LOCKDOWN BLUES TO CRAFTING SENSATION

Hello Lovely Crafters,

If you've ever been behind a market stall, you'll know the questions you hear again and again:

- “Did you make these yourself?”
- “Have you got more of these kits?”
- “Can I stock these in my shop?”

That last question is exactly how Crafty Kits Wholesale came to life. What started as a lockdown kitchen-table project grew into local craft fairs, then artisan markets, and finally thanks to your nudges, wholesale!

It's All About You

We've built this whole thing with small creative businesses in mind. Our kits are:

- **High-quality, ready-to-sell (no faff, no missing bits).**
- **Available with your branding on the label.**
- **Low minimum order (just 5 kits to get going).**
- **Generous margins (because you deserve more than pennies).**
- **Backed by our blogs, newsletters, Marketing Support & Promotional Content to help you sell.**

Ever been at a craft fair and thought, “If only I had something ready-to-sell that people want to buy...”?

That's exactly how Crafty Kits Wholesale was born. We started at a kitchen table during lockdown developing Decoupage Coaster Kits, then selling at fairs and markets, and before long stallholders were asking us: “Can we stock your kits too?”

Fast forward to today, here we are, a shiny new wholesale hub designed with you in mind. Our mission is simple: bring the joy of crafting to every home (and help you sell more while we're at it).

WHY WE'RE DOING THIS

Our mission is simple: to bring the joy of crafting into every home, one kit at a time. But more than that, we want to build a community of crafters who sell, share, and support each other.

Low Oder Quantities

The minimum wholesale order is 5 kits, which can be mixed and matched across the full range. Quantity discounts apply at 10 and 20 kits.

Your Exclusive Label

Browse our collection and select the design that best represents your brand. Once chosen, this design becomes yours alone and will be removed from our gallery, ensuring exclusivity.

Free Fridge Magnets

With every kit you order, you will receive a free Upcycled CD fridge magnet with your logo and a delightful Crafty Quote. And serves as a charming promotional item
