NARUMI が見据えるビジョン

グローバル化の進展に伴い、気候変動や海洋汚染などの問題はより一層深刻さを増し、私たちの生活に影響を及ぼしています。近年ではパンデミックによる危機が世界を覆い、多くの人々の生活を変えました。このような世界情勢の中で、人々はよりエッセンシャルで自然なものへの希求を高めています。

「NARUMI にできること」

大地の形や水の流れ、光と影の美しさなど、自然のダイナミズムからインスピレーションを得た NARUMI のデザインは自然への敬意を表しています。また、製品の再編集や過去のプロダクトの再生も進めているため、様々なご要望に合わせて提案が可能です。

製造工程においては、エネルギーの効率化や製造時に出た不良品の原料への再利用など、長年にわたり環境への取り組みを推進しています。

NARUMI の食器ひとつひとつが料理人のインスピレーションと重なり合い、より良いプレゼンテーションへ昇華させる一助となることを目指します。

NARUMI's Vision for the Future

As globalization progresses, a growing concern for issues such as climate change and marine pollution is coming to affect our lives. More recently, pandemic has drastically changed people's way of life in all corners of the world. In the midst of these global crises, people are increasingly seeking for something more essential and natural.

NARUMI's Role to Play

In the designing process, NARUMI draws inspiration from the dynamic forms of nature such as mountain ridges, strata, light-dark contrasts and varying colors. We create designs that remind people of the primitive power of nature. We can also make proposals to meet a variety of needs as we are committed to re-editing current products and revitalizing past products. In the manufacturing process, NARUMI has long been promoting environmental initiatives such as maximizing energy efficiency and recycling defective goods produced during manufacturing into raw materials. We hope that each piece of our production will resonate with chefs who turn their inspiration into exquisite presentation.
