Hello Everyone!

Our spring season has begun! Hopefully you had a great winter/Christmas season. The winter/Christmas season is our busiest and occurs during our shortest production timeframe. This year we were able to fulfill more orders for this season than we had in the past. Having said that, we continue to make changes to our production methods and ordering schedules so we can increase the number of orders we are able to accept.

To continue making improvements in this area, we need our customers to place their orders as early as possible. Below is a graph that illustrates when we will be accepting orders for each catalog. Deliveries can be scheduled for your convenience.

2025 Craft Ordering Schedule

Spring Ordering			Fall Ordering				Winter Ordering				
Dec	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov
5% Early Bird Spring Discount on orders in by 1/15*			5% Early Bird Fall Discount on orders in by 5/15*				Orders placed after 9/30 will not be guaranteed by Black Friday				

*Early Bird Discounts: Orders placed by the above dates will receive the 5% Early Bird Discount when the invoice is paid within 30 days of the invoice date.

Animal crafts continue to be a big trend, so we have added several more for the spring season, along with mushrooms and birdhouses. Our colors this spring are lighter and brighter, too.

The wholesale shows we will be participating in are the Mid-Atlantic Nursery Trade Show (MANTS) in Baltimore, MD, on January 8-10 and the Crop Growing Expo on January 15-16 at the Spooky Nook complex in Manheim, PA. If you stop by our booth, you will be able to see our new items and colors in person. And, if you haven't already, you will be able to place your Early Bird orders while there.

Now available in this catalog is our new line of CTI pots and planters! We are excited to bring this product line to you. They can be ordered with your craft order or separately, if that works better for you. As this is our first year offering this line, some items may be limited in quantity.

Our Mission Statement: To supply our customers with Quality Home Decor by continuously improving our product line, understanding trends, and improving processes at the right price.
