

Planters

Specification

BISLEY

Introducing our range of complementary wooden planters – perfect for bringing the outside in.

Taking inspiration from the stunning, natural world around us, our collection of elegant planters brings a feeling of elegance and charm to any workspace, while also boosting employee wellness. Our planters are designed to enhance the office, providing ample storage facilities while also enhancing the look and feel of the space, allowing for a more engaged and productive workspace.

Highly customisable, our selection of planters are available in a variety of finishes to enhance your office aesthetic. Choose to have your planter on castors or a fixed setting to create dedicated working zones or an area to relax or catch up.

Our growing(!) range is sure to enhance any environment - just make sure you choose the sunniest spot to enable your shrubs and people to thrive anywhere.

Features & Benefits

Enhances office environment - Adds a touch of nature and greenery to the office space, promoting a more pleasant and inviting atmosphere.

Space optimization - Helps in optimizing and dividing office space effectively, creating separate areas for different purposes.

Easy maintenance - The plastic planter liner makes it easy to maintain and care for plants, reducing upkeep efforts.

Employee wellbeing - Incorporating plants in the office environment can boost employee morale, productivity, and overall wellbeing.

Productivity boost - Research shows that having plants in the office can increase productivity and creativity among employees.

Design versatility - The slatted design adds a modern touch to the office decor, enhancing the visual appeal of the space.

Durability - The sturdy construction ensures long-lasting performance, making it a reliable investment for the office.

Sustainable choice - Bringing nature indoors with the planter promotes sustainability and eco-friendliness in the office environment.
