- **Contractor Discounts:** Pergola Depot PROs receive discounted pricing and referrals
- **Premium Materials:** Rough Sawn Western Red Cedar, Pressure Treated #1 Southern Yellow Pine, Stainless Steel Hardware
- **Outstanding Customer Service:** 5-Star Google Reviews, Houzz Customer Service Awards, and BBB Accredited

Sandy ★★★★★

My pergola kit arrived exactly as you stated it would, and went up easily with some help from a couple of friends. This pergola has made a huge improvement to our backyard space, and we will be recommending you to our friends.

James ★★★★★

Pergola Depot is Amazing! Great quality, workmanship and pricing, Even the handling of the freight was top notch. Highly Recommend!

Dave ★★★★★

A great product at a good price. Responsive customer service helped me deal with local conditions. My pergola could not be built for less than at least twice the cost I paid. Well done!

Maryann ★★★★★

We love the pergola. Everyone is impressed with the quality & love the look and feel it gives our new outdoor room! We are so pleased with your contribution to our transformation of this outdoor space. Thanks again!

BIG KAHUNATM PLUS COVERED PERGOLA KIT

The style and simplicity of a pergola combined with the practicality of a solid roof gazebo, introducing the Big Kahuna PLUS Covered Pergola Kit! We've taken our Big Kahuna pergola design, added a minimally sloped metal roof (1/2" to 12") to create a versatile outdoor living structure with maximum overhead protection from the elements. While offering many of the same design features as our standard Big Kahuna pergola, **The Big Kahuna PLUS is engineered to accommodate roofing and is rated for up to 175 mph wind gusts and snow loads that will accommodate most U.S. locations.** Cover an outdoor seating area, kitchen or hot tub, or create a carport with one of our larger sizes.

PERGOLA KIT FEATURES

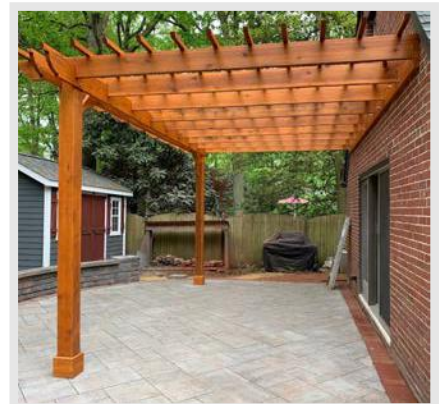

- High Quality Wood Types: Rough Sawn Western Red Cedar or Southern Yellow Pine #1 or Better (pressure treated to ground contact)
- Standard Sizes 10x20 - 20x20 + Custom Sizes
- Rated for 175 mph wind gusts and snow loads that will accommodate most US locations
- Roofing offered in several popular colors
- 6x6 posts offered in 8', 10', or 12' lengths with optional post mounting hardware
- 2x8 rafters and beams
- 4x6 angle braces
- 2x2 top slats
- Stainless steel hardware

MELBOURNE™ PERGOLA KIT

The Melbourne shares a solid design and quality construction with our Sombrero and Big Kahuna pergola styles, with 4-6 rafters depending on the beam length. This creates a top-quality kit that's reasonably priced for many backyard budgets with the flexibility to choose your shade options. Complete your shade package and add one of our high-quality retractable canopies or shade sails. Offered in freestanding or attached.

PERGOLA KIT FEATURES

- High Quality Wood Types: Rough Sawn Western Red Cedar or Southern Yellow Pine #1 or Better (pressure treated to ground contact)
- 8x8 - 20x20 + Custom Sizes
- 6x6 posts offered in 8', 10', or 12' lengths with optional post mounting hardware
- Double 2x8 beams
- 2x8 rafters
- 2x6 angle braces
- Stainless steel hardware
- Add shade with a colorful canopy or shade sail

OPEN ROOF PERGOLA

MELBOURNE™ LITE PERGOLA KIT

The Melbourne LITE shares a solid design and quality construction with our Melbourne pergola style, with 4-6 rafters depending on the beam length. Even more affordable than the Melbourne, built using less lumber but offered with the same top quality as all of our pergola products! Offered in freestanding or attached.

PERGOLA KIT FEATURES

- High Quality Wood Types: Rough Sawn Western Red Cedar or Southern Yellow Pine #1 or Better (pressure treated to ground contact)
- 8x8 - 20x20 + Custom Sizes
- 6x6 posts offered in 8', 10', or 12' lengths with optional post mounting hardware
- Double 2x6 beams
- 2x6 rafters
- 2x6 angle braces
- Stainless steel hardware
- Add shade with a colorful canopy or shade sail

OPEN ROOF PERGOLA

BRIM™ PERGOLA KIT

The Brim makes a perfect border when installed between the edge of a deck and garden, or used as a trellis over a walkway. Brim offers functionality for hanging plants or mounting a hammock.

PERGOLA KIT FEATURES

- High Quality Wood Types: Rough Sawn Western Red Cedar or Southern Yellow Pine #1 or Better (pressure treated to ground contact)
- Sizes 8'-20' + Custom Sizes
- Stainless steel hardware
- 10' or 12' 6x6 notched posts for in-ground mounting.
- Double 2x8 beams
- 2x6 rafters
- 2x6 angle braces
- 2x2 top slats

BORDER PERGOLA

VISOR™ PERGOLA KIT

The Visor is a perfect wood accent for that big empty wall above a slider, window, French door, or even a garage door. Whether you paint, stain, or leave your Visor its natural wood color, the Visor pergola kit is a perfect fit and will fill that space with style!

PERGOLA KIT FEATURES

- High Quality Wood Types: Rough Sawn Western Red Cedar or Southern Yellow Pine #1 or Better (pressure treated to ground contact)
- Sizes 6'-20' + Custom Sizes
- Stainless steel hardware
- Double 2x8 beams
- Mounting board
- 2x6 rafters
- 2x2 top slats

CEDAR MULTI-USE BOX KIT

The Pergola Depot Cedar Planter Box Kit is made from 100% Western Red Cedar. The cedar is planed for a smooth finish on all sides and includes natural knotting and grain. This makes for a beautiful natural box with a rustic look that can be used for planting flowers and vegetables, storing firewood or a variety of other uses.

CEDAR BOX KIT FEATURES

- Western Red Cedar
- Notched 2x4 sides
- 3 popular sizes
- 2x4 legs
- Installation Instructions
- 1x2 floor boards
- Stainless steel hardware
- 2x4 floor supports
