AUTUMN WINTER 2025

Elemental

*Discover 'Elemental', the
Autumn Winter 2025
Collection.*

Drawing inspiration from nature's fundamental elements, this collection captures the essence of transformation. Set against New Zealand's dramatic west coast black sand beaches, our campaign reflects the fluidity of fabric, wind-swept textures, and the organic rhythm of the natural world.

The blurred lines between fabric and nature evoke quiet strength, mirroring the shifting tides and currents that shape our surroundings.

At its core is our commitment to natural fibers, crafting timeless pieces to be cherished for years. This season's designs blend structure with softness, from intricate boho embroidery to tailored suiting, wide-leg pants to sporty tracksuits. 'Elemental' forms the foundation of your winter wardrobe, with versatile styles that adapt to every occasion.

Elevated by nature, this collection embodies timeless style and effortless versatility.
