

The Ultimate World Cup Sweepstake! 🏆 Staffroom Instructions

Get ready to dust off your face paint and practice your best victory slide, because the World Cup is finally here!

To celebrate, we are running a **Just-For-Fun Sweepstake**. It's completely random, entirely free (or playing for small treats/bragging rights), and gives you a reason to fiercely cheer for a country you might not have even found on a map yet.

📖 How It Works (It's Super Simple!)

1.Claim Your Spot:

Sign up before the deadline.

Reply to this message by **[Insert Date]** to let us know you want in below.

2.The Grand Draw:

Pure luck of the draw.

We will put all the World Cup teams into a hat. We will randomly assign teams to everyone. Depending on how many of us play, you might get one team, or you might get a couple!

3.Adopt Your New Nation:

Get ready to cheer.

Once you get your team, they are yours for the tournament. Feel free to adopt their accent, learn their national anthem, or look up their local snacks.

4.Follow the Action:

Ride the wave.

As the tournament plays out, watch how your team does. If they win, you move on. If they get knocked out... well, there's always the next World Cup!

💡 What are we playing for?

Ultimate bragging rights, a customized digital certificate of victory, and the absolute joy of rubbing your win in everyone else's faces until the next tournament.

Who will pull a powerhouse like Brazil or France, and who will end up passionately rooting for an absolute underdog?
