# Bringing Your Vision to Life, One Thread at a Time.

## Our Story

Established in 1999, Euro Fabric Sdn Bhd has grown to become a trusted name in the wholesale distribution of high-quality curtain fabrics and accessories. Based in Malaysia, we specialize in offering an extensive range of premium fabrics, from polyester to contemporary blends, catering to the diverse needs of our clients in the interior design, retail, and hospitality industries.

With over two decades of experience in the fabric industry, Euro Fabric is committed to providing innovative, durable, and aesthetically pleasing solutions for both residential and commercial spaces. Our carefully curated collection of curtain fabrics and accessories ensures that our clients have access to the latest trends, while also meeting the demands for functionality and quality.

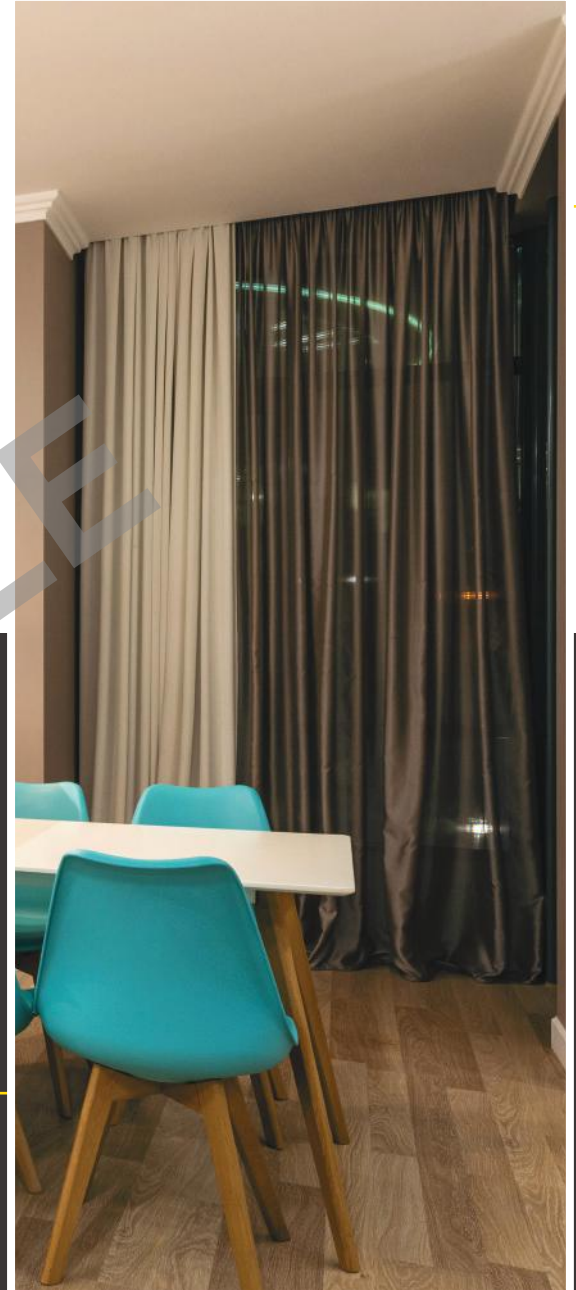

### Mission

Our mission is simple: to provide the finest curtain fabrics and accessories that empower your creativity. Whether you're working on a private home, a grand hotel, or a corporate office, our products deliver the beauty, functionality, and durability you need. We're committed to offering exceptional service, expert advice, and innovative solutions that help bring your design vision to life.

### Vision

We envision a world where every window, every drape, every room tells a unique and inspiring story. A place where design meets function, and where creativity flows seamlessly through the fabrics we provide. We strive to be your trusted partner in creating spaces that not only look beautiful but feel authentic, purposeful, and connected.

## Who We Serve

- Interior Designers & Decorators seeking high-quality fabrics for residential and commercial projects.
- Retailers looking for a diverse and consistent supply of curtain materials and accessories to offer their customers.
- Hospitality Industry including hotels, resorts, and restaurants in need of durable and elegant fabrics for the establishments.
- Contractors & Developers working on large-scale residential or commercial projects requiring reliable fabric solutions.
