M E S S A G E
F R O M T H E
P R E S I D E N T O F T H E

THE 2021-22 SCHOOL YEAR WAS MY FIRST AS PRESIDENT OF THE BOARD, AS I FOLLOWED IN THE FOOTSTEPS OF FELLOW GRADED PARENT, ALUMNUS, AND FRIEND LUIZ GALEAZZI.

Luiz dedicated his expertise and leadership to Graded's board for eight years, skillfully steering the school through challenging times while preserving its 101-year legacy, strategic position, and financial sustainability. I thank Luiz for his service and guidance.

I would also like to thank Board Secretary Mathias von Bernuth and Board Director Rodolfo Protasio, who also concluded eight years of service to our school. This year, we welcomed new board members David Hodge, Alberto Duran, and Carlos Zarlenga. I wish them all the best and thank them in advance for their support.

For a second year, we faced the continuing challenges presented by

the COVID-19 pandemic. We were required to respond to an unstable environment, as well as to constantly shifting requirements, all of which enhanced our institutional ability to adapt. At the beginning of the crisis, we implemented distance learning at a neck-breaking speed. We later created a hybrid structure as students partially returned to campus. Then we celebrated when we could finally resume the rich, in-person experience for which Graded is globally recognized.

During this time, we could count on the steady leadership of Superintendent Richard Boerner, who managed this demanding situation with positivity and resourcefulness. Richard was recognized for his stewardship and other accomplishments with the International Education Leadership Award by AMISA (American International Schools in the Americas).

Graded is a renowned American school that serves an international community in Brazil. During many moments in our history, we have had to face challenging economic conditions, and the past year was no different. The somewhat familiar challenges of currency volatility and rising inflation were exacerbated by the additional expenses required to create a safe learning environment during a pandemic. Still, we persevered and preserved Graded's financial stability.

Over the past year, we have continued investing in the school's future by improving our infrastructure. We retrofitted the Wellness Gymnasium's Fitness Center and launched new efforts to renovate our auditorium, the Haddad Center for the Performing Arts, among other initiatives.

As we welcome families back to campus and greet newcomers, we look forward to enjoying together all that Graded has to offer, particularly our strong sense of community and our shared values and objectives. I thank you all for your support and trust.

Alex Malfitani '90
President of the Board

“At the beginning of the crisis, we implemented distance learning at a neck-breaking speed. We later created a hybrid structure as students partially returned to campus. Then we celebrated when we could finally resume the rich, in-person experience for which Graded is globally recognized.”

BOARD

MESSAGE
FROM THE
SUPERINTE

DEAR GRADED COMMUNITY,

We began the year in person, and we ended the year in person! As we emerged from the most challenging moments of the COVID-19 pandemic, we relished the opportunity to meet and reconnect with fellow members of the Graded community.

A higher than anticipated enrollment

neuroscience, psychology, and social-emotional wellbeing.

Our May Eagles Day brought the entire Graded community together for the first time since the school was forced to shut its doors in March 2020. Attendees joyfully mingled, rock climbed, played pick-up basketball, bounced on inflatables, and devoured lots of ice cream! Baldy

“Graded remains a school that attracts and retains serious educators. Our average faculty tenure is 8.5 years—well above that of our peers. We are immensely proud of our teachers and the positive impact they have on our students.”

INDEPENDENT

of 1,311 students descended upon campus in August, their energy filling the hallways and classrooms. This spirit, a hallmark of the “Graded Experience,” was fueled by the return of parents to campus.

Beloved Graded traditions including the Halloween Parade, Classroom without Walls (CWW), Zombie Zoo, Visiting Author Series, Big 8, Little 8, and SAAC all resumed this year. We also successfully launched Gradedpalooza and Graded Reels.

In March, Graded hosted 400+ educators from 32 international schools across 12 nations for the AMISA Educators’ Conference, “The Science of Learning: Educating Hearts & Minds.” Educators and administrators came together to explore the intersection between cognitive science,

the Eagle, the school’s new mascot, made his inaugural appearance, thrilling students and parents alike.

Graded remains a school that attracts and retains serious educators. Our average faculty tenure is 8.5 years—well above that of our peers. We are immensely proud of our teachers and the positive impact they have on our students.

Over the course of the year, our faculty completed intensive training in pedagogical best practices related to the science of learning. These instructional improvements have already borne fruit, evidenced by the quality of conversations among students, depth of their learning, caliber of college acceptances, and record high senior IB scores. Moreover, students in grades 2-10

continue to outpace their peers around the world on the standardized Measures of Academic Progress (MAP) assessments.

Thank you, parents, for your continued partnership and trust in Graded. It is when we share common goals and build community together that we thrive.

A special thank you to our Graded donors who have given so generously to support our important school-wide initiatives.

I look forward to another successful year.

Warmly,

Richard Boerner
Superintendent

BOARD OF DIRECTORS

Graded is governed by a self-perpetuating board, whose twelve members are appointed for up to four two-year terms. The board was first established in 1931 and continues to set the school's fiduciary policies, annual budget, and fundraising goals based upon input from the superintendent and Senior Leadership Team. The board stewards the school's financial resources to provide for current needs while protecting and enhancing the endowment for the benefit of the institution's future. The board is also responsible for hiring and evaluating the superintendent.

WELCOME

Alberto Duran

Alberto Duran is the founder and CEO of Mundivox, a private telecommunications company specializing in the corporate sector in major Brazilian cities. He earned a BS in mechanical engineering from Pontifícia Universidade Católica (PUC) and an MBA from the University of Pennsylvania's Wharton School. From 2010 to 2016, Alberto was chairman of the Wharton Executive Board of Latin America. He is now a trustee of the University of Pennsylvania, a Wharton Board of Overseers member, and a governor of the Joseph H. Lauder Institute. Before founding Mundivox, Alberto worked in consulting and investment banking. He has previously lived in the United States, Singapore, and France. Alberto, his wife, and their three children moved to São Paulo in September 2019.

David Hodge

David Hodge is the US Consul General in São Paulo. After graduating from Indiana University in Bloomington, David obtained a master's degree in international relations and affairs from Georgetown University. He is a senior foreign service member and holds the Minister-Counselor rank. He began his diplomatic career as a Vice Consul in Rio de Janeiro and served twice at the US Embassy in Brasília. He has also served in a number of positions in Argentina, Bolivia, Guatemala, Mozambique, Panama, Peru, Portugal, and Thailand. David is married to a native Brazilian, and he speaks English, Portuguese, Spanish, and Thai.

Carlos Zarlenga

Carlos Zarlenga is an Argentine and Spanish citizen with an economics degree from Universidad de Belgrano in Buenos Aires, Argentina. He is the founder and general partner of Qell LATAM Partners (QLP), an investment and operations firm focused on transforming the Latin American automotive industry. Carlos worked for General Motors (GM) for many years before starting QLP in September 2021, most recently serving as GM South America. He formerly worked for General Electric (GE) across Europe, Asia, and the United States for almost 15 years. Carlos now lives in São Paulo with his wife and twin daughters.

THANK YOU

Johann Mathias von Bernuth

The school would like to thank Johann Mathias Von Bernuth for his eight years of service and dedication. In addition to his role as board secretary from 2015-2022, Mathias also served on the Governance, Nominating, and Compensation Committee.

Rodolpho Protasio

Graded extends its thanks to board member Rodolpho Protasio for his contributions to the school while serving on the board of directors from 2014-2022. During his tenure, Rodolpho also served as chair of the Governance, Nominating, and Compensation Committee.

FINAN

GRADED – THE AMERICAN SCHOOL OF SÃO PAULO CLOSED THE FISCAL YEAR WITH A PROJECTED BUDGET DEFICIT. Still, the year-end operational result of -R\$7.03M was more favorable than the budgeted shortfall of -R\$10.08M due to higher than anticipated income, successful contract negotiation, and the Senior Leadership Team's effective fiscal management.

Rather than raise tuition to entirely offset a projected expenditure increase—the anticipated outcome of spiraling inflation and a strong USD/BRL exchange rate—the board opted to dip into reserves. The decision, determined in February 2021 in the midst of the COVID-19 pandemic, was made to ease the financial burden on Graded families during a period of economic uncertainty.

Total operational revenue of R\$159.74M was 3.8% above forecast. Once more, higher than budgeted enrollment proved to be a key factor.

Total operational expenses of R\$164.97M came in R\$3.43M (2.1%) over budget. Personnel expenses of R\$129.41M landed R\$1.84M (1.4%)

CHALLENGES

above forecast, due primarily to a union agreement reflecting a greater than 10% inflation rate. Inflation also drove up discretionary expenses of R\$35.57M, R\$1.59M (4.7%) above projections. The increase in discretionary expenditures was due primarily to R\$3.65M in COVID-related expenses, rising food costs (R\$796K over budget), and skyrocketing travel expenses (R\$832K over projections).

Solid reserves have allowed Graded to remain a truly global American school with an internationally recognized, high-quality education. They ensure that we can balance the diversity of incoming students and recruit and retain first-class educators. Graded closed the year with operational reserves of R\$56.77M, amounting to 4.09 times monthly income. This amount exceeds the three-month minimum reserve requirement established by the board of directors.

Campus Project donations totaled R\$4.92M, with capital reserves closing at R\$18M. The funds, which will be fortified during the 2022-23 fiscal year, will fund the Haddad Center for the Performing Arts and other campus renovations.

“Solid reserves have allowed Graded to remain a truly global American school with an internationally recognized, high-quality education.”

Graded’s endowment funds ended the year with a balance of R\$32.87M. This year, the Graded Scholar Program supported eight full-tuition scholarship students.

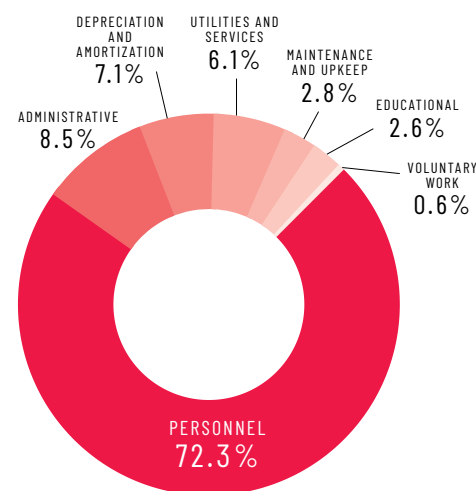

Despite a period of geopolitical and economic uncertainty, Graded has endured due to prudent financial planning, healthy reserves, and strong management.

I would like to thank my colleagues—members of the Finance Committee and other members of the Board—for their expertise, advice, and support throughout this year.

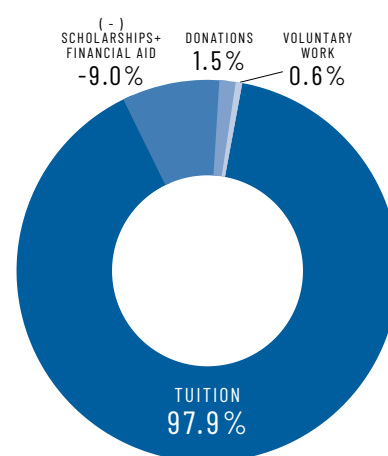

Best regards,

Gustavo Junqueira
 Board Treasurer

These Financial Reports were prepared and audited by Ernst & Young auditors and represent the fiscal year ending June 30, 2022. Graded would like to thank members of the Board Finance Committee for their expertise, advice, and support throughout the intensive review process. Members included: Alex Malfitani, Carlos Zarlenga, Gustavo Junqueira, Caroline Pinheiro Lima, and Jeff Hoberman. Ex Officio members: Richard Boerner (Superintendent), Elaine Gabor (Director of Business and Operations), and Renata Romanich (Director of Human Resources).

GRADED'S 100-YEAR HISTORY

JUST OVER 100 YEARS AGO, GRADED OPENED ITS DOORS TO BRAZIL'S GROWING AMERICAN COMMUNITY. A century later, the institution has become a benchmark in international education. Our school has been recognized as a global academic leader dedicated to inspiring a diverse group of students and empowering them to reach their potential. Furthermore, Graded has fostered a deep sense of belonging and community while challenging students and their families to give back and help change the world.

Since 1920, Graded's leadership has effectively steered the school through the Great Depression, a world war,

and numerous economic crises. When Graded celebrated its centennial in 2020, the school again faced circumstances no one could have imagined: the COVID-19 pandemic. While the pandemic has brought significant pain and challenge, it has also helped strengthen the Graded community.

Graded's history is extraordinary, full of stories of accomplishment and resilience.

We invite you to visit [Graded100.com](https://www.graded100.com), scroll through Graded's historic timeline, and find out more about this remarkable institution.

OPENING OF THE RENOVATED WELLNESS GYMNASIUM

At the start of the year, the renovated Wellness Gymnasium, housing cardio and strength-training equipment, as well as a climbing wall, opened its doors to the Graded community.

TEACHER APPRECIATION WEEK

During Teacher Appreciation Week, the Parent Teacher Association (PTA) honored Graded faculty with drops of joy, gratitude, health, and luck. The PTA meticulously and lovingly assembled care packages each day to celebrate and give thanks to Graded educators.

LIGHTS

HALLOWEEN CELEBRATION AND PARADE

Halloween was back with a bang (or a drum corps!) and witches, ghosts, and goblins galore. The Graded community enjoyed a fun-filled day of activities, including trick-or-treating, jack-o-lantern carving, and the annual Halloween Parade.

GRADEDPALOOZA

Energy filled the Student Center on a sunny November Saturday. The school's inaugural Gradedpalooza brought band, choir, and orchestra students together for a morning of musical performances and fun.

ZOMBIE ZOO

Zombie Zoo, a beloved Graded tradition, resumed in December after two years. More than 15 student groups sang, danced, and performed on stage during the music festival/ talent show. Ticket proceeds benefited Bricks for Community, a high school service learning club.

GRADE 5 ROBOTICS COMPETITION

While working on a project inspired by the 2011 Fukushima nuclear power plant disaster, fifth-graders were tasked with building a VEX robot capable of transporting radioactive waste. The lesson culminated with a class competition viewed by a cheering crowd.

KINDNESS WEEK

It's important to be kind, empathetic, and caring every day and every week, but November's Kindness Week provided an opportunity for students to reflect upon this fundamental value. The Graded community celebrated many forms of kindness—being kind to our minds, the environment, our bodies, and others.

HIGH SCHOOL THEATER PERFORMANCE OF *CLUE*

Was it Colonel Mustard in the study with the candlestick? Graded's production of *Clue*, the farce-meets-murder mystery inspired by the classic Hasbro board game and based upon the 1985 Paramount film, was an audience's delight. High school theater students lit up screens around the globe with their live-streamed production of the intriguing who-dunnit.

VISITING AUTHOR AND ILLUSTRATOR: TAD HILLS

In March, the Graded Annual Fund brought award-winning author and illustrator Tad Hills to campus. He delighted students in pre-primary through grade 2 with drawing demonstrations and interactive presentations about storytelling. Hills is best-known as the creator of the *Duck & Goose* series, which tells the story of two unlikely feathered friends.

CARNAVAL PARADE

Middle school students spent the week enveloped in Brazilian culture—learning Carnival songs, practicing dance moves, and designing costumes—as they prepared to represent their house teams in the school's Carnival parade. The spirited occasion also featured a samba music performance by the Graded Orchestra.

IB VISUAL ARTS EXHIBITION

Senior IB Art students eloquently presented their work to an appreciative audience at the IB Visual Arts Exhibit Opening Reception in late March. The exhibition, the culmination of an intensive two-year course, showcased the students' strong technical, conceptual, and thought-provoking work.

2022 AMISA EDUCATORS' CONFERENCE

In March, Graded hosted the AMISA Educators' Conference, "The Science of Learning: Educating Hearts & Minds." More than 400 educators from 32 international schools and 12 nations came together to explore the intersection between cognitive science, neuroscience, psychology, and social-emotional well-being. Keynote speakers included author and Professor of Educational Leadership Doug Fischer, Diversity and Inclusion Strategist Derrick Gay, and Graded Superintendent Richard Boerner.

STRINGS FESTIVAL: "GRADED ORCHESTRA PLAYS ROCK"

The March Strings Festival was a huge success! High school orchestra students rocked the house with classics, including Kiss's *Rock and Roll All Nite*, Queen's *Don't Stop Me Now*, and Aerosmith's *I Don't Want to Miss a Thing*.

BASKETBALL SAAC 2022

Graded boys' and girls' varsity basketball teams traveled to the International School of Curitiba to participate in the South American Activities Conference (SAAC). The basketball boys took first place, and the girls came in third.

GRADE 3 CELEBRATION OF POETRY

At the start of the third-grade poetry unit, teachers surveyed students, asking them, "What type of feedback would most impact your work?" Students answered, "Parent feedback." As a result, third-graders welcomed their parents to the Celebration of Poetry event at which they showcased their anthologies. After reading student poems, parents used TAG feedback to (T)ell them something great, (A)sk a question, and (G)ive a suggestion about their work.

SÃO PAULO HIGH SCHOOL LEAGUE

From February through May, Graded's soccer and basketball teams participated in the São Paulo High School League (SPHSL), playing against other international schools in the city. After an incredible season, the girls' and boys' varsity and junior varsity (JV) soccer teams were named SPHSL champions. The basketball teams also did exceptionally well, with the boys' varsity team coming in second place and the girls coming in third.

BIG 8

The spectacular Nosso Recanto (NR) camp hosts some of Brazil's fiercest international school sports tournaments. At the end of April, Graded's boys' and girls' basketball, soccer, and volleyball teams, and the spirited Graded cheerleading squad, headed for the highly anticipated Big 8 tournament. The basketball boys captured first place, and the girls took home second; the volleyball boys came in fifth, and the girls placed fourth; both the girls' and boys' soccer teams won their championship games.

CLASSROOM WITHOUT WALLS TRIPS

Students embarked on much-anticipated Classroom without Walls (CWW) trips to several destinations in southeast Brazil. They explored areas including Parque dos Sonhos, in Socorro; Voador, in the Municipality of Atibaia; PETAR State Park; Itatiaia National Park; Cananéia and Ilha do Cardoso; and Saco do Mamanguá, in Paraty. These trips are a long-standing tradition that give students experiential opportunities to investigate ancient caves ornamented with mighty stalagmites and stalactites, and lush rainforest ecosystems teeming with critters.

LITTLE 8

All Graded JV teams traveled to NR camp to put their hard-earned skills to the test at the Little 8 tournament. They were encouraged by JV cheerleaders and their fellow athletes as they competed in the year's final athletic showdown. Boys' soccer won third place, and girls' soccer won the championship.

THE ASSOCIATION FOR MUSIC IN INTERNATIONAL SCHOOLS (AMIS)

Twenty-three middle and high school members of the Graded Choir and Band were selected to travel to sunny Santo Domingo, Dominican Republic, for the annual Latin American AMIS festival in May. The top musicians from several international schools practiced together for three days before participating in a final performance.

VISITING AUTHOR: VICTORIA JAMIESON

Graded welcomed Newbery Honor award-winning graphic novelist Victoria Jamieson to a Graded Annual Fund-supported visit in May. Victoria spoke to students in grades 3-8 about her career as a writer and illustrator, revealed where her book ideas and characters come from, and led a guided drawing activity. Students also had the opportunity to ask her questions and have their books autographed.

EAGLES DAY

In May, Eagles Day brought the entire Graded community together again for the first time since the pandemic forced the school to shut its doors. This energizing, community-filled day included rock climbing and pick-up basketball. Attendees also tried their luck in raffles, played on inflatables, and ate a lot of ice cream. Graded students and parents alike were thrilled to meet Baldy, the newly-named eagle mascot.

ATHLETICS BANQUET

Athletes, parents, and coaches celebrated all the hard work poured into practices and games throughout the year at the Athletics Banquet. It was a night to honor teamwork, positive attitudes, individual talent, and achievements. Those present at the event included JV and varsity athletes from swimming, tennis, track & field, cheerleading, soccer, basketball, and volleyball.

GRADED OUTREACH PROGRAM GRADUATION

After two years of English classes and extracurricular activities on campus, the seven students enrolled in the Graded Outreach Program celebrated their achievements in an intimate graduation ceremony in June. Three participants were selected to join Graded's incoming grade 7 class as full-time scholarship students.

VIVAS PALAVRAS

Graded unveiled the 16th edition of *Vivas Palavras*, a collection of student work written in Portuguese and Spanish. Students in grades 4 through 12 conveyed their COVID-19 experiences in playful, critical, and emotional ways through poems, short stories, and illustrations.

GRADED REELS AUDIOVISUAL FESTIVAL

High School Film I, Film II, and Multimedia students screened their final projects in June at the second semester Graded Reels Audiovisual Festival. An enraptured audience watched the documentaries, short films, and animations in admiration and cheered when awards were granted to the most outstanding projects.

GRADED LEARNING LAB PILOT PROGRAM

Throughout the 2021-22 school year, teachers participated in a professional development course designed and implemented by the Graded Learning Lab. The course aimed to help participants understand the concepts of deeper learning and implement strategies based on the belief that deep and enduring learning experiences occur when students have a strong sense of belonging, purpose, autonomy, and motivation.

GRADE 8 MOVING ON CEREMONY

Our grade 8 students reached a significant milestone as they completed middle school and embarked on a new journey to high school. This rite of passage was marked by a magnificent ceremony, during which select students delivered their “Calls to Action” on topics about which they care deeply.

GRADE 5 MOVING ON CEREMONY

With parents, friends, and teachers looking on, grade 5 students celebrated their successful journey through lower school. During the ceremony, individual students received recognition for exceptional demonstrations of values such as kindness, perseverance, and intellectual curiosity.

SENIOR WEEK

During their last week as high school students, the Class of 2022 participated in Senior Week, filled with activities and festivities. Seniors attended counseling sessions, Graduation rehearsals, an alumni panel, a pool party, and a quiz night. Toward the end of the week, students took part in the traditional Senior Bell Ceremony and Parade, during which they wore crazy hats of their choice. At the Awards Ceremony, individuals were recognized for outstanding academic and extracurricular achievements.

GRADUATION

A beautiful commencement ceremony was held on Saturday, May 28, in the Athletics Center. Student and faculty speakers inspired the crowd, and a quintet of senior vocalists and instrumentalists provided a musical interlude. All of our graduates earned an American Diploma. Eighty-four graduated with an International Baccalaureate (IB) Diploma, and 64 with IB, American, and Brazilian Diplomas. One by one, Graded seniors crossed the stage and became proud Graded alumni.

COLLEGE MATRICULATION 2020-2022

BETWEEN 2020 AND 2022, AT LEAST ONE GRADED GRADUATE MATRICULATED AT EACH OF THE FOLLOWING INSTITUTIONS.

Please note: Acceptance to some Brazilian universities occurs only in January of the following year, thus the list of Brazilian acceptances may not be complete.

GIVING

WE HAD ANOTHER EXCEPTIONAL YEAR OF GIVING.

Giving takes many forms, and I want to thank those members of our community who have contributed financially to both the Graded Annual Fund and the Centennial Campaign, as well as those who have given back with their time. Our volunteers include those who have participated

2011 and has supported three major initiatives – the **Graded Campus Project, Excellence in Teaching Endowment**, and **Graded Scholar Program Endowment**. We are pleased to report that, a decade and almost 100 donors later, these programs are flourishing. The Graded Campus Project continues to enhance the student experience by

TO GRADED

in the Parent Teacher Association, worked in the library, run the Booster Club, and served as room parents and classroom volunteers. Your contributions help Graded remain focused on our mission and set an amazing example for our students.

Graded Annual Fund contributions enrich the student experience and are put to use almost immediately. Donations from the 2021-22 *One Month, One Goal, One Graded Annual Fund* campaign are supporting three key initiatives: Green Graded, a school-wide sustainability program; Graded Libraries' Visiting Author Series; and Service Learning for upper school students. The Graded Annual Fund also provides Graded Scholar Program support.

This year we wrapped up an incredibly successful **Centennial Campaign**, which was launched in

renovating our facilities and creating new spaces. The Graded Scholar Program currently supports nine scholars in the upper school and we look forward to welcoming three new scholars in August 2022. The Excellence in Teaching Endowment has enabled Graded to continue to recruit, retain, and develop the world's best teachers.

In 2019, we added the Janet Sallouti Alumni Financial Aid Endowment to our major giving initiatives, and we are eager to see this need-based scholarship endowment grow and help support the children of Graded alumni who demonstrate exceptional academic, artistic, or athletic merit.

Thank you for your unwavering support.

Tracy Harrison
Chief Development Officer

“This year we wrapped up an incredibly successful Centennial Campaign, which was launched in 2011 and has supported three major initiatives – the Graded Campus Project, Excellence in Teaching Endowment, and Graded Scholar Program Endowment. We are pleased to report that, a decade and almost 100 donors later, these programs are flourishing.”

THE CENTENNIAL CAMPAIGN: IT'S A WRAP!

WE THANK ALL DONORS FOR BEING PART OF THIS JOURNEY. THIS SUCCESS IS YOURS!

GRADED CAMPUS PROJECT

A multi-year project of construction, modernization, and renewal that has transformed the Graded campus by investing in infrastructure and the school's future.

Total cash:

R\$4,924,432 as of June 30, 2022

Total committed during FY2021-22:

R\$2,150,000

GRADED SCHOLAR PROGRAM ENDOWMENT

Through this endowed program, Graded offers life-changing, full scholarships to economically disadvantaged and exceptionally gifted Brazilian students.

Endowment Total:

R\$21,681,575 as of June 30, 2022

EXCELLENCE IN TEACHING ENDOWMENT

This endowed fund ensures that Graded is able to recruit, retain, and develop the world's best teachers for many years to come.

Endowment Total:

R\$8,247,431 as of June 30, 2022

2.2 BY '22 INITIATIVE

This student-led initiative has supported the Graded Scholar Program Endowment. Since 2019, each graduating class has chosen to make a gift to the Graded Scholar Program in honor of the education they received. Thank you to donors who have supported this ambitious project. As of June 30, 2022, this initiative has raised **R\$96,657.75**.

JANET SALLOUTI ALUMNI FINANCIAL AID ENDOWMENT

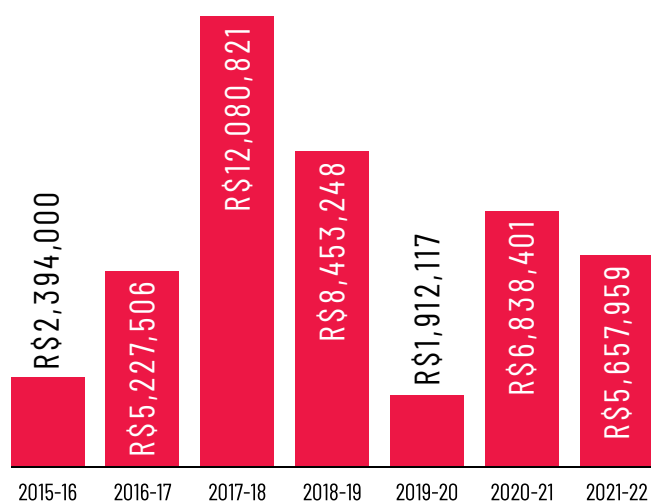

The Janet Sallouti Alumni Financial Aid Endowment, established by Juliana and Roberto '90 Sallouti, supports the children of Graded alumni who show exceptional academic, artistic, or athletic merit.

R\$3,000,000 - committed donation

Endowment Total R\$2,945,295 as of June 30, 2022

CENTENNIAL CAMPAIGN EXECUTIVE COMMITTEE

The Centennial Campaign Executive Committee (CCEC) was formed to serve as the primary voice for the school's Centennial Campaign. CCEC members cultivate relationships with parents, alumni, grandparents, companies, and foundations and support Graded by fostering a culture of giving. We are thankful

for their extraordinary dedication and passion. It is only with the participation of all stakeholders that Graded can reach its goals and achieve its vision for the future.

GRADED ANNUAL FUND

WE REACHED OUR GOAL!

Total Raised:
R\$1,325,313.38

(monetary contributions
 + gifts-in-kind)

2021-22 GAF CONTRIBUTIONS SUPPORT:

EAGLES READ

Encompassing Graded Reads, Battle of the Books, and Author Connection, the Eagles Read Program provides enrichment to all Graded students. Through Author Connection, Graded brought two US visiting authors to campus. Award-winning author and illustrator Tad Hills delivered engaging and interactive storytelling sessions to pre-primary through grade 2 students. Victoria Jamieson, a Newbery Honor award-winning graphic novelist, spoke to students in grades 3-8 about her career as a writer and illustrator, revealed where her book ideas and characters come from, and led a guided drawing activity.

GRADED SCHOLAR PROGRAM

A key component of Graded's ethos of diversity, equity, and inclusion, the Graded Scholar Program fosters a diverse and equitable environment, essential to the development of individuals who have the capacity to positively impact the world. To this end, the school established the Graded Scholar Program, which targets inequality by providing life-changing, full-tuition scholarships and supplementary support to economically-disadvantaged, gifted children, most of whom reside in neighboring communities. Nine scholars in grades 7-12 are currently enrolled in the program. Graded Scholars bring socioeconomic and ethnic diversity to the campus while offering enriching perspectives as members of the Graded community.

GREEN GRADED SUSTAINABILITY PROJECT

Green Graded is a cross-divisional operational and educational initiative that engages students to play a key role in campus sustainability efforts. In 2021, Graded entered a partnership with a school-based sustainability organization to incorporate Green Graded initiatives into the curriculum and student activities from K3 - grade 12. Operationally, Graded improved its recycling systems and began the implementation of on-campus composting to turn food waste into nutrients for our Graded green spaces.

DESIGN FOR CHANGE SERVICE LEARNING PROJECT

Service learning grants may be awarded to student clubs that support non-profit organizations and external social action projects. Students will participate in a semester-long program during which they will learn from social entrepreneurs and employ design thinking to imagine meaningful ways in which they might engage with their community. Participants will develop and pitch their ideas to a panel of social entrepreneurs—all in an effort to make a difference.
