The screenshot displays the 'utc.travel CLUBHOUSE' interface. At the top, it says 'Welcome to your Clubhouse' and 'My Benefits'. Below this, there are four main benefit categories: 'HOTELS', 'HOLIDAYS', 'AIRPORT SERVICES', and 'TRAVEL INSURANCE'. Each category includes a brief description of the benefit. For example, 'HOTELS' offers up to 40% savings on over 1.5 million hotels. 'HOLIDAYS' allows booking flights and hotels together with full ATOL protection. 'AIRPORT SERVICES' offers up to 20% savings on airport hotels, parking, and lounges. 'TRAVEL INSURANCE' offers up to 20% savings on single and multi-trip policies.

Below the main categories, there are two promotional offers:

- MEXICO *******: The Pyramid at Grand Oasis | All Inclusive. 1st July - 7 Nights, Pyramid Standard. Ultimate Travel Club: £1,055. Expedia: £1,562. **SAVE £507 (32%)**

Additional text on the page includes: 'Access bookings made before July 2023', 'feefo Reviews', and a section titled 'Travel Benefits' with a sub-header 'My Benefits'. There is also a section with text: 'explore our Clubhouse yet and see for yourself the savings you can get on your hotel bookings?' and 'Members find that they can make savings of up to 40% on hotel stays both in the UK and abroad. We've got access to trade prices at over 900,000 hotels ranging from budget to five star – and from bed & breakfast to all inclusive.' Another section says: 'Help you save big at every hotel and on every night the reality is that it's possible to help you save 40% at branded 4 and 5 star hotels. Budget hotels don't typically offer trade prices, and so we're offering a commission back to you which is typically between 5 and 15%. This is a selection of savings available to our members recently.'
