2024-2028 PERSPECTIVES THAT GUIDE THE JUDEO-CHRISTIAN VOTER

by BiblicalVoter.com

Those who hold to Judeo-Christian convictions have a firm foundation: the Word of God. When we choose to live by its unchanging truths and moral absolutes, we step into our calling as voters guided by Scripture.

A voter with a biblical worldview discerns issues through the lens of God's principles. Such a voter understands the platforms of political parties, evaluates candidates by their records, and weighs each issue against God's standards of right and wrong. Their allegiance is not to party labels but to the Lord's commands.

Politics may often be framed as left versus right. But for those who follow Christ, the real issue is right versus wrong. Casting a ballot is not just a civic act—it is a moral decision made before God.

The next President of the United States—and nearly all statewide officials—will come from one of two political parties: one leaning left, the other leaning right.

When you step into the voting booth, if you struggle with a candidate's personality, remember this: it is far more important to weigh their positions than their personality.

Both Republicans (R) and Democrats (D) publish official Party Platforms. These documents are more than words on paper; they are guiding principles. In fact, statistics show that members of Congress vote according to their party's platform most of the time—about 89% for Republicans and 74% for Democrats.

That means platforms matter. They are reliable indicators of what candidates will actually do once elected.

When we compare these two platforms side by side, the differences are striking—on issues that directly affect faith, family, and freedom. Scripture reminds us:

“When the righteous are in authority, the people rejoice; but when a wicked man rules, the people groan.” — Proverbs 29:2 NKJV

Because we live in a government “of the people, by the people, and for the people,” those who believe the Bible have not only the privilege but the responsibility to vote—and to vote according to biblical values.

Once, politics in America was primarily about left versus right. Today, the deeper question is right versus wrong.

That is why studying Party Platforms is such a powerful tool. It allows Christians to look past campaign slogans and personality contests and instead evaluate candidates by the standards of their own party’s commitments.

Sharing these contrasts is perfectly legal in churches, and it’s one of the clearest ways to educate congregations without fostering unnecessary division. In fact, many have found it eye-opening — including experienced politicians who admitted they had never seen such a clear comparison before.

If you want to cut through the noise of campaign season, focus on the platforms. What candidates promise in ads or debates may fade, but how they vote almost always reflects the principles written in their party platform.

2024-2028 PARTY PLATFORM CONTRASTS

*Historical, Constitutional and Moral
Contrasts of the Two Major Parties*
by Bishop Art Hodes

2024 REPUBLICAN PLATFORM IS:

- 27 pages (1/3 the size of the Democrat Platform)
- 5,623 words (1/8 as many words as in the Democrat Platform)

2024 DEMOCRAT PLATFORM IS:

- 92 pages (3x size of the Republican Platform)
- 49,914 words (8x more words than are in the Republican Platform)

Words matter, not the preponderance of words, but the profoundness of words.

BTW: The party platform with NO mention of “Christian” in its 92 pages of 49,914 words pointedly DOES mention “Hindu”, “Islam”, “Muslim”, “Sikh”.

FURTHER: One party platform exclusively mentions “Bible”, “Blessings”, “Christian”, “Conscience”, “Grace”, “Pray”, “Sanctity of Marriage”, “Parental Rights”, “Religious Liberty”, “Election Integrity”, “Love of Country”, “Strong America”, and “Common Sense”, the other makes NO mention of any of these.

IRONY: The Republican Party Platform that mentions “Common Sense” 15x, also mentions “Trump” 19x. The Democrat Party Platform, with no “Common Sense”, mentions “Trump” an astounding 150x!!!

REPUBLICAN PARTY PLATFORM STATES:
“We are the defenders of the First Amendment Right to Religious Liberty. It protects the Right not only to Worship according to the dictates of Conscience, but also to act in accordance with those Beliefs, not just in places of Worship, but in everyday life.”

SPECIAL NOTE FROM BISHOP ART HODGES:
I can personally testify this to be True, after fighting for Religious Liberty in the Federal Courts for most of 2020 & the first half of 2021, resulting in 11 Federal Court rulings in less than one year; finally prevailing with two decisive U.S. Supreme Court VICTORIES on February 5 and April 26, 2021 (coming only AFTER President Trump nominated 3 new God-honoring SCOTUS Justices) resulting in securing a permanent injunction against California (and ostensibly any state) ever again locking people of faith out of their houses of worship.

So, how should YOU Vote - Right or Left?
Right or Wrong?

Ecclesiastes 10:2 NKJV

"A wise man's heart is at his right hand; but a fool's heart at his left."

Make America Godly Again, VOTE RIGHT!

Bottom line: We are not for the donkey, we are not for the elephant, we are for the LAMB.
