PANCHANG MUSTARD OIL

ABOUT US

Established in 2024, Panchang Mustard Oil is a trusted name engaged in the manufacturing and supply of premium quality mustard oil. With 2 years of industry experience, we have earned a strong reputation for delivering pure, hygienic, and healthy cooking oil to customers across the market. Our commitment to quality, freshness, and customer satisfaction has helped us grow steadily in a competitive industry.

We focus on producing traditional Kachi Ghani Mustard Oil using carefully selected mustard seeds and a cold-pressed process that helps retain natural aroma, rich flavor, and nutritional value.

As a quality-focused manufacturer, we believe pure mustard oil is an essential part of every kitchen and household. Our oil is widely preferred for cooking, as it enhances the taste of food and adds an authentic touch to traditional recipes. It is also ideal for pickling (achar) because of its natural preserving properties and strong flavor.

Mustard oil is valued for its many benefits, and we take pride in offering a product suitable for multiple uses. It is commonly used for body massage, helping promote relaxation and comfort. For hair care, mustard oil is often used to nourish the scalp and support healthy hair. In skin care, it is valued for helping keep skin soft and moisturized. It is also used in many home remedies, making it a trusted household product.
