# *The Orchard*

The venue is situated in an old apple orchard on the edge of the village, providing ample outdoor space to enjoy drinks, games or even an outdoor civil or celebrant led ceremony.

There's plenty of room, so if you'd like an orchard wedding (weather permitting), then just ask!

# *Outdoors*

The outdoor space is yours to enjoy – whether its games, a champagne bar or simply chatting with friends.

There are endless opportunities to create your own outdoor fun! The orchard has a charm of its own, with 100 year old apple trees, roses and a hidden shepherds hut.

Alternatively, guests can simply chill out on the terrace and soak up the views of the countryside...

# *The Threshing Barn*

Your wedding breakfast will be held in the old threshing barn, where the original mill machinery still stands as a monument to centuries past. This rustic haven was once a bakehouse for medieval monks. It invites you to savour not just your delectable feast, but also the echoes of a bygone era. With its flagstone floors, great wooden doors and honey tones, it will enhance the magic of your celebration by giving a truly romantic feel.

# *Feast*

We know that food plays a big part of a wedding day, and we want to ensure that you and your guests will have an experience to remember forever. That's why we have partnered with specialist wedding caterers, the French Kitchen. They provide the highest quality, locally sourced produce and have outstanding reviews from all customers.

They provide a huge range of menu choices and cater for lots of dietary needs (including vegan), as well as any special requests. Whether you want a traditional wedding breakfast or grazing boards to share, there is something to please everyone. For superb food, with sustainability and style, we just couldn't recommend anyone better.

The French Kitchen will also provide you with your own dedicated event manager from the very start of your journey, up until the end of your wedding day - so you know you are in safe hands.

Evening food can be supplied, and if you have a wedding cake this can be sliced onto platters for guests to enjoy.

Prices are inclusive of cutlery, crockery, glassware, all servicing and kitchen staff, table linen & VAT.

£80 per head to include canapes and three course wedding breakfast

## *Stable Bar*

Drinks are available in our enchanting old stables, which is now a bar set amongst hayracks once used by plough horses.

Your arrival drinks can be taken outside on the terrace, or in the bar if the weather is poor. You can arrange your own arrival drinks, table wine and toast drinks – these can be chilled and served by the French Kitchen, for a service charge.

The Stable Bar will be open after the wedding ceremony, where your guests can sip champagne, have cocktails, or choose from a superb range of drinks. You can choose whether to have a pay bar, a free bar or a bit of both.

## *Evening*

Your celebration, your soundtrack. Whether you choose the electric beats of a DJ on the dance floor, the enchanting melodies of a string quartet, or any other musical delight you can wish for, this is your moment to create the perfect harmony for your first dance as a married couple. The stage is yours to orchestrate.

For those who prefer a different rhythm, our minstrels gallery offers a haven of relaxation. Nestled upstairs, surrounded by elegant antique French furniture, guests can enjoy the festivities from a stylish vantage point. It's the perfect retreat for those who prefer to enjoy the celebrations in a more laid-back way.

## *Stay*

Walk next door and kick off your shoes. Spend your wedding night in romantic luxury in the adjoining North Barn, then wake up to a champagne breakfast – what better way to celebrate your first morning as a married couple...

For your guests, there is plenty of accommodation in the area including lots of choice, with Airbnb, camping, boutique pubs and large hotels within easy reach.
