MOLLY JOLLY DESIGN

Hello, I'm the owner and designer of MollyJollyDesign. Thank you for finding my store on the ETSY and willing to read it here.

The original intention of starting the small business was like what my life creed said, " Variety is the spice of ordinary life". When I was a little girl, an old-fashioned sewing machine opened my dream as a designer. A few years of designer career makes me gradually understand that design is far from the expensive fashion that ordinary people can't reach, and it is a little ingenuity in life.

Hi y'all! This truly is a family affair! My name is Ashley and I started this little shop as somewhat of a dream project as I have always loved any and everything crafting. I am a Registered Nurse and when covid-19 happened I took a break from healthcare and felt it was the perfect time to try something new!
