

The background of the entire page is a photograph of an offshore oil and gas platform. The platform is a complex structure of steel beams, pipes, and cranes, painted in shades of yellow and grey. It is situated in the middle of a dark blue sea with white-capped waves. The sky is a deep blue with some light, wispy clouds. The overall lighting is dramatic, with a strong light source from the side, creating highlights on the rig's structure and the water's surface.

# 2023 COURSE CALENDAR

[www.relyonnutec.com](http://www.relyonnutec.com)

# INTRODUCTION

Our course calendar is intended as a guide for companies in **planning** their training programs. We recognise that due to the nature of operation of the industry, clients may have urgent requests or timing requirements that do not match the schedules dates. In such cases, **we are most willing to adapt to meet your requirements.**

Training at  
RelyOn Nutec  
Training Centres

In-house or  
On-Location Training

Virtual Training or  
E-learning programs

## TRAINING DELIVERY

- Courses not included in the schedule can be made available **upon request.**
- In addition to standard courses, we can also **customise training** to suit your individual requirements.
- Certain courses may also be delivered **onsite.**
- Courses fee are available upon request
