## PURE

Our new collection **PURE** incites us to find tranquility in our inner sanctuary, a place where we feel enveloped by comfort, serenity, and a feeling of reassurance, immersed in a sea of white.

As a symbol for purity, sobriety and simplicity, white has continuously reinvented itself over time, affirming its status as a timeless shade untouched by fleeting trends.

In this collection, pristine shades of white are expressed on a rich array of materials, ranging from painted mulberry weaves to delicate linen and sisal textures, showcasing our affinity for distinctive textures and immaculate craftsmanship.

Inspired by the principles of arts & crafts, we let the materials speak for themselves: velvety textures, natural silks and voluptuous wool weaves infuse spaces with a soothing sensation of warmth, creating a realm of ultimate calm and harmony.
