MAINLINE SEATING COLLECTION
2024

best of british!

One of our core beliefs at Bullock and Bosson has always been to source our furniture from the UK wherever possible. The ease of supply and close partnerships we have developed allow us to reduce our carbon footprint whilst offering British built products together with a service of which we are extremely proud.

product guide

We deal with independent British manufacturers of quality commercial seating solutions, supplying a network of customers with comfortable, affordable and reliable seating.

It is with this in mind that we have created this comprehensive collection of fresh seating.

We are very proud to introduce our new and exciting collection of contract seating.

We look forward to working with you.
