INCREDIBLE SCHOOL**

A WORD FROM THE BOSS

I would firstly like to take this opportunity to say thank you to our outstanding SGB and the leadership of Mr Hillebrand – our Chairman – for his guidance.

We certainly faced some big challenges this year when school started and we dealt with a massive issue that landed us in the news as well. But the swift action, expertise and the dedication of the SGB allowed us to overcome most of these challenges. Bryanston High School certainly had a rocky start this year, but has come through it with flying colours.

Our Grounds and buildings are being constantly upgraded and we have better facilities than we ever had before.

Of course, the new Astro (which is the biggest project Bryanston has ever undertaken) is coming along nicely and should be in full use from January 2020.

Again, in 2018 we had excellent matric results with a record number of distinctions. We were for the 10th year in a row the top school in northern suburbs as rated by the GDE. I would like to thank my academic staff and especially my Heads of Department for their dedication to this fine institution. We are fortunate at Bryanston that we have an SGB that supports our academic goals and that we can hire the best calibre of teacher in Gauteng. I would also like to thank our parents for making it possible to hire additional staff members thus enabling us to achieve the high goals we set for ourselves. Bryanston is and will always be first and foremost an academic institution, but we pride ourselves in a holistic approach to education.

Unfortunately, staff movement is a reality and we will be seeing the following changes in 2019:

Mrs Van Hees – Overseas
Ms McCann – Overseas
Mrs Turvey – Retiring
Mr Farnell – Retiring
Mrs Basson – Pretoria Girls
Ms Barkay – King David
Mrs Mackrory – Overseas

We were fortunate enough to replace all with quality Educators, but are still looking for one more.

I would like to highlight some of our superb achievements in 2019:

- Cross Country – we are the Gauteng Champions
- Boys squash – really excelled this year, winning many leagues
- Exciting Rugby tour to Namibia
- English and Biology departments were again rated top in our district for 2019
- Our Major Production was a huge success
- Success of our Rugby boys this year. They won the Apcan series
- Very successful Debs program
- More parental support at school events

We have worked hard over the past year to improve our grounds and facilities and I am happy to report on some of our project successes:

- Upgraded some offices
- Gym was refurbished
- We have re-floored several classes
- We have upgraded our media centre
- New gardens in several of the ‘dead’ areas of the school
- Repainted big parts of the school
- New ceilings and beams
- More Solar Panels installed
- More cameras installed.

I would like to thank Mrs Sue Knocker for all her guidance and work she has put into our gardens and grounds the past year.

A special word of thanks to Mr Tyson and our Bursar, Mrs Diane Peacock, for all their hard work for tonight’s meeting.

I would like to thank all the staff of the school for their dedication to our school. It is through the combined efforts of admin, academic and ground staff, that we are able to reach the heights we do.

In Closing, a special word of thanks to my PA, Mrs Carstens and my Senior Executives, Mrs Weir, Mr Lawrence, Mr Crighton, Mrs Cook and Mr de Lange for their support throughout this year.

Mr JR Skelton

A WORD FROM THE SGB CHAIR

Last year I spoke about our growth to “bigger and better” and while bigger is not necessarily better, we are in a unique position where we are able to realise that vision for our learners. Well a year has passed and we can without any doubt say we have realised so much this past year that has made us bigger and certainly better.

As South Africans on a whole who are feeling the pinch, we have been able to stay ahead of the curve as a result of having more learners this year (in excess of 1000) and due to the work of the amazing group of ladies in the finance office under the guidance of our bursar Mrs Peacock, their efforts have allowed us to realise the projects currently underway at Bryanston High School (BHS). These efforts would not be possible without you, our parents for the part you play in paying your school fees annually.

As always, our first function of the year was our staff long service awards with numerous staff being recognised for reaching various milestones in their chosen careers. We welcomed 14 new “young” staff with a mix of academics and administration and sorts administrator. These new staff members have replaced staff who have either resigned or retired over the last 18 months. At the same time, we celebrated 30 and 40 years of service with phenomenal ladies. Mrs Schumann has been in the BHS family for 30 years and the indomitable Mrs Weir for 40. During the course of the year we did experience a very unfortunate labour issue. We believe we dealt with this very sensitive matter correctly and with compassion. We have always made the effort to keep parents informed and our approach has been to handle the matter with complete transparency while still respecting the dignity of the learners and staff member concerned.

From an academic perspective we had great results with our outgoing matrics. We achieved a very commendable 98 % pass rate. Our thanks to all staff for their input into the lives of the class of 2018 over the last 5 years.

While we acknowledge that we are first and foremost an academic institution, we do strive to provide a holistic education which includes cultural, sporting and social responsibility programs. On the cultural side we found ourselves in the middle of an amazing production of “Chicago”. At various

times I was in the vicinity of the school, even on voting day, I was able to watch as the production came together. The effort from staff and learners alike was awe inspiring and their efforts culminated in the brilliant performance they put together. In addition, our thanks to parents who helped in the production, for their mentoring, passion and just being willing to play “mom’s taxi”. The production yet again set exceptionally high standards and brought out talent in our learners that many parents and friends did not believe existed.

From a sporting perspective we have undertaken a massive Capex upgrade in the planned provision of our Astro. The project is well underway and will be completed mid-February 2020. The Astro will be a full water based facility with floodlighting and will be comparable to any facility in South Africa.

In my report of 2018 I made mention of rugby coaches starting preseason training in October in anticipation of the new 2019 season. Well, what a year they had. Our First XV has had a phenomenal year winning 15 of their 16 matches and in the process beating Fourways and Randpark twice in the regular season with only 1 loss. The team undertook two tours - one down to KZN and one to Namibia to play against the best schools in Namibia. In the process they acquitted themselves exceptionally well against much larger schools, so much so, that they have been invited back in 2020. As mentioned last year, this is a young team and we look forward to 2020 to see how this team matures both on the field and as young men.

Our netball girls have once again had a phenomenal season with our 1st Team just missing out on a flawless performance. Just like the rugby boys, they played with absolute passion and as the year progressed in was interesting to watch as they peaked around our larger derby days. Their performance against Fourways was flawless and they did every Bryanstonian proud on the day.

We look forward to 2020 with a number of new trial sports being introduced. To stay relevant these sports will complement our current offering. While I would love to expand on this, all I can say right now is watch this space.

On a negative note it has been concerning to see support from parents and learners decline at sporting events. I would like to appeal to all parents to encourage their sons and daughters to participate in school activities and to then come out and support them on the sports field. As a parent of two boys who have been through the Bryanston system, I know just how much your support for your children means to them. Your being there for them will make memories they will cherish forever.

In between all the mainstream activities on the campus our learners and staff have been very busy with activities such as Miss Pizzazz, Miss Elegance, Mr Bryanston, the LAN Club, the Midmar Mile, Debs and Squires, LIA, grade camps, councillor camps, debating, the Matric Dance, Parlauf and numerous charitable projects. Thanks to all who gave up their time to make these events a success.

We are indeed fortunate to have Mr John Skelton as our Principal. Mr Skelton leads a dynamic Senior Management Team comprising staff with years of experience combined with the energy of youth. Anyone involved in the governance of a school will very quickly realise that no two days are ever alike. With over 1000 learners, their parents and the GDE to serve, the value of a capable and competent SMT cannot be underestimated. We are privileged to have a SMT that continues to manage the day to day functions of the school efficiently, with integrity and often with compassion and empathy. Their leadership style contributes to the ethos of our school and makes every one of our learner's part of the larger "Bryanston Family".

As Chairman of the Governing Body I am acutely aware of the need to maintain standards in a climate where many schools are facing tremendous challenges. These range from providing a good education in a disciplined environment with limited resources, to providing opportunity for learners to express themselves on the sports field or on the stage. The accolade of "Top School" in the northern suburbs is testimony to each and every teacher's commitment to our learners. We will be eternally in your debt for the influence you have had in the lives of our sons and daughters.

As with learners leaving Bryanston High School, so too, do we lose parents from our Governing Body. During the year we lost Mrs Giselle Schiavini and Dave Denton whose children matriculated from the school. Our thanks to them for the many hours they put into the school and their input into making Bryanston great. At the bye-elections held earlier in the year, we welcomed Mrs Aleena Bharuth and Mr Shalen Ramduth to the SGB and we look forward to your input and insight as we continue to grow and serve the Bryanston community. They have taken on the Fundraising and Discipline portfolios respectively.

Our existing members who continue to serve are Mr Kenneth O'Connor (Sport and Vice Chair), Bruce Tyson (Treasurer), Trevor Blackstock (Governance), Ron Tavener (Grounds and Maintenance) and Jackie Vernon (HR). Our gratitude to you all for your willingness to serve in what can be a tough but immensely rewarding environment.

To our Grade 12s, I would really encourage you to join the Bryanston High Alumni and contribute in some way to the Alumni Foundation. As you take what you have learned here and spread your wings, I trust you will look back fondly at your time here and where possible play your part in shaping the lives of future learners at Bryanston High.

I look forward to 2020 with great anticipation as we take delivery of our expanded facilities and continue to strive to become "bigger and better". Please make every effort to be part of the wonderful family that is Bryanston High.

COUNCILLOR CAMP

The councillors fully embraced all that the Councillor Camp had to offer. Each activity was met with tremendous enthusiasm, and they learned very quickly the importance of effective communication.

Many councillors were taken out of their comfort zones and did things they had never done before. Many of these things took tremendous courage and support from team members.

The councillors saw the advantage of working to team members' particular strengths, relying on one another and working as a unit.

The photographs from the weekend speak for themselves and show just how committed the Councillors of 2019 are.

Thank you to their Grade Controllers:
Mrs Martins and Mr Slater for their full participation in the weekend's activities.

GRADE 8 CAMP

Grade 8 camp started with a bang as the grade 8s were split in to groups and ushered in to the hall for a quick bag inspection then placed straight on busses bound for Camp Konka.

We arrived at Konka and were a timid bunch of strangers but after a weekend of team building, motivation and team talks we were finally united as a group.

We got muddy and then we panicked as we were suspended from the top of a climbing wall. We screamed with delight as we flew down the zip line. We had water fights followed by civilized meal times.

But the most memorable part of the entire trip was watching the teachers get involved and never faltering to cheer us on.

Grade 8 camp was all about getting a chance to bond with one another and putting differences aside. The grade 8's were lucky enough to go on this once in a lifetime trip, as a grade. To not only bond but to learn leadership, bravery and obviously have fun. On this trip the grade 8's got to connect with each other, make new friendships and start the year on a high.

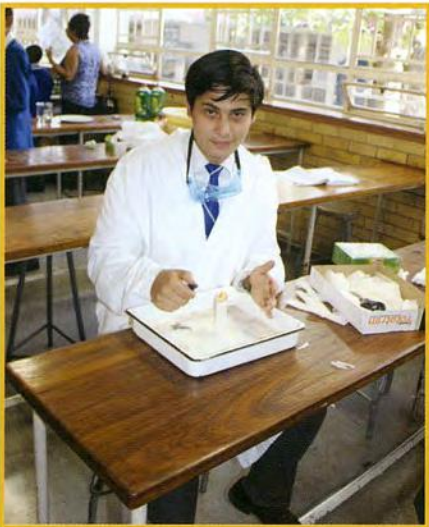

Camp Konka had loads of fun activities such as the Mud Obstacle Course. This was one of the many things that showed us that bravery can and will get you far in life. People got a chance to connect with people that they never thought they would talk or relate to as much as they did .

SWIMMING

The Bryanston High School Swimmers had a busy and wonderfully successful year.

The first term season was fruitful with many swimmers achieving personal best times, in both short-course and open-water events. These successes led to the swimming team winning their home gala at Bryanston and then winning their Interhigh gala, with half the team moving on to compete at the Prestige Gala. This means that Bryanston will be competing in a higher league in 2020.

The victorious Swimming team was led by exceptional matric Captains, Tiernan Clifford and Samantha Johnson. The team was coached by Marcelle Whitehead and Mandy van Rooyen. During the fourth term relay season the team was led by the grade 11 vice-captains, Ben Hillebrand and Ceira MacNair. The outgoing matric learners made up a fast and largely unbeatable open team this year. Their contribution to the Bryanston Swimming Team over the past five years will be missed, as they depart on their new adventures.

The Open Water team, led by Captains Madison Yeatman and Rogan Shepherd, and coached by John Farnell and Marcelle Whitehead, also had a very successful season. The team attended 6 open water events, including the Sun City Swim and the Midmar Mile. Bryanston finished the 2018-2019 season second overall amongst 22 competing schools. Our female swimmers managed to come first overall in their category and our male swimmers finished second overall. Special mention should go to grade 10 learner Megan Shepherd who finished as the top ranked female open-water swimmer for the season.

On the school awards front, our swimmers outdid themselves this year with a record number of them achieving colours and half-colours for team swimming and open-water swimming.

In conclusion, our upcoming juniors are an exciting group of athletes and great things are expected from them in the years to come. With a wonderful and strong junior group coming through, Bryanston Swimming can only move onwards and upwards! The 2020 season promises to be just as exciting as 2019 has been.

MIDMAR MILE

The Midmar Mile tour is always such an epic weekend away with our open water swimmers!

We are always so excited to stay at ATKV in Winkelspruit, on the South coast, for the weekend. It offers an array of entertainment for our kids: beach volleyball, huge swimming pool, tuckshop, putt-putt, trampolines and their own private beach.

On Saturday 9th February we descended upon Umhlanga Rocks main beach for some fun in the sun, a sandcastle-building competition and lunch at Gateway mall.

Sunday 10th February was the BIG Swim! This year we were fortunate to take 36 swimmers to swim the Midmar mile. Mrs. Whitehead (nee van Hees), Mr. Farnell, Miss Reid and Mr. Mawsdley also plunged into the dam for the challenge. The weather was good, the condition of the water was warm but choppy, but all our swimmers did exceptionally well.

Huge congratulations are extended to Mr. Farnell for completing his 29th Midmar Mile swim! What an amazing feat and Bryanston is truly proud of his contribution and effort to swimming!

Many thanks are given to Mrs. Whitehead (nee Van Hees) for all her hard work and skills training for our swimmers. To Mr. Farnell and Miss Barkay for all their dedication to open water swimming. To Miss Reid and Mr. Mawsdley for all their support and assistance on tour.

MISS VAN ROOYEN
Midmar Mile Tour Manager

GIRLS TENNIS

2019 was a jam-packed year for Girls Tennis at Bryanston. We had a squad of 24 players playing in the A3 and B3 leagues and an active beginner/development coaching program which provides an opportunity for our experienced team players to develop their coaching skills and give something back to tennis. Here is a summary of exciting year:

GIRLS TENNIS LEADERSHIP POSITIONS FOR 2019:

Team Captain:	<i>Ayanda Khoza</i>
Vice-captain:	<i>Nicole Wallis</i>
Open league match secretaries:	<i>Tatenda Chivinge and Sarah Nettleton</i>
Social/development tennis secretary:	<i>Kayla Butkovic</i>

TENNIS LEAGUE:

Bryanston entered 4 teams into both the open league in Term 1 and the Junior league in Term 3 and 4.

Our A and B squad came 3rd in the Term 1 A3 open league and the C and D squad won the B3 league! Open league InterHigh was held on the 2nd March. Bryanston entered both an A and B team into the respective tournaments.

Our school acted as a host venue for one of the B tournament pools. The B team came 19/26 teams and the A team came 22/28 teams in spite of an injury which prevented couple 1 playing in the second round of the tournament.

TENNIS COLOURS 2019:

Full Colours: *Ayanda Khoza and Nicole Wallis*

Half Colours: *Chloe Lawrence and Tatenda Chivinge*

Team Colours: *Kayla O'Dwyer

BHS OPEN CHAMPS:

BHS Open Girls tennis champs was played on the 18th July. There was enthusiastic participation from 32 players with some excellent matches.

Nicole Wallis won the tournament and is our 2019 girls tennis champion with runner up Kayla O'Dwyer.

BHS Interhouse doubles:

Our top players in each house played the 2019 interhouse doubles champs. There were some very closely contested games with tough competition for the top position.

Big congratulations to Neptune our 2019 champs!

Final scores:

Neptune 11 points (*Ayanda Khoza and Tatenda Chivinge*)

Jupiter 10 points (*Nicole Wallis and Chloe Lawrence*)

Mercury 6 points (*Pryanshi Das and Tadi Mwerenga*)

Apollo 3 points (*Kayla Butkovic and Ino Sekatubane*)

GRADE 8 JUNIOR CHAMPS:

The Junior champs are played at the end of the first week of school and this year we are pleased to have several talented Grade 8's joining our team. The winner of the Grade 8 junior champs was *Pryanshi Das* with runner-up *Carla Grobler*.

TENNIS COACHING:

On the 15th February, the top 12 players were invited to attend an afternoon coaching course run by Gaynor Harris from Tennis Inc.

The Following learners completed the level 1 coaching course:

BOYS TENNIS

Another great year has passed for the tennis boys of BHS. Our first team performed very well with some memorable games played and won against strong opposition. Our first team consists of mainly grade 10 pupils and our performance can only get better as the second season progresses. The amount of effort and time the players put into their tennis does not go unnoticed and it really shows on the court.

We have many spirited players and the talent coming through the younger grades will make our teams even stronger. We have had six learners qualify as Level 1 Tennis Coaches and they have given back to the sport by helping to develop the skills of the other players. A special thanks to Mr Gillespie and Mr P Slatter for their organisation and enthusiasm to Boys Tennis.

RUGBY

2019 has been an exceptional year for Bryanston High School's rugby. The boys confirmed the old Bryanston High saying:

"WE PUNCH ABOVE OUR WEIGHT."

Our junior sides showed good growth, giving us much to look forward to in the seasons to come.

A few highlights from the season include the following:

u/14: The future of Bryanston High rugby. They played a remarkable game against Eden Glen High school and were victorious with a score of 61 – 0.

u/15: The team that doesn't know the words "give up". They had a tough game against Randpark high School but drew the game in the end with a score of 7 all.

u/16: They had a challenging season, not being able to field 2 sides for most of the season but they came away with an outstanding win against Greenside High school with a score of 21 – 14.

2nd team: The unsung heroes of Bryanston High rugby. They played a very hard and physical game against Fourways High school and in the end got away with a draw of 19 all.

Our 1st XV had a demanding but very successful season. Their season started with convincing wins against Randpark High school with a score of 29 – 12 and against Fourways High school with a score of 26 – 12. The team also came 3rd in the Pirates challenge by beating Randpark high school.

NETBALL

What an extremely busy but successful year for Bryanston Netball! Training and matches took place throughout the year and our players and coaches had really worked hard on developing themselves and have grown so much this year.

We started off our pre-season training early in February and sent some of our very talented girls to District trials in March. A lot of our girls made it through to the first round of Provincial trials and then some made it all the way to the final round. Our superstar this year was our newest Bryanston addition, Thabisile Mthunzi who played for the U14 Gauteng team this year. It seems Netball is definitely in the Mthunzi blood as we watched our 2018 Captain, Tracey, play for TUKS in the Varsity Cup this year. We have no doubt Thabisile will follow the same path over her Netball years as she develops as a player.

We have had 2 of our other girls also competing in the IPTs this year and we are so proud of what they have achieved. Luyanda Gumede and Anastasija Milic played in the 2019 IPTs in March this year.

The rest of us (not on IPT tour) went on our annual tour to Margate Sportskool at the South-Coast. We took a mix of U15, U16, U17 and Open girls on this tour to develop and learn new Netball drills but mostly to bond our Netball sisterhood. We had training sessions in the mornings and matches in the afternoons and even though the weather wasn't great we could still do all of this as they had great indoor facilities available. The girls also played their first Beach netball match and won both their games.

Our U16 A team did it yet again – for the 3rd year – only losing 1 League match which meant they went through to JOMO play-offs again.

Our 1st team also had a great season with wins against President, Glenvista, Edenglen to name a few but our biggest victory was beating Fourways yet again with a score of 30 – 20.

The girls showed such commitment and passion throughout the season. We would like to thank our sponsors, Nightguard and Data Assist (Mr. Moreira) for our kit and jackets which they sponsored this year. We would also like to mention Turn n Tender who have already come on board with sponsoring our

bags for our Namibia tour in 2020. We hope to continue this sponsorship going forward into 2020 with Nightguard and Data Assist.

We have already had 1st team trials for 2020 and the squad has been chosen. We are starting preparation for the 2020 season already. We are also focusing more on strengthening and conditioning our players so they do not carry injuries during our season. We are very excited to take our netball girls on tour to Namibia and to experience something totally different next year.

We have entered 3 teams for the annual Flash Fast 5 Series at St. Stithians and our girls are displaying some beautiful netball. They are also growing so much as players and experiencing different playing positions during this tournament.

I would also like to thank Mrs. Raath for organising and leading our technical team this year as well as all my coaches: Mrs Mogale, Miss Venter, Miss Ives, Mrs Basson, Miss Lawrenson

and Miss J. Tavener for all their hard work and dedication this netball season. I could not run netball the way I do without all of them. A special thanks to Miss Lawrensen, as well, for accompanying me on the Netball Margate tour this year.

I would also like to congratulate Mrs Mogale for being elected as the D9 Netball Chairperson this year. May this be the stepping stone to new heights for you as a Netball coach, umpire and mentor.

A huge thank you the 1st team Rugby boys who supported us at all our matches yet again this year, as well as all my Netball Parents for all their support and help. A special mention to Mr. Warren Bronner for coming to our matches and taking thousands of beautiful photographs for us that we can treasure forever. To our Captains: Tayler Cusens and Caitlyn Bronner – thank you for your loyalty and endless support this year.

Lastly, to Mr Skelton, Mr Hillebrand (Chairperson of the Governing Body) and Mr van Wyk for all their support on and off court this year; I appreciate this from the bottom of my heart. We also would like to thank them for giving our first team Netball ladies their very own “Flame Room” at the bottom of the pavilion and for Mrs Tavener for decorating it so beautifully for us and for always being willing to go the extra mile for Netball. Our Netball mom has kept our tummies full this season and even helped plan and organise a very successful Sports Awards 2019.

Some of our 1st team and Floating Trophy winners at the Sports Awards evening this year was:

- | | | |
|---------------------------|---|--------------------------|
| Best Attacking Player | - | <i>Claira Tavener</i> |
| Best Defending Player | - | <i>Thato Mello</i> |
| Senior Player of the Year | - | <i>Luyanda Gumede</i> |
| Junior Player of the Year | - | <i>Thabisile Mthunzi</i> |
| Team of the Year | - | <i>U16 A team</i> |

A huge thank you must also go to Mrs. Lobban for working tirelessly on our Décor for our Sports Awards this year. You are truly talented and made this event one to remember.

We are working constantly to remain as competitive as we are and we are developing players and coaches on a continuous basis.

Signing out for 2019

EQUESTRIAN

Bryanston High School grade 9 learner Alison Fairfax represented Bryanston in the SANESA Equestrian School League this year. She has had some very promising results over the four qualifiers and regional competition.

She placed consistently in the top 5 during all four qualifiers for Prix Caprilli and went on to be selected for the regional B team, for which she received her regional half-colours. She placed in the top 15 in Gauteng at the regional qualifier.

Bryanston looks forward to building our equestrian team in the upcoming years and Alison's results show huge promise for the future.

CRICKET

Bryanston cricket has gone through a dip the previous couple of years. This year was different in that there was a clear upwards movement. With a lot of young talent coming into the school and the senior players showing what they are made off making the past cricket season a memorable one.

There were also some excellent individual performances like Glen Sayers with the bat and Bradley Langford with bat and ball just to mention a few. This past season was truly an excellent one and we would like to thank all the players and coaches for making it possible.

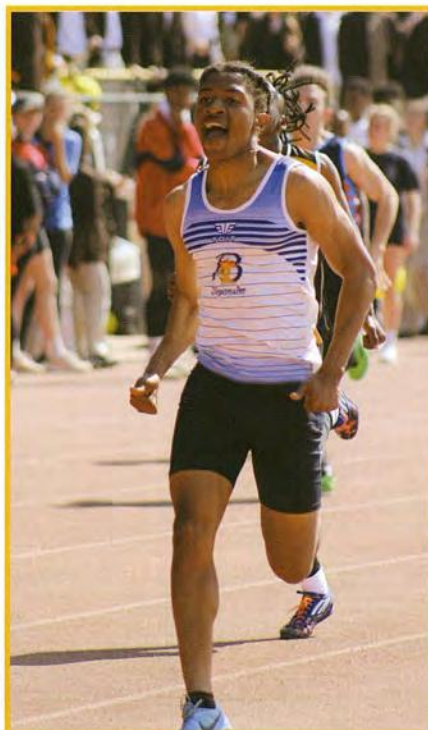

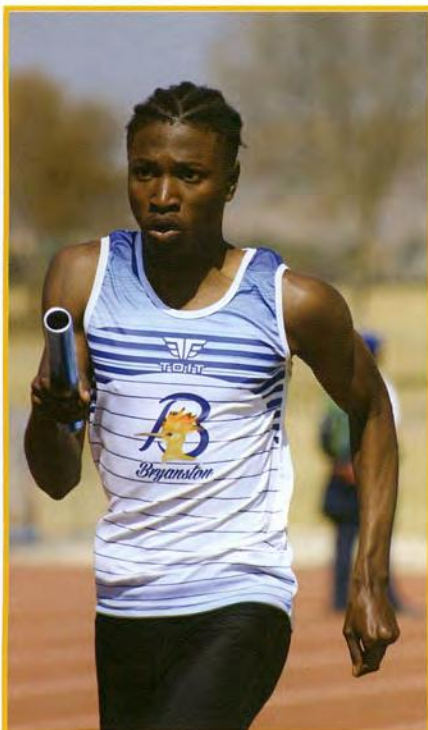

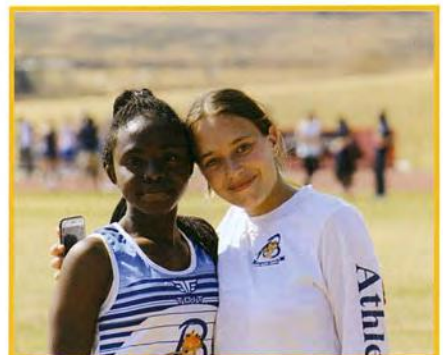

ATHLETICS

The 2019 season began with an early inter – house athletics day held in June where athletes displayed not only their running talents but also their flair at long jump, high jump and shot put. The season then followed into a dynamic holiday training program.

The athletes went off to compete every Wednesday in league meetings. These meetings meant running against a mixture of league competitors from A to F league. Bryanston High athletics 2019 finished off these league meetings with the Torch Trophy held at Ruimsig Athletics Stadium where the athletes displayed determination and retained the torch trophy with a very convincing win for the fifth year in a row.

The athletics season culminated in the inter-high meeting held at Ruimsig Athletics Stadium between Northcliff, Fourways, Randpark and Bryanston where the entire school sat in the stands cheering on their fellow Bryanstonians on the athletics tartan. The tensions and nerves were high as the score board jumped up and down between Bryanston, Fourways and Randpark. Unfortunately, by the final Relay, Fourways were able to gain the one extra point needed to take third place. Bryanston was the only school that managed to take away two new records broken by our outstanding Senior Sprinter: Thobani Madlala. Thobani broke the 100m and 200m U17 Boys records.

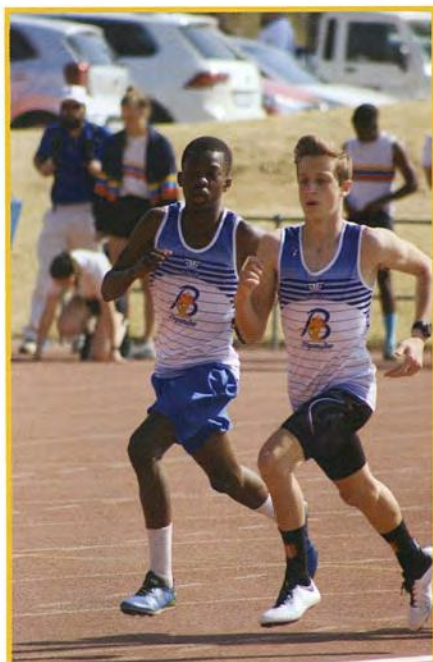

The winners of their respective races then competed against the best athletes from every league at a prestige meeting held at Boksburg Athletics Stadium. Thobani Madlala received the Best Senior Boy Sprinter award and again broke the 100m and 200m record.

CONGRATULATIONS TO OUR MEDAL WINNERS:

BOYS HOCKEY

Boy's hockey stood tall again this year, playing in the A league for the second year running. They performed like true Bryanstonians winning 59% of their matches and ending 4th in the league. A truly remarkable achievement, considering Bryanston is only in its second year in the A league.

The season started with the 1st Team going on tour to Camp Discovery and where they bonded as a team.

We started the league after the holiday where the 1st team boys lead by example and the junior boys followed. This led to an outstanding season and spirit within boys' hockey. The boys showed what they were made of and what can be achieved with teamwork.

A big thank you to the players and the coaches for a truly memorable season!!

CROSS COUNTRY

Writing the Bryanston High Cross Country report for the last few years often feels like repetition. Despite this however, this team has been a source of immense pride to the school and cross country coaches. Once again 2019 was a phenomenal year for our cross country athletes in all age groups.

Once again the stars of the show were our Junior Boys team made up of Massi Ambrosi, Brian Nyoni, Sazi Milaj, Asante Rikhotso, Yohan Dsouza and Gareth Rigden. This team won every event in which they participated including twice defeating Jeppe and KES in the championship events.

Our Senior Boys made up of Peter Nyoni, Thomas Schlebusch, John Mabhena, Siphesihle Twalamatye, KG Rihlamfu, Mandisa Hendile, Peter Tyson, and Thanado Tshabalala were also outstanding finishing in the top 3 in every event in which they participated. They made the interdistrict and interleague champs where they finished third to Jeppe Boys and Pretoria Boys.

Jnr Girls winners St Stithians Easter Festival

Notwithstanding the exceptional performance of the junior boys the revelation of the season was the unbelievable improvement that Lauren Singery and Jorga Garmany had made since the 2018 season. Every race was attacked with the utmost determination resulting in both ladies making the inter-district team. Jenna Farmer and Megan Hunt also had outstanding performances in the senior girls' age group.

Once again in 2019 Bryanston High totally dominated the Cross Country section of the St Stithians Easter Festival.

The 2019 Paarlauf Event held at Bryanston was also a huge success with teams from the North, South and Central Districts participating.

All of these outstanding performances were helped in a large way by the passion and enthusiasm of our student coach Mzamo Mnguni.

The team would like to extend their heartfelt thanks and appreciation to the teachers who spent countless hours supervising training and serving as officials – Mrs Turvey, Miss McIver, Mr Slater, Mr Malebana and Mr Lawrence

ORIENTEERING

Orienteering, which combines spatial perception and strategic planning with running, is the newest sport at Bryanston High School and it has become increasingly popular over the past five years. This year we had over sixty active participants who attended our own training events and then took part in the fixtures.

The Orienteering Schools' League takes place during term 1 and events are every Monday afternoon. Six of our participants qualified for the finals which were held in the beautiful but challenging landscapes of the Walter Sisulu Botanical Gardens in Roodepoort.

We were represented by Arminita-Lee Swann and our Captain Madison Yeatman in the Senior Girls, Justine Sayers in the Junior Girls and Rowan Theron, Gareth Rigden and Peter Tyson in the Junior Boys categories respectively.

Due to the excellent performance of our Juniors (Grades 8 & 9), for the first time Junior Full Colours were awarded this year.

SQUASH

The 2019 season began in Term 1 with pre-season training for all squash players. They were introduced to an abundance of fitness and various techniques and skills provided by our new but experienced coach request. The competitive season began in Term 2 and considering the skilled competitors, all age groups performed phenomenally well. There was considerable growth this year with more interest from the junior grades and we hope to continue this in 2020.

All players showed great effort and commitment to the sport and continue to make squash a successful sport at Bryanston High School. We would like to congratulate Jayden Swartz for achieving Full Colours and bid farewell to our Matric boys, Calvin Jones and Kyle Knoesen. Both Calvin and Kyle received Half Colours this season and have been assets to our First Team.

A huge thank you to Ms. Barkay for coordinating and making Squash possible as well as all staff who have contributed this year!

We encourage all students to try out and join Squash for the 2020 season as it offers social, fitness and competitive aspects.

Ms Reid

LIA SOCCER TOURNAMENT

Our LIA once again ran a fantastic soccer tournament this year. The tournament ended with the winners "The Wolves" our Matric team playing our ground staff team "The Bryanston Blues". The Wolves were victorious with a 5-0 win!

Congratulations to Reggie Williams the player of the tournament, Mashudu Kgatitswe the best goal keeper and Peter Nyoni who scored the goal of the tournament!

Well done to everyone who took part in this great tournament!

GIRLS HOCKEY

Girls' hockey has been on the up this year, with big improvements made with results and overall performance. The girls showed what they are made of with hard work and dedication.

The season started with the 1st Team going on tour to Camp Discovery and keeping the Bryanston name high. From there the league started and the players truly showed what they could do. We also had 11 players making district sides of which two, Bontle Wettes and Chloe Beukes, made it into provincial sides.

This was truly a memorable season and a big thank you needs to go out to players and coaches!!

CHEERLEADING

The 2019 season was hugely successful for our team – we started the season with 97 cheerleaders and teams entered in the Large All Girl, Large Co-ed and Small All Girl sections. The Large All Girl team won every competition in the season this year and also won the Provincial Championship and SAMCA National Championship titles. Our Large Coed team won the first competition of the season and then placed second at all other competition earning a Second Place at the Provincial Championship and SAMCA National Championship. Our Small All Girl team placed second in the season and fourth at Provincials. We had 4 girls represent South Africa at the International Cheer Union World Cheerleading Championships in the USA in April and finished the year with 10 Bryanston Cheerleaders being awarded Provincial Colours for Cheerleading.

We look forward to an even better 2020 season!

CULTURE

CHICAGO

"Ladies and Gentlemen, you are about to see a story of murder, greed, corruption, violence, exploitation, adultery, and treachery all those things we all hold near and dear to our hearts."

The opening line of Chicago so aptly describes the production, but in many ways we could use the same descriptive words to tell the story of 2019's entire Chicago experience.

Allow us to introduce some better suited definitions or entirely new meanings!

MURDER: A slightly more dramatic word for SLAY... which is what our cast did #killed it

GREED: Booking seats for 11 family members for MORE than one show... because this show was just TOO good to watch only once!

CORRUPTION: Bribing Mrs Cook & the ticket sales team for gallery seats or tickets for a sold-out performance

VIOLENCE: "im going to kill you if you don't keep quiet"... what you were thinking while someone in the audience was talking!

EXPLOITATION: A combination of "explode" and "satisfaction"... what your heart felt when Refentse & Jenna sang their duet- exploding satisfaction!

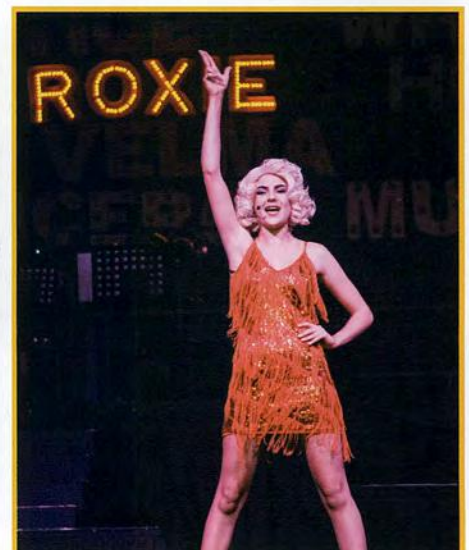

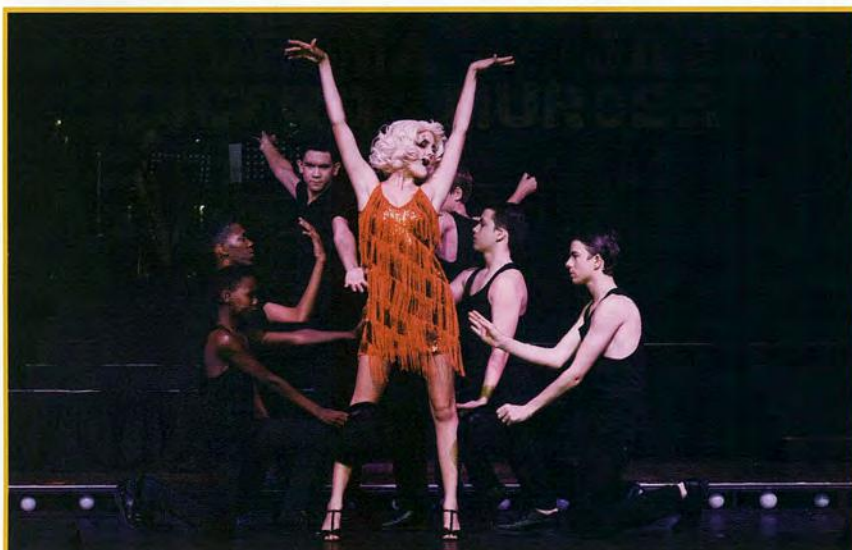

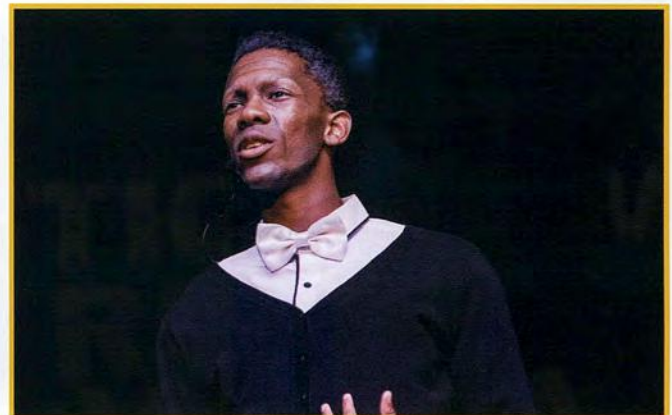

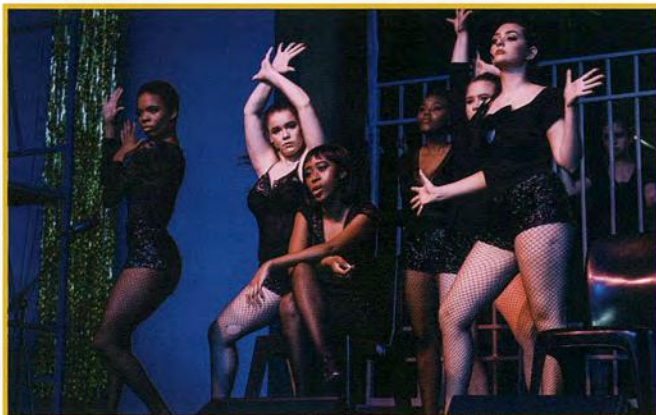

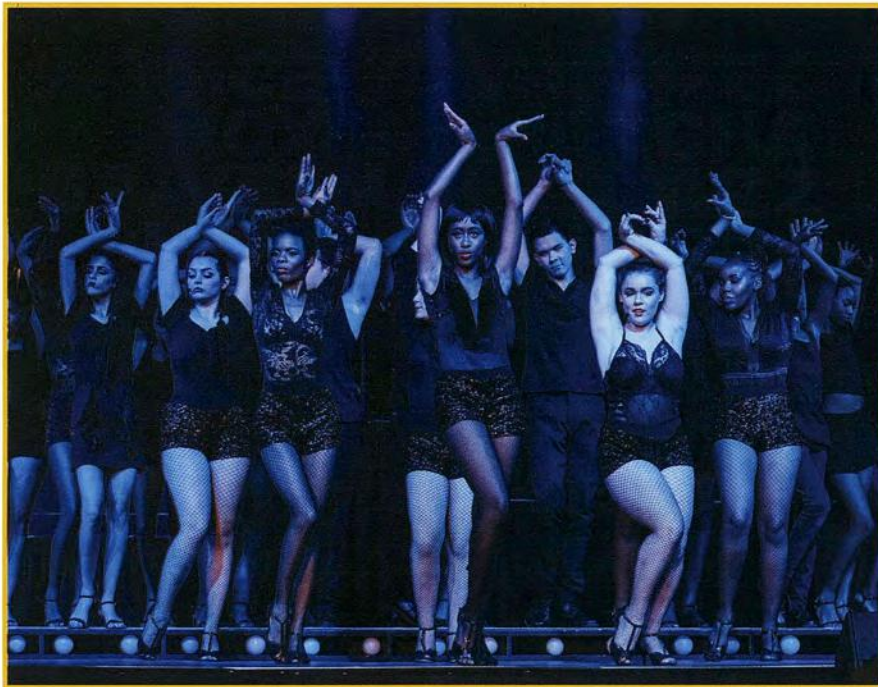

ALL THOSE THINGS WE HOLD NEAR & DEAR TO OUR HEARTS.

Chicago will always be a production very near to our hearts. It has been an amazing year filled with the most wonderful moments, and the love that this little family has for one another was truly evident on stage. We are extremely proud of this production- it was magnificent!

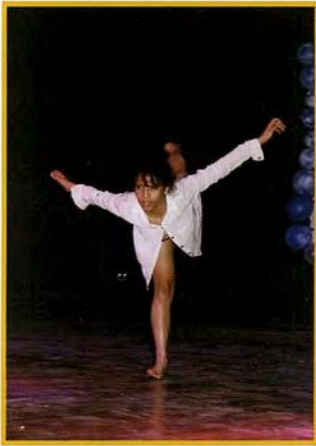

FOMO: The feeling all Bryanstonian's have after watching this show, and knowing that they would have/could have/should have auditioned...

Dont have **FOMO** again next year kids, Major Production is a legacy you **WANT** to be part of!

MY TALENT SEARCH

When I entered the Talent Search Olympiad, I did not know if it was some type of written test or where we showcased our talents. Upon arriving at the hall, where the 'test' would take place, I was informed that we would be completing a problem solving multiple-choice test. My excitement increased. However, my expectations of being able to receive any type of certificate lowered. We were seated within our designated grades and shortly thereafter, we began the test. Throughout the test, my confidence in my ability varied from question to question. In the end, however, I confidently handed in a test that I had attempted to complete to the best of my abilities. To my immense surprise, I not only received a certificate, I received a silver certificate. I had successfully become one of the few entrants within my year to be placed with this certificate. Throughout this experience, I learnt many valuable lessons and one that will continue to drive me as I navigate through my life is to never underestimate yourself. These words cannot be truer because as Jason Pockrandt once said: "Anything is possible once you believe you are worthy of achieving it."

RHETORIC

The Rhetoric Society has had a busy year in all its spheres.

At the beginning of the year our pupils competed in the highly prestigious speaking competition. During February and March each grade sends a team of four speakers to compete in the South African Guild of public speaking. We compete against Private and public schools. This year the juniors had to choose a book title and the seniors had to select a current meme on which to base their speeches.

Our Guild Trophy Individual Speaker was Paris Thompson and she achieved a B+ symbol.

The Grade 12 team : Siyanda Mfeka, Praise Babatunde, Khanya Qweshwa and Nokukhanya Sibanda. Well done on achieving an A symbol.

Grade 11 Team : *Danielle Dell, Matilda Ndlovu, Uhuru Yekbanye, Cindy Letebayane.* They were awarded a B symbol

Grade 10 Team: *Sana Moodley, Esther Akarigbo, Lehlohonolo Sediane, and Avugile Sigwebela.* This team achieved a B+ .

Grade 9 Team: *Justine Sayers, Zamanguni Gumede, Jordan Langley and Chantel Siyaya.* Well done on your B symbol.

Grade 8 Team : *Angela Muduzi, Keitumetsu Raphadu, Yanga Mdanyana and Aarush Gupta.* This team was awarded a B+

All speakers did extremely well!

In addition to our wonderful public speakers, Bryanston also has a brilliant junior and senior debate team.

Debating Chairperson: *Bongani Pempeni*

Vice Chairperson: *Samantha Kalemba*

Our junior SACEE League speakers included:

Rachel Ashford, Callum Bartels, Suvhan Gopaul, Akira Hargovan, Annabel Key, Sindisiwe Nkomo and Vuyo Mdlambuzi.

This talented group of juniors won 4 of the 6 debates and progressed to the Regional Championships. A special mention must go out to Callum Bartels, Rachel Ashford and Annabel Key who were ranked in the top 50 individual speakers. We look forward to the progression of this talented team into the senior league.

Senior SACEE League speakers included:

Bongani Pempeni, Samantha Kalemba, Mohamed Patel, Anelisa Budula and Paris Thompson.

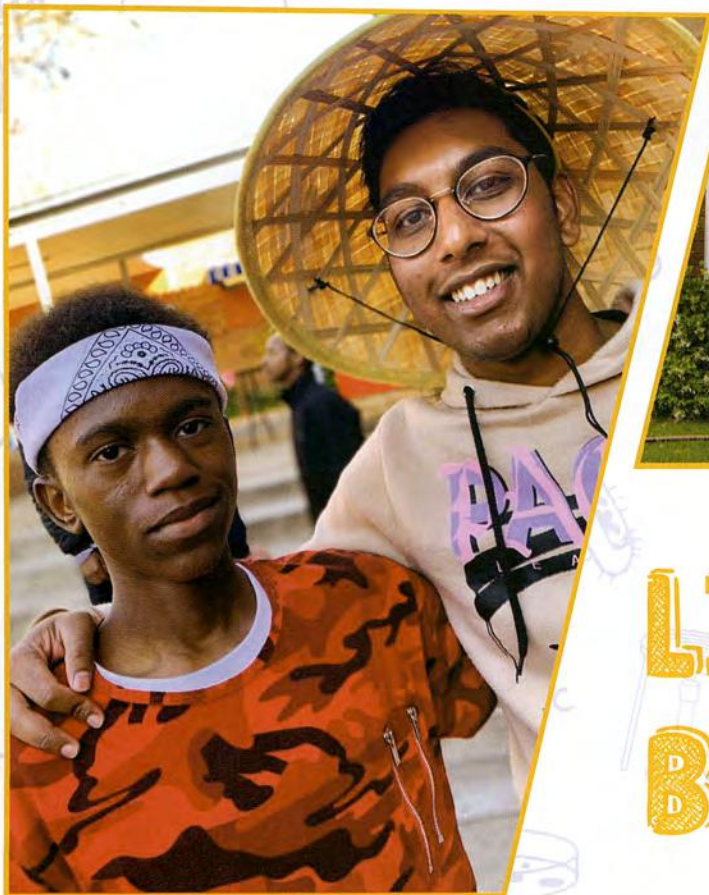

This strong group of seniors performed incredibly well during the league and won 3 of their 6 debates against incredibly tough opponents. We wish our senior debaters good luck on their journey forward. May their debating memories and skills stay with them forever as they continue to grow and thrive.

Interhouse Debating Competition:

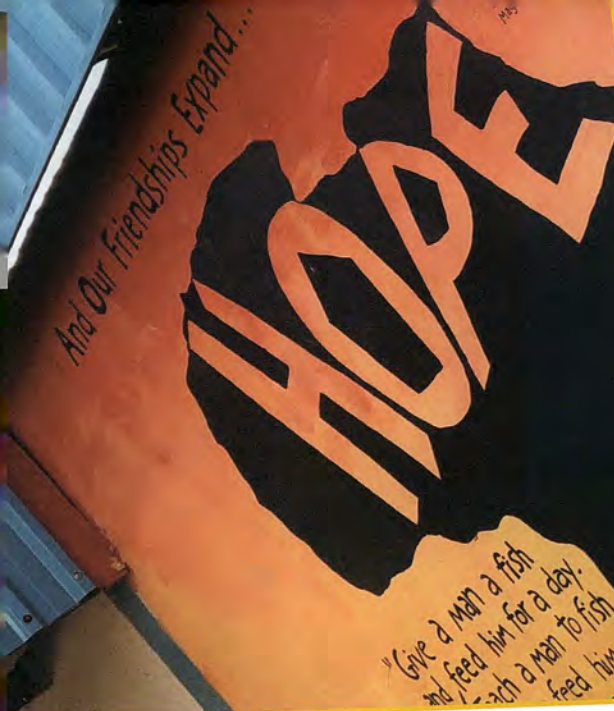

Congratulations to our interhouse debaters for an excellent performance. Our winning house was Jupiter with Mercury following in close second. A big congratulations as well to our topjunior speaker Annabel Key and our top senior speaker Keketsoi Baliwe.

In addition to all this ourpupils also participated in Model United Nations: This year we had one committee negotiate at the conference held at WITS.Xoliswa Madiba, Sana Moodley and Kavya Kaushik were the delegates from Australia in the committee for Tax Justice. It was a successful day with the team persecuting their position papers, negotiating with delegates of othercountries and voting on decisions regarding Tax Laws. A big congratulations goes out to all the members of our Rhetoric Societyand a big thank you to a successful year!

LIFE AT BRYANSTON

CHARITY

This year at Bryanston High School, the Charity Drive has been an overwhelming success.

The 'Cans and Cuppa Soup' collection kicked off 2019 with a very positive note. Students brought in many cans of food and packets of Cuppa Soup to contribute to the 'Charity Begins with Me' drive.

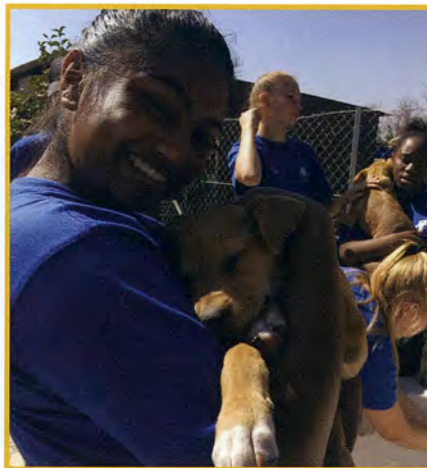

In Term 2, there were 2 very successful fundraisers. The 'Cuddles for Cancer' campaign allowed the Bryanstonian community to collect hundreds of teddy bears to distribute to many children suffering with cancer, as well as children suffering trauma after an accident. Something that may seem so small to so many people, is such a huge comfort to those children suffering every day.

Again, in term 2, with 'Charity Begins with Me', toothpaste and bars of soap were collected for the 'Keeping it Clean' campaign.

Lastly, over term 3 and 4, Nappies and Formula were collected for LIV Lanseria.

We at Bryanston High would like to send a huge thank you to all the Parents and Students who worked so hard to contribute to the different charity drives that took place throughout 2019. Without all your hard work and contributions, this wouldn't have been possible. So many people's lives were touched in such a positive light due to the kind heartedness of so many Bryanston families.

Head of Charity: Mrs. B Mackrory

HERITAGE DAY

I AM AN AFRICAN

Not because I'm black.
But because my heart warms
And tears run down my face
When I think about AFRICA.
I am an African,
Not because I live here,
But because the African
Sun lit my paths.
Because the air that I breathe
Is from these majestic mountains.
That air nurtured me
Growing up.
I am an African,
Not because I can speak
Swahili, Shona, Zulu or Xhosa.
But because my heart is
Shaped like a question mark,
Just like AFRICA.
I am an African,
Not because I am black,
But because my umbilical cord
Is buried under the majestic
Mountains of AFRICA.

MANDELA DAY

Thank you once again to all our special Bryanstonians who contributed to the LIV Lanseria project for Mandela day 2019. It was lovely to visit the village with some of our learners and to get a small taste of what they are about and the incredible work that they do!

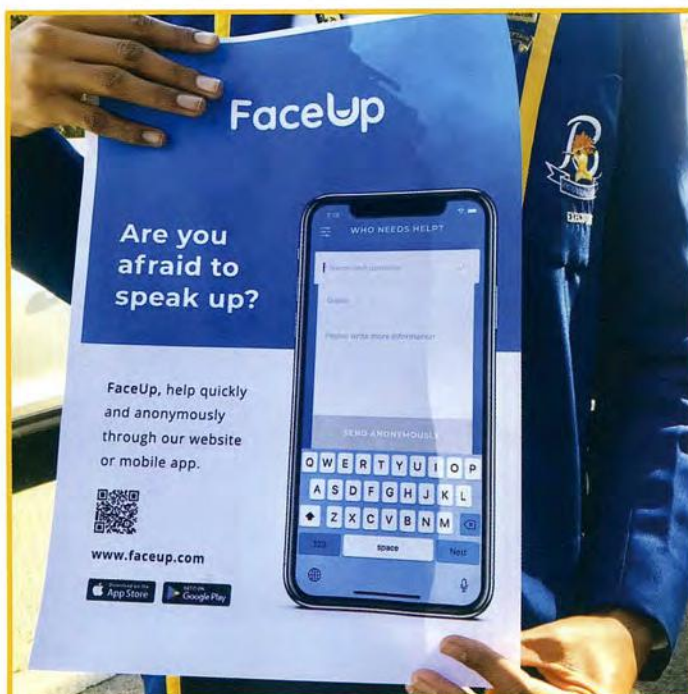

I NEVER LOSE. I EITHER WIN OR LEARN.

FACEUP APP

2019 saw the launch of the amazing FaceUp App here at Bryanston.

Thank you for helping us make a difference and turn bystanders into everyday heroes!

Thank you too, to Cayley Jorgensen - Registered Counsellor for introducing us to this great product and initiative.

FaceUp is a web platform and mobile app designed to fight bullying, depression and other psychosocial issues at schools in South Africa and around the world. Reports are anonymous and get sent directly to the school's contact people so that the school can help their students more effectively.

SPRING BALL

Spring Ball was nothing short of a magical fairytale that not even unscheduled load shedding could put a damper on. 225 Grade 10 and 11 learners filled the hall wearing their gorgeous dresses and suits and danced the night away.

Thank you to all the staff, parents and learners that supported the last LIA function for 2019. It was definitely a night to remember.

GARDENS

Our school gardens continue to make us proud and under the guidance of Mrs Sue Knocker our gardeners Joe Mampa and Riccardo Visagie are doing a wonderful job. Anyone visiting our school is able to enjoy the beauty and serenity provided by these beautiful surroundings.

SFC & CATERING

The SFC under the leadership of Mrs Bev Weir and Mrs Ghorbany have successfully completed another busy year. Thanks to the 74 strong team this committee continues to provide amazing service to the school in the hospitality and catering arena. Busy meetings which take place on the first Tuesday of each month have successfully managed to draw in wonderful support and serve an excellent marketing service for the school.

We would like to salute all those parents who have committed themselves and helped at many occasions. As usual we bid farewell to 3 of our parents whose children will be matriculating. Koren Hayman, we thank you for your 5 years of service to our committee and to Taryn Kent and Marian Mitchley it has been a great pleasure to work with you all in our team.

The school caterers under the leadership of Toni Holmes (Chairperson), Talia Ghorbany (Secretary) and Precious Ndebele have continued to do an outstanding job. Their commitment and service through the year enable us to provide excellent catering for all events.

To the young caterers who came on board and did the basic 1 catering course we are proud of the effort you have made and encourage you to continue in the catering team. Congratulations, Full Colours were awarded to our 3 Executive members Toni, Talia and Precious.

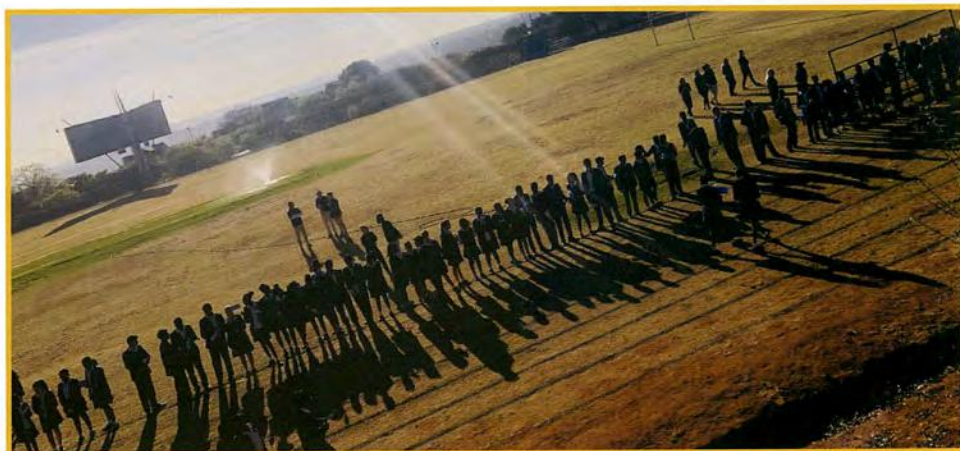

KLM TURNS 100

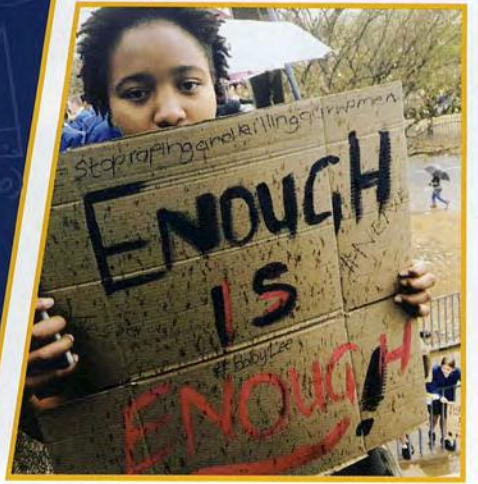

When KLM/AirFrance turns 100 years old we all celebrate! Along with other schools in Johannesburg, 13500 paper planes were all flown at the same time.

Nothing quite like be part of breaking a Guinness World record on a Friday morning!

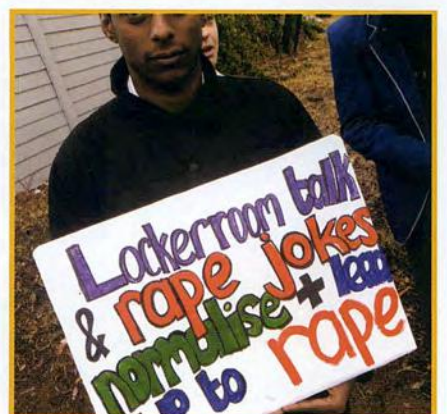

ENOUGH IS ENOUGH SILENT PROTEST

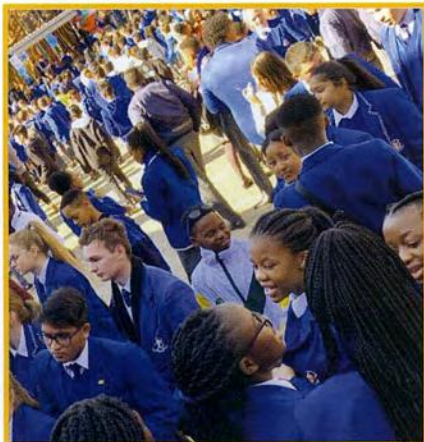

It was an emotional morning on the bridge on the 6th of September where our learners and staff stood in solidarity against the abuse of women!

COUNSELLING

Mrs Amy Dewes-Goulborn

I am the Registered Psychological Counsellor for the learners at Bryanston High School.

What is a Registered Psychological Counsellor?

I am a Health Professional registered under the Health Professions Act and the governing board called the HPCSA (Health Professions Council of South Africa). Registered Counsellors assist to make psychological services more accessible in South Africa.

Me as a Registered Psychological Counsellor

In addition to being able to help with a broad scope of a client's life, I importantly screen for and cater to the psychological side of a person's wellbeing. I believe counselling is my calling as I've always had an innate passion for helping other people. I use mainly a person-centered with eclectic (including cognitive behavioural) approach to empower and suit each unique client.

What is the purpose of counselling?

The main purpose of counselling is for the clients to learn how to cope, overcome challenges, improve functioning and experience personal growth. The success of counselling is largely dependent on their honesty and voluntary disclosure of what is really going on in their lives in the sessions and, for the clients to take responsibility to use the necessary skills/techniques/insights from counselling and apply them in their own lives.

Why should the counselling profession be respected?

Registered Counsellors are faced with numerous challenges in their daily practices but, these challenges are an expected part of the therapeutic relationship, a relationship built on trust and openness. Psychology is one of the most complex professions as Health Professionals deal with the most

vulnerable state of clients. Psychological Professionals are expected to not compromise their profession, given the privilege to practise a profession that deals with the most confidential aspects of human behaviour and experience. Various responsibilities are associated with the profession of psychology, with ethical requirements being of paramount importance. In other words, maintaining a protective attitude in safeguarding the best interests of the client. The best interest of a child is of highest importance in this profession, as well as in my own value system.

What services can I offer as Bryanston High School's Registered Psychological Counsellor?

- Screening and identification of mental health challenges
- Containment of presenting difficulties and trauma containment
- Provide preventative, developmental counselling services and interventions
- Promotion of primary psychosocial wellbeing
- Psychoeducation to clients and staff
- Education and barriers to learning guidance and services

WHEN SOMEONE IS BROKEN, DON'T TRY TO FIX THEM

BLUE FLAME CAFE

Blue Flame Cafe has loved being the provider of fresh food to the learners, educators (and Parents) namely, Chicken, Beef and Rib burgers, freshly cooked chips a variety of toasted sandwiches and not forgetting the healthy option of freshly made salads, breakfast muesli, baked muffins daily. We also supply a selection of cold drinks, chocolates and sweets. On certain days we run specials of Boerewors and Prego Rolls and newly introduced Curries, samosas, chicken pops as well as gluten free wraps..

Avoid carrying Cash

Blue Flame Cafe offers a prepayment facility which allows parents to run their child's account with the cafe, simply pay an amount upfront into their account and eliminate the need to carry cash. The cash system also allows for finger prints to be taken making the cash system even more secure for your child. Learners and educators can pay with cash.

Debit and Credit Card

Blue Flame Cafe accepts Debit and Credit cards with a minimum purchase of R 30.00.

Avoid the queue

An added service is that you can pre-order your meal before school starts and avoid the queue disappointment of not getting the meal of your choice. Orders can be collected at break from the pre-order counter.

Operating hours

Open every day at 7am. Monday, Tuesday and Friday close at 16h00. Wednesday and Friday close at 15h00 unless there is afternoon sport, we then close later.

DEBS 2020 ALL AMERICAN BRUNCH

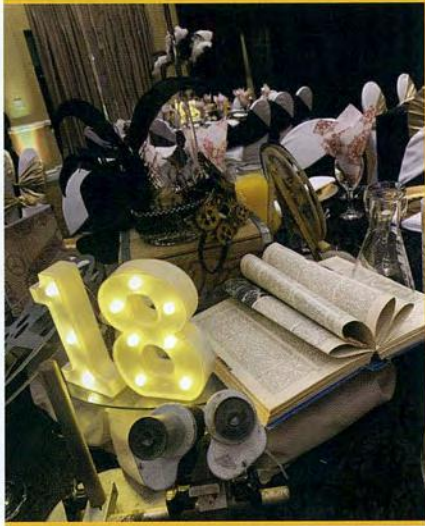

An all American Debs' and Squires' brunch took place on Saturday the 17th of August at Bryanston High. The event was hosted by 3 learners that are part of the 2020 Debs and Squires programme: Claira Tavener, Nicole Wallis and Makaylan Ramburan.

It was an awesome occasion with magnificent decor, excellent food and tons of fabulous prizes that were generously donated by their sponsors.

Thank you to everyone who supported the event!

MATRIC FAREWELL

Steampunk it was at Indaba Hotel on the 13th of October!

A huge round of applause to the Indaba Hotel, Spa & Conference Centre and their management for yet another wonderful event at this special venue. The Bryanston\ Decorange-it/Sheer Magic team made magic happen yet again!

Thank you so much to everyone who contributed to making this Matric Dance work!
