## **DRIVING SCHOOL**

Patel Motor Driving School, established in 1985 by Mr. Pravinbhai Patel, offers a range of services including:

- Car Training
- Two-Wheeler Training
- RTO Work
- Vehicle Insurance

We also provide personalized home car training using your own vehicle, Our training includes comprehensive instruction on vehicle safety features and guidance on passing both the computer-based learner's driving test and the practical driving test. We pride ourselves on a 100% success rate in car training and obtaining licenses. Our program includes detailed instructional videos covering everything from starting the car to mastering driving skills.
