fall REFRESH

As fall begins to set in and we gather closer to home, this season's new introductions celebrate designs that inspire connection, comfort, and elevated living for the whole home.

This season features refreshed silhouettes, rich materials, and inviting textures—think lush textiles, warm woods, and elegant finishes. Whether you're entertaining for the holidays or simply savoring quiet evenings in, this collection brings warmth, style, and ease to the moments that matter most.

NEW THIS SEASON: Parker, an assemblage of sculptural tables (pages 4-13), Bespoke Beds, custom beds with an abundance of options (pages 56-61), Chairs, a curated compilation ranging from dining to swivels to motion (pages 20-21 and 48-49), Dolce, a vast seating collection with Quick-Ship and Special Order options (pages 42-43), and much more for updating your living, dining & bedroom.

Now is the perfect time to refresh your space for the season ahead—making it guest-ready, celebration-worthy, and unmistakably yours.

Here's to a season of beauty, warmth, and togetherness.

With gratitude,

R. Dixon Mitchell

PARKER COLLECTION

A celebration of organic form and material mastery, Parker bring sculptural beauty and timeless craftsmanship to the living space. Its trinity of rounded columns finished in a warm brown supports a luminous natural stone top. Crafted from oak, Parker's rich wood grain with striking veining in the stone creates a tactile and visual harmony, while the softly beveled edge lends a note of refinement. Our Parker Collection serves as functional sculptures for the living room, dining room or entry. To view the entire Parker Collection, please scan below.

PORTOBELLO
COLLECTION

A study in refined minimalism, our Portobello Collection blends organic warmth with modern sophistication. Crafted from oak, Portobello's clean-lined silhouettes are finished in warm honey brown to highlight the rich cathedral wood grain. The arched brass metal detail on the door fronts and legs add a sculptural element, softening the linear profile and giving the piece an architectural presence. Topped with natural stone, Portobello offers a subtle contrast in tone and texture; perfect for the living room or entry. To view the entire Portobello Collection, please scan below.
