Hi. This  
is ME

# Intro: This is ME

**This is where it begins. A moment of silence, a breath before the beat drops. I am every step, every stumble, and every triumph. I am the quiet days, the laughter that echoes, the nights spent dreaming. Every choice, every change - leading me here. This is my voice, my story, my time. Because this is me.**

# On & On

세상이 날 흔들어도 내 길을 향해 걸어가, **right on** 눈부신 빛은 날 비추고 어둠 속에도 난 빛나 **like a star** 거친 바람 불어와도 멈출 수 없어, 계속 달려가 넘어져도 일어나, **stronger than before I got that fire, yeah, I got that glow On and on**, 멈추지 않아 하루 또 하루 지나가도 **I'll be fine On and on**, 끝없는 길 위에 내 꿈을 향해, **I'll be going on and on** 아픔도 지나가고 내가 쌓아온 그 모든 순간이 나를 더 강하게 만들어 뒤돌아보지 않아, **forward I go** 끝없는 밤이 와도 빛나는 별처럼 난 살아 나가 넘어져도 다시 일어서 **With a smile on, yeah, I'm never gone On and on**, 멈추지 않아 하루 또 하루 지나가도 **I'll be fine On and on**, 끝없는 길 위에 내 꿈을 향해, **I'll be going on and on** 저 하늘을 향해 손을 뻗어 멀리서 날 부르는 저 빛을 따라 멀어지지 않아, 꿈은 가까이 나를 믿고 계속 걸어, **on and on On and on**, 멈추지 않아 내 안의 불꽃, 나를 비춰 **all the time On and on**, 끝없는 길 위에 나의 꿈을 향해, **going on and on** 날 믿어, 멈추지 않아 지금 이 순간, **I'm living on and on**

# Evolve

세상이 변해가, 난 계속 **run** 꿈을 향해 나아가, 이젠 **don't stop** 너와 나의 미래는 **shining** 우린 이제 시작이야, 새로운 나로 어둠 속에 **find the light** 한 걸음 더 나아가, 나를 믿어 변화하는 **this moment**에 우린 함께 할 수 있어 **Evolve, evolve,** 우린 진화해 새로운 세상 속으로 **Evolve, evolve,** 함께 가는 길 이젠 멈추지 않아 (멈추지 않아) **Evolve, evolve,** 더 높이 **fly Evolve, evolve,** 이 꿈을 따라 **Evolve, evolve,** 이제 시작해 **Evolve, evolve,** 우린 진화해 숨겨진 나를 **show me,** 더 이상 두려워 말고 내 안의 열정을 꺼내, **fill the world** 이제는 날아올라, 꿈을 향해 **run** 우린 함께 할 수 있어, 변화를 **feel** 해봐 지금 이 순간을 **enjoy,** 변화를 만들어 눈을 감아, **feel it,** 내 심장은 뛰어 두려움을 떨쳐내고, 나와 함께 **dance**해 자유롭게 날아올라, 이걸 **start**일 뿐이야 어둠 속에 **find the light** 한 걸음 더 나아가, 나를 믿어 변화하는 **this moment**에 우린 함께 할 수 있어 **Evolve, evolve,** 우린 진화해 새로운 세상 속으로 **Evolve, evolve,** 함께 가는 길 이젠 멈추지 않아 (멈추지 않아) **Evolve, evolve,** 더 높이 **fly Evolve, evolve,** 이 꿈을 따라 **Evolve, evolve,** 이제 시작해 **Evolve, evolve,** 우린 진화해 한계를 넘어서, 이제 더 **high** 우리가 그리는 미래, 너와 나의 **story** 세상은 변해, 너와 함께라면 두렵지 않아, 새로운 **day**가 오니까 **Evolve, evolve,** 우린 진화해 새로운 세상 속으로 **Evolve, evolve,** 함께 가는 길 이젠 멈추지 않아 (멈추지 않아) **Evolve, evolve,** 더 높이 **fly Evolve, evolve,** 이 꿈을 따라 **Evolve, evolve,** 이제 시작해 **Evolve, evolve,** 우린 진화해

# Glow Up

느리게 흐르는 이 순간 조용히 나를 감싸 안아줘 아무도 몰라 내 속의 빛 나만의 색을 더 찾아가 잃었던 **confidence**, 다시 끌어안아 겁내지 않아, 멈추지 않아 모두가 날 볼 때, **I wanna shine** 조용히 내 안의 힘을 깨워 **Glow up, let it show up Shining bright, yeah, I know what's up Glow up, glow up, no looking back This is my time, yeah, I'm on track** 거울 속의 나를 바라봐 깊이 숨겨왔던 나의 진짜 부드럽게 피어나는 감정 세상이 다 알아채게끔 하루하루 내 안에 쌓여가 작은 불씨가 타오르는 걸 느껴봐 빛나고 싶어, **yeah**, 빛을 가득 담아 내가 누구인지 보여줄 시간이야 **Glow up, let it show up Shining bright, yeah, I know what's up Glow up, glow up, no looking back This is my time, yeah, I'm on track** 내 안의 불빛을 따라가 모든 시선이 날 향하게 조용히 피어날 때 난 알게 돼 이 순간을 놓치지 않아, **no way Glow up, let it show up Shining bright, yeah, I know what's up Glow up, glow up, no looking back This is my time, yeah, I'm on track**

# Always

When the days get heavy, the world's a haze I turn around, and  
there you stay Through every tear, every laugh, and fear You've  
been my light year after year In every step, you're beside me still  
When things get tough, you're my strongest will No matter how  
far, no matter how wide I carry you with me, my friend and guide  
Always, you're the one who stays Even when life moves in waves  
Through every year and every mile You're the reason I still smile  
Always, through the highs and lows You're the hand I'll always hold  
In a world that twists and bends You're my anchor, my forever  
friend When the road's too long, you make it clear I can count on  
you, you're always near In your warmth, I find my way No matter  
what they all might say Through the noise and the rush, when I'm  
feeling low You're the calm in my storm, the place I go A shoulder  
when the world don't understand Like roots in the ground, you  
help me stand When the world spins fast, you're steady, you're  
true In every step, I can lean on you In every step, you're beside  
me still When things get tough, you're my strongest will No matter  
how far, no matter how wide I carry you with me, my friend and  
guide Always, you're the one who stays Even when life moves in  
waves Through every year and every mile You're the reason I still  
smile Always, through the highs and lows You're the hand I'll  
always hold In a world that twists and bends You're my anchor, my  
forever friend Always, you're here with me My heart knows you're  
all I need Through every step, through every bend You're my  
anchor, my forever friend

# Teardrops

Teardrops are falling down your face again, 'cause I don't know how to love you when I am broken too Maybe your words make sense I could be the problem, I'm so sorry I know we could just be friends But I don't know when we come down from this softly Checking on my phone, tryna see what I did last night Baby, I'm hating on myself 'cause I hate it when I make you cry Teardrops are falling down your face again, 'cause I don't know how to love you when I am broken too Teardrops are falling I'll make you love me again, but I don't know how to love you when I am broken too All we do is break and bend I'm struggling to see the sunrise lately Really wish that I could mend All the little things that make you crazy Checking all my friends, tryna to see what I did last night Lately, I'm hating on myself 'cause I hate it when I make you cry Teardrops are falling down your face again 'cause I don't know how to love you when I am broken too Teardrops are falling I'll make you love me again, I swear I'm gonna learn how to be a better man Tell me, is there any room to love you Any room to hold you Any room to love you Any room to hold you Any room to love you Any room to hold you Checking on my phone just to see what I did last night Ooh, I'm hating on myself 'cause I hate it when I make you cry Oh, teardrops are falling down your face again 'cause I don't know how to love you when I am broken too Teardrops are falling I'll make you love me again but I don't know how to love you when I am broken too
