About The Author

Moonscaper here! I'm a Voxies and Voxie Tactics Items NFT holder and I've been a part of the Voxies community since June 2021.

► I was rummaging through my old Weekly News files when I found this nostalgic screenshot of the Voxies Website about 3 years ago. This profile page showed Achievements such as how many Voxies were owned, the weekly VOXEL allocation for Voxie owners (\$VOXEL wasn't launched yet at that time) and the Voxie Collector Challenge that resulted in the Special rarity items such as the Challenger Sword and the very first Godly items.
