# WHY YAMAHA

Discover why marine lifestyleers continue to choose Yamaha WaveRunners over other brands.

## **ONE OF THE WORLD'S LEADING MARINE BRANDS**

UNMATCHED POWER AND PERFORMANCE

Yamaha has been building marine engines for over 65 years with an unrivaled reputation for reliability, durability, and performance.

## **BEST REPUTATION FOR RELIABILITY AND DURABILITY**

YAMAHA WAVERUNNERS ARE THE #1 CHOICE

Due to Yamaha's world-class engines, use of high-quality materials and components, and commitment to continuous improvement, Yamaha WaveRunners continue to be the first choice for rental operators.

## **ASSEMBLED WITH PRIDE IN THE USA**

MANUFACTURED IN NEWNAN, GA

The Yamaha assembly process is a model of precision and excellence. No detail is overlooked, and no unit leaves the factory floor until it achieves the meticulous quality control requirements that set the highest standards in the personal watercraft industry.

## **WORLD CHAMPION ENDURANCE RACING HERITAGE**

RACE-PROVEN PERFORMANCE & DESIGN

Yamaha is the most successful brand in professional PWC endurance racing history, winning more national and world championships than all other PWC brands combined. This is a testament to Yamaha's focus on reliability, durability, and performance.

Professional riders on a closed course.

**INTRODUCING THE ALL-NEW**

# **1.9L HIGH OUTPUT YAMAHA MARINE ENGINE**

Introducing the all-new 1.9 Litre High Output Yamaha Marine Engine. The powerful, new engine provides impressive acceleration and enhanced top speed. The increased displacement and optimised intake create stronger torque you're sure to appreciate. Let Yamaha's latest innovation power your next adventure.

## BENEFITS

IMPROVED PERFORMANCE	EASE OF MAINTENANCE	MODERN APPEAL
+ Quicker acceleration	+ New design moves electronics inboard for better protection during service procedures	+ Black coating added to engine cover and exhaust manifold for sleek look and corrosion resistance
+ Higher top speed through increased displacement and optimized intake		
+ Smoother, quicker throttle response due to removed taper on throttle body	+ Reduced fastener count and newly designed engine parts	+ First Yamaha-manufactured part to include plant-derived cellulose nanofiber (CNF) touting excellent material recyclability and reduced use of plastics
+ 10% larger throttle body for more power and torque	+ Easier-to-access crankcase anode and new intake manifold design with long runners and flatter outside shape for easier engine removal

The Elite Level 50 Neo is constructed with two hidden heavy duty buckles and webbing, with a high quality foam core. A simple and comfortable front zip design and handles make it easy and practical for all situations. Meets Australian Standard AS 4758.1

# MAINTENANCE & SERVICING

To ensure your WaveRunner stands the test of time and achieves maximum resale value when it comes time to sell and upgrade, it is important to follow the recommendations shown in the WaveRunner Owners/Operators Manual:

## WASH

Wash your WaveRunner down after every use with Yamalube Pro Spray Wash and for those stubborn stains, use Yamalube Hull Cleaner.

## FLUSH

Flush your engine after every use and spray with Yamalube Yamashield.

## PROTECT

Protect your pride and joy from the elements with a high-quality genuine WaveRunner cover.

## SERVICE

Ensure your WaveRunner is serviced by an Authorised Yamaha Service centre at the correct service intervals.

## PARTS

Always use Yamaha Genuine Parts and Accessories.

Only use an Authorised Yamaha Service centre, because no one knows your WaveRunner better than your dealer. They have the technical expertise and factory know-how to service and maintain your investment.

# YAMAHA 3 YEAR WARRANTY

At Yamaha, we stand behind our product, that is why we were the first in the industry to offer a three-year (two + one) warranty.

This is made up of a two-year standard manufacturers warranty, plus customers who choose to have their WaveRunner scheduled services (listed in the applicable owner's manual) completed by an Authorised Yamaha Service Centre,

receive an additional one-year Extended Warranty.

Yamaha's three-year warranty is available for no additional cost and covers all new WaveRunners purchased from an

authorised Yamaha dealer for personal use only.

With Yamaha you can relax and enjoy your time on the water knowing you are protected, should you ever need it.
