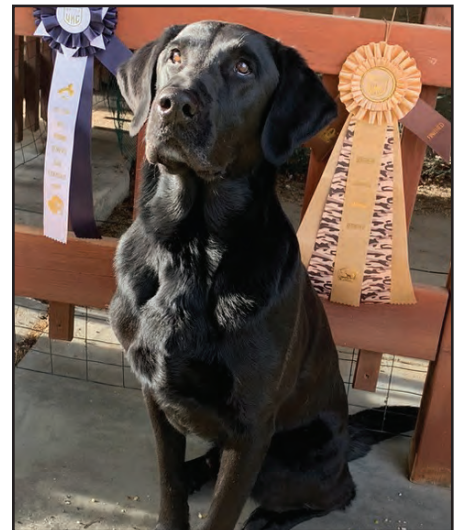

SCHRC Members Dan and Amy Blevins, Heather Meyer, Brent Cozzolino, Jane Kerr, Jeremy Lowry, Karena Mee, and Kathi Streeter showing off their Saturday success at the Platte Valley HRC Hunt Test. Congrats everyone!

Heather Meyer and HR Creekside's Wisdom of Finley "Sage" with their first Finished pass at the Platte Valley HRC Hunt Test. Congrats, Heather and Sage!

Western Colorado HRC – Submitted by Rory Rehbeck, President.

WCHRC has been busy on the testing front. First, a BIG CONGRATULATIONS to RC Weller and 4xGRHRCH HOF Weller's Black Cloud Power Surge MH "Diesel" for reaching 1,000 points at Mountain State HRC Hunt Test. A huge shout-out to Bill Schaefer for handling Diesel to most of those points and all his Grand passes. Also, RC's Milo got his HR at Mountain State HRC. Congratulations to Pam Spears and Black Canyon Tickled Pink for getting their HR title at Mountain West HRC. We are preparing for our upcoming test on July 18 and 19, up on the Grand Mesa, where temperatures will be in the 70s. We invite all to come and have a great time.

Cascade HRC – Submitted by Pam Ulsh, President.

Spring has sprung in the Pacific Northwest. Our weather is everything from a warm coat to shorts to train in. Cascade was very fortunate this year for our hunt test. While we did have a shower go through, our weather overall was sunny and dry. There was no wet equipment to dry out after the fun weekend.

Cascade wishes to thank everyone who helped make the hunt test weekend great. From the judges who gave up their time to judge for us to the participants who made the long or short drive, we had great support. A thank you to Colin at Cascade Retrievers for use of his grounds and the State for access to Cherry Valley. We especially want to give a shout-out to our amazing bird techs. Many of them were first-time throwers, but you would never know it. We ran 2 flights of Finished both days, plus Started and Seasoned, and there was only one no-bird for the entire weekend! A great big thanks to Lucas, Meredith, Cohen, Jeffrey, Peter, Nicco, Hannah, Melissa, Brady, Jonathan, Isaac B., Isaac D., James, Adam, Colton, and Noam. Without them, we would not have been able to run the test!

All handlers, judges, and bird techs were treated by the club to a personal pizza from the Cathouse Pizza truck that was on site. Pink slips and ribbons were awarded to teams that successfully completed their tests in the sunshine in the early evening. The raffle and silent auction seemed to be enjoyed by those in attendance. Because the club ran two flights of Finished, the tailgate was able to start and end earlier, making a shorter day for everyone.

The club had great chukar for the upland test on Saturday. The birds flew very well, according to the judges, Kate and Fred. The club held another upland training day the week after the hunt test. There were many happy retrievers who were able to get out and find and flush birds. Handlers got additional practice working with their retrievers in a flushing situation. By the end of the day, all of the birds had new homes and the crates were empty.

Members are now focusing on training and attending hunt tests near and far. Later in the summer, the club will co-host another hunt test weekend with Whistling Wings. In the meantime, there will be many opportunities to support other clubs on their hunt test weekends.

Cascade wishes you and your retriever(s) happy training and wonderful hunt tests.

Relaxing after ribbons and pizza. Thank you to our HRC corporate sponsors, Purina and Garmin.

Northeast Washington Gun Dog Club – Submitted by Gina Goodrich; Dave Steinbach, President; Northeast Washington Gun Dog Club (newgdc.com).

The NEWGDC held its first hunt test of 2026 on May 2nd and 3rd at the Burlington Ranch in Chewelah, Washington. The ponds were full, and the grounds were in prime condition for the event. We had a good turnout, and the weather was perfect for handlers and dogs. The free taco bar dinner Saturday night was a huge hit with everyone and a nice change from prior years. We had many raffle and auction donations from members, and really nice bird calls and lanyards donated by Pacific Calls. The dinner auction and raffle brought everyone together for some great food, awards, and prizes. Jon Callis was the lucky winner of a very special duck call from Pacific Calls.

Big thank you to the judges: Kevin Biery, Dave and Davie Berg, Carol Black, Tom Dresser, John Gilbert, Dave Steinbach, Pam and Boyd Ulsh, and Ellen Ziegler. Also, special thanks to our bird wingers from the Inland Wildlife Council Boy and Girl Scouts Pack 203B and 203G, who will be able to get new tents and other supplies for their club with the money they earned.

Ellen Ziegler passed the torch as Hunt Secretary to NEWGDC Vice President Jessica Goodrich, who did an amazing job working with HRC and ensuring all our “ducks were in a row” for the event. We had approximately 25-26 entries in Finished on both days, 10-11 in both Seasoned and Started, with numerous

walk-ups. There were lots of ribbons handed out, with Richard Menendez earning a Finished title, getting the water bucket!

We are looking forward to the next hunt test over Labor Day Weekend at Burlington Ranch in Chewelah to end the season in the Pacific Northwest with more fun, food, ribbons, and titles! Check out our website at www.newgdc.com to view our training dates and register for training days. You can also follow us on our new Northeast Washington Gundog Club Facebook page!

The weather has allowed us to get in some great training. But Mother Nature can be fickle, so who knows what the next day will bring, but the training group has been getting together. Some of our members traveled to Salt Lake to run the Mountain West HRC events. Christine Shoopman completed her

HRCH title on Rebel. Here are a few pictures of Rebel and his ribbon, and Christine getting her celebration water bottle dowsing. It was chill, so we spared her the normal bucket.

Congratulations, Christine. Now it's on to the Grand!

Five Valley Retriever Club – Submitted by Kay Donahue; Ted Hays, President.

Hello from Five Valley Retriever Club. We have been enjoying the nicer weather and have been able to commence our weekly group trainings. We are incredibly grateful for the opportunity to use the private property in Lolo, MT, at Sapphire Ranch, so we send a big thank you to Mark R. We have also been busy prepping for our annual hunt test, which is being held July 11th-12th. We look forward to seeing everyone again and anticipate another good event! We wish all of our members and HRC friends & family good luck as the testing season around here gets into full swing. Happy training!

South Hills Hunting Retriever Club – Submitted by Terri Sanders; Randy Both, President.

South Hills HRC has had a busy spring, hosting two training days for members and others interested in learning about the HRC game, as well as preparing for our spring hunt test. Several of our members have been busy traveling to hunt tests in the region. We wish

all our members good luck in the upcoming testing season!

Mountain West Hunting Retriever Club – Submitted by Lauren Cabrera; Christian Martir, President.

The Mountain West Retriever Club recently hosted our third annual hunt test, and it was another successful weekend for the club. With beautiful weather, strong entries, and plenty of smiles all around, the event was a great reflection of the momentum our club continues to build each year.

It was great to see first-time competitors

work through the nerves and come away proud of their dogs, while more experienced teams continued to enjoy the game and support newer handlers along the way. We were especially proud to hear positive feedback from our judges, who commented on how well our operation runs and how organized and hardworking our test staff is—particularly impressive for one of the youngest retriever clubs around, both in years established and in the age of many of our board members.

Outside of the test itself, the weekend had everything that makes these events memorable: a fun and well-attended judges' dinner, a delicious Saturday barbecue, a successful raffle, and, of course, a few cheerful water drenchings to celebrate new titles earned by club members.

As with any growing club, we also came away with lessons learned. Running two Finished flights was a great challenge for our team, and our board has already taken notes on ways to improve operations and continue building an even better event each year.

We have one more training day planned before summer heat and cheatgrass take over, and we're looking forward to finishing the spring season strong. Above all, we are incredibly proud of the community we've built—our volunteers, members, and supporters who consistently show up for one another, cheer each other on, and make this club such a rewarding group to be part of.

Hells Canyon Retriever Club – Submitted by Kris Johnson; Charles Freeman, President.

The Hells Canyon Retriever Club (HCRC) held a successful workshop entitled “Introduction to a Hunting Retriever Hunt Test” for new and seasoned handlers. Davie and Dave Berg brought their years of experience and success to Sunny Skies Retrievers in Lenore, ID, on March 25 and worked with the participants. The focus was on the foundation of HRC, building a reliable, hunt-ready retriever. To accomplish this goal, participants saw demonstrations of dog handling and were able to work with their own dogs in real hunt test scenarios in a controlled, encouraging environment. Handlers also observed what a hunt test is, so they and their dogs will be prepared for success.

The Bergs’ take-home points from the workshop were:

- Steadiness is the foundation and is more critical than speed. A calm dog in an exciting environment is ahead of the curve.
- Marking is a major key to success. Natural ability is great, but proper training is essential for all young dogs.
- Handlers are a critical factor as well. The handler’s movement and attitude cue a dog through calmness and location, all of which impact the dog’s success. This is a team sport!
- Keep it simple for you and the dog. Training setups build skills and confidence, both of which are critical. Exposure to new environments (dogs, guns, birds) also builds the dog’s confidence.

• HRC is a supportive place in which trainers can prepare their dog for real hunting situations and evaluate their progress. The people involved are devoted to hunting retrievers and also encourage new members as they start their own training paths.

The Hells Canyon Retriever Club and the participants want to thank Davie and Dave Berg for leading the workshop. They exemplify what HRC is all about: supportive people who engage and help others build reliable, hunt-ready teams. HCRC will be hosting an HRC hunt test in Lenore, ID, on August 22, and we hope to see you all there. Entries will open on Hunt Secretary.

Accomplished retriever!

Hunt Reports

The number of dogs who earned Champion points indicates those dogs participating who were UKC registered on the day of the hunt.

Attention Clubs! Your hunt report write-ups and photos must be sent to your Region Public Relations Rep to be included in your club's region report. This allows you to share your hunt & club news in one section!
This issue contains all 2026 Event Reports processed from March 16, 2026 through May 14, 2026 .

Notice of Suspension

UKC makes every attempt to maintain an accurate and up-to-date "Notice of Suspension" list, and the list is updated regularly. However, as there may be lag time between disciplinary action and adding an individual to the list, and also because mistakes and omissions can and do happen, UKC will not guarantee the accuracy of this list. If an individual is in question, customers should call UKC directly to obtain the most up-to-date information regarding that individual's disciplinary status. UKC can only confirm or deny a person's disciplinary status and cannot provide details on that person's case.

The following is an updated list of individuals who have been suspended or barred until the date indicated. During the period of suspension or barring, a person who is suspended or barred may be prohibited from, but not limited to, one or more of the following:

1. They are barred from registering any dogs in their names (joint or individual ownership). They may, however, transfer any dogs currently registered in their names (joint or individual ownership) to another individual(s), except they may not transfer dogs to any member of their families, spouses, or companions. Companion is defined as anyone who resides at the same address as the suspended individual.
2. They are barred from registering any dogs in their names (joint or individual ownership) and they may not transfer any dogs currently registered in their names (joint or individual ownership).
3. They are barred from registering any litters and from signing any litter registrations in any capacity. No offspring of a dog registered in their names (joint or individual ownership) is eligible for registration with UKC.
4. They are barred from entering or participating in any way in any UKC licensed event, including, but not limited to, co-owner, handler, back-up handler, judge, guide, spectator, or UKC licensed official.
5. They are barred from holding office in any UKC approved club or association.
6. No dog registered in their names (joint or individual ownership) may be entered or participate in any way in any UKC licensed event.
7. No championship points, wins toward a title, or monetary payouts from any UKC specialty program will be awarded for any dog registered in their names (joint or individual ownership).
8. They are barred from advertising in any UKC publication or UKC internet site.
Any violation of these sanctions or any other UKC rule or policy during the time period in which the individual is barred or suspended may result in their being suspended indefinitely.

CARPENTER, Alan, Traverse City MI (Indefinite Suspension) • GABRIEL, Mary, Farmington Hills MI (Indefinite Suspension)
KELLY, Robin, Malvern AR (Indefinite Suspension) • NELSON, Earl Ed, Sioux Falls SD (Indefinite Suspension)
POLK, Gene, Jr., Corinth MS (Indefinite Suspension) • SIMPSON, Cally, Georgetown, KY (January 13, 2026)

AMERICAN FIELD™

SUBSCRIBE NOW to the all-new *American Field*.

Steeped in tradition and with a legacy spanning over 150 years, the *American Field* is back in production as a leading authority for hunting dog enthusiasts.

With a special nod to our rich history of field trialing, we are showcasing our way of life with all sporting dogs—including bird dogs, retrievers, hounds, beagles, and other types of hunting and working dogs—together in one publication.

We also embrace the outdoor lifestyle, bringing attention to wild game cooking techniques, evolving veterinary medicine, emerging conservation matters, and game shooting topics.

As the heartbeat of the hunting dog community, the pages of *American Field* are filled with captivating photography, in-depth features, informative articles, heartfelt stories, and other artistic and literary works that chronicle the unique partnership between humans and hunting dogs.

A note about photo quality and resolution SEE THE DIFFERENCE!

High resolution

Low resolution

Please remember to send unedited images, at the highest size and resolution possible, for ad and cover photo submissions. Images that may look fine on your phone or computer monitor, can appear 'fuzzy' or out of focus when printed at the necessary resolution for publication.

If you are submitting multiple photos, please be sure to name the files and identify them in a manner that indicates which photo is which dog. When emailing photos, be sure to send your photos as jpeg, pdf or tif files as attachments. Do not embed them in the email.

Cover photo submissions may be uploaded at: <https://www.ukcdogs.com/cover-dog>
Advertising photos and material may be emailed to: huntingretrievermag@ukcdogs.com

ATTENTION ADVERTISERS

YOUR ADS NEED NOT BE CAMERA READY! LET OUR TALENTED DESIGNERS PREPARE YOUR AD TO YOUR SPECIFICATIONS. Prior to submitting "camera ready" advertising copy to HUNTING RETRIEVER magazine for publication, please call the advertising department at (269) 343-9020 for specific guidelines.

UKC accepts all advertisements placed in HUNTING RETRIEVER in good faith. Purchasers should independently conduct any relevant research needed prior to acquiring animals, products and/or services from advertisers. UKC is not responsible or liable in any way for potential issues arising out of sales by advertisers, including but not limited to: dealings between advertisers and purchasers, actions and promises made by advertisers, or quality of products or animals sold by advertisers.

Please note: The use of trademarked or copyrighted material without the authorization of the owner or any licensee is a violation, and leaves the advertiser and publication open to lawsuits, monetary damages and attorney fees.

PHOTO REQUIREMENTS

- Photos sent via e-mail must be at no less than 300 dpi and sent in tif or jpeg format.
- We prefer to not use printouts of low-end digital photos. We will evaluate any that are sent in and notify you if we question the quality.
- If hard copies of photos are being submitted, photos in the form of 35 mm glossy prints reproduce the best. Please note: do not cut your photos. If you want them cropped, just indicate how you want them cropped. We will crop them electronically without harming the original photo.
- Please include a stamped, self-addressed envelope to ensure the return of your valuable photos.

Procedures & Schedule for Ordering Purina Dog Food for Hunt Tests*

- The schedule for ordering has changed and deviations from the schedule for order due dates are no longer available.

For those tasked with ordering the Purina dog food for their club's hunt test, please use the following information and guidelines to ensure you receive the dog food for the hunt test.

- The order **must be received** by the deadline date listed below.
- The hunt test application must be submitted to UKC, along with the application fee and appear on the UKC Calendar of Events on the UKC website before the order will be placed with Purina.

Ordering schedule for 2026/2027

Month Of Hunt Test	Date Order Is Due
March 2026	January 2, 2026
April 2026	February 1, 2026
May 2026.....	March 1, 2026
June 2026	April 1, 2026
