A photograph of a modern studio set. In the foreground, three light-colored, patterned armchairs with gold-colored legs are arranged on a light wood-grain floor. The background features a wall with vertical yellow and white stripes, a large window with a view of a building, and a wooden door with a colorful geometric pattern. A hanging light fixture is visible in the upper left corner.

“We are thrilled to be working with Fairfield on our studio and Green Room project. Our goal was to create a space where guests feel relaxed and comfortable both before they go on air and, especially, when they are sitting down Gayle, Tony, and Nate during the show. Fairfield’s furnishings do a beautiful job setting that tone.”

Executive Producer of CBS Mornings
