# SUMMER SPECIAL EVENTS AND PROGRAMS

## MAGIK ON THE ROAD

Magik on the Road Tours is coming to the Schertz Public Library this summer! Join us on June 6 for a special presentation of Tomás and the Library Lady. Based on the inspiring true story of Tomás Rivera and the beloved book by Pat Mora, Tomás and the Library Lady celebrates the magic of stories, reading, and imagination. Tomás, a young boy from Crystal City, Texas, and the son of migrant farm workers, meets a kind librarian who introduces him to the transformative power of books. This story follows Tomás Rivera, who went on to become the first minority Chancellor in the University of California system. This bilingual performance, perfect for both English and Spanish speakers, will be held on Friday, June 6, at 11 a.m. and 1 p.m. Space is limited, so be sure to arrive early to secure your spot!

## ART HEIST ESCAPE ROOM

This June, test your skills in a thrilling art heist escape room at the Pecan Grove Art Gallery—inside the library! You and your team must break in, solve puzzles, and retrieve a priceless masterpiece before the clock runs out. Can you crack the code and save the artwork? This high-stakes mission is available for two weeks in June. Book your spot for a 30-minute adventure that's sure to keep you on your toes! Recommended for teams of 4-6 people, ages 8 to adult. Available during the first two weeks of June—space is limited, registration begins June 1.

## COLOR OUR WORLD: CREATIVE WELLNESS SERIES

Explore global creativity through art and color! This hands-on series takes you on a journey across cultures, blending painting, music, and mindful creativity. From Mediterranean landscapes to Polynesian-inspired instruments, each session offers a unique art experience to spark inspiration and joy. This series is designed for adults and will consist of four separate creative wellness classes, two in June and two in July. Please check the online calendar for the date, time, and details.

## FAMILY MUSIC AND MOVEMENT

During our time, participants will explore a variety of musical instruments, dance with colorful scarves, and enjoy opportunities to move their bodies in fun and creative ways. Beyond just a musical experience, this class nurtures the development of social, emotional, physical, and language skills in your child. Come join us for a harmonious blend of learning and laughter through the magic of music on Saturday, June 28 at 10:15 a.m. in the Library Program Room. This program is designed for children birth to 7 years old and their accompanying adult.
