PAP MEMBERSHIP TOWNHALL 2026

Professional Orientation for Newly Passed Psychometricians and Psychologists

Are you a newly licensed Psychometrician or Psychologist? Start your professional journey by connecting with the Psychological Association of the Philippines (PAP) — the Accredited Integrated Professional Organization (AIPO) for psychology professionals in the country. Join us for a free online Membership Townhall and Professional Orientation designed to help newly registered professionals understand their roles, responsibilities, and opportunities within the profession.
