ART OF THE UNIQUE

Collection designed and coordinated by Antonio Citterio

Maxalto presenta i nuovi capitoli del racconto iniziato da Antonio Citterio nel 1995 ed eleva l'arredo di alta gamma al concetto di *"Art of the unique"*, dove ogni pezzo non risponde semplicemente alle esigenze dell'ambiente cui è destinato, ma riflette in pieno lo stile di chi lo vive. In un *déjà vu* che assume il sapore di una tradizione, Maxalto rappresenta perfettamente l'atmosfera di quel palcoscenico di stile e intelligenza che fu la Parigi tra le due guerre, un mosaico di influenze artistiche e intellettuali che ha definito un'epoca di eleganza e fascino ancora insuperati.

Oltre alle novità pensate da Antonio Citterio per arricchire la collezione, Maxalto riafferma l'importanza del rapporto personale, dello scambio vis-a-vis con *"Atelier"*, un'area di progettazione all'interno degli store dove il cliente può progettare arredi e ambienti con il proprio interior decorator scegliendo tra i numerosi tessuti esclusivi Maxalto, finiture e tappeti. Perché creare assieme mobili e spazi è un'opera tattile e sensoriale che necessita, in primo luogo, di quel rapporto fiduciario che si suggella in qualcosa di simile alla stretta di mano. Maxalto non è solo una collezione di arredi senza tempo di sofisticata eleganza, ma piuttosto un'esperienza che consente di plasmare soluzioni e ambienti, trasformandoli in pezzi e luoghi unici che riflettano lo stile distintivo e le esigenze specifiche di chi li vivrà.

Maxalto presents a new chapter in the story started by Antonio Citterio in 1995 which further elevates the collection to the *'Art of the Unique'*, where each piece is designed, not only to meet the needs of the clients' environment, but also to fully reflect their individual style. In a *déjà vu* that speaks of tradition, Maxalto perfectly represents the style and atmosphere in Paris between the two wars, when the blend of artistic and intellectual influences defined an era of elegance and charm that is still unsurpassed.

Besides the new pieces designed by Antonio Citterio that enrich Maxalto's timeless collection, Maxalto reaffirms the importance of the personal relationship between maxalto and its clients with *"Atelier"*, in store dedicated areas where clients can work with their interior designer on furniture layouts and room settings where Maxalto's numerous exclusive fabrics, finishes and rugs can be explored. Creating luxury furniture and spaces together is a tactile and sensorial experience that needs trust, a handshake, and a personal touch.

Maxalto is not only a timeless furniture collection of sophisticated elegance, but an experience to create custom solutions and environments, unique pieces and settings that reflect the clients' distinctive style and requirements.
